

TREATY on... Satan

APPOINT EXORCISTS, THE MOST THAT YOU CAN BECAUSE A SACRED EXORCIST WHO IMITATES ME WITH FAITH AND LOVE CAN CURE SO MANY ILLNESSES THAT ARE NOT ILLNESSES. MY BISHOPS... DO YOU REALIZE THAT IF YOU DO NOT APPOINT EXORCISTS, YOU OPEN THE DOORS EVERYWHERE TO SATAN, DON'T YOU?

The Revelation given to Conchiglia: « Bentornato mio Signore » VIII volume - February 21, 2004 - p. 253

THE EARTH IS INVADED OF LEGIONS AND LEGIONS OF DEMONS THAT HIDE WELL TO YOUR VIEW AND YOUR SENSES. THE DEMON DOESN'T LOVE TO BE SHOWN SINCE THEY KNOW THAT CAN ACT BETTER IN THE OWN CONCEALMENT BUT THE DEMON IS ALSO FATUOUS AND HE IS SOMETIMES DISCOVERS HIMSELF FOR VANITY AND ARROGANCE.

The Revelation given to Conchiglia: « Bentornato mio Signore » VIII volume - February 21, 2004 - p. 259

DO NOT ADOPT THE NEW EXORCISM'S RULES. THE DEMON EXISTS AND IT IS ASTUTE MORE THAN EVER BECOMING INVISIBLE TO YOUR EYES, BUT HE SEE YOU VERY WELL AND HE ENJOY. TOSS IT WITH THE MEANS THAT I HAVE GIVEN YOU. RETAKE THE OLD HABITUDES. THE SACRED AND BLESSED WATER... SAINT BENEDICT'S CROSS AND YOUR PURITY OF SOUL AND BODY. THE DEMON IS WALKING INPERTURBABLE... AND HE PERTURBS YOU!

The Revelation given to Conchiglia: « Bentornato mio Signore » IV volume - June 16, 2001 - p. 34

EXORCIST PRIEST FATHER GABRIELE AMORTH

FATHER AMORTH: THE SMOKE OF SATAN ENTERS EVERYWHERE, EVERYWHERE!

MAYBE WE HAVE BEEN EXCLUDED OF THE POPE'S AUDIENCE BECAUSE THEY HAD FEARS THAT SO MANY EXORCISTS WILL ACHIEVE TO THROW AWAY TO THE LEGIONS OF DEMONS THAT HAVE SETTLED IN THE VATICAN. THEY HAVE REMOVED FROM THE NEW MANUAL OF THE EXORCISM INVOCATIONS TO HOLY MARY.

Letter of Conchiglia

Prot. 07.82 - 06.08.07
Trasfiguration of the Lord

*Saint Michael The Archangel, Saint Gabriel the Archangel, Saint Raphael the Archangel
Saint Joseph, all Saints of God... defend and guard us.*

THE MOMENT HAS ARRIVED FOR BEING MORE CLOSED THAN NEVER TO THE TWO COLUMNS OF THE DREAM OF SAINT JOHN BOSCO: THE HOLY SACRAMENT AND HOLY MARY. (Saint John Bosco, Founder of the Salesian Order)

For this reason the Eucharistic Miracle happened in Florence on May 23, 2003 rejected by the Bishops that should remit it to the Pope, it has happened to a Salesian Priest of Don Bosco, Don Gian Paolo Faroni.

AFTER HAVING BROKEN THE BALANCE OF THE PERFECT MAN CREATED TO IMAGE AND LIKENESS OF GOD, INDUCING MAN TO COMMIT THE ORIGINAL SIN... SATAN WANTS:

- TO MAKE BELIEVE THAT HE DOESN'T EXIST
- TO MAKE LOSE FAITH IN GOD
- TO INDUCE TO DESPERATION

THE FINAL OBJECTIVE OF SATAN IS:

TO DESTROY WHOLE HUMANITY FOREVER AND ALL WHAT GOD HAS CREATED, PROPERLY WITH THE MAN'S COMPLICITY, TO HUMILIATE EVEN MORE TO... GOD.

THE POWER OF GOD IS INFINITE AND ANYTHING CAN MAKE SATAN IF GOD DOESN'T ALLOW IT. Satan is strong, is deceptive, is potent and is disguised but is limited. He is lying and he makes you believe he is strong more than never. He is unchained because he knows the time granted by God is almost concluded. Satan is also stupid and his stupidity takes him to commit many errors and to be discovered. The strong demons are not those that appear during exorcisms, those are the weak ones that have not known to hide well.

JESUS RETURNS ON THE EARTH AFTER TWO THOUSAND YEARS TO RENEW FROM INSIDE THE STRUCTURE OF THE HOLY CHURCH WHICH IS IN DECADENCE BECAUSE OF SATAN AND OF ITS FAITHFUL SERVANTS.

With immense pain everybody can verify that the Holy Church is in decadence and everyone are going to look for a new air elsewhere, not knowing with this they're making a play to Satan who has ruined too many things and now he is moving you away from God. It is necessary for that reason, to make shine again the Holy Catholic Church demonstrating that after the black times, will arrive happiness and hope.

POPE PAUL VI:

The Pope spoke about the enemy of God par excellence, of that man's enemy that is called Satan: the enemy of the Church. " Through some fissures the smoke of Satan has entered in the Church ", Pope Paul VI denounced. A distressed shout that left astonished and scandalized to many, inside the Catholic world.

CARDINAL JOSEPH RATZINGER - POPE BENEDICT XVI:

His reflections resonated the night of Good Friday in the suggestive scenario of the Coliseum and have been stamped in the consciousness of everyone. "We cannot also think – it has been his vibrant invitation in the meditation of the ninth station - to as much as Christ suffers for his own Church? In how many times it is abused the Holy Sacrament of His presence, as soon as it empties and maliciousness of the heart where He enters! How many times we celebrate ourselves without realize on his presence! How many times their Word is distorted and abused! Whichever little faith has in so many theories, whichever empty words.

How much dirt there is in the Church, and properly among those that, in the priesthood, they should belong completely to Him! How much arrogance, how much self-importance! "

" Lord, frequently we find your Church as a boat that is going to collapse, a boat that makes water for all sides. And also in your sown we see more cockle than wheat. The clothing and the face so dirty of your Church frighten us. But we are ourselves in dirtying them! We are ourselves in betraying them every time, after our all-big words, our big expressions. Have pity of your Church... you have gotten up... you have resurrected and then you can also get up to us. Saves and sanctifies your Church. Saves and sanctifies all of us".

FATHER GABRIELE AMORTH, PRIEST EXORCIST:

The New Ritual of the Exorcism becomes a jeer!

The greatest event of Satan: To make think he does not exist. And he has almost achieved it.

Also inside the Church. We have a clergy and a episcopacy that do not believe more in Demon, in exorcisms, neither in the extraordinary evils that the devil can make, and much less they believe in the power that Jesus has granted to expel Demons.

They have removed from the manual of the exorcism invocations to Holy Mary.

The possessions and the illnesses are endeavoured at least in a 90 percent by the Demon.

THERE ARE IN ACTION « A BREED » OF MUSLIMS THAT WILL MISTREAT THE SACRED BODY OF JESUS, WHO IS ALIVE, TRUE AND PRESENT IN BODY, BLOOD, SOUL AND DIVINITY IN THE HOLY SACRAMENT.

They are supported by the Ecclesiastical and Laical Masonry that nevertheless of saving their bodies they will sell their own soul to Satan that will sit down on the « Peter's Throne » through his minister traitor of God. Consecrated should change their hearts and their attitudes because today they behave as very special employees with many privileges and few responsibilities. I know well that it is uncomfortable to say certain things and not all can sustain the hostility of people in against.

THE « SATANIC SECTS » ARE EXPANDING EVERYWHERE.

Even in the Holy Catholic Church there are some Priests that « praise Satan ».

These Priests possessed by Satan make enormous damage to the Church and the children of God.

Many Priests know these facts but they don't have the courage to denounce the situation to their own Bishop from fear of extortions and worse things.

The children are the first illustrious victims of the « infernal circuits » that are in some undergrounds of Rome and in other big cities like Turin, Bologna and also any others.

Those children are abducted and used through the mass violation. They remove them their blood to drink it in the horrendous rites. I feel sick in writing this but this cannot be silent more.

The horror is in abusing of the children and they even make repeatedly it and they also make them have relationships among them drugging them for not allowing them to rebel. Before, the adults whom pay a lot of money to have them deflower the girls, and then many of these girls are murdered brutally. The scandals of our days, regarding the paedophilia, are just a small thing compared to the hidden reality but that God sees. They not even imagine how serious it will be the punishment over these unfortunate cities. Over them a punishment worse than to Sodom and Gomorra will fall.

Don't think that God also doesn't see other parts, unfortunately this happens in all Nations, especially in the Countries that are called of « foreign vacations » where youths and children are so many and they are in the streets.

The henchmen of Satan capture children everywhere of the world and they make it for tremendous experiments. They kill them. Alive, they sometimes suffer unheard tortures.

They take out the organs of these to sell them to the rich and powerful criminals without scruples.

It cannot describe itself the horror perpetrated on those small children because your minds would refuse accepting that really happens.

PARENTS MUST TAKE CARE AT ANY MOMENT OF THEIR CHILDREN.

They are worthy of belonging to cruellest film of horror.

None of you could resist of killing certain people that don't have of human anything.

They consummate their soul among drugs, sex and most cruel homicide.

It is Satan that works in them. And we call them incidences of accidental madness!

Another madness is crime in pure state.

You not even have idea whichever children and young people disappear anywhere in the entire world.

Each mom should watch over to the maximum on her own children above all because Satan has recruited many « workers of the last hour »... imitating, on the contrary, to Jesus.

These « evil workers » have the task of abducting from mothers their small ones to sacrifice them to Satan through horrible rites that are carried out in the « satanic masses ».

The innocent blood of the children and of young people is spread in the air as if was water and this blood it is also used for other things.

These damned beings that are not more human, are the true ones and properly consumers of human meat, I'm speaking of real cannibalism.

I apologize for this testified reality, but should you also resist, like me, to the pain caused by these disturbing words, otherwise, how to make to warn the world, since the public information remains silent?

They remain in silent because it causes them horror to themselves to have to say certain things.

Despite the quiet pact and systematic silence, except what properly they do not manage to hide, there are many clamorous facts that they already are under the eyes of all.

The Revelation given to Conchiglia: « Bentornato Mio Signore » (Welcome back my Lord) III volume (Italian) - June 01, 2001 - p. 410

BUT ARE YOU AFFECTED AND ARE YOU INDIGNATED BY SUCH HORRORS?

THE GOSPEL IS INSULTED. THEY SPREAD HERESIES AND FALSE DOCTRINES.

It is necessary to clean through these words the heresies that are even received in the Holy Church because of too many « cardinals and not » that for laziness and serious laziness, they don't control and they don't thoroughly go in the new doctrines that grow under the guide of Satan that to the present imperturbable violates the intern of the Churches of the world and he is strong and placid in the « Vatican corridors ». The iniquity is hidden only to those that don't want to see since reading the Gospel and comparing what comes proposed from « wrong-new » it is easy to unmask the damn adversary. Yes damn, since because of your lightness in evaluating the things, you are let deceive and you fall in the worse doctrinal errors that are not teachings given by Jesus.

Jesus is God, He is the Savior of the World that has conquered to the death and it is worried by the folly of many, too many children who are losing themselves. And He will never resign to lose them.

And then He uses other children who donate themselves completely making His will, to follow the mandate that He has asked to obey.

Through « Movimento d'Amore San Juan Diego » the Father has been pleased confronting the defense of the Truly Word that is contained in the Gospel because HOLY GOSPEL IS INSULTED.

The Holy Gospel contains what takes to the Everlasting Salvation and after two thousand years is still not known enough, to oppose to whom, with cleverness and maliciousness, proposes « false doctrines » and false lessons that do not belong to Jesus because Jesus never changes the things that he has said, maybe he adds only some new thing that in His time people would not have understood.

Holy Gospel according to Saint John 16, 12-15

I have yet many things to say to you: but you cannot bear them now. But when he, the Spirit of truth, is come, he will teach you all truth. For he shall not speak of himself; but what things soever he shall hear, he shall speak; and the things that are to come, he shall show you. He shall glorify me; because he shall receive of mine, and shall show it to you. All things whatsoever the Father hath, are mine. Therefore I said, that he shall receive of mine, and show it to you.

THE KNOWLEDGE OF BEING INSTRUMENT OF LOVE IN THE HANDS OF GOD, GIVES ME THE NECESSARY FORCE TO CONFRONT TO, CARRYING MY HEAD HIGH, THE ECCLESIASTICAL MASONRY, THAT WILL LOOK FOR HUMILIATE ME « TO THEIR WAY ». ANYONE THAT HINDERS THEIR ROAD WILL BE CALUMNIATED AND TAKEN TO THE DEATH FOR ANY MEANS.

God is also Justice and not only Mercy.

He is tired of appearing beautiful, good and smiling to those that don't deserve His Love.

Now He will say:

Out of Me makers of iniquity

Out of Me liars and hypocrites

Out of Me impenitent Pharisees

Out of Me saboteurs of the Law of God

Out of Me oh you stingy that take advantage of the ingenuousness of My children and their fragility, not only of their ignorance in merit to the Writings, of which are joint responsibly the Priests that were not applied enough to make know My Word like they had to do it.

FALSE PROPHETS.

It has already been said: the false prophets are those that teach you different things from those written in the Holy Gospel. Those that instigate you not behaving sacredly, to justify each whim or desire, to not confronting the reality of the things of the world that is very different, reasonably in negative, to that it is really proposed. The World is sick. It is sick in the man and in the Nature. And very soon they will realize also those that continue saying: « *But the world has always worked thus* ».

IT IS NOT TRUTH. THE WORLD NEVER HAS BEEN THUS IN DANGER.

THE MOST SERIOUS PLAGUE IS THE LACK OF FAITH. THEN THE WHOLE REST COMES. Under your eyes, every day comes wars, death, and destruction because of earthquakes, alluvions, fires and hurricanes. Nevertheless those continue to not worrying about Jesus' Words in the Gospel.

Regarding Conchiglia, in August 23, 2003, Jesus said:

«... You will look for her! Oh You will look for her... but you won't find her because We worry for her, as she is worrying about you obeying the Holy Trinity. »

IN OBEDIENCE TO THE DISPOSITIONS OF S.E.R. MONS. GIUSEPPE ORLANDONI OF THE DIOCESE OF CHIARAVALLE, SENIGALLIA - ANCONA - ITALY - THE REVELATION GIVE TO CONCHIGLIA FROM APRIL 7th, 2000 TO NOWADAYS... IS NOT MORE AVAILAIBLE.

MAN'S DEMON.

It is the lack of will directed to make the good at any moment, « the man's demon ».

Because of the Original Sin the man is in fight against the other part of himself and this is « against the animal part » not created by God.

Let know that it is not God that tempts the man, it is the man's animal part that is always in fight with the human spiritual part, and, in the fight generally the strong part overcomes and this is what prevails good or bad in each one of the human beings.

The transmission of the animal genes entered to the man because of the Original Sin, it is there for fifty million years and selection after selection, the man will obtain, following Jesus' tracks, imitating him in each thing, that perfection originally wanted by God.

The man must still work hard on himself to be able to reach that initial state and he does not have any right to lament itself of neighbour if before he does not suppress, fighting spiritually, the demon whom he has within himself.

What thing is the demon? First of all, the demon is invisible and he tends to hide himself very well and in this way being not discovered and tossed.

I repeat strongest demons are not those manifested during exorcisms.

THOSE ARE WEAKEST THAT HAVE NOT KNOWN HOW TO HIDE WELL.

The demon is seen in the bad habit that betrays, which is sign of weakness.

Every man has it, some more some less.

For this reason nobody must be judged, for this reason the meekness and that one sacred and not vile, is sign of inner purity.

Meekness is the part that necessarily must prevail to the rebellion.

Who rebels certainly is not imitating Jesus and even the Saints and Martyrs of all times, sent them by God to give us behaviour's examples and being spiritual guides for the People of God.

The People of God are not all men. The town of God, they are those men that behave to imitation of Jesus, and here it is understood how few are the People of God, since today the people of Satan prevails. But then the People of God how will have to defend itself to survive?

With love. With the love you can conquer, Jesus has shown it.

Another way is not. Any shown different solution that doesn't correspond to Jesus' Way, is mistaken and it takes them away from the goal that doesn't represent the end of a journey, but the beginning, like the First Beginning, thought, loved and created by God.

Every action has itself a consequence that implies to each person in particular, to the family, the community, the society... to the Humanity. The family represents in the world to the Humanity and as well as those are in danger then is the whole Humanity that is in danger. All today is diffusely in danger; never as today the man has been so in danger, because of the own actions and bad passions.

THE CHURCH, WITH MANY BISHOPS, IS RESPONSIBLE FOR MANY LACKS AND ONE OF THEM IS NOT TO APPOINT EXORCISTS.

Dear bishops, it is your duty to believe in Jesus' Words in the Holy Gospel.

And it is your duty to appoint Exorcists Priests, since a sacred Exorcist, imitating Jesus with Faith and love, can cure so many supposed « illnesses » that are not illnesses.

Holy Gospel according to Saint Matthew 17,14-21

And when he was come to the multitude, there came to him a man falling down on his knees before him, saying: Lord, have pity on my son, for he is a lunatic, and suffereth much: for he falleth often into the fire, and often into the water. And I brought him to thy disciples, and they could not cure him. Then Jesus answered and said: O unbelieving and perverse generation, how long shall I be with you? How long shall I suffer you? bring him hither to me. And Jesus rebuked him, and the devil went out of him, and the child was cured from that hour. Then came the disciples to Jesus secretly, and said: Why could not we cast him out? Jesus said to them: Because of your unbelief. For, amen I say to you, if you have faith as a grain of mustard seed, you shall say to this mountain, Remove from hence hither, and it shall remove; and nothing shall be impossible to you. But this kind is not cast out but by prayer and fasting.

DEAR BISHOPS, IF YOU DO NOT APPOINT EXORCISTS YOU ARE RESPONSIBLE TO OPEN THE DOORS TO SATAN EVERYWHERE.

He laughs at you whom serve him so diligently and he humiliates Jesus saying:

« Hey You, what can you make now against me when even your choosen ones don't listen you? »

Yes, dear Bishops, Satan is even not able to pronounce the name of Jesus and he calls Him: « Hey ».

He makes this way because he knows well that His Name is potent in all situation.

THE NAME OF JESUS ITSELF SAVES.

For this reason Satan looks for also capturing your mind.

He makes it with cunning because to think in Jesus' Name also save.

It should also have Priests Exorcists in the hospital psychiatric rooms.

“YOU MUST EXORCISE MORE THAN EVER YOUR PRIVATE ROOMS AND WORK ROOMS. SATAN IS TAKING A WALK IMPERTURBABLE... AND IT DISTURBS YOU. DO NOT ADOPT THE NEW RULES OF THE EXORCISM. SATAN EXISTS AND IS MORE FURIOUS THAN EVER. HE BECOMES INVISIBLE TO YOUR EYES BUT HE SEES YOU VERY WELL AND HE IS AMUSED. EXPEL HIM WITH THE MEANS THAT I HAVE GIVEN YOU. RETAKE THE ANCIENT RULES. THE SACRED AND BLESSED WATER... SAINT BENEDICT'S CROSS AND YOUR PURITY OF SOUL AND BODY THAT ARE MORTAL POISON FOR SATAN THAT WILL ESCAPE DEFEATED.”

The Revelation given to Conchiglia: « Bentornato mio Signore » (Welcome back my Lord) IV volume (Italian) - June 16, 2001 - p.34

FATHER GABRIELE AMORTH, EXORCIST PRIEST:

Father Gabriele Amorth: The New Ritual of Exorcism becomes a jeer!

The greatest success of Satan? To manage making believe that he doesn't exist. And he has obtained it. Inside the Church also. We have a clergy and many bishops that don't believe in the Demon, in exorcisms, in the extraordinary evils that the devil can make, and not even in the power that Jesus has granted to expel Demons.

They have removed from the manual of the exorcism the invocations to Holy Mary.

The possessions and illnesses are tried by the Demon in not less than 90 percent.

Note: The complete interview to the Father Gabriele Amorth, pag.26, “Treaty on... Satan ”.

MOST REVEREND EXCELLENCYS DON'T LET DECEIVE, APPOINT EXORCISTS PRIESTS ANYWHERE IN THE WORLD BECAUSE MANY DISEASES ARE NON-DISEASES. TRUST IN GOD WHO STILL WISHES TO GO THROUGH THE MIDDLE OF HIS PEOPLE TO CURE AND TO CURE YOU. RETAKE THE OSTENSORIUMS AND TAKE JESUS IN PROCESSION THROUGH THE STREETS, BETWEEN PEOPLE... AND LETS WALK TOGETHER.

OUR FATHER IS THE MOST IMPORTANT PRAYER OF THE UNIVERSE.

In Our Father's prayer Jesus has given us the antidote against Satan, against the Evil one:
« *BUT DELIVER US FROM EVIL... it means that this prayer is a pure and simple exorcism and is at hand of all in all difficult situation... dangerous and diabolical. Indeed... only God the Father has the ability to defeat the tremendous enemy... but just if we trust in THE FATHER... our will with all the freedom that He has donated us when He created us.*»

The Revelation given to Conchiglia: « Bentornato mio Signore » (Welcome back my Lord) III volume (Italian) - March 01, 2001 - p.244

FATHER GABRIELE AMORTH: *The same Jesus taught liberation prayer to us, in Our Father prayer: « Deliver us from evil one. Deliver us from the person of Satan ». In Italian it has been translated in erroneous way, and now it is pray saying: « Deliver us from evil ». It is spoken of a generic evil, which origin is not known: however the evil one against our Lord Jesus the Christ had taught us to fight is a concrete person: it is Satan.*

Father Gabriele Amorth has said that the sentence DELIVER US FROM EVIL in old translations it was: DELIVER US FROM THE EVIL ONE, and the meaning is very different.

