

Conchiglia

in English « Seashell »

True Holy Face of Holy Mary
Our Lady of Guadalupe

True Holy Face of Jesus

Intellectuals, politicians, scientists, learned people or new Prophets, well whoever has attempted to communicate through word or writing, to make known to others the basic errors that are committed in the world remaining far away from God, have been silenced in order not to disturb the groups of power, the manipulators of strings, in obtaining their diabolic and destructive intent. With a strong power at the layman level and the Ecclesiastical level they were able to sabotage, almost all, of any non conform thought or Revelation.

Precluded to most, these merciful texts are filtered in a small part and are diffused through goodwill and the “light” is turned on among the children of God. Above all, and today in particular, the need to accede to such spiritual exquisites becomes a gift to confirm one’s intentions due to the disastrous effects at the worldly level that everyone sees and lives.

These Divine Words lead to new possibilities of understanding.

WELCOME BACK MY LORD

BENTORNATO MIO SIGNORE

• • • *Pearls of Love*

• • • Holy Trinity to Conchiglia

*“ NEVER CHANGE
THE ROAD THAT WE HAVE INDICATED O YOU
CONCHIGLIA...
FOLLOW ATTENTIVELY EVERY INDICATION GIVEN
nothing is said by chance...
even every strong or upsetting phrase
is necessary for Our holy objective.
The « very wise » will read... they are already reading now
they know who you are... they have been already informed.
They are alert and scrutinise everything
but that which is written is Our thing.
The Church of the Third Millennium
will flourish again through the testimonies of Our chosen children.
All of the charismatic... will be those
who will direct Our children towards the true and healthy and Holy Church
which must always be Catholic and Apostolic.
Unite yourselves children in constant prayer.
AND YOU CONCHIGLIA UNITE THEM.
YOUR DUTY IS GRAVE... YOU DO NOT KNOW HOW TO DO IT
BUT WHO READS THE MESSAGES WILL CONTACT YOU.
Be good for now... they will call you
because they feel the urgency to do the things for Us.
THE TRINITY BLESSES
EVERYTHING THAT YOU DO FOR YOUR COLLECTIVENESS
AND INVITES YOU TO LOOK BEYOND
THINK OF THE IMMINENT FUTURE...
TO THE NEW ERA OF JESUS AMONGST YOU
WHO AS EXCELLENT MASTER WILL BE... GOD WITH YOU.”*

● ● ● Holy Trinity to Conchiglia

*“ Your battle will give precious fruits
because We look at the will to do things for Us.
THE WISE OF THE WORLD WILL BEND HEIR HEADS
AND WILL CRY AND WILL DISPEAR
FOR NOT HAVE UNDERSTOOD
THE VALUE OF THE TRINITARY WORDS THAT WE GIVE TO YOU.
Conchiglia... do not fear...
abandon yourself amongst Our loving arms
let yourself go and calm your heart
because all of Us see and hear.
The life of the world will soon change
but today’s pioneers will greatly suffer.
You are one of them... with the gravest duty
which is of great responsibility.
We know the difficulties of the battle...
We know the uneasiness that you have
We know that you want to let everything go
when the enemy suppresses you with hatred
but We also know that never will you leave Us...
because you have written it in the bottom of your heart.
Now it is you who is saying... and you do not know...
« Father... if it is possible let this cup pass from me
but let Thy will be done and my will »
Conchiglia We love you...
Conchiglia We consol you now that you are alone.
You are fighting against a closed and hypocrite world
that will fold on itself... like an old box.”*

● ● ● Holy Trinity to Conchiglia

PRAYER

*“ MY FATHER... IMMENSE LOVE
immense... immense... immense...
so immense that I cannot find the words.
My Father... precious and valuable treasure
that I will never change for anything else.
I love you now... tomorrow and always I will love You.
How can I relax the heart that is yearning for You?
Look at me o Father...
turn Your look towards me and place Your hand on my head.
Caress me like is done when a baby cries
whisper sweet words that softly touch my hearing
so that to better hear every word...
I will come closer to You... come closer...
closer to hear better.
Your Words my Lord
are Words of a Father Who loves His children
are Words that teach how to live in today's world
are Words that will never lose their brightness
of the wisdom that is given to them
are Words of love of a Father
Who wants to teach and consol His children. Amen.*

*There Conchiglia...
many are the hearts in the world that I will consol as Father
but now the TRINITY says to you:
Child... work for Us with the love you have in your heart
and enjoy the hope that prevails in Our children in all of the world...
by reading these Holy Writings.”*

• • • Jesus to Conchiglia

“ Conchiglia... I am your Jesus of Love.

