

## LETTER OF CONCHIGLIA TO THE HOLY FATHER S.S. POPE † BENEDICT XVI

Prot. 07.11- 06.01.2007

**Dear Holy Father,**

I wish to thank You for Your Words and Your Blessing on this day.

I have chosen this day, **THE MANIFESTATION OF THE LORD**, to directly ask You, being sure that Jesus and Mary intercede for me to You because various times I have tried to contact Your Holiness without result. Humbly I ask You for this special and particular interview.

I am using Internet because also the Holy Church uses it and as Your predecessor John Paul II was saying, if it is used to make known that which is good and defends the Life in every way and the dignity of man then it is good.

I am in obedience to my Bishop Mons. Giuseppe Orlandoni of the Diocese of Senigallia regarding the request to not publish anymore **THE REVELATION** that still today I receive from the Holy Trinity.

I am certain, Your Holiness, that this my obedience can not impede me to speak to You as a child can do with a father, that father I am missing because he ascended to Heaven.

Your Holiness had a great courage when You admitted that there was a lot of filth in the Church but as You teach, in the Imitation of Jesus, it is necessary to correct the errors and to forgive those who made the mistake if he recognises with humility to have done wrong.

There, Your Holiness, I am a woman as many who in the difficulties of life have made mistakes and for this I ask God for forgiveness, to You for You represent the Holy Church and to all those who read my work, so that they will pray to the Father for me.

This age is difficult to live in the manner of God.

Too many are the solicitations that tempt Humanity and Humanity is weak due to the Original Sin.

It is true that Humanity today has the weapons to fight Evil.

**I WANT OT CALL HIM WITH HIS NAME: SATAN**, because too many Priests do not even mention him because they are afraid of him, because they believe he does not exist.

Instead he exists and does a lot of damage everywhere and uses men at every social level, putting them in powerful places to use them as he please as puppets to then rid himself of them.

In this age he has taken particular aim at the Priests and through some of them he has installed himself to destroy from within the Holy Catholic Church.

**BUT IT IS RIGHTLY FOR THIS THAT JESUS HAS TURNED HIS ATTENTION TO HIS CHURCH GIVING IT THE OPPORTUNITY TO FIGHT SATAN.**

**JESUS, THROUGH HIS CHURCH DESIRES, TO MAKE KNOWN TO THE WHOLE WORLD THE GREAT MESSAGE OF THE GLORIOUS CROSS**, given through Madeleine Aumont, that announces the **RETURN OF JESUS IN GLORY**.

I well know that Your Holiness knows the events of Dozulé and has asked for accurate inquiries and certainties.

THE FACT IS THAT YOU ARE NOT LISTENED TO BY THOSE WHO SHOULD OBEY YOU. AND THIS IS VERY GRAVE BECAUSE EVEN THE BISHOPS MUST OBEY THE VICAR OF JESUS. OBEDIENCE is a great proof of faith.

Through obedience to God and to His Holy Laws the selection upon the selection will be done even on the Priests who say to love God and to serve Him and in reality they do not serve Him.

Many of us, faithful, Your Holiness, are scandalised by the behaviour of some Priests and we ask ourselves « why » when good Priests work, they are put aside by their Parishes or removed of their duty and even unjustly slandered.

Your Holiness, what I am about to say will be hard to accept and even to put into practice by many Priests because they do not believe that Jesus is really at their side to help them and to guide them. THIS IS THE FINAL BATTLE!

Why is the Church astonished by the fact that to fight JESUS HAS CHOSEN TO USE THE SIGN OF THE GLORIOUS CROSS? The Cross used by man as an instrument of death in the Hands of God has become the instrument of Resurrection and of Glory. AND SO WHY FIGHT AGAINST HIS GLORIOUS CROSS? WHY TAKE DOWN THE CROSS OF LOVE OF DOZULÉ ON TEPEYAC HILL, THE EXACT PLACE WHERE HOLY MARY APPEARED TO SAINT JUAN DIEGO erected with the approval of the Archbishop Primate of Mexico Cardinal Rivera Carrera and Mons. DIEGO MONROY PONCE Rector of the Basilica of Guadalupe?

It Is Jesus Who has chosen to manifest Himself along with His Holy Mother Mary through the Glorious Cross.