REFERENCE to the Catechism of the Catholic Church

Part first - Section II - Chapter II - THE SIGNS OF THE KINGDOM OF GOD

(...) § 550 - The coming of God's kingdom means the defeat of Satan's:

« If it is by the Spirit of God that I cast out demons, then the kingdom of God has come upon you.» (Mt 12,28).

Jesus' exorcisms free some individuals from the domination of demons. They anticipate Jesus' great victory over « the ruler of this world ».

The kingdom of God will be definitively established through Christ's cross:

« Regnavit a Ligno Deus - God reigned from the wood.»

THE EVIL THAT YOU SEE IN THE WORLD IS ONLY A SMALL PART THAT REALLY HAPPEN IN THE WORLD.

Who holds the power of the information, and here it is included also that part of that breaker Church, takes care well of not showing you all that is bad in the world.

Do you know why do not show you the reality?

They don't show it because they know the result of your reactions well. If you knew like the things really are, you would rebel yourselves right away in mass and they would lose their power and their credibility.

It is their power that is at stake... and they do not want to lose it. They do not want to resign to the smallest privilege even if they see men and women, old people and children, to beg help for a piece of bread.

They are not children of God, they are children of Satan and with Satan they rule the World. If were not like this, the World would be in happiness, in abundance and in peace. And on the contrary it is about to finish that small piece of ephemeral peace that still flutters in some Country of the World.

THE HUMANITY IS LOSING ITSELF.

THE HUMANITY IS GIVING IN THE BASES THAT ARE MADE OF FAITH AND CHRISTIANITY. God Father will show the severe side of His Face to the proud and to the arrogant that they have until now not deigned to take Him a glance and they have made fun of Him.

What these proud will say according to you, in their defence, in the moment of the Final Judgement?

" Oh... God! Are you truly God? And now? "

And then God will respond:

« NOW... FAR FROM ME DAMN AND LEAVE PLACE TO THE TRUE CHILDREN OF GOD ».

SATAN WANTS FIRMLY TO MAKE BELIEVE THAT HE DOESN'T EXIST.

He ridicule continuously to you under all aspect because he is camouflaged under all aspect.

The enemy of God is your friend before making believe to you innumerable falsifications and soon he confuses you the ideas on false justice and the injustice, the love and sex, having and not to have, about sin and not sin. The enemy of God says to you:

« Make... because everything happens and everything finishes and after this life nothing else exists.

God is Mercy He will never apply His Justice.

The man's wisdom comes from the same man who more brave than the other one, defies to the progress and runs to the success. Sing, dance, be happy at all costs because the body has necessity of thousands of delights.»

MANY ARE THE VICTORIES OF SATAN BECAUSE MANY INGENUOUS AND FOOLISH CHILDREN HAVE GIVEN HIM SOUL AND BODY AND HE MAKES SHINE IN FRONT OF THEIR EYES WHAT HOWEVER WHEN WATCHING WELL IT IS ROTTEN AND CORRUPT. THE MAN HAS EXCLUDED GOD OF THE OWN HEART AND COMES WITHOUT HIS PATERNAL AID. DO YOU KNOW WHERE WILL FINISH THE MAN IN THIS WAY? IN HELL.

IT COULD SEEM A COMIC BUT IT IS NOT:

« Prove in imagining an encounter between two devils. The devils hate themselves among them besides hating all you. Nothing good can leave an encounter among them. They are watched with gathered frown, send insults and insults, are lain among them and are always in fight and competition among them.

Sometimes they are properly so many in entering many children, one by each capital vice and others and others... and among them they are fought until superposing the one to the other taking to the submissive subject... until death certain. They are terrible between themselves in all way and lie blatantly at every moment. They are the more rotted thing that can exist... and exist. The devils are a reality nonconsidered, it is by which work « imperturbable ». You are the « disturbed people » who do not realize that only if the man dies to itself... will kill the devils that has around. ”.

HOLY MARY, OUR LADY OF GUADALUPE, THE WOMAN CLOTHED WITH THE SUN OF THE APOCALYPSE, IS THE CONDUCTOR THAT WILL GUIDE THE ARMY OF GOD AGAINST THE ARMY OF SATAN.

And then, why that eminent Illustrious Cardinals have removed of the New Ritual of the Exorcism the invocations to Holy Mary? (To see interview to the Father Gabriele Amorth.)

It will be an hard clash and there will be many losses of souls but it will be the final Victory that will fill from happiness to all the hearts that love God. It will be a battle without exclusion of blows and the army of God that will draw invincible weapons will combat it clannishly.

Light arms to take, that will facilitate the displacement of the squads. They will be effective arms because they are sophisticated and they will be arms that the enemy will not ever be able to imitate because he does not even know their nature and of this he hates the appearances.

IT IS URGENT TO COMBAT TO SATAN AND TO FOLLOW HOLY MARY WITH THE WEAPONS THAT HAVE BEEN GIVEN IN ENDOWMENT.

They are part of studied equipment and directed to suppress Satan.

Anyone a little distracted or new to these words will wonder:

But which weapons are speaking?

They are strange weapons and of precision:

soul chastity, chastity of the body according to the own state, love for the neighbour and for the justice... and especially praying the Holy Rosary.

Satan is always clever to hit you so hurt you for the eternity. Be alert.

Don't lose more time, because you don't know the moment from the « return to home » and you don't know how this will happen.

Try to live a sacred life according to your current demands and to the Will of God.

I DON'T WANT THIS WAY TO SCARE YOU BUT TO PUT YOU IN FRONT OF THE REALITY, THE REALITY THAT SATAN ATTEMPTS OF MASKING IN ALL WAY TO INDUCE YOU TO BELIEVE THAT HE DOESN'T EXIST.

The bitterness of Satan is extreme and everything he makes to destroy you and he would even make it just to steal to God a single soul. The work of Satan is meticulous and it tends to act where he sees weakness. Their wickedness doesn't have limits and many are his followers that he uses and entangles against the children of God.

It is astute Satan. He is able to even confuse many Priests.

And do you know why he achieves it?

Because are many Priests that exercise their ministry in sin... even mortal sin.

When the Priests are in sin, Satan enjoys mostly in the own hate and his enjoyment not even satisfies him, because also that is hate to the maximum grade.

Satan is never satisfied of the evil that he makes, because in the evil and in hate, he feels on himself and gives continually... evil and hate! Somebody says:

« But how is possible in this society to avoid all the evil that it surrounds and does it wrap the man? »

It is not easy, but a separation between the two things is necessary. You should have the anger of making one or more steps ahead and to leave the line and to be made notice exclusively for your moral integrity.

The whole rest finally counts for nothing and you will be noticed of being finally yourselves the loved children of God the Father.

THESE WORDS ARE GOOD TO MAKE KNOW TO THE WORLD WHAT THE POWERFUL ONES REMAIN SILENT AND THEY HIDE FOR FEAR OF THE POPULAR REVOLTS SINCE: HOW THEY WILL BE JUSTIFIED BEFORE TO THE EYES OF THE WORLD?

They should admit openly that they have failed in each sector, public and private; that they have failed in planning and in to work; that have been fruitless and deceitful and that they have acted only for personal interest... and they will never make it. Before they would die, ingrained to the flabby skins of Satan that to kneel down to ask for forgiveness to God and the men that have betrayed shamelessly.

What proud are the Leaders of the World.

God has given them all possibility of leaving the error and mend their ways but they have closed their heart, rather they are open to the vile money and the frightful Power that they have conquered with all luck of commitments.

Satan is such an evil that he even inculcates in the man the desire to die and this makes it in several ways without the man realizes it. So here is that Satan with his malign ray instils in the man the desire of vengeance, desire of revenge, desire to kill, desire to steal and desire of self-destruction.

EVEN THE AIR IS INFESTED OF EVIL. INFESTED AIR IS BREATHED.

The air is unbreathable because that air has been breathed by Satan before and he has re-sent it soon by his infernal noses through man to do so that you breathe. Protecte you in all way, move you away of all unhealthy atmosphere by your health and specially for your soul. These are difficult and conclusive times for all of us.

EVEN SOME CHOSEN ONES WILL FALL RESOUNDINGLY.

They will drag so many souls whom confidants will follow them. Be alert with false prophets. The false prophets are all those that want to convince you that God doesn't see and that your freedom can allow you to do everything. Freedom that it is not well used and that it takes to become you slaves of Satan that now possesses many men in soul and body whom respond to their malign orders that are transmitted through each external application and through the subliminal music. Especially since 1968, Satan has been pitiless towards the youths by capturing their minds, that are over the malign influence, consuming drugs and alcohol that cause the death of their body and their soul... until today.

They are too many that won't survive. Not for lack of help, of Mercy and Pardon on the part of God, but because they don't want to be saved. They know everything but they are fascinated and subdued by the evil that today has seized them.

THE EVIL OVERFLOWS ALWAYS MORE AND MAN HAS BECOME SLAVE OF SATAN.

The fires that have increased in these last years and they are everywhere, are nothing compared to what will happen because Satan has unchained the whole hell against the World and the man that inhabits it. He like a roaring lion wandering in each place and he instigates man to act according to their destruction plans. Yes, because he hates so much to man that he wants to remove everything and who serves him in his destruction project, will be destroyed because that soul so soaked in the sin won't be able to above take off the mud and rottenness that recovers it.

Even wars, wanted by powerful and corrupt ones, are allowed in order to move your consciousness to compassion you who watch what happen, and bring you back to offer yourselves to God in repair of all evil. Jesus has said: « *when I will be high of the earth will I attract all to Me* » ?

And how would have He attracted them if He was nailed in the Cross? Certainly not with the physical force or with an act of His Thought, although as a Man-God, everything in that moment He could. With the Love, He has attracted.

Yes, because the visible laceration on His Face and Body, have turned to many hearts that moved to compassion. They have shaken seeing His wounded Flesh, his bones shortages and the Blood that to swelling left each part of His Body, from the Head to Feet.

They have shaken when they have felt the febrile death rattle who is dying, still innocent, has not rebelled and He has not defended himself, but they have horrified still more, when they've heard leaving from His Lips the phrase that all know: « *Father forgives them because they don't know what are doing* ».

Unfortunately man does not realize that he has become similar to a beast through daily attitudes. Certainly not all, but what the media shows you certainly do not identify to the man as son of God... but as son of Satan.

Satan is astute, knows that the man gives to obtain. And then he offers to full hands to be served by the man and this to humiliate Jesus. **SATAN IS A DECEIVING AND DISLOYAL BEING.**

HE LOOKS FOR HIDE-AND-SEEK AT EVERY MOMENT BUT HE IS ALWAYS PRESENT.

Also in the Monasteries and Convents spread in the world He is able to turn cold the spiritual atmospheres. The cold of the soul invades specially to that Consecrated. Satan makes feel his presence but you sometimes not even pay attention, I have said it, He is deceiving. He attempts every time of making you insecure or on the contrary shameless, yes, because shameless is also his work. Be careful; don't take to the slight one the things that he makes, using children whom are his victims.

SATAN LOOKS AT THE FINAL RESULT: THE CONQUEST OF YOUR SOULS.

In his wickedness in essence, for paradox he possesses virtues: patience, perseverance and zeal.

Used by him become damned virtues and he uses them very well.

Satan is always around the children of God and in all the ways search of to knock down them and to suppress them. The infidel is from the eternity of God, an angelic being who has quickly become a traitor in essence. His haughtiness has transformed him from essence of light... to malign essence.

I relate an episode which people that were with me in the pilgrimage to Dozulé in the Anniversary of the Appearances of Jesus to Madeleine Aumont, March 28, 2003, are witnesses. Also four Priests and a Friar were with us. This has happened:

In the pullman, a young woman who was possessed a long time ago, and I ignored it.

And well... as soon as she has touched with her feet the dusty and blessed water of Dozulé of the purification pile that has been spread a little in the earth, she has hurtled against me, howling that she wanted to kill me, blaspheming to God and the Virgin Mary, spitting, vomiting and describing the fire and the everlasting darkness. The woman has been blocked by the four present Priests, by the friar, by two lay and by myself, eight people in total, which have not been able to make another thing that to make in front of the accidental situation with prayers, exorcist salts, holy water and water of Dozulé.

Through this young woman, Satan, at the moment that he has perceived under his feet the dusty water and blessed of Dozulé he has not been able to resist it; he has felt the everlasting fire. He has said that it there was been for to kill me in order that the Project of God in the Movimento d'Amore San Juan Diego would dissolve like the smoke. Do you know what told me Jesus later?

He has told me: « *Conchiglia... I'd never have wanted that you suffered as much in seeing so close that damned being. But I had to do it my daughter. I had to show you what he is able to do and what he is able to say and how he is able to act. And this in order to you are still more strong in the will of acting for the siblings that I have entrusted you in spirit.* »

This fact, even disconcerting, has not marvelled me more than a normal thing, although it has made me suffer a lot. Indeed Satan hit Saint Father Pio making him also bleeds because he took out souls and he wanted to stop in the Project that God had trusted him. Satan has always been discharged against children elected by God for a particular Mission of fulfil in the Earth.

What has marvelled it to me, and it is terrible, I've had to insist and to call and call again to the Priests that were with me because few moments after Satan pronounced... they have escaped and this while I was praying remembering the words of Father Gabriele Amorth in a transmission in « Radio Maria ».

I have had to reprimand those Priests seriously and to say them that we have to pray together and that they could not leave me there alone. Yes, scandalously they had left me alone.

THIS DEMONSTRATES THE PRIESTS ARE NOT AT ALL PREPARED TO COMBAT SATAN AND THEY ARE AFRAID OF HIM.

DEAR PRIESTS, SATAN HAS MANAGED TO SEDUCE MANY CHILDREN OF THE EARTH AND IN PARTICULAR MANY OF YOU THAT ARE IN FORWARD LINE IN THIS FINAL BATTLE.

But look at you. You also look like lost sheep. The Masonry has managed the division among you and you don't have more trust the one in the other one. You are judged mutually and many of you that believe being more astute and more able to understand the real situation of the Holy Church, are allowed to crossing out the siblings that still follow Jesus... of ingenuous and nontrue credulity.

But don't you understand that making like this way are you doing the game of enemy of God?

Meet quickly, make cenacles and look for Don Stefano Gobbi who by Holy Mary wish has founded the Priestly Marian Movement. Give him anger and support; he is a little child who has been left to his own mercy mistreated by some Potent of the Church. Join forces to proclaim your disagreement on many heresies that the same Church through some infidels Consecrated diffuses in the World.

THE PRIESTLY MARIAN MOVEMENT IS A POTENTIAL SAINT FORCE that the Ecclesiastical Masonry has looked to defeat because the Masonry serves Satan.

Join forces soon Priests, since also through all of you will consolidate and will take official position the MOVIMENTO D'AMORE SAN JUAN DIEGO which represents Holy Mary's Mantle, Our Lady of Guadalupe, that will contain in itself to all Movements of the World.

*The Revelation given to Conchiglia: « Bentornato Mio Signore » (Welcome back my Lord) IV volume (Italian)
October 24, 2001 - pag. 302 - and October 25, 2001 - pag. 306*

DEAR PRIESTS, BISHOPS AND CARDINALS WHY DO YOU CHANGE UNDER YOUR PERSONAL INITIATIVES THE LITURGICAL RULES... AGAINST DISPOSITIONS OF THE POPE? Soon nothing of the real Sacrifice of Jesus will be more. Holy Mass will have no more the value that Jesus has given it if the Holy Eucharist and Liturgy are not respected as it must be. You are the soldiers of Christ, have been put to His side to fight. If you move to one side with the excuse of obedience, the « GENERALS OF THE MASONRY » will take total power.

Unite quick and react to the missed orders that are given you because who manipulates the Sacred Rules are not enumerated among the children of God that will inhabit the New Earth. The souls that tremendously resist sin are hated by Satan and attacked by him with great rage. Satan is capable of everything except of loving and he makes everything in order that a soul falls to itself, to the eyes of the world and the eyes of God.

THE CURSE OF GOD IS ON SATAN AND WHO FOLLOWS DELIBERATELY AND CONSCIENTIOUSLY SATAN IS UNDER THE CURSE OF GOD.

For that reason see how important is to watch over and to escape from temptations because is properly there that Satan spreads his traps. He plays with cheater cards and he covers them looking that you do not realize. Who feels hate for sibling has in heart the hate of Satan and been offered with the own hands the access to the ruin and the Hell. Satan today helps the followers who makes his will, in the moment of his defeat will also become against them, since he has always been liar and homicidal. He will be merciless more than ever because in him only exists hate. That hate that he has already spread over the Earth and you are seeing the results. It is a terrible, destructive and threatening hate. And where he doesn't arrive with the very hidden seduction, he arrives to the overdraft without any decency.

Satan enjoys seeing the desperation in the world. He himself is desperation. He knows his time has finished and soon will be chained. He is making everything to take greater amount souls away from Jesus to still humiliate Him, in order to He sees vain His Death in the Cross.

Unhappily, looking well to the World and the results, we can see well that Satan is conquering many battles. He is incredible armed with a « Demoniac militia » that reveres him for the Power on the World in exchange. The enemy of God is astute and sagacious and he is superior in intelligence to any creature. Who falls in their net is already part of their squad from time and they are those children that have moved away from Jesus and Holy Mary.

THE EVIL ONE PROVES THE MAN IN ALL MOMENT.

For this reason healthy atmospheres should be frequented, to have protected the eyes and do not see and hear what doesn't owe you. Protect you every time with the Confession, Holy Mass, Holy Sacrament, Eucharistic Adoration and Rosary's prayer.

TIME TO DEDICATE TO GOD.

The society of today guided by Satan has confused the minds and induces every day to take excessive cares from the body for damage of the soul. Taking care of the body as much, do not allow to think, reflect and to spend the time that God wishes for prayer. Prayer is the life of the soul, without it the soul is withered and dies properly as a plant when needs water.

THE DOUBT... IT DESTABILIZES.

In the current Society, many are the factors that induce to « insinuate » and the main factor is that one which inspires insecurity and destabilization. It is a deceiving tactic that Satan uses to demolish man. Why do I say Satan? Because God never insinuates... God says and that's enough. And if it is not understood He speaks in parables to explain better and to give clear examples. The Evil one on the contrary, crawls starting from the mind and he insinuates in the human weaknesses and he hides behind insinuations. The Evil one comes closer to damage what is good and saint. And then he insinuates the affliction, fatigue, impatience and doubt. It is terrible the doubt. Because of the doubt the Project of God delays its natural course.

Remember that the Evil one can delay the events but not to impede them because the Good always overcomes Evil.

THE SMOKE OF SATAN HAS ENTERED IN THE HOLY CHURCH. BUT GOD WON'T ALLOW THAT THE EVIL PREVAILS ON HIS CHURCH.

In few words it is more faithful and astute who serves Satan that a Christian that serves to God. Meditate a lot these words those many Priests, Bishops and Cardinals that convinced of making their duty they feel wearily without see further away.

HUMAN CLONING: HIGHEST ABERRATION.

Despicable scientists guided and helped by Satan, they have put on in the place of God and they are looking for create men in an unnatural way, grafting animal genes to obtain human-animals replacement pieces. The man is to clone beings without soul neither spirit that will be revolved against the man. The whole balance is governed on the multiplication and proliferation of the species created by God: vegetal, animal, human.

Same God, since is Creator of all that is Visible and Invisible, He has in Himself the Masculine and Feminine part. GOD IS FATHER AND MOTHER.

See Vatican Doc.: Pope John Paul I and Pope John Paul II. - To deepens in www.conchiglia.net

It is very particular and current this argument in these so evil times, where the true love has left place to the single sex, lust, bad habits and selfishness, for not to speak of abominable and unnatural conceptions and directed conceptions... and more.

Man is not able to rise at the same level of God and he must doesn't do it, because making like this way becomes haughty and the haughtiness is the death of the soul and of the World.

TAKEN CARE OF TOUCHING THE HOLY RULES WHICH DETERMINE THE BALANCE OF THE LIFE. TAKEN CARE OF WANTING TO CREATE BEINGS WITHOUT SOUL... NOT WANTED BY GOD. WILL BE THEMSELVES YOUR TWIGS AND YOU DO NOT HAVE IDEA IN WHAT WAY THEY WILL BECOME AGAINST YOU.

The proud man should not force the Nature, in their group, that working like will attract on their self and on the World the Anger of God.

The Revelation given to Conchiglia: « Bentornato Mio Signore » (Welcome back my Lord) IV volume (Italian) August 08, 2001 - pag. 141

TAKEN CARE IN REPEAT THE SAME SIN OF ADAM.

The Perfect man Created by God, in the Origin, after the « Original Sin » only made by Adam has stopped the evolution, has regressed himself.

Only thanks to the merciful interventions of God, little by little and with fatigue, the man has re-evolved. If is touched or is put hand on the « man of today », « partially re-evolved », (since the man has still not reached the Original Initial state Wanted by God) with genetic manipulations, one second hybridization will be obtained on the man who already is hybrid. Cain is the first hybrid man.

Consequently the man's re-evolutionary process will suffer a worse trauma than the first one and distant will be the hope of reaching that perfection human wanted by God and vain will be for those unfortunate men, the Redemption obtained by Jesus. He indeed, by the Will of the Father, it has elevated the children to the Father that would have followed and imitated Him in the virtues, elevating them to adoptive children of God, having lost after the Original Sin, the original human perfection.

THE SATURDAY.

Saturday is a day that Satan has appropriated it and he looks for removing from Jesus the biggest quantity of souls. You don't even imagine the number of dead that would cover streets. You should add the immense pain of the parents, of the abandoned children and of the spouses. Whole families that never will meet more again. In the night of Saturday before the Resurrection, Jesus has descended to the hells, to save righteousness that was waiting for Redemption.