I rejoice in you and you rejoice in Me in this space-time that belongs to Us since Eternity.

Joy belongs to God... because God is Joy... is Love... is Happiness of the heart.

This joy... this happiness of the heart must be interpreted...

must be recognised in the Reality of Essence from where it comes.

This Joy and Happiness has nothing to do and not even close to being that which man thinks of knowing about terrestrial joy and happiness.

True Joy and true Happiness... are only in God.

Joy and Happiness are streaks of white... pink...

shaded and amalgamated to the heart

similar to certain shaded and amalgamated streaks of a precious marble.

The heart of Man that loves God is an exacting heart

it is a heart that loves God that asks everything to God.

A heart that loves God will not be easily satisfied...

it continuously searches for the best sensations that come from God

to capture them in himself to make them lovingly part of him.

God... to every created Soul
has given the possibility to choose in function of the received freedom.
Every Soul that has chosen to serve God in His Project
has then chose to do and reach certain goals.
These goals... all different among them were also linked to the space-time
and in every age every Soul
was incarnated to bring to an end one's own mission.
Oh Conchiglia...
I have known and saw so many beautiful Souls
who have served God in His Project.
Every time I felt amazement and wonder
in contemplating the choice that those Souls have made.
What ideal!
What spiritual enrichment!
What marvellous discoveries!
What useful inventions!
Wonders upon wonders in step with every man...
that was growing in age... wisdom and grace
in their own space-time of their age.
Amongst them was also your Soul that amazed observed and meditated
on the choices that I saw operating in your sister Souls.
Your Soul looked and could not decide what to do
so then to help you I proposed you one thing and then something else...
and then still another thing and so on... but still nothing.
Nothing made you happy.
Every thing was small for you.

I wanted to give you Heaven... but nothing.
I wanted to give you Earth... but nothing.
I wanted to give you Science... but nothing.
I want to give you Art... go on!
I wanted to give you Music... no.
I wanted to give you the Discoveries...
the guide of the Nations... the management of Nature... and still nothing.
You were in every one of these things not content...
so not content that in the meantime the « time-non time » was passing on Earth
till the moment in which in the horizon
past the « End of the Bad Times of Humanity »
and then...only then did you have the courage to say to Me:
« Of all of the things that you have proposed to me my Lord
nothing is worth more to me than the thirst of love I feel for You
and to quench the dryness and the thirst I want You...
I want that You enter in me.
I wish to empty myself to leave room for... You
so that You Yourself will put everything in place
which I will never be able to fix
because I am not equal to all of the other Souls that have proceeded me.
I want You, my Lord!
I wish to make me flesh
to make You take possession of the World that belongs to You
so that You can instruct and guide it in the most dangerous age
which can bring Humanity to the auto-destruction »
And so I said: Yes Conchiglia...
and I made Myself « Pearl » in you

causing you for the Holy Scope many sufferance.

I made Myself Word.

Through your hand I express and cause wonders in the heart...

I model them... I cure them... I pretty them... I nourish them...

I purify them... I instruct them... I encourage and I console them.

Oh Conchiglia...

you stayed behind and you found yourself in front

in the great age of the « End of Time »

and by the Will of God... Together We have created...

I for the Project and you by the will in Me

the Movimento d'Amore San Juan Diego...

spiritual Creature of God out of the space-time

that being « Movement of hearts » it does not physically move

but is divinely free to move part of the World

to conduct it towards the True Church...towards God.

The Movimento d'Amore San Juan Diego has a well defined task

and will accompany Humanity till the « End of Time »...

age in which Man will reach the original state

as the First Man created wanted by God before the Original Sin.

And if to man it is impossible to accept the Mystery of the Holy Trinity

how is it possible to gather a seashell

all the water of the sea to put it in a hole in the sand...

how can it be possible to man to gather the sense of a Conchiglia...

who really makes herself a « cup » to pour...

and « hole » to gather nothing else than God?

Let Me act in your heart
I am Virgin Mary of Guadalupe
who, through My son Juan Diego
have shown My Image to the World.
I will protect and save the World from Satan himself
who, in humiliation will vanish in the farthest depths of hell.
I will bring you to the Final Victory
and with My Holy Image I will come to all the world.
Amen.
