

TO THE PRISONERS

Letter of Conchiglia

Good Friday
Prot. 07.57 - 06.04.2007

This letter is for all of my brothers and sisters in prison.
Many are the prisoners that in sufferance and tribulation search for Jesus and invoke His help.
I desire to spiritually help them with my strength against all of injustice.
I desire to speak for those who are not heard and are closed behind walls without being able to do anything, because there are many who serve Jesus in the silence of their sufferance.

I WISH THAT THIS LETTER WOULD REACH THE UNHEALTHY PRISONS.

I would like to speak to the prisoners to let them know all the Love that Jesus Has for them, because Jesus never forgets anyone.

IS THERE SOMEONE AMONGST YOU WHO COULD HELP ME?

I would like to bring the peace of heart to these people who are losing hope.

They will well see the evil doers, the true ones, those impenitent and with a dirty heart, invert their roles of which they tightly hold on to. I would like to say to my prison brethren that they are not alone!

That Jesus is with all of His children but in particular with those who are suffering, with those who do not have any comfort and especially the spiritual one.

Many prisoners have a hardened heart from so much sufferance. Inside the prison, the Love of God is not taught as should be. There, inside the prison, there is « another prison » « inside the prison », and that is of the violated will!

I would like that all of the prisoners, who read this letter feel free the heart.

Their violated will, is in the fact that many of the converted prisoners would like to thank and praise God the Father in thoughts, words and works. And instead they can use only their thoughts because the work is limited by their state and the words are controlled, weighed and evaluated by the enemy that hides in every place and in every situation.

Dear brothers and sisters in prison, you are loved so much by God the Father and Jesus has not forgotten you.

Rejoice in your hearts for this.

These words are for you prisoners, they are to demonstrate to all of you that after the sin,
GOD FORGIVES AND MAN DOES NOT.

By yourselves you tie your hands and feet with sin, and that by itself lacerates you and tears you apart, then arrives the sentence and the judgement that often is not right and just, yet sometimes is more harmful than the sin.

Rejoice dear prison brethren, for when Jesus will arrive He will dissolve all laces and chains.

Jesus has already seen His children who are waiting for Him with the heart and are anxious, and He has already seen those who persists in sin and those who are truly sorry.

These words are important, because there are many children amongst the prisoners, who have no sin, but have unjustly fallen in to the net of human justice.

The human justice, most of the time, is sinning of pride and avarice with the simple hearts, while is abundant in benevolence with the « great delinquency ».

Still for a little while, prison children, will you undergo human injustice, Jesus is Alive, True and Present because He is Truly Resurrected and is coming to re-establish His holy Kingdom of Love. **BUT THE PRISONERS...ARE NOT ONLY THOSE BEHIND BARS.**

Prisoners are also those who are subjected and deprived of their freedom to act, both privately and socially.

Yes, because who desires to follow the teachings of Jesus putting them into practice, usually see impediments and blockage of their will to do and this happens in every environment:

in the Family, in the Office, in the Company, in Politics, and even in the Church.

THE PRISONERS ARE THOSE WHO ARE WILLING TO DO BUT CAN NOT DO AND THOUGH HAVING THEIR HANDS AND FEET FREE...IN REALITY THEIR HANDS AND FEET ARE TIED BECOMING IN THAT WAY LIVING CROSSES.

I well know the sufferance of the heart, and I arrive to see, where man can not see in the depth of himself.

To these brethren prisoners I say:

BE FIRM IN YOUR FAITH, DO NOT GIVE UP, BE STRONG, BE MEEK BUT FIRM IN SERVING YOUR GOD.

DO NOT LET YOURSELVES BE INTIMIDATED BY THE THREATS AND MORAL EXTORTIONS.

Trust in Holy Mother Mary, invoking her with the title of OUR LADY OF GUADALUPE, asking her to protect and sustain your just doing.

Imitate Jesus, Who has done everything in His right towards the Father for the salvation of those who accept Him, till the death and the death on the Cross.

The prisoners, are those who Jesus loves in a particular manner because He well knows of the gushing interior force, that is suppressed and oppressed, provokes lancinating sufferance.

Sufferance that necessarily must be offered and addressed to God the Father so that it will give fruit for you with a lot of love, because if you believe, He can do everything where you will not arrive.

HE CAN.

Dear brothers and sister in prison, you should know that even I love you, and that even I, by the Will of God, in a certain sense as if I was in prison.

I humbly ask you to accept these words, that I give to you through the only three free things that I have: **THE HEART; THE MIND , THE HAD.**

God blesses you and Holy Mary, Our Lady of Guadalupe protects you in the Name of the Father

of the Mother

of the Son

and of the Holy Spirit.

Amen.

Conchiglia