And what Satan invents? To humiliate Jesus, Satan every Saturday at night search of taking to the Hell the biggest possible quantity of souls. Every Saturday at night and above all in vacation time, Satan runs dauntless in each place looking for destroy specially to youth people.

He, as always, uses deceive to make fall the souls in his nets.

It is a net of fine mesh and it has a visible and particular attractiveness that seduces men and women in equal measure. It is terrible to see to so many murdered in the streets.

You say: « *But they are misfortune* ».

No, they are not normal misfortunes. Many of those misfortunes can be avoided with the sacred wisdom and each one is responsible for the own life and of the life of the other ones. Before or later you will give count to God.

Know that Satan doesn't deny the existence of God. He knows well that God exists.

Then, as infamous strategist, with his diabolical cunning, He distracts you of God in thousands of ways and his objective is carried out to full.

Indeed looks good anywhere in the world, that where there is not war and poverty, these also caused by him with the complicity of unfaithful men of God, there is the maximum and wild diversion and disrespectful to all moral rule that offends and violates the man's dignity.

The Planet Earth is without a doubt under his domain.

The life is a beautiful gift and this is not supported by Satan that for this reason continues causing dead in the streets because of his lechery and drugs, of the fatigue and intoxication. And it is not for anything a coincidence... Holy Mother Mary, in Fatima has requested to the little shepherds the « Devotion to her Immaculate Heart » on the first five Saturdays of every month.

IN ORDER TO DESTROY HUMANITY SATAN BEGINS TO PREVENT CONCEPTIONS.

He makes it through illnesses and through the flatteries directed to women and men looking that they don't bring children to the world. Satan doesn't want other men in the Earth; indeed the births have lowered terrifyingly. To women that want a kid I say:

Do you know that is Satan who sometimes prevents conception because he sees the future neighbour's to be born as a danger? There is nothing in the world that has not suffered his contamination.

This one is the most terrible plague that exists and there is only one-way to defeat it: to return to God with the knees to earth, crawling before of the Tabernacle and to ask for forgiveness.

You should request of being able to have children, the grace of being able to restart everything again, in order to the Father appreciates at least your will of remedying the committed sins.

Then Satan continues and where it is not able to impede conceptions, so he goes further on... with abortion. And when also he is not successful there... through paedophilia and satanic masses he rapes and enslaves the small ones.

And when doesn't obtain the maximum thing... he rushes and kills young people in the streets.

And if it is not enough with alcohol. And if it is not enough with drug. And if it is not enough with the AIDS. And if it is not enough, he throws them in the jails like thieves and homicidal. And then he sends them to the war for die. And finally, since he is voracious and is thirsty of evil... he instigates them to commit suicide. The maximum achieves is convincing them in finishing the own life with euthanasia.

Satan never gets tired.

THERE IS CLEAR HOW THINGS ARE?

MEN OF GOD?

Men and women have become worse than the beasts because the beasts don't kill to their small ones.

The Humanity kills their future generations. Satan is evil in Essence and he uses the Humanity against itself. Satan is like a ball and as well as it is round, of each side he emanates malign rays loaded with horror and that will strike in all directions and in the first place who serves him and reveres him.

Where Mary is, on the contrary, the Queen of the Universe, the division doesn't reign, because the division comes from Satan who before Mary escapes panicky having her at due distance. Satan hates Mary and he hates women that look for imitating her. And is for this reason that he is furious with women.

The humanity only humbling itself before God will have pardon. Satan is furious with who is humbles because the haughtiness always is his throne. Satan knows many things but he doesn't know everything. He was convinced of having achieved success in their destructive intent. It is true that he, silly, is conquering many battles but he doesn't have foreseen the emergency' plan of God.

Satan almost had arrived to his goal and he made it to make see the Woman Clothed with the Sun described by Saint John like an old fable.

ON THE CONTRARY, SO HERE MARY, THE SUPREME WOMAN, SHE WILL COMPLETE HER LAST ACT AND SHE WILL SQUASH THE HEAD OF SATAN HUMILIATING HIM.

HUMILITY TOWARDS GOD.

Man should be recognized himself as a sinner even if he finds having not some sin.

If you knew how many things go through each man's mind and are not always good things.

Men are imperfect and to be recognized such it is due to the « light » that God donates to every one.

To be recognized sinners means to admit own fragility.

When you are convinced that Satan nothing can do against you, because you feel strong, he enters in action to bring disorder through roads that you can't imagine.

It is for man's fragility that God has established the Ministry of Priesthood.

With humility and recognition of sins, through the Priest, Jesus acquits, forgives and allows continuing walking in Faith and hope.

THE MONEY.

EVERYTHING IN THE WORLD REVOLVES AROUND MONEY AND IT WILL START TO LACK AS IS HAPPENING TO OTHERS.

This is a hot argument, rather burning fire, especially to the soul who wishes it more than God.

This idol has taken the place of Faith and today it is still said that with the money the mountains move.

IT IS NOT TRUE; IS SATAN THAT IMITATES GOD IN EVERYTHING BUT IN CONTRARY SENSE.

AND HE HAS BEEN INTELLIGENT MAKING YOU TO BELIEVE IT SEEN THE SO DISASTROUS RESULTS.

IS WITH THE FAITH AND WITH THE GOD'S HELP THAT MOUNTAINS CAN MOVE.

The world has made a calf of gold before kneels down. Everything is made for that vile money always more and more dirty.

Remember: « who with sword hurts... with sword dies ». And well, that « calf of gold » before world kneels down with so much reverence will make perish to the souls because of the disastrous consequences that you see and increase every day. Hate, bad habits, prostitution, paedophilia, drugs and the trade of human bodies and weapons have contaminated money.

So polluted only extends epidemics in the entire world which sick, soon will collapse under its domain. Get the antidote to such epidemic. Get sacred money, fruit of honest work, enough to live with dignity and to help who needs it more.

Jesus has given His Life to demonstrate how important man is before the eyes of God.

The money today more than ever moves interests in several fronts directed to defeat the Christendom in the world.

Humanity has elevated money to the first place of the values of the life.

And what do you have done with your life?

AND RECITING AN OLD SCRIPT I WOULD SAY ... YOU HAVE SOLD IT FOR A FEW COINS.

FOR SATAN THE TIME IS ALMOST FINISHED.

To humiliate God and to demonstrate Him man's infidelity, Satan has requested a period of time.

One century he has requested and God has granted one century.

Now Satan will see, like to the present he knows, his defeat.

He uses all means and all strategy to destroy the Faith in God, to instigate minds and to direct you to self-destruction.

But the initial Project of God is untouchable for Satan that anything can make against God.

God has allowed him acting just for a short time and that time is now almost finished and Satan will be humiliated. Is from the beginning of the Times that he tempts in all ways the children of God.

His jealousy toward the man has never ceased. He has never tolerated that God loves man so much and he has always looked for divides man from God.

Think of the great humiliation that Satan is suffering because of the « children of God ».

Think in the loss that is suffering Satan before evidence that Holy Mother Mary already has him under her foot. He, the prince came to less, under the foot of « The Woman » who has re-established order of the things wanted by God. Days that approach to all the events will be days that will seem have no end because pain has influence on time.

If pain subsists, time looks stopped, if there is happiness time runs quickly.

Because of the elects and the victims of sad and terrible days they will be abbreviated, but we must pray in order to diminish intensity because pain is... and will be, immense and unbearable.

Everybody groans and still more will groan under the oppression of Satan who doesn't want another thing that the death of the body and soul of the children of God to take possession of them for eternity.

Satan is the more monstrous being that you can imagine.

He incarnates Evil in its essence and all human logic he transcends, since the worse, ferocious, worthless, tremendous, blasphemed, murder and diabolical man is nothing in comparison with him.

GOD IS ENORMOUS AND PERFECT LOVE.

SATAN IS ENORMOUS AND PERFECT EVIL.

No human mind will be able to equal him. This is his final time and he will demonstrate his courage in evil.

If you just knew. You would kneel down immediately desiring death but a glance of him.
Satan is conceited and will show his victories and you will feel inside your heart the harrowing cry of the children, the laments of mothers, and the heartbreaking pain of parents.
You should pray without get tired and offer fasts in repair for sins, specially fasts of life because up to now you have been enjoyed to the maximum without lacking nothing.
Fast for sin, fast for speaking too much, fast for seeing too much, fast for walking too much. Deprive you at least of that you like more looking the Father still saves World with a few righteous.

THE WORLD WILL STAGGER DREADFULLY AND WILL OSCILLATE ON ITSELF.

It is about to happen... Holy Mary has said it in Fatima, so that contained waters wash sin and purify the Earth of all violence.

That water will also be good to wash the whole blood has been spilled and you will see again, for not making you feel more the smell, which will be smell of horrible death, conceived by evil minds that don't be more human because Satan has conquered them.

Injustice is the weapon, which Satan uses against you to make you fall.

And in injustice the soul is proven more. Soul is inert, defenceless and insulted until inside the dignity. Injustice reigns sovereign in today's society. The proof is in every « iniquitous law » in favour of the Powerful of the Earth. They make « laws » for their exclusive favour that justify public and private immorality.

The injustice inhabits among poorest people, who have no voice to protest, and if they do it, they are threatened with worse injustices. Injustice is a Satan's determination because God is pure and superfine Justice. Know, therefore that still for a short time the « Big ones and Powerful » will usufruct these iniquitous privileges.

The children of God and Prophets have poured their blood in favour of the cause of God for the salvation of siblings.

Their blood which can be visible or invisible, has never been valued and considered because man, always distracted of what has around, doesn't know how to see and appreciate the treasures that God the Father veils with sapient mastery.

Dear suffer siblings, with the offer of your life you are as the voluntary workers that put sacks and sacks around dikes avoiding the sea overflows.

But the sea is not calmed. The sea is roughed, earth is agitated, animals are agitated; the whole Nature has been disturbed because perceives the danger and the Earth is an entire tremor.

WHOLE EARTH SHAKES WITH FEAR FOR IS ABOUT TO HAPPEN.

WHEN YOU MEET DON'T SPEAK ONLY ABOUT SUFFERINGS AND DEFEATS.

Imitate the Saints that make fun of Satan for not to give him satisfaction and to make him weak.

Invoke Holy Mary continually and if somebody tells you that giving worship to the Mother of God offends God... know that is Satan who has spoken.

THE SECRET OF MARY: St. Louis Maria Grignion of Montfort - Edizioni Monfortane - 1998 § 11.5
“ In the natural order every child has a father and a mother. So in the order of the Grace a true child of the Church should have God by Father and Mary by Mother. **If they boast of having to God by Father, but they aren't true and affectionate children of Mary are impostors: their father is rather the Demon.**”

WHICH IS THE BIGGEST DANGER? LOSE FAITH IN GOD.

Believe He cannot intervene when the sea of the life is in tempest.

Believe He cannot forgive your worse sin.

Believe the world... it cannot improve

Believe Satan is stronger than God.
Believe you will never manage to change.
Believe you won't have force to fight.
Believe the powerful and arrogant ones... will be forever. Believe wars will never finish.

THE MAGNIFICAT IS HERE IF YOU WANT IT AND IT DEPENDS ON YOU... IT IS HERE!
Have Faith in God really means to be able to cast down the mighty from their thrones and to rise to humble and this is valid either in the ecclesiastic or social structure, beginning in your family and parish.
Be strong and tenacious in your saint deeds and decisions. Be example specially because is still said that a lamp doesn't hide.
You can be the lamps that put in a high place illuminate also the way to other siblings.
Darkness fear of light... has terror of it.
Satan has terror of God because he knows Him. You are who don't know God.

THE LIE.

AS CHILDREN IT IS NECESSARY TO REMIND YOU DO NOT SAY LIES.
Today lie is not considered as a sin, however the lie condemns to innocent one.
Satan himself will make the harvest of darnel, which because of the evil that he will extend will take his followers in a horrible hug of death.
The selection will arrive little by little and has almost finished since men with their sinful behaviours facilitate the Satan's work.

SATAN GOVERNS THE EARTH.

THE REALITY OF THE EXISTENCE OF SATAN ON THE EARTH IS TERRIBLE.
The Earth is invaded by legions and legions of Demons that hide very well to the man's senses.
Satan doesn't love to shows himself; he knows that can acts better in the own concealment but Satan is also fatuous and he is sometimes discovered for his vanity and haughtiness.

THE HAUGHTINESS.

Satan is deceiving and also thief. Indeed he uses the other ones' work for his objectives.
The man's arrogance exalts him, because he knows from haughty man, gets a faithful servant.
Satan is astute until the unlikely thing and he makes everything to reach his goal
When he senses difficulty of deceiving prey goes very far and uses all things and all situations for his benefit. Satan has turned you into slaves of his seductions and continues in making you to believe that man doesn't have necessity of God.
The Leaders of the World, in these crucial moments of the Humanity's existence, they are dealing with Satan. It is a horrible and repugnant deal and the setting in game it is made of human meat that doesn't have any value to their eyes. The Powerful are allied of Satan and they are organizing a worldwide slaughter.
Satan is clever to attack in each moment specially when you feel sure of yourselves.
Do not be.
Humble before the Father and still ask for forgiveness for the small lacks because it is properly through them that Satan is insinuated and it is able to hit them.
Don't show your weaknesses to Satan. Be strong... you can.
To Jesus' Step none can remain indifferent. Or is a friend or an enemy.
And still the enemy feels inside a work of conscience that it is not normal.
Satan is hardened because I am the « Third Witness of Dozulé ».

Satan has gathered to all his malign squads to destroy the Jesus' Great Message in Dozulé directed to the whole Humanity. From October 24, 2001, God through the Movimento d'Amore San Juan Diego protects and diffuses this Message in the entire world.

Jesus has distributed important tasks to three women: Madeleine Aumont, Je Ne Suis Rien and Conchiglia.

These are extraordinary situations that should be taken in serious consideration otherwise those that are considered « illuminated and sages » in the world and in the Church they will demonstrate for umpteenth time that they are full with human glory but empties of the Spirit of God.

And if they are empties of the Spirit of God, with their words and their mistaken teachings, they will take to the ruin so many souls of which Jesus knows the heart and of those which in the crucial moment of everything He will have bill.

THE BLASPHEMY.

Be careful blaspheming the Father.

Be careful blaspheming the Son.

Three times be careful blaspheming Holy Mary.

And even worse: the sin against the Holy Spirit won't be forgiven.

How little this infamous sin is admitted. Without the blasphemy, Satan loses power over man.

And as well as it is impregnated of blasphemy air and ground, Satan celebrates in his way the souls that he steals for him. Get rid of you all infamies because soon Jesus will put on the scale all blasphemies and material and spiritual sins.

And if the scale oscillates in favour of the blasphemies, hide of His View, although doesn't exist place where Jesus doesn't see. Be sorry, go to confession and ask for forgiveness. Rather relegate Satan to the Hell and don't allow that the dirty mantle that makes Jesus suffer so much still touch his Candid, Divine and Virginal Flesh. If you knew what horrible aspect has Satan who well hides from the world.

All the more unimaginable horrors, all the more nauseous scents represent well to the hell.

Satan doesn't want that you reach the goal of the sanctity, because he knows what belongs to you by right and he is jealous, infinitely and tremendously jealous.

SATAN WANTS TO DESTROY THE MAN.

In the Project of God, the man has a unique and privileged position that will reconquer just if man hears and practice the Words of the Holy Gospel.

Man will become perfect as in the Origin, before the « Original Sin » committed only by Adam. The means to destroy the man are also the nuclear, bacteriological and chemistry war.

The war is daughter of Satan that has given birth to « presumptuous bosses and full with hate ».

Empty men of all human feeling that go by the streets, without chastity, with their empty shell without soul. What horrendous show is to see a man under such conditions. It seems a man but it is Satan, incarnated demon and are so many those walk among the children of God. Satan, besides the patience and the perseverance possesses another virtue and it is the zeal in making the things turned against God.

Satan has invaded the minds of the murderers that won't stop.

They have studied very precise plans that concern to several Nations.

All those that claim justice but they induce to the revolt and the war they are guided by Satan that waited this moment for years. Why at this time of our time? Because today there are weapons of mass destruction that before didn't exist; because today science, owing to the fact that many scientific join Satan, is turned to damage the man, their dignity and the Nature.

God is Love and peace in any latitude and longitude of the Earth.

And what the Leaders of the World make?

Instead of looking for alternative solutions they induce to vengeance and war on behalf of security and world peace.

But, which security? But, which world peace? They are preparing the Hell that will have the first passage properly in the Earth while alive... and then to Hell for eternity.

To you Powerful that manage the World with own satisfaction I say: even if you hide behind luxurious habits and learned and intelligent words, to the Eyes of God you are incarnated demons that continue serving your supreme boss who is Satan.

Be careful, because the Power that he gives you with so much easiness it is a weapon of double edge.

Now the edge is turned toward those weakest that succumb to you, but then, it will become against you to remind them that Satan is the supreme liar, is desperation, and is the total annulment of your soul.

THE HUMANITY IS ALREADY WITH A FOOT IN THE ABYSS AND IF DOESN'T MOVE AWAY IMMEDIATELY THAT FOOT WILL COLLAPSE FOREVER.

I repeat it is a paradox that Satan has virtues like patience, perseverance and zeal that he uses against men and against God. Virtues that too many Priests, Bishops and Cardinals don't have and they should use in men's favour and in favour of God.

Most Reverend Excellencies, Satan has blinded to many of you the view of the eyes and of the heart, you have lost the light of the spirit because your sin recovers it well. Be conscious that what must happen, will happen so the weeds is dispersed as screening, to allow growing and to live well to the wheat that will be picked up in its maturation and placed in the barns. Who should understand, understands.

Satan, if he could, he would destroy you one by one with unprecedented ferocity and when I say « unprecedented ferocity » it is to say what is not possible to say in well-known terms because the evil that he is, is in essence unspeakable.

Is not God that offers suffering. Or it is offers by Satan or by yourselves.

God allows only the consequences of your elections, sins and weaknesses.

It is the acceptance of the reparatory suffering what is pleasant to God.

Look at Jesus: He has accepted expiatory sufferings for Love to all of us and Holy Mary with He.

Satan knows how to mask what has prepared well and this is the Humanity and World's destruction.

He will be successful in their intent unfortunately and largely for the men that serve him.

His faithful servants, know that you won't be rewarded for Satan as you serve him, rather, until Satan rejects them for like they are and he will give them the everlasting death and everlasting desperation.

The words of peace that Powerful of the Earth pronounce, are false.

You see human figures dressed, living and speaking as you but they are not children of God, they are children of Satan and they belong him for the eternity.

Jesus has said do not praying more for they but praying for the weak ones, those excluded and the poor have the force and the anger of to resist to all their abuses and to pray so that the sacrifices of the men abbreviate the times, made of days, of the Great Tribulation. The World is in the darkness and the Light doesn't recognize. And there where it recognizes it doesn't allow entering because they fear it.

The World is in danger, Satan exists, the Hell exists and who has fallen and who will fall will never leave it. Who don't believe in the Divine Mercy will be combating face to face with Satan losing the greatest occasion of returning to God.

SATAN IS IN THE THRESHOLD OF THE DOOR OF THE SUCCESSOR'S ROOM OF PETER.

Has managed to arrive there. Do you know how has managed to arrive without none realized?

Are you thinking of several messes? Secret services? Nothing of that. He has entered peacefully and imperturbable because those that walk to his side don't know how to recognize him because they are not in grace of God. God is not loved for His Church in His treacherous children. It seems a strong word: " traitors " however it is not. It is necessary you still reread once:

POPE PAUL VI:

The Pope spoke about the enemy of God par excellence, of that man's enemy that is called Satan: the enemy of the Church. " Through some fissures the smoke of Satan has entered in the Church ", Pope Paul VI denounced. A distressed shout that left astonished and scandalized to many, inside the Catholic world.

CARDINAL JOSEPH RATZINGER - POPE BENEDICT XVI:

His reflections resonated the night of Good Friday in the suggestive scenario of the Coliseum and have been stamped in the consciousness of everyone. "We cannot also think – it has been his vibrant invitation in the meditation of the ninth station - to as much as Christ suffers for his own Church? In how many times it is abused the Holy Sacrament of His presence, as soon as it empties and maliciousness of the heart where He enters! How many times we celebrate ourselves without realize on his presence! How many times their Word is distorted and abused! Whichever little faith has in so many theories, whichever empty words.

How much dirt there is in the Church, and properly among those that, in the priesthood, they should belong completely to Him! How much arrogance, how much self-importance! "

" Lord, frequently we find your Church as a boat that is going to collapse, a boat that makes water for all sides. And also in your sown we see more cockle than wheat. The clothing and the face so dirty of your Church frighten us. But we are ourselves in dirtying them! We are ourselves in betraying them every time, after our all-big words, our big expressions. Have pity of your Church... you have gotten up... you have resurrected and then you can also get up to us. Saves and sanctifies your Church. Saves and sanctifies all of us".

FATHER GABRIELE AMORTH, PRIEST EXORCIST:

The New Ritual of the Exorcism becomes a jeer!

The greatest event of Satan: To make think he does not exist. And he has almost achieved it.

Also inside the Church. We have a clergy and a episcopacy that do not believe more in Demon, in exorcisms, neither in the extraordinary evils that the devil can make, and much less they believe in the power that Jesus has granted to expel Demons.

They have removed from the manual of the exorcism invocations to Holy Mary.

The possessions and the illnesses are endeavoured at least in a 90 percent by the Demon.

WHO DOESN'T MAKE THE WILL OF GOD MAKES THE WILL OF SATAN.

Or God or Satan. It is absolute good or absolute evil. The rest is everything and always deceit of Satan.

It is Satan that puts your attention on the man, deifying the man erroneously in the Earth.

It is true that the man can be deified but only in God and in Heaven and not before. Change today, don't doubt and above all don't go back and don't return back.

Don't listen who tries to stop you because to follow Jesus is the only sacred objective of continuing. Now!