GOD HIMSELF has chosen THREE WOMEN to testify Him.

He has chosen Madeleine Aumont in France  
to ANNOUNCE HIS NEXT AND SOON RETURN IN GLORY  
and to announce His Word of Truth;

He has chosen Je Ne Suis Rien in France  
to erect the Cross of Love of Dozulé in reduced proportions 7.38 x 1.23 m  
in thousands in the world  
and to announce His Word of Truth;

and He has chosen even Conchiglia in Italy  
to found the MOVIMENTO D'AMORE SAN JUAN DIEGO  
in honour of Holy Mary Our Lady of Guadalupe,  
to make known THE REVELATION to the World,  
to diffuse the MESSAGE OF DOZULÉ  
and to announce His Word of Truth.

We are three women, that are not alone, because we know that even other women God has donated His Light and His Word and together we will unite because we are to represent those same WOMEN WHO DID NOT COWARDLY RAN but remained at the foot of the Cross while Jesus was dying.

Why is the Church amazed if today God has rightly chosen these women to manifest Him with the GLORIOUS CROSS?

TO MANY PRIESTS THE RETURN OF JESUS IS NOT PLEASING.

They say so every time they celebrate the Holy Mass that they wait for His Return and in reality THEY DO NOT WANT JESUS. And does Your Holiness know why they do not want Him?

Because some represent those servants who punish other servants subjected to them and they eat and drink and they get drunk living in total relax. **THE TEACHING OF JESUS MUST NOT REMAIN HIDDEN BUT MUST BE MANIFESTED.**

More than one Priest could say:

Your teaching, Jesus, is in the Gospel.

And so I answer:

nothing would have been written in the Holy Gospel if Jesus did not speak to His Apostles and to His people.

And today it is the same, Jesus speaks and Conchiglia writes.

It is Jesus Who has lit the lamp of His Word that illuminates the world.

**WHY DO YOU, THE CHURCH, HIDE IT?**

Some Priests are too worried in building Temples and earning economical profits but it is right to know that **THE TRUE TEMPLES OF JESUS ARE HIS CHILDREN, THOSE WHO EVERY DAY TAKE THEIR CROSS AND FOLLOW HIM BECAUSE THEY DENY THEMSELVES FOR HIS LOVE.** Today's Prophets, the true Prophets, give the Word of God to the world which is in great danger but they are not listened to.

It is forgotten that who listens to them listens to Jesus and who despises them despises Jesus and in consequence despises the Eternal and Holy and Almighty Father Who has sent them.

Your Holiness, through the Words that the Holy Trinity has given to me, the world could hear that which others may not hear. **WHY IS THIS HINDERED?**

I understand the prudence, but it is necessary to seriously consider and verify.

In the World, thanks to many obedient children who have accepted the Words of Jesus given to Je Ne Suis Rien, **IN THOUSANDS AND THOUSANDS OF CROSS** were raised that announces **HIS RETURN IN GLORY WITH HOLY MARY**, there have been fruits of conversion and these Crosses **WERE BLESSED** by other **THOUSANDS** of Priests, **PRIESTS WHO SHOULD HAVE THE COURAGE TO TESTIFY** because no one, and I say no one, can interfere on their conscience. Priests who in the Imitation of Jesus should donate their lives, certain that the Father will not leave them alone and to stimulate other Priests to unite with them, **PRIESTS WHO JESUS LOVES A LOT AND WILL BUILD HIS TRUE CHURCH.**

Yes, true Church, because as You say Holyness, today too much dust covers that which should shine. **THE GLORIOUS CROSS OF DOZULÉ IS THE ANNOUNCEMENT OF THE RETURN OF JESUS** and still today as it is written in the Holy Gospel:

**WHO IS NOT WITH JESUS...IS AGAINST JESUS**

**AND WHO IS AGAINST JESUS...SERVES SATAN.**

Do you know, Holy Father , what they say of me? They say that I am a lost sheep.

