

THE CROSS OF LOVE OF DOZULÉ REPRESENTS THE NEW NOAH'S ARK

Prot. 07.25 - 27.01.2007

GREAT AND OMMINENT IS THE DANGE THAT IMPENDS.
THE WHOLE PLANET IS INVOLVED.

Who works in favour of Humanity possesses only traces of memory that induce to react event after event. The Scientists who study the Cosmo know things that they do not tell you. they consult with the powerful men leaving Humanity in the hands of the events. THIS IS WHY GOD INTERVENES TO SAVE HIS CHILDREN DISPERSED IN THE WORLD. God is the Salvation of the poor, of the simple, of the humble, who like babies trust Him. And while the powerful men are protecting themselves from the imminent events, there that Mary in the vests of Our Lady of Guadalupe, prodigiously shows to Humanity Her Face, her whole Image, her Habit. ROYAL HABIT covered with stars, the COSMIC MAP given to the humble, where the constellation results to be as in Heaven as on Earth. The stard Mantle of Mary is a precious « MAP » on which is necessary to study deeper to gain the « cosmic knowledge » and not only the spiritual one. Mary, in the vest of Our Lady of Guadalupe is THE LADY DRESSED OF THE SUN because the Sun, by the Will of God, determines the Life on the Planet Earth. Mary in the vest of Our Lady of Guadalupe, is a THE LADY OF THE APOCALYPSE, THE LADY OF THE REVELATIONS who intervenes and helps. Mary, is the help given to the « pure of heart » who with Faith believe and love God. On her Mantle one can read and decipher that which is about to happen in the heavens and that will involve the Earth, for this reason the Message given at Dozulé is important for all of Humanity. THE GLORIOUS CROSS OF DOZULÉ that the Church must erect and HAS NOT ERECTED, should have been the « SPATIAL SHIELD » of the men of God, of the men of Faith, in counter position to the « SPATIAL SHIELD » constructed by the hands of men who are not of God and are without Faith. The Crosses of Love of Dozulé, are « small spatial shields » dispersed in the World. The Crosses erected with Faith, that protect those who are in God give to the poor to the simple, to the humble, to those who do not have other means a protection for themselves as the Powerful men have. But who are the Powerful men? They are men who have gone to Power in every ambient, helped by the devil. They are men outside and demons within, that know and do not say, hiding too many things from the « small » . They believe to be able « to save their flesh » , transmitting while hiding their initiatives and their actions. BUT THAT WILL NOT BE SO. THEY WILL PERISH IN THE FLESH BECAUSE THEY ARE ALREADY PERISHED IN THE SPIRIT AND SOUL. THEY ARE INVOLUCRES « EMPTY OF GOD » . Sacks full of air that become flabby, and neither record nor trace of them will remain, to their DEFEAT!

THE CROSS OF LOVE OF DOZULÉ REPRESENTS THE NEW NOAH'S ARK.

Many Arks in reduced dimensions, where who goes to them with Faith will be protected. With me, THE FATHER HAS ESTABLISHED A « NEW ALLIANCE » AND EVEN THIS « NEW ALLIANCE » HAS BEEN BEDEWED WITH BLOOD.

My blood, made of sufferance of every type and total abnegation, and PRECIOUS BLOOD OF JESUS still effused for Love in the EUCHARISTIC MIRACLE, that now, for « RIGHT OF LOVE » by me, and « REFUSED » by the Holy Church, BELONGS to me.

I know to be a « sign of contradiction » , that without wanting disagreements, I necessarily provoke them for the obligation of choice:

TO BELIEVE OR NOT TO BELIEVE IN THE REVELATIONS GIVEN TO CONCHIGLIA?

But does it not happen with more frequency that a brother kills brother, and the son the father and the mother, and the mother and father the son?

And does it not already happen in the families that the Word of God creates division amongst the components because there is those who love It and believe It and there are those who do not love It and refuse It?

It is not I that they refuse, they do not even know me! IT IS JESUS WHO THEY AGAIN REFUSE! IT IS THE WORD OF JESUS THAT ENTERS LIKE A SWORD CUTTING AND DIVIDING THAT WHICH BELONGS TO GOD FROM THAT WHICH DOES NOT BELONG TO GOD.

THE WORD OF JESUS ALWAYS MAKES A « SELECTION » .

I have the right to speak, Divine right, that regulates the relationship between men with a leader « God » and is expressed through the Word that is the « REVELATION » with the true Religion that is derived, because even the Church is losing the memory, through the behaviour of many Priests who DO NOT BELONG TO JESUS.

The Church! The Priests! Who does not believe in the words does not believe even the Gospel. Who believes in the Gospel, believes also in these words and has abundant explanations and knowledge for Love and for the Will of God. Who believes the Divine Words, will enter by right into the « Great and True and Unique Family » , THE FAMILY OF GOD.

Amongst you who believe, bonds will be formed of true relatives, because the « relatives of the spirit » is of priority on the « relatives of the flesh » . In fact Jesus says:

« WHO DOES THE WILL OF MY FATHER, IS MY BROTHER, SISTER AND MOTHER » .

Who will be willing to accept this teaching, will perfect himself in the Law of God, on the contrary, slowly will he cease to believe even in that « which he weakly believes in now » .

Yes, he will no longer believe anything, because he does not from where he comes.

HE DOES NOT COME FROM THE « SEED » OF GOD and therefore WILL DISAPPEAR INTO NOTHING.

In fact, who does not believe, is like a blind man and he let himself be accompanied by other blind men. But where will they go together these blind men? What will happen to them? They will fall in the abyss of their « nothingness » of their « absolute interior emptiness » . Who believes will be part of the « New Church » , renovated from within, a NEW COMMUNITY OF LOVE, a NEW MOVEMENT of spirits, body and souls FUSED AMONGST THEM, IN GOD, with the Pope as Leader on Earth, the Rock on which is based the Church.

THE ROCK THAT IS A STRONG AND SECURE FOUNDATION THAT NOT EVEN THE STORMS WILL DESTROY. Again Jesus asks to His children and brethren:

« COME FOLLOW ME » because to collaborate with Him and to make the « New World » it is necessary to leave every external solicitude that involves other aspects.

THE MANIFESTATION OF JESUS IN THESE WORDS IS POWERFUL HE HAS COME TO SEE HIS CHILDREN AND BRETHREN IN AN OFFICIAL FORM through me, Conchiglia. This period of our History is a « Solemn Event » and as such should be appreciated, loved and remembered. Do not throw away the Gifts that God has given to you. To convert yourselves do not wait for the SIGN OF THE CROSS IN THE SKY promised by Jesus to Madeleine Aumont, for it will be too late! It is bitter having to know that many brethren will be furthered away. It is the « SELECTION » . Today like yesterday, too few people are those who will follow Jesus and put into practice His Words.

Today like yesterday, even those who say they « believe » put attention of the straw in the eyes of the brethren and they do not cure the beam that is in their own eye, due to their spiritual blindness. Many are the criticisms and the judgements against me, Conchiglia. What pity I have for these children so far away from God and who do not intend to get closer though of His repeated and anchored recalls to an adopted affiliation. Someone may be scandalised in the resemblance between me and the Holy Mary, at the same age of 18, as appears in the Tilma of Saint Juan Diego, and I feel interiorly perturbed seeing one next to the Other. Yet, always the « maid » is next to her Owner, to follow Her in every place, even to those very important. Holy Mary wanted this that my image be next to Her Image, to make reflect those who look, in the same way as those who look at an actor who represents the FACE OF HER SON JESUS and interprets Him in the Life and Passion.