Look for a Priest and confess your sins. Expiate and become purified initially with small sacrifices. And then, without losing time, offer your life to God without fear. Be not afraid of offering. God the Father through your offer wants to guard you and not certainly to make you bad. To offer the own life to God means to trust in Him in each thing as secures and very loved children.

GOD HAS ESTABLISHED THE CHARISMAS AND THE PROPHETS IN THE CHURCH.

And He has established them to be help and support to the Holy Church, to you Priests, Bishops and Cardinals, because you are properly in bigger risk of the spiritual blind that Satan causes you.

Satan knows all the gifts and the sacred privileges that God has donated you with the Consecration to the Priesthood.

Have you noticed that you are most tempted, that you are the preys most ambitioned?

They, followers of Satan, follow orders perfectly, so why don't you follow orders of love of God?

Satan knows perfectly that weakening your wills and creating in you confusions, he doesn't allow you to distinguish between a true Prophet and a false prophet; he has already won part of the battle.

Like that you lose beautiful time, time that you had been able to use to sanctify specially yourselves and then to teach it to your siblings whom like sheep follow you as Shepherds.

Satan takes possession of the souls that belong him and he takes you before the Eyes of God humiliating him.

And of this you are also responsible allowing the Father's humiliation.

In the world persecution will continue growing against the children of God, because who flatters Satan doesn't bear the view of the true Prophets and what they say.

64 Through the prophets, God forms his people in the hope of salvation, in the expectation of a new and everlasting Covenant intended for all, to be written on their hearts. The prophets proclaim a radical redemption of the People of God, purification from all their infidelities, a salvation which will include all the nations. Above all, the poor and humble of the Lord will bear this hope. Such holy women as Sarah, Rebecca, Rachel, Miriam, Deborah, Hannah, Judith and Esther kept alive the hope of Israel's salvation. The purest figure among them is Mary.

66 The Christian economy, therefore, since it is the new and definitive Covenant, will never pass away; and no new public revelation is to be expected before the glorious manifestation of our Lord Jesus Christ."

YET EVEN IF REVELATION IS ALREADY COMPLETE, IT HAS NOT BEEN MADE COMPLETELY EXPLICIT; IT REMAINS FOR CHRISTIAN FAITH GRADUALLY TO GRASP ITS FULL SIGNIFICANCE OVER THE COURSE OF THE CENTURIES.

GENERAL AUDIENCE - Wednesday September 27, 1989

7. Under action of the Spirit it is inaugurated the Christian universalism that is expressed from the beginning in the multitude and people's diversity that participate of the first irradiation of Pentecost, and in any way of the plurality of languages and cultures, of people and nations that those people represent Jerusalem in that circumstance, and of all the human groups and the social strata of which Christ's followers come from the centuries. Nor for those of the first times, neither for those of the successive centuries, the universality will mean uniformity. These demands of the universality and of the variety will also be expressed in the essential internal unit of the Church, by means of the multiplicity and the diversity of the "gifts" or charismas and also the mysteries and initiatives. With this purpose we observe subsequently in Pentecost' day, Mary, Mother of Christ, also received the confirmation of her maternal mission, not only regarding John the apostle, but also of her Son's pupils, of all Christians. (Cfr. Redemptoris Mater, 24; Lumen Gentium, 59).

And all those gathered in that day in the Cenacle of Jerusalem - man or woman - they were baptized in "Sacred Spirit" (cfr. At 2, 4), we can say next to this fundamental event, they also received generously diverse gifts, of which would have spoken Saint Paul later: "There is diversity of charismas, but one alone is the Spirit; there is diversity of ministries, but one alone is the Lord, there is diversity of operations, but one alone is God that works everything in all. And to everyone is given a peculiar manifestation of the Spirit for the common utility " (1 Cor 12, 4-7). "Some for this reason God have put them in the Church in first place as apostles, in second place like prophets, in third place like teachers; then the miracles come, then the gifts of healing, the gifts of attendance, of governing, of languages" (1 Cor 12, 28). By means of this fan of charismas and ministries from the first times the Holy Spirit gathered, governed and vivified Christ's Church.

8. Saint Paul recognized and underlined the fact that because of such donation of gifts on behalf of the Holy Spirit to the believers, it is distinguished in the church the diversity of the charismas and the ministries for the unit of the whole body. As we read in the letter to the Ephesians:

" Himself gave to some being apostles; to other, prophets; to other, evangelizing; to other, shepherds and teachers, for the right classification of the saints in order to the functions of the ministry, for construction of Christ's Body, until we arrive all together to the unit of the faith and of the Son's of God full knowledge, to perfect man's state, to the maturity of Christ's fullness" Ef 4, 11-13. Picking up the voices of the apostles and the Christian tradition, the constitution Lumen Gentium synthesizes this way its teaching on the action of the Holy Spirit in the Church: the Holy Spirit " leads the Church to the whole truth, (cfr. Gv 16, 13), unifies her in the communion and in the ministry, instructs her and directs her with a fan of hierarchical and charismatic gifts, adorns her of his fruits, (cfr. Ef 4, 11-12; 1 Cor 12, 4; Gal 5, 22.). With the force of the Gospel makes rejuvenate the Church, continually renovates her and drives her to the perfect union with her Bridegroom. Since the Spirit and the Bride tell to Lord Jesus: " Come " (cfr. Ap 22, 17) ".

Vatican Radio, November 11, 2005
By Alessandro De Carolis:

"... Christ's majesty's essence overturns the human outlines of the prevalence. For thirty years is a hidden majesty in an ordinary existence in Nazareth". Then it is lived in the announcement of a Kingdom not belonging to the world, where peace, pardon and fraternity are the main laws. In short it is majesty heightened by the sacrifice of the death and, stiller, for the Resurrection.

... In the Book of the Apocalypse, Benedict XVI has remembered, Christ says of himself: " I am the Alpha and the Omega, the Principle and the End". Christ's majesty, predisposed to the service and the love, changes the human mentality that considers the supremacy in terms of power, prestige, and personal advantage. One characteristic that the Archbishop Angelo Comastri, Vicar of the Pope for the State of Vatican City, recaptures and he comments, to the microphone of Giovanni Peduto:

We have to specify at once that Jesus is not a " King " to the human way. Christ's majesty has to understand it by the light of the Gospel. It is necessary to remember after the multiplication of the breads, people taken by the enthusiasm, looked for Jesus to make him king and Jesus escaped. And the evangelists say that He came away alone to the mount to pray. The Gospels don't say it, but I am convinced that Jesus cried. He cried seeing as people was distant of his heart and specially of the heart of God, because people looked for a potent king, a king that gave only the bread for the stomach, while Jesus knew man needs the bread for the soul. Man needs a nutriment that fills the interior hole that makes them unhappy. ... Where the charity of Francisco of Assisi comes from? From the cross.

The charity of Saint Vincent of Paul: where it comes from? Comes from the Cross. Saint John Bosco's charity, where it comes from? Comes from the Cross. The charity of Saint Giuseppe Benedetto Cottolengo: where it comes from? Comes from the Cross. The charity of Raul Follereau: where it comes from? Comes from the Cross. Charity of Mother Teresa from Calcutta: where it comes from? Comes from the Cross. John Paul II charity who also in his last days of life he wanted to spend the few energy that he still had: where it comes from? He himself has said: Came from the cross. And this is what we see, what is more attractive. All the charity that there is in the world starts in that act of love because in that act of love, the same love of God has entered inside the human history and is changing it.

Q. - The Church teaches us that with the Baptism we also become as Jesus, king, priests and prophets. What does it mean?

A. - We get to be king to Christ's way, that is to say be able to conquer with love. We get to be priests being able to offer ourselves like offer of love. We become prophets that is to say able to announce, of saying, which it is the true Kingdom of God that is the Kingdom of the kindness, the Kingdom of the beatitudes, it is Christ's majesty that passes in us and in our life, because of Baptism, as well as His Priesthood, as well as His Prophecy. But everything starting from the Mystery of the Cross that is the Mystery for which the Love of God enters inside the human hate and redeems it.

Feast of the Transfiguration of our Lord. - Tuesday, August 06 1996

1. Lord, it is beautiful for us to stay here; if you want, I will make three tents here, one for you, one for Moses and another one for Elias", (Mt 17,4). In Pedro's words, privileged witness, together with James and John, in the Transfiguration of the Lord, it is expressed besides the cheerful marvel, the conscience that only in the encounter with Christ, new Man, finds full sense the life.

... It indicates us, also, the main road to arrive to this penetrating vision of every human event: it is the way of the listening of "the word of the prophets", which is as lamp that shines in a dark place, 2Pt 1,19. Comforted for such light, we will be able to persevere waiting trusted that " daybreak " and "morning star" (cfr. 2Pt 1,19) giving to our heart happiness and immortal peace.

Cathedral of Saint Laurence - Sunday, October 26, 1986

"... We are a varied and diverse people, thanks to the many gifts that glorious Christ has given to every one. " He is who has settled down to some as apostles, others as prophets, others as evangelists, others as shepherds and teachers... to build the body of Christ", (Ef 4, 11-12). It is therefore unthinkable oppositions and divisions in the unique body of the Church that is one for their nature and it is called to complete an unique mission (Lumen Gentium, 18).

THE WORLD SHOULD TAKE CONSCIENCE WHAT IS ABOUT TO HAPPEN.

The Virgin Mary in Fatima has said it. Some Powerful of the Church, allied with Satan, are still hiding Mary's words, Holy Mother of God, given to Sister Lucia.

God had established the Prophets properly in the Church because in His Omniscience knew all that would have happened in these Times. Properly as « at that time », today it has preceded the Son's Coming with the words given to the Prophets so that everything was clear, in these days, like two thousand years ago. God the Father knew and knows... that Satan the fight would have continued with the accustomed haughtiness being allied with some children inside the Church. Do you remember what Jesus has said?

"Who eats of this Bread and drinks of this Wine won't die but will have the Everlasting Life "

From that moment Satan has been unchained against Jesus to destroy Him and the souls of all men created by God. Satan didn't know that Jesus would have instituted the Holy Sacrament. Satan believed that eliminating Jesus would have conquered his diabolical battle.

On the contrary Jesus that everything knew about what Satan would have made Him, wanted to give the man the Divine gift of His constant Presence until His Return. Satan become furious by rage, jealousy, and envy for that which late he had understood, this is that the man having Jesus inside through the Holy Sacrament, everything became One with Him and His grace would have shine until Heaven.

Is it possible that you don't fully realize the great gift of the Presence of Jesus in you?

Alive, True and Present God in Body, Blood, Soul and Divinity through your mouth descends in your heart and there He rests filling you of Himself... Yes, in that moment you are full of God and you contain Him to imitation of Mary, the Mother. And at the same time, God who is infinite contains you.

DOESN'T YOU SUSPECT ANYTHING WHIT THIS?

PERSECUTION AGAINST THE CHILDREN OF GOD WILL BE STRONG AND IT WILL SEEM UNBEARABLE. And will be exactly the Priests in making firstly.

Pray for all the Priests because Satan is taking advantage of their weak Faith and spiritual lukewarmness to use them against you. Be strong, join and persevere.

TO KNOW HOW TO CHOOSE BETWEEN RIGTH AND WRONG IS FOR ALL AND IN THE DEEP OF THE HEART EVERY ONE KNOWS WHAT IS RIGHT AND WHAT IS WRONG.

It is for this reason that yourself in the first place will judge you when will be the moment from the return to the Father's House. You will have perfect conscience in the instant of your transfer what you really are before to the Father's Eyes. What pain for that soul, taking vision of the own soul.

Itself not feeling worthy of coming closer to the Supreme Light will hurtle in the infernal abysses because will be hated itself. The hate will occupy place and in that moment Demons will surround that soul, without truce, looking for that soul never can to return back to become purified.

It will be a terrible fight, for this reason in the Rosary we pray: "... Holy Mary, Mother of God, pray for us sinners now and at the hour of our death, Amen."

This that Satan is able to make of bad through all the wars and catastrophes of all time... it is nothing compared to that he makes in other dimension. Of that infernal dimension the absolute landlord is Satan who is not able of enjoying his victories, being himself pure hate, he also feels hate for himself.

Satan doesn't like to be uncovered at this point, because he knows well that knowing him, many people would look for moving away of him. Satan on the contrary, is successful properly in everything when none considers him and he is even ignored.

If you do not hurry in returning to God, will see where the world will finish. Not in material sense, but in spiritual sense, because before you get lost material world you will get lost your spiritual world.

Where the man's spirit is directed? The same man who is convinced of being made only of soul and body tramps the spirit of man. It is the spirit, which makes to enrich and to save a soul if it is directed to God. On the contrary if it is directed to Satan, that is to say, against God... it is the Hell.

THE HELL REALLY EXISTS.

THE HELL IS ALREADY A WAY OF LIVING IN THE EARTH.

Are too many men that already live the Hell on the Earth.

But between who suffers it and who offers it there is an immense difference and who offers it will live it eternally in the other dimension.

It is the death and the total end of themselves.

It is the most darkness evil that you cannot imagine.

It is the abysmal nothing of your extra sensorial possibilities.

It is the total crash of your existence.

It is the inestimable loss that God the Father will suffer in the moment of the drifted apart of your soul from Him. The evil today is everywhere in the World and a painful tribulation is expected as it is written in the Gospel. Only who has remained faithful in Jesus and Mary will overcome the events because in this time has prayed and strengthened. The spirit has gotten ready day after day and for that reason when the moment arrives will know how to act.

Who in time has neglected to pray, in front of the serious events will succumb because feel lost.

" Oh Father... we are tired, we are falling...

patience is drained because we are needy creatures of You. We are sinners and we recognize it and it is for this reason that we implore You to choir: COME SOON LORD JESUS, WE WAIT FOR YOU LORD JESUS, COME NOW LORD JESUS ".

THE MOVIMENTO D'AMORE SAN JUAN DIEGO.

The Movimento d'Amore San Juan Diego represents « the son » given birth by the Woman Clothed of the Sun of the Apocalypse. And the dragon that wants to devour her is the Ecclesiastical Masonry led by Satan. But Satan has already lost. God is THE WINNER. Be not afraid of confronting with anger and with Jesus and Mary help the events and the persecutions that there are and will always increase more.

SLANDER.

THERE IS NOT ANOTHER EVIL WORSE THAN THIS ONE.

It is Satan that entrap the « children of men » against the « children of God ».

Slander is a speedy means that arrives to all parts, without offering fatigue or expenses that makes it, but it is also a speedy mean to arrive the Hell... for who does it.

The example is contagious in the good or wrong.

Where there is injustice, persecutions and slanders, there is Satan, the enemy of God.

If the man doesn't use charity toward himself will never be able to use it toward the other ones.

You can see the semblances of Satan in the men who miss charity.

You can see it in the resentful and vengeful men, in the moneylenders, lustful, in the liars, in the hypocrites, in the avid swindlers of money, but especially in slanderers.

The slanderers are worse than the murderers because they kill with the tongue hitting to death the souls that prioritize God more than the bodies.

These men and women don't realize to get ready an everlasting infernal stay.

Until when they think of being able to deceive to who listen to them?

Until when they think of being able to muddy the children of God that cannot defend?

Will be the same God in judging and He will make to glow and to be happy to all those children that are wrongly calumniated and pursued and good will conquer and it will triumph through the Sacred United Hearts of Jesus and Mary.

«... AND DELIVER US FROM EVIL ONE »

Interview with Father Gabriele Amorth: The smoke of Satan in the House of the Lord

29 years have passed from that 29th of June of 1972, feast of Apostles Peter and Paul, when Pope Montini spoke about the enemy of God par excellence: « Through some fissure the smoke of Satan has entered in the Church ». And today? Hey, that smoke spreads in unsuspected rooms...

by Stefano Maria Paci - Taken of the website: 30giorni.it

Have passed 29 years from June 29, 1972. It was the feast of Saint Peter, the apostles' prince, was the feast of Saint Paul, that who has taken Christ's Gospel until the end West. And in that June 29, the protective saints' of Rome feast, Peter's successor who had taken Paul's name threw a dramatic scream.

Paul VI spoke about the enemy of God par excellence, of that man's enemy that is called Satan: the enemy of the Church. " Through some fissures the smoke of Satan has entered in the Church ", Pope Paul VI denounced. A distressed shout that left astonished and scandalized to many, inside the Catholic world.

And today 29 years later, has been that smoke far away, or has it invaded other rooms? We have asked to one who has to be seen every day with Satan and their cunnings. Almost by profession. He is the more famous exorcist of the world: father Gabriele Amorth, founder and honorary president of the international Association of exorcists. We have also gone to him because few weeks behind, May 15, it has been approved by CEI (Italian Episcopal Conference, in Italian abbreviation), the Italian translation of the new Ritual of exorcisms. To enter in use it waits only the passing of the Congregation for Divine Worship and the Discipline of the Sacraments.

A new weapon that Church has to combat the Enemy? To expel, if it has not still been made, that smoke penetrated in the temple of the Lord? But not! Feel what father Amorth relates. You will discover that the war, in course from millennia, is furious, furious more than never. That battle now has moved specially inside the House of the Lord. And that smoke... well, that smoke spreads in unsuspected rooms.

Father Amorth, is finally ready the Italian translation of the new ritual for the exorcists.

GABRIELE AMORTH: Yes, it is ready. The last year CEI refused to approve it because there were translation errors from Latin to Italian. And we the exorcists that we have to use it, take advantage to point out, once again that we are not in agreement with many points of the new Ritual. The base text on Latin continues being the same one in this translation. It is a Ritual such expected, and at the end, it has become a farce. An incredible obstacle that it could avoid that we act against the Demon.

It is a hard accusation. What do you refer about?

AMORTH: I only give you two examples, both incredible ones. In the point 15 speaks about spells and how to behave. The spell is an evil caused to a person appealing the devil. It can be made in several ways: as charms, curses, evil eye, voodoo, macumba. The Roman Ritual explained how it was necessary to confront this. The new Ritual, on the other hand, declares, categorically that is completely forbidden to make exorcisms in these cases. Absurd. The spells are, in more quantity, the most frequent cause in possessions and evils caused by the demon, at least 90 percent of the cases. Is like telling to exorcists that stop to carry out exorcisms. The point 16 declares, solemnly that exorcisms should not be made if doesn't have the certainty of the diabolical presence. This is a masterpiece of incompetence: the certainty that the devil is present in a person is only making the exorcism. Furthermore, editors of the Ritual didn't realize in both points, they contradict the Catechism of the Catholic Church that indicates it is necessary to make exorcisms to as much in the case of diabolical possessions, like in the cases of evils caused by the demon. And it says furthermore, that it is necessary to make it as much over the people like over the things. And in the things never is demon present, only his influence. The declarations contained in the new Ritual are serious and very harmful, fruit of ignorance and inexperience.

But have not experts prepared it?

AMORTH: Absolutely not! In these ten years, two commissions have worked in the Ritual: one composed for cardinals that was in charge of the Prenotanda, that is to say the initial dispositions, and another one that was in charge of prayers. I can affirm with certainty, that none of the members of the two commissions has ever made an exorcism, neither has been present in exorcisms, neither has the smallest idea of what an exorcism is. This is the error, the original sin, of this Ritual. None of those that collaborated in it is an expert in exorcisms.

How it is possible?

AMORTH: Don't ask it to me. During the Second Ecumenical Council of the Vatican, in all the commissions had a group of experts that helped the bishops. And this habit has even stayed after the Council, every time that have modified parts of the Ritual. But it was not this way in this case. And if there was a topic in which were necessary the experts, was this one.

And what has happened?

AMORTH: Well the exorcists we were never consulted. And furthermore, the commissions have received with contempt the suggestions that we have given. This whole matter is perverse. Do you want to know what happened?

Of course.

AMORTH: As Vatican Council II had requested the different parts of the Roman Ritual were gradually revised and modified. The exorcists we hoped the XII title was played that are to say, the Ritual of the Exorcism. But seemingly, this was not considered an outstanding topic; since the years had passed and didn't pass anything. Then, June 4 1990, suddenly were published the provisional Ritual, as a trial. This was a true surprise for us since we had not been consulted before. And, however, we had prepared an entire series of applications in view of the revision of the Ritual. Among other things, we asked that prayers were modified, introducing invocations to the Virgin Mary, which didn't exist and were increased the number of prayers specifically directed to the exorcism in it. But the opportunity was not given of making any contribution type. However, we didn't give ourselves for conquered: after everything, it was for us that the text had been edited. And since in the letter of presentation of the Prefect of the Congregation for Divine Worship, Cardinal Eduardo Martinez Somalo, requested to the Episcopal conferences that made arrive during the two following years: " advices and suggestions from the priests that must use it ", we began to work. I gathered eighteen exorcists, elected among the most experts in the planet. We examine text with great attention. We use it. Immediately we eulogize the first part in which the evangelical foundations of the exorcism were summarized. This part is the biblical-theological aspect of the topic, on which was not apparent some incompetence. It is a new section that was not in the Ritual of 1614 compound under Paul's V pontificate: also in that time, it was not necessary to remember these principles since everybody knew them and accepted. Today however is indispensable. But when we pass to examine the practical part that demands a specify knowledge of the topic, we notice the total inexperience of the editors. We made numerous observations article by article and we made them arrive to all interested parts: Congregation for Divine Worship, Congregation for the Doctrine of the Faith, and the Episcopal conferences. A copy was given to the Pope directly.

How were their observations received?

AMORTH: A terrible reception, with a negative effectiveness. We had been inspired by the dogmatic constitution *Lumen Gentium*, in which the Church is described as the « People of God ». In number 28 it is spoken of the collaboration of the priests with the bishops, and in number 37 it is said with clarity, even referring to the lay ones that have the ability due to their knowledge, competition and pre-eminence that they possess, sometimes the duty, of exposing their opinion about the concerning matters to the good of the Church". This is exactly that we made. But we were too frank thinking that dispositions of the Vatican II had arrived to the Roman Congregations. On the other hand, we collide with a wall of rejection and scorn.