And so I would like to make You reflect on the Parable of the prodigal son. The moral of the Parable is important. It evidences the forgiveness of the son who asks for forgiveness and of the merciful father who forgives and is happy because he has found his son, having him with him again. But there is also the other moral, that which his not evidenced and is not less important and significant and that is the brother of the prodigal son who is not happy with the father who has used his mercy. He is not touched by the return of the brother, yet he clearly opposes the will of the father and does not participate at the feast organised by the father because he feels offended by the behaviour of the father towards his brother, who he considers a sinner while he believes to be right. Yet, Your Holiness, even You well know that this behaviour does not reflect the identity of a righteous person. his brother believes to be righteous and instead is a sinner and behaves exactly like those Pharisees of yesterday who praises themselves to be righteous, convinced not to have

infringed any law. Well, God does not love those who praise themselves and believes to be righteous.

Unfortunately, even today, the Church establishes « who is righteous » and « who is not righteous » and amongst many Purple Dressed powerful men prevails this behaviour of pride. Who has worked with Holy Scriptures of the Old Testament has done so with the behaviour of the Pharisees of yesterday adapting even the Parables and modifying them in some parts to adapt them to their own convictions, to their way of living and thinking. These words, Your Holiness, are upsetting, because after the first moment of surprise and of lost and even of sufferance, they will open the eyes as the blind man at the pool of Siloe.

I intend to speak of the most famous but trivial « lost sheep ». This parable is so simple that it did not merit any comment by the wise. The lost sheep, is intended by the multitude of the Consecrated that how they explain it in their manner, as a son who was lost due to sin. According to them, Jesus would have left the ninety nine righteous sheep to run and find the lost sheep, to bring it back to the other ninety nine and to continue in that way the tranquil grazing of all of the sheep and that is of the righteous people.

But who are the righteous people? And who is the sinner? What is a herd? And what does the lost sheep represent? I will try, Your Holiness, to express this thought on the Parable! A herd is formed by a number more or less great of sheep. What do the sheep do? How do they behave? They are peaceful and this is true but not all of them. They tranquilly graze and one follows the other. They are satisfied with the grass that they have at disposition, producing that which we know as milk and wool as nature foresees. They are happy with what little they have, but suddenly a sheep leaves, furthers away from the herd and goes in other directions in search of new pastures. It desires new grass, more tasteful and fresh grass, that which is not stepped on by all the other sheep that are ahead. Yes, because that lost sheep is the one who is behind the herd, THE LAST ONE. Otherwise the shepherd who is in front of the herd, would have readily noticed the flee of the sheep. And instead no. Only when in the evening he counted the sheep, when they returned to the fenced area, he becomes aware of the missing sheep and goes to search for it. He goes to search for it because it is precious. It is so precious that he leaves the ninety nine sheep to run after it. But do you know why that sheep was in the last place behind the herd? Because it was intelligent and followed the shepherd. He in front and it behind, to keep the herd in centre. The shepherd knew that he could always trust it. When the shepherd finds out that it was the missing sheep, His favourite, he abandons all the other to their destiny. This could be upsetting? Yes, could be upsetting and very surprising. So much to even create sufferance.

Now let's return to man. The Church represents the fenced area and the sheep inside are the represented by the faithful men of the Church. Those men who are happy to know that which they know through the actual Church. Those men who like sheep, one following the others without asking question and reasoning, on the contrary to what Your predecessor John Paul II taught and Your Holiness teaches.

They feel to be secure with the « fence-Church » and the keeper of the fenced area is tranquil till when he realises that someone, though being part of the multitude of men of the « fence-Church », leaves and goes away, isolating himself, and goes in search of new things on the Origin of Man, on value and the why of existence. He desires to know the truth on Jesus because those who represent Him, and that is the Priests, do not behave as Jesus had taught and still teaches through the Word of the Holy Gospel. That someone becomes for « the society, the sheep » and for the « Church, the keeper » a person who has left the group and therefore thought as a behaviour error because he behaves different from their behaviour. So different that she is silenced guilty of sin, so different that she is frightening because she is a researcher and barer of things and new, fresh, appetising concepts for the mind and heart.

There, Your Holiness, that the society looks at that person as « different » and one is afraid of the different because he does not know him.

The different represents the unknown while the society, because it is weak in every sense, needs certainties and a fence where to be secure. No one of those good-willed people, who behave good, who do not infringe the laws, who do not go away from the fence, would never dream of leaving a secure meal, the secure warmth, the secure comfort, the secure wealth to search the Truth. But what is the Truth? Even Pilate asked Jesus: what is the Truth?

But Pilate was afraid of the answer and did not investigate further in order not to listen and in not listening he was not morally obliged in reacting in consequence because otherwise his certainties made of privileges and comforts would have crumbled.

Therefore, what is the Truth, Your Holiness?

The Father, the Son and the Holy Spirit Are the Truth.

Three well Distinct Persons, One Unique Essence, Unity. GOD IS TRUTH.

Some members of the Holy Church, Your Holiness, though do not intend to know the real Truth as Pilate and they wash their hands. And do You know why they wash them? Because the « I » that is in many Priests, the « I » proud, the « I » egoist and opportunist that is in them, is recognised as filth and therefore they wash themselves. They wash their hands that is the visible part of the Church and of the society that from the outside appears clean as appeared the hands of Pilate but that in reality were dirty, very dirty, because those hands too many times have done and wrote things that are too disgraceful and aberrant in front of the Eyes of God.

And the symbolism of the « washing hands » is represented by the multitude that do not intend to put themselves into discussion, that do not want to put at risk that which they have conquered with dishonesty and the service of the powerful who dominates and surveys. Yet, these « washers of their own hands » are not content to remain out of the Truth. In order not to show their inferiority they do everything to persecute in every way those, who intrepid and risking their lives in every sense, courageously search the Truth, the Light, the Way, the True Life in God.

And so then that the society and the Church extends traps of every type on that « someone », on the sheep that they consider « lost » that Conchiglia represents.

So many are the traps, that the poor « someone » sometimes and due to her fault falls, hurts herself, bleeds and has difficulty in getting up. But there then the Pastor intervenes and the Pastor is Jesus Who knows His sheep and even the one that was hurt due to the evilness of man who had laid the traps. Yes, the Pastor, Jesus, leaves the sheep that are considered righteous and secure in the fence, those people as the Pharisees of yesterday, including the Ecclesiastical Hierarchy, in some members who think of themselves as righteous and runs, runs, runs towards His beloved intrepid creature that challenges the world and nature to help her, aid her, medicate her, till she is cured. Yes, because the wounds are painful and are truly many. He runs towards that courageous creature who was searching the Truth, was searching the essence of things, the essence of Life and of Death, the essence of the True Union and Life in God. She was searching herself in Jesus. How did it go?

Certainly, Jesus took me into His Arms, certainly He guided me to the « fence-Church » not certainly not for the childish and ordinary reasons that many Priests believe. He has guided me to the « fence-Church » because the Church is my home, my true home and to show who lives in it and that is to all of the Ecclesiastical Hierarchy and to the society, that Jesus loves Conchiglia, loves her intrepidity, loves her love that pushes her to search and find in Him, the One God Who helps, protects and raises His loved children till they are light for the goers who walk in the spiritual darkness that is now on the world, light to illuminate the wounded hearts, people like them who sometimes did not have the courage to risk though comprehending that the Truth was not all in the known words that they have heard from men who gave personal interpretations that were not that believable, filled with stories that were not realistic that were declared mysterious so that no one would dream to go and discover the Truth to leave them in the drunkenness made of pride and false humbleness, of false and indifferent power.

There Your Holiness,

I write with my hand to You in contrast to too many Priests and men of the world who wash their hands.

Your Holiness, that which I keep in my Heart is the « Treasure of God ». What is a treasure? It is something precious to keep and protect from thieves and from wrong doers who would like to have it. And if in the world it has a certain value, can You imagine what value the « Treasure of God » would have. It is a « DEPOSIT » One and Exclusive that is in my heart, in my soul, in my mind. It is in my feminine essence of creator , generator of Light of these Last Days.

Your Holiness, evil rule over, evil in the centuries has gained strength thanks to the help of those who serve it through many ways and many types of sin. Lucifer is aiming at the maximum, he readily decided to destroy the masterpiece of God: man made of His Image and Likeness.

To destroy man does not mean for him to only physically eliminate him: he well knows that due to the Original Sin man is destined to a physical death. THAT WHICH INTERESTS LUCIFER IS TO DESTROY MAN IN HIS ESSENCE. Lucifer is thirsty of souls of man. As I have already said Lucifer aims at the maximum; his field of action that he has chosen to fight and destroy man excites him. The planet Earth is a field of action too insignificant for him because he is absolute evil and is not content in only wanting to destroy Earth and its inhabitants.