The Secretary of the Congregation for Divine Worship presented a report to the Commission of Cardinals, in which said that those that had contacted him were bishops and not the priests and exorcists. And regarding our humble intent of offering help as experts, he added textually:

" should also notice the fact that a group of exorcists and demonologies those which, later on created an international Association, they were orchestrating a campaign against the rite ". An indecent accusation: we have never orchestrated a campaign! The Ritual was directed to us and however, the commissions had not summoned any competent person. For this reason, it was more than logical that we tried giving our opinion.

Then, that means that the new ritual is unusable in its fight against the demon?

AMORTH: Yes it is. They wanted to give us a weapon without edge. The effective prayers have been eliminated; new ineffective prayers substituted prayers that had twelve centuries of existence. But luckily, in the last moment they gave us a lifeboat.

Which one?

AMORTH: The new Prefect of the Congregation for Divine Worship, Cardinal Jorge Medina, added a Notification to the Ritual, in which is specified that the exorcists are not forced to use this Ritual, and that, if they want they can request authorization to their bishops, to continue using the old Ritual. Then Bishops should request authorization to the Congregation, the one that like the Cardinal writes, "it grants it gladly".

Does it grant it gladly? Is a little strange concession?

AMORTH: Does you want to know where it comes from? From the Cardinal Joseph Ratzinger, Prefect of the Congregation for the Doctrine of the Faith and of the own Cardinal Medina whose were trying of introducing an article in the Ritual - then was the article 38 - that was authorized exorcists to use the previous Ritual. Undoubtedly, it was an extreme manoeuvre to avoid us the big errors contained in the definitive Ritual.

But the intent of the two cardinals was not successful. The Cardinal Medina that had understood what was in risk, decided to give us anyway a lifeboat, adding a notification for separate.

How are exorcists seen inside the Church?

AMORTH: We are very bad treaties. Our siblings priests, in charge of this delicate task, they are seen as crazy, as fanatic. In general, they are not even tolerated by the same bishops that appointment them.

Which has been the most sensational fact in this hostility?

AMORTH: We celebrate an international meeting of exorcists near Rome, and we ask to the Pope to receive us. For not pressing him and to avoid adding another audience to the many that he already has, we ask we were received in public audience in Saint Peter's Square on Wednesday. We not even ask him to name us in their personal greetings. We made the petition in the way that canons order it, like will perfectly remember Monsignor Paolo De Nicolò, of the Prefecture of the Papal household who received our petition willingly. However, the day before the audience Monsignor Nicolò himself told us - with pain, that it is the true for what was clear that the decision had not taken by him - that we didn't attend the audience and that we had not been admitted. Incredible: 150 exorcists coming from the five continents, priests named by their bishops conformity with the norms of the canonical right that demand prayers, science and good reputation priests - that is to say, in some way, the most beautiful flower of the clergy, priests that ask to participate in the Pope's public audience and they are tossed kicks! Monsignor Nicolo told me:

" I promise you that immediately I will send you a letter explaining the motivations ". Five years have passed and, still I am waiting that letter. Certainly, John Paul II was not who excluded us. But the fact that 150 priests were excluded to participate in the Pope's public audience in Saint Peter's Square, explains the class of obstacles that the exorcists face, still inside their own Church, and until what point they are not well seen by a great number of ecclesiastical authorities.

You combat daily with the demon. Which one is the biggest success of Satan?

AMORTH: To manage making believe that he doesn't exist. And he almost has gotten it.

Even inside the Church. We have a clergy and an Episcopate that have stopped to believe in the demon, in exorcisms, in the extraordinary evil that the devil can cause, and even they don't believe in the power that Jesus has given us to expel demons. For three centuries the Latin Church - contrary to the Orthodox one and of several Protestant denominations - has almost completely abandoned the ministry of the exorcism. Not practicing exorcisms, not studying them and never have seen them, clergy no longer believes in them. And they don't even believe in devil. We have whole episcopate that are shown hostile to the exorcisms. There are countries where not even exist one single exorcist as Germany, Switzerland, Spain and Portugal. A terrifying deficiency.

You didn't mention France. Is there a different situation?

AMORTH: There is a book written by a well-known French exorcist, Isidoro Froc titled "The Exorcists, who they are and what they make ". This book translated to Italian by Piemme publishing house at the French Episcopal Conference request in any part of the book it is said that the exorcists, in some cases, make exorcisms. Author has declared, repeatedly to French television that has never made exorcisms and he will never make them. From a hundred of French exorcists, only five believe in the demon and they make exorcisms. The rest sends people that go to them to the psychiatrist. And bishops are the first victims of this situation of the Catholic Church, in which the belief in the demon's existence is in process of disappearing. Before this new Ritual came out, the German Episcopate wrote a letter to Cardinal Ratzinger, in which affirmed that it was not necessary to make a new Ritual because the exorcisms should no longer be practiced.

Are the bishops who have to appointment exorcists?

AMORTH: Yes. When a priest is named bishop he meets with an article of Canonical Right Code that authorizes him to appointment exorcists. The minimum thing that it can be requested to a bishop it is that he has attended, at least one exorcism, since he should make such an important decision. Unfortunately, this doesn't ever happen. But if a bishop receives a serious petition of exorcism - that is to say not made by some alienated - and he doesn't act in consequence, he commits mortal sin. He will be responsible for that person's terrible sufferings that could be for years or for an entire life sometimes, when he could have avoided them.

Are you saying that most of bishops of the Catholic Church are in mortal sin?

AMORTH: When I was a child, my old parish priest taught me that there are eight sacraments: the eighth are the ignorance. The eighth sacrament saves more people than the other seven one together. To make mortal sin, it should have a serious cause, but also it is necessary full knowledge and deliberate consent. This omission of help of many bishops is a serious cause. But these bishops are ignorant: therefore there is not full knowledge and deliberate consent either.

If you don't believe in Satan existence, is the faith intact, which is to say, does it continue being Catholic faith?

AMORTH: No. I am going to tell you a story. The first time that I knew Father Pellegrino Ernetti, a famous exorcist that practiced during forty years in Venice, I told him: " If I could speak with the Pope, I would tell him that too many bishops don't believe in the demon". The following afternoon Father Ernetti came to tell me that morning John Paul II had received him. " Sanctity ", he had told him, there is here in Rome an exorcist, Father Amorth if he could speak with you he would tell you he finds that too many bishops don't believe in demon". The Pope responded him without breathing: " Those that don't believe in demon, don't believe in the Gospel ". This is the answer that he gave and I repeat.

Explain to me, please. Does it mean there are many bishops and priests that would not be Catholic?

AMORTH: Let us say that they don't believe in an evangelical truth. Therefore, probably I would accuse them of being spreading a heresy. But let us be clear: somebody is formally heretic if is accused of making an error, and persists in it. But owing to the situation that exists in the Church today, nobody never would accuse any bishop not believe in devil, neither in the demoniacs possessions, neither not appointment exorcists because of don't believe in these things.

I could mention a great number of bishops and cardinals that being appointment for a Diocese, the first thing that they made was to remove all the exorcists there were. Or, bishops that affirm openly: " I Don't believe in that things of the past". Why does this happen? Because, unfortunately, has there been a pernicious influence of certain specialists of the Bible, and I could give you a lot of very well known people's names. We are daily in contact with the afterlife world; we know that this influence has affected many liturgical reformations.

Give us an example?

AMORTH: The Vatican Council II had requested that some texts were revised. This order was disobeyed, since there was a desire to redo them completely without thinking that things could get worse, instead of improving them. Many rites have gotten worse for that mania of wanting to come undone of all that happened, to redo it again, as if the Church until today's day, the only thing that had made is to deceive us and to lie us, and as if only up to now, had big geniuses, super theologians, super studios of the Bible, super liturgist that know how to give the Church what is good. This is a lie: the last Council simply asked that the texts were revised, not that they were destroyed. The Ritual Exorcist, for example, it should be revised not written again. In it there were prayers that have been used during twelve centuries. Before eliminating prayers so old that have been very effective, was necessary to think it carefully. But not! All the exorcists we have used the prayers on the trial text Ritual, and we have realized that they are absolutely ineffective. But the rite of the baptism of the children has also been ruined. It was renovated in such a way that the exorcism against Satan has been almost eliminated. The baptism always had enormous importance for the Church, until the point that was called smaller exorcism. Paul VI protested openly against that new rite. We find this same degeneration of the rite in the new benedictionary. I have read, minutely, the 1200 pages of the same one. Well have been eliminated, systematically, all and every one of the references to the fact that the Lord protects us against Satan, and that the angels protect us of the demon's attacks. All prayers for the blessing of the houses and the schools have been eliminated. Everything should be blessed and protected, but, today there is no longer any protection against the demon. It no longer exists any defence, neither prayers against him. Own Jesus taught us a liberation prayer in Our Father pray: " Deliver us from Evil one. Deliver us from the person of Satan ". This prayer was badly translated, and today people pray saying: " Deliver us from Evil". It is spoken of a general evil whose origin, in the bottom, is not known. However, the evil against which our Lord Jesus Christ teaches us to fight is a concrete person: Satan.

From your privileged position to observe the things: do you have the impression that Satanism is spreading?

AMORTH: Yes, vastly. When faith diminishes, superstition increases. In biblical language I can say that people are abandoning God, and surrendering to the occultism. The terrible disappearance of the faith in the whole Catholic Europe makes people to put on in hands of bewitching and fortune-tellers; in this way the satanic sects prosper. It becomes strong propaganda to demon's cult, to masses, by means of satanic rock and characters like Marilyn Manson. Children are also being attacked: there are magazines and comics that teach sorcery and Satanism. Spiritualism sessions where are evoked to dead people to get answers are very diffused. Now is teaches to make sessions of spiritualism through computers, telephones, televisions and recording videos, but mainly, with automatic writing. A medium is already not even needed: it is a spiritualism that every one can make itself. In accordance with the surveys, 37 percent of the students have made, at least once, the game of the letters and the glass, a true session of spiritualism. In a school where I was invited to speak, children told me that they played this game during the religion class before the teacher's pleased eyes.

And does it work?

AMORTH: There are no difference between white magic and black magic. When magic works it is always the demon's work. All the occultism forms, as this escape toward the religions of East with their occult suggestions, are open doors for the demon. And devil enters. Immediately.

In the case of the nun that was murdered in Chiavenna, Italy, and the case of Erika and Omar two teenagers from Novi Ligure, Italy, I didn't doubt in affirm that the diabolical intervention formed part of this because those children practiced Satanism. The police discovered that in both cases, children followed Satan and they had satanic books.

Where demon lever to seduce man?

AMORTH: He has a monotonous strategy. I have already told him and he recognizes it. He makes to believe that the hell doesn't exist, that sin doesn't exist, and that he is only an experience more than it is necessary to live. Concupiscence, success and power are the three big passions that Satan insists with.

How many cases of demoniacal possession have you found?

AMORTH: After the first hundred, I have stopped them to count.

A hundred? But they are many. In your book you say that cases of possession are strange.

AMORTH: And they really are. Many exorcists have only found cases of diabolical evils. But I have inherited "customers" of a well-known exorcist Father Candido and, consequently, the cases that he had not still solved. Also, other exorcists send me the most resistant cases.

Which has the most difficult case that you have had confront?

AMORTH: It is the one that I am trying now, for two years. She is the same girl that was blessed - it was not a true exorcism - for the Pope, in October, in the Vatican, and that so much gave to speak in the newspapers. She is hit the twenty-four hours of the day, and is victim of unimaginable tortures. Neither the doctors, neither the psychiatrists are able to understand what is happening. She is totally lucid, and it is very intelligent. It is a really sad case.

How are we become a victim of demon?

AMORTH: Can be object of extraordinary attacks of demon for four reasons. Or because this is a blessing for the person (like in the case of many saints), or for the irreversible persistence in the sin, or for a curse that somebody makes invoking the demon's name, or when someone is devoted to practice occultism.

During exorcism of possessed people, what type of phenomena is manifested?

AMORTH: I remember an illiterate peasant who during the exorcism only spoke to me in English, for that I needed an interpreter. There is who demonstrates a superhuman force, those who rises totally from the floor, being impossible still for several people, to maintain it sat down in the seat. But we speak of demoniacal presence, only for the context in these phenomena is developed.

Has demon made you some evil?

AMORTH: When the Cardinal Poletti requested me that I devoted to the exorcism, I commended myself to the Virgin: " You wrap me in Your Mantle, and I will be sure ". The demon has threatened me many times, but he has never harmed me.

Have you never had fear of demon?

AMORTH: Me fear of that animal? It is him who has to be afraid of me: I act on behalf of the Lord of the world, while he is only the simian of God.

Father Amorth, Satanism spreads more and more. In fact, the new ritual makes difficult the practice of the exorcisms. To exorcists are prevented to participate in an audience with the Pope in Saint Peter's square. **Tell me, sincerely: what is happening?**

AMORTH: The smoke of Satan has entered everywhere. To all parts! We were maybe excluded of the Pope's audience, because they were afraid that so many exorcists we were able to expel legions of demons that have settled in the Vatican.

Are you joking, right?

AMORTH: It will seem as a joke, but I believe that it is not. I don't have any doubt demon tempts, mainly, to the authorities of the Church, as well as to any other politic and industry authority.

So Are you saying that here, like in all wars, does Satan want to conquer the high controls, to take prisoners to the opposing generals?

AMORTH: It is a victorious strategy. He always tries to put it into practice. Mainly when the opponent's defences are weak. Satan also attempts it. But, thanks to the Sky it is the Holy Spirit Who leads Church: " The doors of the hell won't prevail ". In spite of defections and betrayals that should not cause astonishment. The first traitor was one of the nearest apostles to Jesus: Judas Iscariot. But, in spite of this, the Church follows its road. The Holy Spirit maintains it, and therefore, the attacks of Satan can only be partially successful. Naturally, the demon can win battles, even important battles. But he will never win the war.

WHAT TO MAKE TO DEFEND FROM SATAN?

DON PASQUALINO FUSCO, EXORCIST PRIEST

Roccamonfina - Caserta - Italy

WHAT TO MAKE?

It is the question that is asked who find out to be affected by an « evil one-evil » (or malefic evil). Firstly it is necessary to avoid going to magicians, bewitching and cart mantes that, like it will be said later, they only make worse situation. It is necessary on the contrary to go to an exorcist Priest (and not to magicians or other people that say their self be exorcists without being Priests) these false exorcists that are not Priests, to deceive so much poor people, put on even the priestly stole! The most effective therapy that it is advice is the following one:

1. The frequent and well-made confession (as much as possible every week). The Demon has terror of confession, for that reason he makes of everything for not making us to admit or to make us admit badly. This is the Demon's weak point and there we should attack him!
2. The morning' and night prayers (and those before the foods)
3. The complete Holy Rosary prayer. Avoid of reciting all the mysteries together.
4. The Holy Mass and Holy Communion every day. You cannot conquer to Demon without participating in the Holy Sacrifice and if we don't receive every day to Jesus in the Holy Host. The experience of every day with affected and possessed people confirms it continually.
5. To pray of many liberation prayers.
6. The Eucharistic Adoration. Can also make it privately visiting to Jesus in the Blessed Sacrament in the church.
7. The exorcisms or liberation prayers made by a Priest.

Have present among other once these beautiful advices. This "in depth therapy ", if it is well made, it is efficacious. Is it all of this excessive? Find yourselves therefore a cure more effective. As Priest I don't advice only the necessary, but the best choice.

USE OF BLESSED WATER, OIL AND EXORCIZED SALT.

For those that have been affected by sorceries or spells, it is a lot of help the use (with faith!) of water, salt and of exorcized oil.

The blessed water can be drunk, poured in the foods or used to prepare coffee, tea or other drinks.

The exorcized salt habitually it puts on foods.

The exorcized oil (that it should be olive oil and not semi or mixed) equally it puts on foods. It should be used to season foods not to fry them. If a person, after having taken the water, salt or exorcized oil begins to vomit or goes continuously to the bathroom, it means that somebody have made them to eat or to drink some thing that contained a witchcraft. The food or drink with the curse in the stomach, reacts in contact with the blessed water or with the oil and the exorcized salt, is gradually expelled in a few days.

The blessed water and the exorcized oil have demonstrated a great effectiveness (only if they are used with faith and with pray!) when they spend in cross form on the parts of the body affected by curses, like in the head evil, of eyes, etc.

Of great utility, it has been demonstrated, taking (with faith and with pray!) some salt exorcized in the pocket, in our personal things, in the pillows and mattresses, in the automobiles. The blessed salt and the exorcized oil also have a great power in the defence of houses or places perturbed by noises or evil presences.

In such case, it is enough to put some salt exorcized in the four angles of the room reciting Our Father to eliminate noises and evil presences. Such an effectiveness protector of the blessed salt is reinforced mostly if, to the side of the tiny piece of blessed salt, in the angles of the rooms they are on drops of exorcized oil. The salt and the oil exorcized periodically should recover in the angles until the complete disappearance of the noises and of the evil presences. It will never repeat enough that the water, the salt and the exorcized oil should be used with faith and with a lot of pray! Otherwise takes a risk a magic use of these sacred things. And this would be the worst thing!

On the other hand if they are used without faith and without prayer they don't obtain any effectiveness.

TALISMANS - AMULETS - LITTLE DRESSES

Another important speech concerns to the talismans and amulets that the magicians even sell at the cost of several millions. A former magician converted by Father Leone, the remarkable Priest exorcist of Andretta-Avellino, Italy, has said: " Do you know why a talisman costs 300 thousand liras and other 800 thousand liras? Because the Demon to load them of evil energy, forced us to blaspheme 300 times to the Virgin Mary over the talisman of 300 thousand liras and to blaspheme 800 times to Jesus or Virgin Mary over that one of 800 thousand liras ".

Imagine a little what kind of things some people wear! And the misfortune is that they are convinced that such diabolical things are protecting them! And they pay millions to buy them and to take them above!... In those called « little dresses » always sewn with much care, it has been attached the powder of bones of dead! Another important speech concerns to other superstitious objects, unfortunately very diffused, and that they are loaded with a great malefic power. Diffuse for example it is the horn. It is seen in cars, in business, in houses, together to the necklaces in the neck of people or near to the bracelet clock.

A lot of people frankly think that the horn protects them against the « evil eye ». They don't know, on the contrary that horn it doesn't only protect us, but it attracts strongly on us negative and evil forces.

A youth that came to receive exorcisms, has not had none improves for two long months, because in his neck he took a horn of gold that I have made him suddenly remove when I have seen it.

The same speech is worth for other objects of superstitions like bracelets against the pains claimed by the magicians, hands in horn form, humpbacks, signs of the horoscope taken above or to the neck and unhappily today they are very diffused and given.

Commonly these diabolical things are taken next to the Virgin's medal or to a Crucifix, together to the chains in the neck of people.

Jesus has been so clear, He has told us: "YOU CANNOT SERVE TWO LANDLORDS. OR YOU ARE WITH GOD OR YOU ARE WITH SATAN.

Consequently let us destroy and move away these malign objects from us and from our homes; otherwise if they're made of gold as frequently happen, we must bring them to a jeweller and make them melt (like this they will lost all malefic power) and we can make with same melted gold a Virgin Mary Medal or crucifix.

In this way let us destroy from roots these malefic objects; otherwise jeweller will give to any other one the gold horn received from us, ruining another person.

The same voucher for the horseshoe that many directly put in great evidence in their houses or in their automobiles. It is a sign of great stupidity and sign of an enormous religious ignorance... And in this field the religious ignorance is paid and it is paid very expensive as many facts demonstrate, included the diabolical possessions.

Let us be attentive also on those people that say of removing the « evil eye ». Although they act in good faith, they don't know that they carry out a magic rite. And to carry out magic rites means to honour Demon! It is clear that this is very dangerous for the consequences that derive of this...

The Sacred Bible, for that purpose, notices us:

The Lord says: « My people, don't be found among you who exercises foretell, spell or the magic, neither who makes charms, consults the spirits or fortune-tellers, nor who interrogates dead, because whichever makes these things raises the anger of the Lord... » (Deuteronomy 18, 10-14).

Let us be also very attentive to those people that are not Priests and that they say of removing the evil eye and witchcrafts. They have not consecrated hands as the Priests and for that reason they have not any power against Demon and malefic evils.

Rather, with their hidden or evident magic arts, they are serving Satan to ruin the children of God. Indeed how many people return to the Priest exorcist after having gone to magicians or bewitching of which have not obtained cure of their evils, further more they have worsened them!

Those, to deceive people, show in their room, where they receive people, pictures of Saint or Virgin Mary. They never have however Saint Michael's The Archangel pictures in the walls because they don't support to see to their boss, Satan, flat under Saint Michael's feet. And this makes understand so many things to who wants to understand...

HOW COMBAT TO THE EVIL SPIRITS

Furthermore than blessed water and blessed salt, of great effectiveness the use of the exorcized incense has been revealed for liberate places of presences and evil noises and also of mysterious scents. Coarse to burn a little (but with faith and with pray) and in such places everything disappears in a little time. Many Bishops, however, dissuades using incense reserving it only to Adoration of God and to avoid speculations on the part of the resellers. Besides the incense it is very effective, to expose an image, a beautiful picture of Jesus, or Virgin Mary and images of Saint Michael The Archangel with a great exorcized candle always lightened, to liberate of malign presences in business, stores, etc. Where didn't go more clients, ruining economically its proprietors that have been then forced to close.

During the exorcisms Devil has been forced, for the power of the Lord and Virgin Mary, to say which are the powerful Demons and which pray they don't support.

As prove of the facts has seen indeed that those possessed by such Demons, in general calmed during the exorcisms, are unchained when such prayers are recited.

HOW TO PRAY?

Let us listen Jesus that teaches us to pray: " Learn from me how to pray with humility, with trust, with submission and with perseverance! Contemplate me in the Garden while I pray.

Oh, how it is burnishes this prayer, so much more because it came not uttered in a moment of happiness and comfort, but in the dark hour of the agony, in the vigil of my Passion and death! It is beautiful to pray, when I fill you of gifts and of favours, but it is generous and heroic to pray when you find everything plotted against you, when you find the Sky closed, when I don't make you feel My Love.

I prayed in the middle of a mortal agony, while the vision of the Passion martyred me, while the pupils abandoned me and Judas betrayed me. Also learn to pray in the dark hours of your life! The value of a prayer doesn't depend mainly on the quantity of the words... but of the intensity of the love, and the love when it is big and strong, it doesn't say so many words, but a loving look toward Me, a protest of love, an enjoy of my presence, one listen of my teachings, one speak about Me... all this is prayer, simple, but true prayer.

Pray with perseverance! My prayer in the Garden seemed without answer from Heaven, but I was not discouraged. I repeated a second and a third time the groan, until the Father sent me an angel to console me. What lesson for you that so many times with your novenas, put to God a time so that He gives you that you request!

Admire above all the humility of my pray. Son of God incarnated, I lay in earth, like a poor worm, and I touched powder with the forehead. I didn't dare to raise the sight to Heaven, I didn't remind to the Father my infinite merits, but I presented me to Him, squashed by the heap of your sins, I didn't seek but I requested humbly:

" Father, if it is possible... " As if I don't deserve of being heard favourably!

You on the contrary, so many times pray, so full with yourselves, as if for your merits were entitled of seeking the grace that you request. How blindness gives you your pride! For that reason you should not marvel if so many of your prayers have not been and they won't be heard favourably! "

IMPORTANCE OF THE HOLY ROSARY

In a famous exorcism in the name of God, Lucifer was forced to confirm: " God has given to Her (Holy Mary) the power of flatten us, and She makes it with the Rosary that has made potent. For this reason the Rosary is the strongest pray, the most exorcist pray. It is our lash, our ruin, and our defeat. The Rosary always conquers us, and it is spring of incredible gifts for all that recite it entirely. For this reason we have it aversion and we combat it with all our forces, in all sides, and especially in the Communities whose force would destroy our existence; doesn't exist an evil that can resist the entire community Rosary".

THE POWER OF SATAN

There is the Demon's ordinary action that is directed to all men: that one of tempting them to the wrong. Jesus has also accepted our human condition leaving Himself to tempt for Satan. (Mt 4,1 -11).

The extraordinary action of Satan that God consents only in certain cases, **has 4 different forms:**

DIABOLICAL POSSESSION.

It is the more serious torture and it takes place when the Demon poses a body (not of a soul) making it to act or to speak, as he wants without the victim be morally responsible. Is in this case that particular phenomena are verified, as to speak languages completely ignored by the victim, to demonstrate a superhuman force, to know distant facts or secrets. The Gospel presents us a typical example in the possessed of Gerasa (Mc 5,1 20).

DIABOLICAL MOLESTATION

It is other disturbances that however don't arrive to the possession. Some biblical example: Job didn't have diabolical possession, but he was hit gravely in his children, in his goods, in health. The curved woman (Lc 13,10 17) and the deaf-mute (Mt 12,22) cured by Jesus they didn't have a diabolical possession, but the presence of a Demon that caused them those physical disturbances. And we find as exorcists a great quantity of people hit in the health (with rebellious wrongs to all medicine and many doctors don't understand what is happening); in the affections (people that love each other well suddenly they left and without any reason) in the work (all wrong goes with misfortunes in chain).

DIABOLICAL OBSESSION.

It is obsessive, absurd, but such thoughts that the victim is not in grade of being liberated of them. For which the affected person lives in continuous prostration, desperation, and suicide temptation.

DIABOLICAL INFESTATIONS.

They concern to houses, objects, and animals. It is known indeed that the Demon can be appropriated of places and of animals. But also of these satanic manifestations the Lord extracts right things: conversions, return to a life of faith and intense pray, spiritual progress. Not by chance Saint John Crisostomo considers devil a sanctification instrument; certain, not to give him merit, but to glorify the wisdom of God that is served of everything for our sanctification. (To see G. Amorth: An exorcist relates, Edizioni Dehoniane, Rome).

CAUSES OF THE DIABOLICAL POSSESSION AND DISTURBANCES OF DEVIL

The possible causes are three. The **first cause** is a simple permission of God. Anything can happen without the divine permission. But while for two other following causes also intervene the free human will, in this first case is only God who permits to the Demon of possessing or disturber to a person with the objective of purifying or proving it. It is the biblical case of Job that was hit in the children, goods, and health.

The **second cause** is given when a person is affected by a curse. The curse form more used it is the witchcraft (or charm). And in our society always more poor on faith and for this reason always more rich on superstitions, the curses have increased, enriching the magicians, sorcerers and other children of Satan that make, behind payment and sometimes without it, such diabolical things. Also the NEW CATECHISM OF THE CATHOLIC CHURCH (nn. 1671-1673) speaks about exorcisms not only for people, but also for objects (this is houses, things, animals).

In the **third cause** it is entirely guilty who receives damage. It can depend on the hardening in the sins of particular graveness: sexual perversions, the serious sin of abortion, and the estrangement of the practice of religion. How many times it is heard say: " I am believer but not practitioner". Also Demon believes in God (and does he tremble!), but what his faith worth? Continuous in being Demon! Why? Because he doesn't want to make the works of God! For this reason the faith of who says to be believer but not practitioner, is similar to Satan's faith.

Let us also add that so many youth people are ruined by force of being before the TV, in watching per hours shows of violence, horror and pornography, in listening the satanic rock directly, or wearing lockets with magic or satanic symbols.

To wear them is a sign of consecration to Satan (even if doesn't know it) because they represent inverted cross of Christ (and not the sign of peace as is believed). And then they come to tell me that they have no time of to pray Rosary or going to Mass every day!

Then there is another series of cases in which are exposed to be affected or possessed: participation in spiritualistic sessions, to read the cards (still if it is for game or without requesting money), practice of magic or in other occultism ways, appealing to fortune-tellers, to cart mantes and magicians, frequency to satanic cults (that have their vertex in the numerous black Masses, where it is dreadfully profaned the Consecrated Host) inscription in satanic sects, today so numerous. It also exists the consecration to Satan, pacts of blood with Satan or other forms of unions with him. Who is practitioner of these things knows are "experiences" in continuous increase; for which are in continuous increase the cases of diabolical disturbances. It is notorious in the schools many children make the "GAME OF GLASS" with friends or they have fun invoking dead; then someone results affected or possessed. It is necessary to alert youth people that are most risk, will be enough a curiosity, an imprudence to remain affected for the rest of the life. We also add: who prays, lives Christian life intensely and, comes closer to the Sacraments, it is protected. Demon doesn't have any power over you, if we don't give it to him. Holy Mary the big and terrible enemy of Satan protects us. Also our Guardian Angels and Saints as well.

EUCARISTIC PROFANATIONS AND BLACK MASSES

With the concession of the Communion on the hand, there is not more necessary to steal Holy Sacrament at night because the Consecrated Hosts are received peacefully in the hand from the same Priests. The bitchy ones take advantage of the Communion in hand and, faking of being taken the Consecrated Host on the tongue, they make it knowingly slip in the sleeve, in the pocket, in the handkerchief or in the hand bag, etc, and then they bring it to the magicians (or to the sorcerers) to desecrate it and to make the charms of death; or they sell the Host Consecrated to members of satanic sects and with that collected money they also buy drugs. In black masses the consecrated Host are profaned in the most horrible ways to the song of hymns to Satan. In black masses, almost always celebrated at night and that they are spreading like stain of oil, the altar is made up for a naked woman. People that participate are devoted to Satan, repeatedly they also make human sacrifices, and then they make the satanic communion. The black Mass concludes later with a collective orgy. I have met with long and difficult cases of diabolical possession of curing because were celebrated black Masses periodically for these possessed people's damage.

Indeed, when I did the prayer: " Pray against all evil", in the sentence: "... expels from us the black masses", the possessed howled and moved in furious form, telling me insults and vulgarities of not repeating. There is a sad consideration of making: in the Black Masses not consecrated Hosts are not accepted. This means a very simple thing: Jesus' real presence in the Holy Host denied or setting in doubt for so many Catholics is on the contrary firmly believed by the worshipers of Satan that, indeed, they profane it in the most horrendous ways!

Who has hearings to understand, understand...

OBSTACLES TO THE LIBERATION

1. The most thick and frequent obstacle is presented if a person has bitterness in the heart. The Lord determines the liberation to the pardon that we give to the other ones. He has told us in the Gospel: "Forgive and you will be forgiven" (Mt. 6, 14); forgive us our offences as we forgive those that offend us " (Mt. 6, 12). It can also be bitterness against God. It is very frequent the fact that one gets angry against the Lord for an offense or a misfortune that finds unjust and undeserved. Besides this it is indispensable always to forgive who has made us the curse.
2. Other times the cause that delays or blocks the liberation it is the little determination of affected person. It is expected that the exorcist Priest or people that pray for who is affected make the whole work. The exorcist helps, but the interested one should fight every day with the Holy Mass and Holy Daily Communion; with Holy Rosary complete every day, with frequent pray to Saint Michael and other liberation prayers. Do not want to go to the Church? Do not resist inside the church? On the contrary they should go and to stay! It Costs effort, but they should make it for their own good!
3. The fact that have sufficiently not expiated and repaired sins. It is not enough to be forgiven in Confession; the obligation of reparation is long. How is made to repair, for example, an abortion sin? Here it is required a repentance and repair during an entire life! These are the three main causes that delay or block completely the liberation.

SIGNS OF LIBERATION

In the case of the diabolical possession, the first times Demon says to the exorcist:

" I am here well! " " I will never leave! " " You cannot anything against me " .

Then begins to say: " You have conquered me! " I don't resist more! ". Other times the Demon, feeling unable to resist the prayers of the exorcism, invokes help, that is to say, invokes other Demons come to help him.

Many times it has happened me of feeling to the devil to invoke help of the people that had made the curse (and in this way has been known who has affected to those little poor). The Demons requested that with prayers (to Lucifer, naturally; prayers that those who make the curse know very well) its evil power that was to give up, comes reinforced. Frequently for that objective, they request celebrations of black masses that have a great evil power.

Another sign: the Demon looks to communicate affected people his same feelings. Coming closer the liberation, Demon sees that resistance is useless and affected person thinks: "Is useless that I will make me exorcize; for me it is all useless! " Or has the conviction: " The exorcist has not understood anything, I have necessity of the asylum! " (Notices it well, the true lunatics never believe of being crazy!)

For this reason the affected one is discouraged and says: " I don't go more to receive exorcisms! "

Diverse are cases of people that, almost in the vigil of their liberation, they have ceased of coming, convinced that now for them there is not anything to make and exorcisms were useless.

Another liberation signs: an inconsolable cry (they are liberated cry), to beat strong and with speed teeth; to become stiff as a cadaver, so much of seeming as dead.

Then this happens: while in the common illnesses the sick person improves little by little until the cure, here happens the opposite, that is to say, the affected person is always worse and, when properly is not able to go more, the cure arrives. It is not this way every time, but this is the more frequent case.

After liberation it is very important that the liberated person doesn't neglect all prayers, Holy Mass and daily Holy Communion, a serious zeal of Christian life. And each time makes well in requesting some blessing because the Demon always looks for returning.

Many relapses are caused by the decreases or abandonment of prayer and Holy Mass with daily Communion, or worse because sins again. So in such situation it is more difficult to achieve liberation because Demon (as is told us in the Gospel of S. Mathew 12,43 45) returns with other worse seven spirits. For that reason attentive with relapsing!

BUT DO THE MAGICIANS CURE?

Father Gabriele Amorth responds: " The experience teaches me that it is, most of the times, temporary cures that leave the place to worse evils. In any event: spoiled that person that comes « cured » by a magician. It contracts union both with Demon and magician. And are unions with hard consequences, for which later it is very exhausted break them."

(See G. Amorth: Nuovi racconti di un esorcista, Edizioni Dehoniane, Rome, p. 192).

« Temporary cure » is also called « suspension effect ». This is, magician doesn't remove evil for which a person suffers, but suspends it for a certain period. It is Demon that had gone. After a certain time, disturbances and pains return. For this reason Gospel speaks us about a Demon that leaves a soul and return later with other seven demons, worse than him (Mt 12, 43-45). Is what happens appealing the magicians. We give you three significant examples that I have found several times.

FIRST EXAMPLE. Someone begins to notice physical pains. Try with several doctors and medicines, but pain increases before to disappear; cause is not find out. Goes then to a magician, or someone that reads cards (fortune-teller) dedicated to the magic and says: " You have a charm. If you I take off. It is enough with a million ".

Affected person thinks before and then decides and pays. Maybe is requested a picture, an intimate clothes or a bundle of hair. After some few days the person feels completely cured and is very happy on how has invested that million. It is the Demon that has left. After a certain period begin to reappear the accustomed disturbances. The unfortunate poor person recaptures the visit to the doctors, but the medicines are shown impotent, while the wrong always increases worse. It is the Demon that has returned with other seven Demons worst than him. The sufferer thinks: " That magician has made me pay a million, but he removed me evil"; and returns to him without realize that has been properly the magician in causing evil increases. And it is says: " this time have made you a worse evil. If you like I take off it. I request you only five millions, because to another one I would request double". In this way it starts from the beginning. If later victim finally goes to an Exorcist Priest, after the small initial evil, it is necessary also liberate of the great problem caused by magician.

SECOND EXAMPLE. Everything like in the first example. Sick person pays, comes "cured" by the sorcerer and « stays cured ». But in this case the evil raiain to his wife, children, parents, and siblings. Damage is equally multiplied, (also under obstinate atheism way, a life of sin, car accidents, accidents, depressions...).

THIRD EXAMPLE. Also here everything like in the first and second example. Sorcerer cures person and the cure persists. But that evil was allowed by God for expiation of that person's sins, for the return to a life of prayer and frequency to the Church and Sacraments. The objective of that evil was getting big spiritual fruits for the salvation of that soul. With the cure obtained by the sorcerer by intervention of the Demon that knew these objectives well, the good objective bundle to that evil has gone in smoke. We have to have clear that **God allows evil for to take good**; He allows the cross because only through it we obtain heaven. This truth is evident, for example, in people with particular charismas that often are hit by sufferings, reason by which doesn't have to request for their cure.

All remember to **Father Pio** who **has supported the hardest pain of the 5 stigmas for 50 years; but nobody has thought of requesting to the Lord that took out them from him: it was too clear that it was work of God, for big spiritual purposes.**

Demon is astute; with a lot of pleasure he would have wanted that Father Pio would not had printed in his flesh the signs of Jesus' Passion! Naturally it is different the case if is Demon to cause the stigmas and to raise false mystics.

(G. Amorth: An exorcist counts, Edizioni Dehoniane, Rome pp. 170-172.)

The Prayer that Demons who bother women that have made ABORTION don't support is the ACT OF CONTRITION recited ten serial times, kneeling down.

(Is advised to make this prayer many times a day)

SYMPTOMS OF EVIL PRESENCE

Don Gabriele Amorth writes: " We notice that never exist two same cases.

The Devil's behaviour is always varied and unforeseeable ".

The fundamental mainly signs are three: head, stomach, and aversion to the sacred one.

THE HEAD - The head is bombarded continually day and night. Instruments of such nuisances are objects that have been cursed and are put them in the pillows, so to the contact with the head returns stronger and effectiveness their harmful evil irradiation.

Symptoms in the nuisances of the dream are: difficulty to fall asleep, nightmares, to dream of ugly things and anguishes that are printed with force in the mind engendering fright. These symptoms can be all of them or partly. Still: when it is hour of getting up to confront the zeal of the day, feels more tired and out than when gone to bed. The normal zeal that first was made with certain satisfaction, now become an incessant torture. The effects of the nuisances of the dream lead to a loss of personality since capacity of self-control and autonomy get weak. In this it is explained for example, the complete change of the good husband's tendency that feels queerly attracted by a strange woman that appeals to these means.

A good, calmed and affectionate husband, close to the children, very tied to wife, suddenly is not more recognized. He doesn't want more, no longer see the children, suffers of being at home, has a serious inner resistance. In such cases if one doesn't have a strong religious defence it is not possible to resist. Also that incites violent, rabid, and asocial attitudes, especially with relatives and opens the door to psychiatric medicines doses that, in these cases, they don't solve anything and rather they attenuate the capacity reacting to evil forces.

This mental agitation creates unfocused. Who works in the office it doesn't achieves anything and makes mistakes. The boy that goes to the school cannot be focused. The mental tiredness engenders a discouragement sense that sometimes becomes in corridor to the suicide.

THE STOMACH - The charm works (witchcraft) on the victim through negative influences taken place by physical objects, prepared by sorcerers. Nearest the cursed object is to the designated victim, more effective is evil action. Therefore the objects can be put in house, office, inside the car, pillows, etc. But in the office you are not always, in the house or in the car neither, on the pillow or on the mattress, you only rest at night. The most effective thing is therefore that charmed thing placing inside the body, in this way the contact with the victim is never interrupted. It is generally food or drink that contains it and that queerly the gastric juices don't destroy. They come expelled by mouth or to the bathroom using the blessed water and the exorcized oil. If for example it is not possible to make eating or drink malefic food, the victim is hit at distance that is to say directly. The symptoms of malefic food or drink are: difficult digestion, feeling of full stomach, loathing to swallow foods (anorexia), pains or heaviness, tentative of repeated and also violent vomits of those that doesn't come out anything, just some saliva, other times come out strange things; this is a liberation sign. A particular symptom that can seem stranger a little is a wave of anguish that it comes from the breastbone and ascends to the throat and head.

It is also sees the effect of medicines: when they are totally ineffective or they get the contrary effect. This has value if it is connected with the other symptoms; alone it doesn't mean anything.

Other times, when prayer begins, disturbed people emit burps, continuous cough or vomit. And sometimes you can't continue the prayer because the mouth stops or because the eyes get steamed up before the written prayers. The blessed water is quickly spit, if it is drinks alone, shall be mixed with foods, that also without the knowledge of the person. A strong reaction is proven to the blessed water if it is dewed above person or if it is dressed blessed dresses, or if it takes sacred medals or the Rosary.

Other times there are strange nuisances in the person: who is hit hears voices that only are feel them by affected person; has the impression of being looked, although if it is alone in the room, feels to be touched, see people that are not, paralysis moments in some part of the body.

Some generic diagnoses, very frequent as exhaustion, depressive state, atypical phenomena, of a certain ill, can hide the incomprehension of the authentic wrong that afflicts patient.

AVERSION TO THE SACRED ONE - Since only an intense Christian and prayer life can annul all this malefic evils (evil one-evils), it is evident that Satan will make everything because the victim designated gradually moves away from each religious practice, be individual that collective. This is the third and the most important of the three fundamental signs to judge if it is hit by evil actions.

The main aspects of the aversion to the sacred things are:

- Gradual estrangement for who somehow is a practitioner.
- A thousand reasons gradually sink for not finding the time to pray and going to the church;
- Uneasiness being in church; they feel tiredness, nausea, oppression, fainting sensations and mental confusion. The mind also is not able to concentrate for continuous distractions, they are had a strange necessity to yawn without interruption, necessity to laugh, a deep heaviness that is not possible to defeat.

OTHER EVIL MANIFESTATIONS - The telephone: a new instrument that the old magic didn't know is the telephone. The physical contact is decisive to make stronger and operates the nuisances. The sorcerer calls to the victim, the person answers regularly "hello", and nobody answers.

The contact with the person that has answered is enough to discharge up a malign wave. In general people don't pay attention to this and hangs the telephone peacefully. However the contact had been successful. The cold: the chills of cold and feeling systematically cold often they are signs of evil manifestations, as well as blows of wind, strange smells, noises in a varied way (1).

BEAUTIFUL ADVICES FROM PRIEST

1. Have already been seen that also with the telephone it is possible to discharge on the victim designated malign waves. We can defend us very well of this trap (since is not known who calls) reciting the Prayer to Saint Michael when it sounds the telephone (and before saying "hello") and hanging quickly if anybody responds or if feel sighs, strange and rude laughs or similar things.

2. In particularly serious cases it can happen that the Demon blocks the mouth of a person to avoid receiving the Holy Communion. " In such a case, before receiving the Holy Sacrament drink some sip of blessed water (having by hand in a bottle or in the wallet) reciting some prayer and everything will be normalized.

3. Participate fervently in the Holy Mass! Many are in the church for... only to heat the bank! Also gets ready with appropriate prayers to receive Jesus in the Holy Host. Then, after having received the Holy Communion, make the due gratefulness kneeling to the Son of God that has entered in you. That is the most capable moment to pray him intensely and to request him of liberating them of the malefic presences, because you have the Lord heart to heart in you! How indifference show many people that, after receive the Holy Communion, they return to its place and stay seated without to adore and to thank to WHO the Universe cannot contain and WHO in that moment, is Present, Alive and Truly inside you! Don't wonder if for this reason you don't obtain liberation.

4. Let pray kneeling always ! Being standing (especially in the church before to Jesus Blessed Sacrament or during the Holy Rosary) it is a serious lack of respect and of humility toward the Lord! Also pray above all with heart! How many people don't obtain the liberation for diabolical disturbances because they pray only with the lips, but they have the heart distant of God and His Holy Mother!

5. Don't allow to put hands on your head (or touch) for none and for any reason, only for the Priest (that, as all know, he has consecrated hands) How many pranotherapists that say to call themselves charismatic, presumed healers, people that make believe of being sacred souls or « marabouts » (false saints) impose the hands and they ruin so many people. The same Demon, in an exorcism, has been forced to say that all these people (in good faith and other not) that touch to the other ones, they make their game and they load the other diabolical presences that are revealed then still at distance of years above. " I am afraid - has Satan said - only of the consecrated hands of the Priests! " Therefore be attentive, because certain errors or nimbleness are paid to very high price!