You, Your Holiness, could say:

« But what does he intend to do?

He should be already satisfied since the Original Sin till today. »

You see, Your Holiness, I tell You that he is more furious than ever. Though the evil that he has done till today he well sees that the Eternal and Holy and Almighty Father is loved and honoured by some of His children chosen in a particular manner. All of His chosen children love Him as I have already said but some among them love Him even more and have voluntarily chosen to dedicate themselves to the primary cause of the Project of God: save man in his essence, in his identity.

Your Holiness, here I wish to add, that the maximum attention must be placed on Faith and Reason of which even Your Holiness has spoken.

It has already been said that Faith is enough to save the simple souls but who has been given more, in Grace and talents, must act and use the given gifts and must use Faith hand Reason to help those who are spiritually behind.

There Your Holiness, now I want to reveal the field of action where Lucifer wants to fight to destroy man. It is an immense field, it is a field without time nor space, it is an invisible field and for this it is supernatural because though it is invisible it does exist.

It is a field that excites him and exults him because it is a sophisticated and unfathomable field even to man who owns it. This field is THE HUMAN MIND.

Yes, Your Holiness, he, Lucifer, has the intention to destroy man through man himself.

Lucifer, known as the serpent « ser-pen-te » enters in man through the « thought » and injects the « serum » of his malefic essence, so that man through his own actions physically and spiritually destroys himself.

« The mind-the thought » is an immense field that he wants to conquer with every means and to control and manipulate as he pleases to obtain his maximum satisfaction.

Through his faithful followers Lucifer operates on Earth to gain the minds of men. Lucifer has well trained his leaders and has placed them as head of the weaker masses.

These « demon-men-leaders » thanks to Lucifer have reached the power and exercise it to exterminate the masses in centuries in centuries.

Has humanity ever asked why there is and increase in the number of wars for religion?

Religion through « the reason-the mind-the thought » unites us with an invisible thread to God Who we do not see but exists. Absurdly in the same time in every angle of the planet Lucifer impedes every type of action, practice, cult to the religion « the mind-the thought » always would honour God.

For this Lucifer, after strategically operating through the Ecclesiastical Masonry to inhibit the practice of cult and to weaken the Faith of the masses, now marches with strength and well determined on the field « of the mind-of the thought- of the reason of man ».

Lucifer, through his followers with power, does not want man to use his reasoning. Lucifer wants that like many sheep, the mass of men, to follow him through the « demon-powerful men » who evilly reason well and day after day terrorise in every way man to reduce him to the impotency of action and reason.

The « demon-men » at power well see how to reduce the planet Earth that they use but that they do not love. And one well sees how they reduced to poverty and to famine the men that they have used and hate, classifying them as human refusals that impede them to enjoy that which they believe belongs to them and that is total luxury, total wellbeing, total power. What does « total power » mean for Lucifer? To apply totalitarianism till everyone follows him, his malefic ideologies, to the selection of the races, to the classification of the individuals, in a word HE INTENDS TO TAKE THE PLACE OF GOD and act in consequence with hate and determination against the initial Project of God that has made man free in every aspect. And while God, Your Holiness, uses Love, Mercy and Forgiveness towards man His creature, though he become ugly by the Original Sin, Lucifer uses hate in every aspect to destroy even the thought of man inducing him not to use the mind and the reasoning on the Truth that God reveals day after day to me.

Your Holiness, to work in favour of good is fantastic and painful but it is necessary to always look towards Jesus, to look always and only towards Jesus, exalting always that wood of the Cross that as an ignoble instrument of death has been transformed into the instrument of Salvation.

Your Holiness, I ask forgiveness for having kept You so long with this letter but I have no other way to reach You.

You, though being really free, has so many grave appointments to face that makes it difficult for us simple faithful to reach You.

I assure my daily prayer in the Holy Rosary, for You and for all of the Holy Church, while waiting that the Will of God be completed even through men, because it is true that God proposes but man, through his free will, arranges to let grow or not the Kingdom of God on Earth that is already Present but dispersed among His children in all of the world.

I wish You well

so that You will always have the necessary strength to face every difficulty.

May God bless and protect Your Holiness

in the Name of the Father

of the Mother

of the Son

and of the holy Spirit.

Amen.

May Your Holiness bless me.

*Conchiglia*