6. It is necessary to pray a lot, to pray well, to always pray (Lc 21, 36). How many tell me: " I have so much work, I have no time of making all these prayers and going every day to Mass "... The same Virgin Mary responds to these people: " Dear children, not alone one lives of work; one lives and above all of prayer! And another time she has added: " Son, when you say: I go to Mass when I have time... I pray when I have time, it is as if you said to God: LORD, YOU ARE NOT WORTH ANYTHING FOR ME! "... After such words like one makes to wonder if the liberation so requested doesn't arrive?

7. Who has made « spiritualist séances » or other serious practices of Black Magic always requests in prayers, continually, pardon to God! How many people don't obtain the liberation, still with continuous exorcisms, because they have been admitted of these things with a lot of nimbleness (and maybe without true and felt repentance). We don't regret consequently if the liberation doesn't arrive!

8. Above all women must be always decent in dressing. How many have relapsed in the diabolical possession (or they are not able to obtain the liberation) since they continue in giving scandal! (On purpose read the Gospel of St. Matthew 18, 6-9).

9. Many people, especially in the small field towns, say of removing the evil eye and they use of putting in a plate of water an oil drop or grains of wheat (or similar things). Still if they are in good faith or good people, leave it immediately because this is a magic rite. And the magic rites take then to the Demon's hands. Still if these people say prayers or they make signs of cross, they don't know that they make. The Bible is clear:

" Let no one be found among you who sacrifices his son or daughter in the fire, who practices divination or sorcery, interprets omens, engages in witchcraft, or casts spells, or who is a medium or spiritist or who consults the dead. Anyone who does these things is detestable to the LORD, and because of these detestable practices the LORD your God will drive out those nations before you. (Deuteronomy 18,10-14).

10. People really disable of going to an exorcist can create a prayer group in their parish or in the own family and make liberation prayers with friends and family. The Lord and the Virgin Mary will make the rest...

11. Instruct yourself every day in the Catholic religion! How many people are taken again by the Devil, after being liberated by the exorcist Priest, because of their religious ignorance! The Holy Scripture, not for anything tells us: " Lamp for my steps is your Word, oh Lord; light of my road... ".

12. Confess you continuously; above all make a good confession! The Devil has terror of the Confession because if it is well made it removes souls from his hands and it puts them in God's hands! Because of that there is not an exorcism more potent than a good confession. Indeed, when to Demon has been forced to say what THE CONFESSION is, he has given a surprising answer:

" IT IS CHRIST'S BLOOD THAT WASHES THE SOULS! " What do the Christian make with this extraordinary Sacrament? ...

13. Always participate in the hours of Eucharistic Adoration! Also in the church adore Jesus Alive and Truly present in the Holy Host, especially when He is alone. HE is your LIBERATOR not the exorcist. The Demon is not able to anything against the Eucharistic and devotes souls of Mary, his big and eternal ENEMY!

The exorcist Priest is often a little hard and rough. Why?

Often in the night the Demon retaliates on him for the souls that he snatches of his hands; He should suffer because of the isolation and incomprehension on the part of many that consider him crazy, obstinate, sorcerer, etc. And it is often from those consecrated! He is forced to be demanding with you for your own good because he wants to liberate you as soon as possible. He suffers because many seek the liberation without making what he says. Every day he faces Demon to help to you and your dear beings, to his own risk and danger. Understand him and recommend him every day to the Lord and to the Virgin Mary in your prayers.

WHEN I WILL HEAL?

It is the question that every person that has serious problems of malign origin, makes. Doesn't exist similar cases, there is here because some cases are solved quickly, other ones on the contrary require more time. Very often, people seriously disturbed by the Demon, don't consider in sufficiency the obstacles that retardant or blocking the liberation completely and that have been explained here.

The Lord looks our good more than us. If sometimes He delays our liberation it is because He wants to consolidate in His friendship and He wants to make us grow in spirit of pray. Many would drifted apart soon from all type of religious practice if they were quickly liberated, or they would relapse soon in the sin. When then we have really understood, after so many sufferings that the Grace of God and praying are indispensable as the air that we breathe, then the Lord liberates us immediately, because the danger of a relapse in evil is something remote.

The liberation should also deserve it! Once Lucifer, during an exorcism has said: "Go to say to those that are praying sat down in the church that feel like to recite the Rosary... I won't leave them while they won't also make penance! " Which penance, besides fast? I told him. "They should offer their life to God ".

Anything more? - I asked. He responded: " And what another more thing they can offer to Him?

The children of the Evil always use and with master skill two terrible weapons: doubt and discouragement. To the doubt we should oppose a great faith in the Heavenly Father; to the discouragement we should make it front with the perseverance in praying and in the practice of the Sacraments. How many arrived to the threshold of the liberation, and then they have been allowed to conquer for doubts and afflictions and they have moved away from the Lord and pray, making in this way irremediable their painful situation.

Let us don't impose terms to the Lord for our liberation.

He wants more to liberate us more than us, but only his Love for us knows which is the optimums moment. Before to regret continually, let us offer with generosity to the Lord our sufferings, in repair for our sins, for who suffers more than us, or for His mysterious salvation designs. And the Father who sees in the secret of heart will reward us more and better as much as we can imagine!

IS IT INDISPENSABLE COLLABORATION OF THE AFFECTED ONE?

Yes, it is very important. The fight and the victory against Demon it is leaded by the person that is affected. The work of the exorcist Priest, since indispensable, gives fruits only if there is always biggest collaboration.

Who liberates is JESUS; the exorcist Priest is only His instrument. And the Lord liberates us if we make all our part and if we remove the eventual obstacles to the grace: for example if one lives in sin, or if one keeps a bitterness and doesn't want to forgive, or if has made a serious injustice that should repair.

All these things non-alone block the liberation action of the Lord in our favour, but more than this, they feed the curse that has been made terrifyingly. The most big and frequent obstacle that the exorcist Priests find is the passivity and pretension of being liberated without personal effort of affected person. The affected person should always make everything on behalf without loading everything to the exorcist Priest.

LAMENTS OF JESUS

I am the LIGHT and you don't see me.
I am the ROAD and you don't follow me.
I am the TRUE and you don't believe me.
I am the LIFE and you don't look for me.
I am the TEACHER and you don't listen to me.
I am the HEAD and you don't obey me.
I am your GOD and you don't pray me.
I am your great FRIEND and you don't love me.
If you are unhappy, don't reproach it to Me!

HOLY MARY HAS SAID:

“ Dear children
If you don't recite
EVERY DAY
the Holy Rosary integer,
you IMPEDE me
of coming in your help! ”

DO EXORCISTS TO THE HELL?

In Matthew 7,22-23 Jesus says: " Many will say to me on that day, 'Lord, Lord, did we not prophesy in your name, and in your Name drive out demons and perform many miracles? Then I will tell them plainly, 'I never knew you. Away from me, you evildoers!'"

Jesus' words don't go certainly directed against exorcist - like say the ignorant - because same Jesus has requested to them of expel demons on his behalf (Mc 3,14; Mt. 10, 8; Mc. 6, 7.13; Lc 9, 1-2). And not even they go directed against who has had from the Holy Spirit the gift of healing (John 14, 12; 1 Corinthians 12, 28).

This passage of the Gospel tells us that still the fact of carrying out miracles and expel demons, it is not enough to say that one is saint and it is not enough to save the soul.

If one doesn't observe the Commandments there is here what Jesus says: " Away from me, evildoers" the fact of having had from God special charismas, for which has been able to carry out miracle cures or expel demons, is not enough to save him. For this reason the Church, when examines the cause of a Saint or a person to see if will be beatified, looks if they have been heroic in faith, hope, and charity. Doesn't give importance to the miracles that carries out, invoked after their death. Why? Because to be a saint it is necessary to persevere: in faith, hope and charity, until the end.

Still one that carries out miracles, if doesn't have a sacred life it can be condemned. Father Pio, for example, has always lived with two big terrors: the terror of losing faith (and this can happen in any moment) and falling in mortal sin (and this can still happen to who has stigmas and has carried out miracles, still if reality, the miracles have carried out by God through him).

For that reason the fragment of Matthew puts us attentive that we to save us, must observe the ten Commandments and are not enough the saints works, even extraordinary ones, that the Lord can carry out through us to be saved if we don't observe His ten commandment.

DO CAN WE SPEAK WITH THE DEADS?

The spiritualism is to invoke to deceased or spirits to interrogate them. To evoke this, claim them presence, almost always in not visible a sensitive form, but always with the objective of asking questions to obtain from them the answer.

The Holy Scripture speaks us about the pure spirits, the angels, created by God all good ones; it tells us that many of them, rebelling to God, have become Demons, with Lucifer to the head. Spiritualists also speak about spirit-guide, of entity not better identified. As prove of the facts have seen that they are single Demons, which are true teachers of the camouflage. In our days dead are interrogated through a medium, with the game of the glass or coin (children also make this!), with the recorder and especially with the automatic writing. What to tell to people dedicated to spiritualism? What to say to the parents that, knocked down by the accidental death of a child, consulate themselves with messages that the dead sends to them, by means of the recorder, by means of several messages or with the automatic writing? Here we should be clear: if one wants to be in the truth and not to walk behind fables, we should follow the Gospel. If we want the comfort, pleasant but false of who deceives or it is auto deceived, the wrong ways are many. Who follows the Word of God understands well why the Lord and Church prohibit all form of spiritualism. Who has faith, it looks for answers in the Gospel and gets them. God has spoken. To want to look for the truth further on it is a serious blame against the first Commandment, it is to move away from the Truth to stick to the error. Who responds in the several forms of spiritualism? Can be tricks, suggestions, but also interventions of the Demon. For that reason the condemnation in the Bible is very heavy:

"...or casts spells, or who is a medium or spiritist or who consults the dead. Anyone who does these things is detestable to the LORD" (Deuteronomy 18,12).

Such biblical expression indicates one of the more serious sins that the man can carry out!

The Gospel (Lc 16, 19-31) tells us that the souls of the deceased go quick to the Paradise, Purgatory, or Hell. The reincarnation is against the Word of God and it is a dangerous trap of Satan. (1) The same Gospel tells us that the souls in the paradise can receive our prayers and intercede for us; the souls of the Purgatory can receive our preys and to obtain us gifts. Everything comes not directly, but through God. This way, through God, our dear deceased follow our activities.

We notice an important detail in the parable of the rich man (Lk 16, 19-31): because seeing Lazarus in Abraham's breast (that represents to God), he never goes directly to Lazarus, but always to Abraham: "Tell to Lazarus...". Because between the deceased and us there is an unbeatable estrangement, the relationship can only be made through God.

However God can allow a deceased to be presented to a dead relative, or that he speaks to him or that there is a direct contact with him. Of this we find out an example in the Bible and in the life of Saints. But it is extraordinary cases. In all these cases, however, the fact comes for free initiative of God, never as ability fruit or for human means. It is like apparitions; Bernadette has not made anything to cause the Immaculate Virgin's apparition in the grotto of Lourdes; three children of Fatima they have not made anything that can obtain the Virgin's apparition in the Cove of Iria. The facts have taken place for pure Divine initiative, in the circumstances and in the limits established by God.

The king Saul, on the contrary that had made evoke to Samuel's spirit for a magician woman (1 Samuel 28, 7-19) it was punished by the Lord with his own death and the death of his children in that same day. This is enough to make pass the desires evoking a dead. The fact that messages received are good, it is not enough to say if where they are coming is good or bad. The Demon is a master deceiving: he says new truths (to make us fall) and a lie that is so harmful that it annuls the whole benefit of the new precedent truths.

Indeed the Demon in the Gospel says about Jesus: " We know it that you are: the Son of God " (Mc 3,11). Therefore a slave that had a spirit of divination said of Saint Paul and Barnaby: " These men are servants of the Most High God, who are telling you the way to be saved" (Acts 16,17). It is an exact and sacrosanct announcement. However came from Demon that always has his perverse proposes even when he says the truth, reason why be Jesus or be Saint Paul they order him of remaining silent.

How many, still today, they are deceived by messages of spirits of deceased souls, or for answers that is said are from the Lord or Virgin Mary, received through automatic writing, in trance (or autosuggestion), with perspirations, chills of cold or similar, or other spiritualist ways, only because they find comfort or because they say good things!

God, the Virgin (and the souls of our the deceases, when God allows it) they are always manifested with immediate, with simplicity and their free initiative (leaving in our heart a great peace) and not in the suspicious forms that you grieve we have indicated.

A lady had contacted a spirit that she thought was good, because told her good things and taught her to pray. After some years, when this lady was bound to this spirit, he has begun to say bad things and then to blaspheme... But now this woman had absorbed malign influences that she still has today. She is disturbed continually by voices that don't allow her to work and don't allow her to sleep.

It is fair people know what get taking certain roads (2)

It is time of repeating another time Saint Paul's words: " For the time will come when men will not put up with sound doctrine. Instead, to suit their own desires, they will gather around them a great number of teachers to say what their itching ears want to hear. They will turn their ears away from the truth and turn aside to myths"(2 Tim. 4,3-4).

And he still says: "The Spirit clearly says that in last times some will abandon the faith and follow deceiving spirits and things taught by demons." (1 Tim. 4,1).

WHITE MAGIC AND BLACK MAGIC

It doesn't exist white magic neither black magic. The magic is everything and only black! In the average language, white magic is to remove damages, to remove curses; for that it would be a good magic. The black magic is to make damages and curses; it would be a bad magic. Let us don't allow be confused and deceive! Also the considered white magic (that is to say to remove damages) it is to look of removing these things with the help of Satan. It is always a resource to go to Evil One, for which one of this is always damaged; still if momentarily have a relief for the « suspension effect ». In each case, careful who is cured with the magic! The reasons have already been illustrated.

When one appeals to the magic that is white, Black or another type it is always resorts for the demoniacal intervention, it is always intervention of Satan. If we think that the Evil One has said: " I infinitely hate you, as I infinitely hate to That that has created you! " we have the certain prove that if the Prince of the Darkness makes us the good, it is always because he knows that of that will come a biggest evil, still if in that moment we don't understand it! For that reason, one who practices the magic, they also say that it is good and they also say - lying - that they don't call Satan.

PRIESTS THAT MAKE MAGIC?

A listener has asked this question to Father Amorth in « Radio Maria »: " I have heard about a priest that cures through a pyramid that he defines an accumulate energy. He also distributes to people a fluid that comes from him; this fluid removes evil. I know about other priest who uses pendulum and he also has a picture with the Pope."

There is the answer of Father Amorth: " It is very known the system of the pyramid. It is true superstition, when it is not directly Demoniac resort. The fact that uses the pyramid and the fact of having a fluid that remove evil are all foolishness! Be far away from that kind of people even if they are Priests! I don't know how they are getting on with their Bishop... The fact that has a picture with the Pope doesn't mean properly anything. I have known so many fortune-tellers and magicians that harm black magic and death-witchcrafts and they publish in their advertising pictures in which they shake hands to the Pope. But what do you need to shake hands to the Pope? Anything. The Pope gives so many shake hands! They lengthen him the hands while he pass by and he shakes them. And the photographer makes the picture in way of seeming that they are alone. The picture with the Pope for that reason doesn't mean properly anything! Be far away from that kind of priests that make use of the pyramids, pendulum that they say of having particular fluids. They don't know anything and that they make it is not to be proved! Jesus has never spoken about fluids and other foolishness. To cure the illnesses and to expel demons they are indispensable the consecrated hands of the Priests, the faith in Jesus and the prayer (especially to the Virgin, because to His Mother Jesus cannot deny anything!)

CAN THE GOOD ONES BE AFFECTED?

Yes, Satan can - always with the permission of God - to possess good and saints souls. We enter here in the great mystery of the Evil. The Lord can allow that still a saint, one without blame, a good soul has a suffering of malign origin. God allows it, but also of this He extracts the good. It is typical the biblical example of Job where the Lord it has allowed that Satan affects him in the affections, with the death of the children (Job 1, 18); in the goods, leaving him in absolute poverty (Job1, 12-17); in health, filling him with wounds (Job 2, 6-7). God has allowed it so that stands out the great fidelity of Job and so that, through these proves, and comes out purified and closer to God. Who for this reason thinks that the Devil cannot hit to a good soul, make an unforgivable nimbleness (that unfortunately so many unhappy poor pay, private of the Priest's necessary helps!) It would be then a serious lack of charity to say that Satan cannot hit to a good soul, if in such way it is not wanted to help the neighbour that suffers because one is afraid of the Evil One!

DOES THE BAPTISM PREVENT THE POSSESSION?

There is who thinks that in Christian countries cannot verify possession, because the baptism prevents it. It is not true absolutely! The whole history of the Church demonstrates it thoroughly. Also a Christian or a Saint can be possessed by the Demon. We have the case of so many Saints that have had a true diabolical possession, just read their life. There is two recent cases because they were beatified by John Paul II : Sister Mary of Crucified Jesus and Saint Giovanni Calabria Priest. The first one, called " Little Arabian" because, for now, is the only Arabian beatified; she was born to few kilometres of Nazareth and she became sister Carmelite. She has had periods in their life, when was already Carmelite and great mystic, in which has been possessed by the Demon and she has had necessity to be subjected to exorcisms! The Lord has allowed this prove, like He can allow an illness. The same thing has happened to Saint Giovanni Calabria, beatified by the Pope in their native city of Verona. He also, at the end of his life, has had diabolical possessions, like one reads in the records of their beatification.

He has liberated himself; he has had not necessity of exorcisms. But what humiliation for him duty to suffer these prove that have been allowed by the Lord to reinforce their virtue!

To say for this reason that the baptism prevents the possession or the disturbances of the Devil is to want ignoring the truth...

With higher reason the baptism is not enough to avoid the diabolical possession, if one puts the own commitment, for example all those make the pact of blood with Satan or other forms of union with he and they are baptized!

ARE POSSESSED ONES SICK?

The Gospels distinguish the illnesses of the diabolical ones clearly, of those, which need to expel demons. Indeed the Gospel says: "...and people brought to him all who were ill with various diseases, those suffering severe pain, the demon-possessed, those having seizures, and the paralyzed, and he healed them". (Mt 4,24). Later Jesus gives to the Apostles two very different powers: to cure all type of illnesses and to expel demons: "He called his twelve disciples to him and gave them authority to drive out evil spirits and to heal every disease and sickness" (Mt 10, 1). The evangelist Mark speaks to us as the first of the powers given by the Son of God to the Apostles: "He appointed twelve - designating them apostles - that they might be with him and that he might send them out to preach and to have authority to drive out demons" (Mc 3,14-15). Also the Evangelist Luke makes the same thing: "When Jesus had called the Twelve together, he gave them power and authority to drive out all demons and to cure diseases" (Lk 9,1).

It is observed how in the Gospels the difference between disease and possession is distinguished clearly.

It is noticed as - **even if the power of expelling the demons and curing the illnesses they always go together** - the power of expelling demons comes with a particular position regarding the power of illnesses, it is such a truth that is always named before. For ulterior confirmation, the Gospel tells us that when the 72 disciples - to which Jesus had given such a power - they return of their mission and they refer the success to Jesus, demonstrating of being surprised above all by the domain exercised on the demons: "The seventy-two returned with joy and said, "Lord, even the demons submit to us in your name." (Lk 10,17).

The importance of this type of power of Jesus is such that never the Lord orders to a diabolical one of remaining silent its liberation, as on the contrary he frequently order to cured people of illnesses!

Further more, the possessed of Gerasa - possessed directly by a legion of demons - Jesus says explicitly, after having him liberated: " Jesus did not let him, but said, "Go home to your family and tell them how much the Lord has done for you, and how he has had mercy on you" (Mk 5, 19). The same Jesus underlines that power of expelling demons is an evident sign that the Kingdom of God has arrived: " But if I drive out demons by the Spirit of God, then the Kingdom of God has come upon you" (Mt 12, 28).

All these considerations demonstrate false and against the Gospel the idea of who confuses to the possessed ones with sick of the mind or another thing (1), or it affirms that Jesus has adapted to the mentality of the time, according to which the demons are confused with several diseases.

(1) *Cfr. G. Amorth, Exorcists and Psychiatrists, Edizioni Dehoniane, Rome, 1996.*

We insist on this point. Apart from the fact that the Gospels distinguish very well - like we have seen - between sick and possession, it is not possible to think that Jesus would have been deceived as those of his time, calling diabolical to who was simply affected by nervous or psychiatric disturbances, because Jesus is God then Infinite Wisdom. It is also of excluding that Jesus even knowing of being in front to psychic sick adapts - in the way of acting and speaking - to the prejudices of the time. This can be admitted when it is purely scientific things, but not in arguments of religious and moral order, because in such a field Jesus has been presented as the Master, He has been to teach the Truth and to give testimony of the Truth (Jn 8, 37) and not to confirm the error and superstition.

It is such a true that even Apostles have believed that Jesus is God only after the Resurrection (Jn20, 28 and Lc 24, 52) and of the coming of the Holy Spirit.

How it is possible that the possessed ones, without having ever seen Jesus before, at first sight recognize him as God?

Evidently they were not the possessed ones speaking, but the demons in them that well knew who was Jesus. The Gospel confirms it detailed: "Moreover, demons came out of many people, shouting, "You are the Son of God!" But he rebuked them and would not allow them to speak, because they knew he was the Christ! ". (Lk 4,41).

Beyond the four ways of the extraordinary action of Satan that have been seen, the more experts exorcist Priests know that in several cases, in people affected by curses, there is a pathological base, due to an illness and a diabolical accentuation. In such a case there is necessity a double therapy: from the doctor and from the exorcist Priest. Another time to the question: " How have you entered again in this girl if she has made all that I have told her? ", the Malign (Evil One) has responded: " Because there is not in her a complete conversion, I can always return! "

Let us also take the due conclusions!

CAN THE FAITHFUL ONES RECITE THE EXORCISM OF LEO XIII?

It has been sought of prohibiting to the faithful ones the use of the formula of exorcism, published by order of the Pope Leo XIII. Now it is necessary to say that such a prohibition doesn't have value. Indeed, one of inferior grade is not entitled of prohibiting the use of a sentence published by order of a Supreme Pontiff.

The Catechism of the Catholic Church, published in 1992, settles down that the solemn exorcism, called "Great Exorcism", it can be practiced only for a Priest with the Bishop's permission "(n. 1673).

This means that the private exorcism, also recited by the lay ones, it is authorized without the Bishop's explicit permission, in conformity to the common teaching of the Parents of the Church and theologians and above all in conformity with Jesus' words that none, in absolute way, is entitled of contradicting: " And these signs will accompany those who believe: In my name they will drive out demons... " (Mk 16, 17)

[See: *O. Melançon: The existence of the Devil and the exorcisms (L'esistenza del Demonio e gli esorcismi), Teologica, n. 5, 1996, pp. 34-40*]

Naturally this should be understood in the sense that the true and own exorcism can be made it only by the Priest authorized by the Bishop. While all the Christians can make the liberation prayers. In fact - according to the view of father Amorth - the called "exorcism of Leo XIII" is a liberation prayer that the faithful ones cannot make in public, but they can make it peacefully in private, as liberation prayer directed to the Lord for own and for the liberation of the other ones.

EXORCISM OF POPE LEO XIII AGAINST SATAN AND THE REBELS ANGELS

There are two forms of exorcisms:

- 1) The solemn and public exorcism made by the priest with the Bishop's consent.
- 2) The private exorcism that all the faithful ones can make with results, made it alone or in community, in the church or outside of her.

This is advisable:

- a) When Demon's action is felt more intense (blasphemy temptations, of impurity, of hate, of desperation, etc.);
- b) In the families (discords, epidemics, etc.);
- c) In the public life (immorality, blasphemy, profanation of the feasts, scandals, etc.);
- d) In the relationships among peoples (wars, etc.);
- e) In the persecutions against clergy and Church
- f) In the illnesses, storms, invasions of noxious animals, etc.

In the name of the Father and of the Son and of the Holy Spirit

Supplication to Saint Michael the Archangel.

Most glorious Prince of the Heavenly Armies, Saint Michael the Archangel, defend us in "our battle
 against principalities and powers, against the rulers of this world of darkness, against the spirits of
 wickedness in the high places" (Eph., 6,12). Come to the assistance of men whom God has created to His
 likeness and whom He has redeemed at a great price from the tyranny of the devil.

Holy Church venerates thee as her guardian and protector; to thee, the Lord has entrusted the souls of the redeemed to be led into heaven. Pray therefore the God of Peace to crush Satan beneath our feet, that he may no longer retain men captive and do injury to the Church. Offer our prayers to the Most High, that without delay they may draw His mercy down upon us; take hold of "the dragon, the old serpent, which is the devil and Satan", bind him and cast him into the bottomless pit .

Exorcism.

In the Name of Jesus Christ, our God and Lord, strengthened by the intercession of the Immaculate Virgin Mary, Mother of God, of Blessed Michael the Archangel, of the Blessed Saint Joseph, bridegroom of Virgin Mary, of the Blessed Apostles Peter and Paul and all the Saints, we confidently undertake to repulse the attacks and deceits of the devil.

Psalm 67 (it is recited standing)

God arises; His enemies are scattered and those who hate Him flee before Him. As smoke is driven away, so are they driven; as wax melts before the fire, so the wicked perish at the presence of God.

V - Behold the Cross of the Lord, flee bands of enemies.

R - The Lion of the tribe of Juda, the offspring of David, hath conquered.

V - May Thy mercy, Lord, descend upon us.

R - As great as our hope in Thee.

We drive you from us, whoever you may be, unclean spirits, all satanic powers, all infernal invaders, all wicked legions, assemblies and sects. In the Name and by the power of Our Lord Jesus † Christ, may you be snatched away and driven from the Church of God and from the souls made to the image and likeness of God and redeemed by the Precious Blood of the Divine Lamb†.

Most cunning serpent, you shall no more dare to deceive the human race, persecute the Church, torment God's elect and sift them as wheat. † The Most High God commands you, † He with whom, in your great insolence, you still claim to be equal. "God who wants all men to be saved and to come to the knowledge of the truth" (I Tim. 2,4). God the Father commands you. † God the Son commands you. † God the Holy Spirit commands you. † Christ, God's Word made flesh, commands you; † He who to save our race outdone through your envy, "humbled Himself, becoming obedient even unto death" (Phil.2,8); He who has built His Church on the firm rock and declared that the gates of hell shall not prevail against Her, because He will dwell with Her "all days even to the end of the world" (Mt. 28,20). The sacred Sign of the Cross commands you; † as does also the power of the mysteries of the Christian Faith. † The glorious Mother of God, the Virgin Mary, commands you; † she who by her humility and from the first moment of her Immaculate Conception crushed your proud head. The faith of the holy Apostles Peter and Paul, and of the other Apostles commands you. † The blood of the Martyrs and the pious intercession of all the Saints command you. †

Thus, cursed dragon, and you, diabolical legions, we adjure you by the living God, † by the true God, † by the holy God, † by the God "who so loved the world that He gave up His only Son, that every soul believing in Him might not perish but have life everlasting" (Jn 3, 16); stop deceiving human creatures and pouring out to them the poison of everlasting damnation; stop harming the Church and hindering her liberty. Be gone, Satan, inventor and master of all deceit, enemy of man's salvation. Give place to Christ in Whom you have found none of your works; give place to the One, Holy, Catholic and Apostolic Church acquired by Christ at the price of His Blood. Stoop beneath the all-powerful Hand of God; tremble and flee when we invoke the Holy and terrible Name of Jesus, this Name which causes hell to tremble, this Name to which the Virtues, Powers and Dominations of heaven are humbly submissive, this Name which the Cherubim and Seraphim praise unceasingly repeating: Holy, Holy, Holy is the Lord, the God of Hosts.

V -. O Lord, hear my prayer.

Let us pray.

God of heaven, God of earth, God of Angels, God of Archangels, God of Patriarchs, God of Prophets, God of Apostles, God of Martyrs, God of Confessors, God of Virgins, God who has power to give life after death and rest after work: because there is no other God than Thee and there can be no other, for Thou art the Creator of all things, visible and invisible, of Whose reign there shall be no end, we humbly prostrate ourselves before Thy glorious Majesty and we beseech Thee to deliver us by Thy power from all the tyranny of the infernal spirits, from their snares, their lies and their furious wickedness. BE CAREFUL TO THE REST IN THE SPIRIT

According with a notable studious **the called "rest in the spirit" is not in fact a charisma.** Above all it is not in the list of the Charismas of the Holy Spirit (1 Cor 12,7 and following), moreover the Charismas are given for the common good.

Who sleeps serves alone to it! **"Veil and pray for not falling in temptation! "** (Mt 26, 41)

Therefore Jesus has not invited us to be rested in the Spirit! "

In numerous exorcisms, such people, dewed in Jesus' name with blessed water, they woke up of the "rest in the spirit of Satan." (See: A. Muscio, *Così, Il Segno n. 1, 1997, pp. 19-21*)

They are frequent the cases in those which the demons at the beginning resist to the blessed water and they make smiling to their victims (to deceive the exorcist). But then, not resisting more, they are manifested with howls and blasphemies! Be attentive therefore to certain phenomena in which the Holy Spirit doesn't is present. (*For other ambiguous aspects and controversies of charismatic groups see book of Don Giorgio Maffei Priest: The Charismatic sect, (La Setta Carismatica), pro manuscripto, Ferrara 1994. The author is rector of the Certosa de Ferrara.*)

It is also diffused the false opinion that the malefic evil (evil one-evil) is hereditary and that it is possible to suffer the effect of curses that are prolonged for more generations and it is appealed, to eliminate this, to the Mass of cure of the genealogical tree. This maybe because of the book « Until the Roots » (written by a Protestant!) to the one that unites the book *The Cure of the Genealogical Tree* written by Father Robert De Grandis.

As experience it makes an appointment the biblical passage according to which God conserves His Grace for thousands of generations, but He punishes the children and their children for the sin of the fathers to the third and fourth generation" (Exodus 34, 7). In fact it is a mistaken interpretation, because such a passage wants only to put in clear as much as it is big the Mercy of God (for thousands of generations) in comparison to His punitive Justice (for three or four generations).

Point is that in other biblical texts it is this clearly that each one responds for the own sins. " The person that sins will die " (Ez 18, 4): The prophet Ezekiel affirms the person that sins will be punished, not his descendant. And the same Lord adds in a clear way... "The son will not share the guilt of the father, nor will the father share the guilt of the son" (Ez 18, 20).

Same Jesus insists on this point: "... the man's Son will reward each person according to what he has done"(Mt 16, 27); illusions are not made: each one will pick up what will have sowed " (Gal 6, 7).

For this reasons the malefic evil don't have anything to do with the genealogical tree.

THE POPE PAUL VI SPEECH ABOUT DEMON

GENERAL AUDIENCE, Wednesday, November 15, 1972

" Which are today the bigger necessities of the Church?

Don't astonish as simplistic, superstitious or unreal our answer: one of the biggest necessities is the defence against that evil that we call the Demon.

Before clarifying our thought we invite your to open your thought to the light of the faith on the visions of the human life, vision that extends vastly of this observatory and it penetrates in singular depths. And, truly, the picture of the creation that we are invited to contemplate with global realism is very beautiful. It is the picture of the creation, the work of God that same God, as external mirror of His wisdom and power, admired in their substantial beauty. (Cfr. Gen. 1, 10, etc.). Then it is very interesting the picture of the humanity's dramatic history of whose history emerges redemption, Christ, our salvation, with their stupendous treasures of revelations, prophecies, sanctity, high life at supernatural level, everlasting promises. (Cfr. Efes. 1, 10). Knowing how to look this picture you cannot remain not charmed (Cfr. S. AUG. Soliloqui): everything makes a sense, everything has an end, everything has an order, and everything allows to see a Presence-Transcendence, a Thought, a Life and finally a Love, so the Universe, for this reason what it is and is not, is presented to us like an enthusiastic and exciting preparation for something more beautiful and still more perfect (Cfr. 1 Cor. 2, 9; 13, 12; Rom. 8, 19-23). The Christian vision of the cosmos and of the life it is therefore triumphantly optimistic; and this vision justifies our happiness and our recognition of living celebrating the glory of God for the one which we sing our happiness (Cfr. Glory of the Mass).

THE BIBLICAL TEACHING

Is it this vision complete? Is it exact? Do we care deficiencies that are in the world?

Do we care dysfunctions of the things regarding our existence? Do we care pain, death? Do we care wickedness, cruelty, and sin, in a word the evil? And don't we see as much as bad there are in the world?

Especialy, as much as not well moral, is this simultaneously, although variously, against the man and against God? Is not maybe this a sad show, an inexplicable mystery?

And we are not, properly us worshiper of the Verb, the singers of the Good, us believers, those more sensitive, those more upset by the observation and for the experience of the evil?

We find it in the Kingdom of the nature, where so many manifestations seem us to denounce a disorder.

Then we find it in the human field, where we find the weakness, fragility, pain, death, and any thing worse; a double contrasting law, one that wanted the well, the other one in time directed to the wrong, torture that Saint Paul puts in humiliating evidence to demonstrate the necessity and the fortune of a saving grace, of the health, this is, brought by Christ. (Cfr. Rom. 7); the pagan poet had already denounced this interior conflict in the man's heart: *video meliora proboque, deteriora sequor* (OVIDIO, Met. 7, 19).

We find the sin, perversions of the human freedom and deep cause of the death, because it separates from God source of the life. (Rom. 5, 12), then at the same time opportunity and effect of an intervention in us and in our world, of a dark and enemy agent: the Demon.

The evil is not only a deficiency, but also efficiency, an alive, spiritual being, pervert and pervert. Terrible reality. Mysterious and fearful. It leaves from the picture of the biblical and ecclesiastical teaching which refuse of recognizing as existent, or who makes of itself a principle in it, not even having as each creature from God origin: or explains it as pseudo-reality, a conceptual and fantastic personification of the ignored causes of our misfortunes. The problem of the evil, seen in their complexity, and in their absurdity regarding our unilateral reasonable, it becomes obsessing. These constitute the strongest difficulty for our religious intelligence of the cosmos. Not for anything has suffered per years Saint Augustine: *Quaerebam unde malum, et non erat exitus*. (I looked for where the wrong came, and I didn't find explanation) (S. Aug. Confess. VII, 5, 7, 11, etc.; PL, 32, 736, 739).

Then there is here the importance that assumes the warning of the evil for our correct Christian conception of the world, life, and salvation. Before in the development of the evangelical history at the beginning of their public life: who doesn't remember the dense page of meanings of the triple temptation of Christ? Later in the so many evangelical episodes, in which the Demon crosses the steps of the Lord and does it figure in his teachings (e.g. Matth. 12, 43). And how not remembering that Christ, three times referring to the Demon, like to their opponent, does it describes him as "prince of this world"? (Io. 12, 31; 14, 30; 16, 11). And the incumbency of this disastrous presence is pointed out in many passages of the New Testament. Saint Paul calls it "god of this world" (2 Cor. 4, 4), and he puts us in warning about the fight in the darkness that we the Christian should sustain not with a single Demon, but with a fearful plurality of them: "Put on the full armor of God so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. (Eph. 6, 11-12). And that it is not a single Demon, but of many, diverse evangelical passages indicate it (Lk. 11, 21; Mc. 5, 9); but one is the main: Satan, that means the opponent, the enemy, and with him many, all creatures of God but fallen, because they have rebelled and convict (Cfr. DENZ. - SCH. 800-428); an entire mysterious world, wrapped by a unhappiest drama, of which we know very little.

THE HIDDEN ENEMY WHO SCATTERS ERRORS

Today we know many things of this diabolical world that concerns to our life and the whole human history. The Demon is in the origin of the first misfortune of the humanity; he was the tempting one deceiving and fatal of the first sin, the original sin (Gen. 3; Sab. 1, 24). From that Adam's fall the Demon acquired a certain domain on the man, of which only Christ's Redemption could liberate us. It is history that still lasts: let us remember the exorcisms of the baptism and the frequent references of the sacred Writing and of the liturgy to the aggressive and oppressive emporium of the darkness" (Cfr. Lkc. 22, 53; Col. 1,13).

He is the enemy number one, the tempting one per excellence. We know this dark Being and agitator really exists, and with prodigious cunning is still acting; he is the hidden enemy that scatters errors and misfortunes in the human history. It is of remembering the developing evangelical parables of the good grain and of the weed, synthesis and explanations of the illogical one that it seems precede to our contrasting vicissitudes: inimicus homo hoc fecit (Mt. 13, 28). He is from the beginning the homicide... and father of the lie", as Christ defines him (Cfr. Io. 8, 44-45); he is the sophisticated deceiver of the man's moral balance. He is the perfidious and astute charming that knows to be insinuated in us, through our senses, fantasies, concupiscence, utopian logic, or of having disordered social contacts in the game of our acts, to introduce us deviations, another somewhat noxious as for the appearances according to our physical or psychic structures, or to our instincts, deep aspirations. Would be this, about the Demon and their influence that he can exerts on particular people, communities, entire societies, or events, a very important chapter of the Catholic doctrine to be re-studied, because today it is little. Someone think of finding an enough comprehension in the psychoanalytical and psychiatric studies or in spiritualist experiences, today unfortunately so diffused in some countries.

It is feared of relapsing in old Manicheans theories, or in fearful fantastic and superstitious wandering. Today it is preferred to be shown strong and without prejudiced, to light up to the positivists, without prejudice after granting faith to so many gratuitous magic or popular superstitious ideas, or worse to open the own soul - the own baptized soul, visited so many times for the eucharistic presence and inhabited by the Holy Spirit! - To the licentious experiences of the senses, to murderous narcotics, as still to the ideological seductions in the fashion errors, fissures these through which the Devil easily can penetrate and to alter the human mentality. It is not said that every sin is directly due to diabolical action (Cfr. S. TH. 1, 104, 3); but it is truth that who doesn't watch over with certain moral rigor (Cfr. Mt. 12, 45; Eph. 6, 11) is exposed to the influence of the mysterium iniquitatis, to which Saint Paul refers (2 Tesal. 2, 3-12), and that makes problematic the alternative of your salvation. Our doctrine becomes uncertain, darkened for the same darkness that surrounds the Demon. But our curiosity, excited by the certainty of his multiple existences, becomes legitimate with two questions. Are there signs, and which, of the presence of the diabolical action? And, which are defence means against so insidious danger?

PRESENCE OF THE ACTION OF THE DEVIL

The answer to the first question imposes a lot of caution, still if the signs of the Devil seem sometimes evident farces (Cfr. TERTULL. Apol. 23). We will be able to suppose their sinister action there where the negation of God becomes radical, subtle and absurd, where the lie is affirmed hypocrite and potent, against the evident truth, where the love is replaced for a cold and cruel selfishness, where Christ's name is said with conscious and rebellious hate, (Cfr. 1 Cor. 16, 22; 12, 3), where the spirit of the Gospel is mystified and denied, where the desperation is affirmed as the last word, etc. But is too wide and difficult diagnostic that we don't dare now to deepen and to authenticate, however not private for all because of its dramatic interest, to which the modern literature has also dedicated famous pages. Cfr. ad es. le opere di Bernanos, studiate da CH. MOELLER, Littér. du XXe siècle, I, p. 397 ss.; P. MACCHI, The face of Evil in Bernanos (Il volto del male in Bernanos); cfr. Satan, Etudes Carmélitaines, Desclée de Br. 1948). The Evil's problem remains the more big and permanent problems for the human spirit, still after the victorious answer that gives Jesus the Christ. " We know, writes saint John the Evangelist, that we are children of God, and that the whole world is under the control of the evil one" (1 Io. 5, 19).

THE CHRISTIAN'S DEFENCE

To the other question: which defence, which remedy to oppose to the Demon's action? Is the answer easy to be formulated, still if it seems difficult to be made. We will be able to say: all that defends us of the sin protect us from the invisible enemy. The grace is the decisive defence. The innocence assumes an aspect of strength. And then each one remembers as much as the apostolic pedagogy has symbolized in the armour of a soldier the virtues that can make to the Christian invulnerable (Cfr. Rom. 13, 12; Ef. 6, 11, 14, 17; 1 teas. 5; 8). The Christian have to be militant, vigilant and strong (1 Ped. 5, 8); and it should sometimes travel to any special ascetic exercise to move away certain diabolical incursions; Jesus teaches it indicating the remedy in "the prayer and fasting" (Marc. 9, 29). And the Apostle suggests the Master line: "Do not be overcome by evil, but overcome evil with good" (Rom. 12, 21; Mt. 13, 29).

For that reason with the knowledge of the present setbacks in those which today the souls, Church, and the world are, we will look for giving sense and effectiveness to the habitual invocation of our main prayer: " Our father... deliver us from evil! ".

With all this also arrives our Apostolic Blessing

Paulus PP. VI - Giovanni Battista Montini (21.VI.1963 - 6.VIII.1978)

BLESSINGS

The following Blessings are extracted from the ROMAN CATHOLIC RITUAL and they can be made only by a Priest wearing a surplice and a violet stole:

To the sign † the Sign of the Cross is made on what is blessed.

HOLY WATER 1°

SALT - Almighty and Everlasting God, we humbly beg of Your measureless Mercy to bless † this salt that You have made and given mankind to use. Sanctify † it in Your loving Kindness, so that all who partake of it may receive health of both mind and body. Grant that whatever is touched or sprinkled by it may be preserved from uncleanness, and from every assault of the wicked foe.

WATER - O God, for the salvation of mankind You have built Your greatest sacraments on this substance of water. Give a kindly hearing to our prayers, and pour out the power of Your blessing on this element, now prepared for our many kinds of purifications. Grant that this, Your creature, may receive power by divine grace, in serving Your mysteries, to drive away evil spirits, and dispel diseases. Grant that everything in the homes or other buildings of the faithful that is sprinkled with this water may be freed of all uncleanness, and be freed from harm. Let no harmful spirit abide here, nor breath of corruption approach, and may all the snares of our hidden enemy vanish. If there be anything which threatens either the health or the peace of those living there, may the sprinkling of this water put it to flight. Grant that the well-being sought by calling on Your holy name may be defended from all attacks. Amen.

Put the salt in the water in cross form saying a single time

The mixture of the salt and water it is blessed in the Name of the Fa † ther, of the Son † and of the Holy † Saint. Amen.

Let us pray.

O God, You are the origin of unshakable power, the King of an unconquerable dynasty, and a ruler ever magnificent in triumphs. It is You that hold in check the forces of the hostile power, You that vanquish the rage of the roaring foe, You that scatter far and wide the snares of the enemy. Trembling and bowing before You, we ask of You and we beg, O Lord, that You behold with favor this mixture of salt and water, to regard it with kindness, and to bless it with the breath of Your tireless love. Grant that wherever it is sprinkled at the invocation of Your holy name, the attacks of the unclean spirit may be banished, and the fear of the fatal serpent be kept far away. Let the presence of the Holy Spirit within us, who humbly implore Your mercy, be everywhere granted, through our Lord Jesus Christ, Your Son, who lives and is King and God with You in the unity of the Holy Spirit for ever and ever.

PRAYER OF THE PRIEST

" Oh my Father...

as much as time has left that happens...

before I realized as much as you love me

and as much as you honour me to Your Gloria.

Nevertheless my sins You give me honour, glory and respect

because I have the Consecrated hands.

But Father... these hands have sometimes not made what they should make

And also I am sinful as all.

Nevertheless, Your Love is excessive and for me undeserved.

Yes Father...

it was worthwhile of suffering for You

it was worthwhile offer itself for You

it was worthwhile of being sacrificed for the world

because nevertheless my miseries, You love me and you forgive me...

and you defend me before everybody.

Amen "
