

SEPTEMBER 11 2001 - SEPTEMBER 11 2007 TRAGIC ANNIVERSARY

Letter of Conchiglia

Prot. 07.92 - 11.09.07

**JESUS... ON AUGUST 2ND 2000 AND ON SEPTEMBER 22 2000
ONE YEAR BEFORE THE DESTRUCTION OF THE TWIN TOWERS
HAS GIVEN TO CONCHIGLIA THESE REVELATIONS FOR THE WORLD.
THE REFERENCE WAS TO THE TRAGIC EVENT AND THE THOUSANDS OF DEATHS.
SEPTEMBER 11 2001 - NEW YORK**

Dear brothers and sisters,

Today is the reoccurrence of a tragic and sorrowful Anniversary, the destruction of the Twin towers of New York, and of the thousands of deaths of September 11 2001.

Why can Humanity not be warned, by who God has chosen, of that which is about to happen in the world? Why can Humanity not be helped to convert themselves and to return to God? Why does the Holy Church, in Her own Bishops, refuse the Prophets who God has chosen and has sent into the world?

Dear brothers and sisters,

Many, too many are the voices, the images and the screeching and blasphemous literature in the world, while...

TO CONCHIGLIA... WHO SPEAKS OF GOD AND OF THE MYSTERIES THAT GOD HAS CHOSEN TO REVEAL FOR THIS OTHER « FULFILMENT OF TIME »... THEY HAVE IMPOSED TO BE SILENT.

WHY?

THESE WORDS ARE TO BE MEDITATED ON...

“ ... The already lost world will see enormous calamities
but your offerings of love will limit the times and the destructions.
Now no one can stop the hand of the FATHER
But My infinite Mercy will shorten the sufferance in this piece of life.

**IN SEPTEMBER ALL WILL HAPPEN AND MANY OF YOU WILL PERISH
THE DEAD THAT YOU WILL SEE EVERYWHERE WILL MAKE YOU REMEMBER OF
YOUR ERRORS.”**

Taken from: « The Revelation » given to Conchiglia: BENTORNATO MIO SIGNORE, Jesus - August 02 2000 - II vol. pag. 53

“... Yes Conchiglia...
write again... **IN SEPTEMBER ALL WILL HAPPEN
BUT IN THE MINDS OF THE POWERFUL MEN
WHO HAVE ALREADY DECIDED EVERYTHING,
THEY HAVE DECIDED WHO WILL SUCCUMB
AND THEY HAVE DECIDED WHO WILL WIN.**

This will be a cause for wars
that you will then see lighted here and there.
They have been ignited for a long time to shake people who are tired... of waiting.
Waiting for something to happen... so in that way... it's not possible come forward.
**THE DECISIONS THAT THEY HAVE ALREADY MADE AND THAT OTHERS WILL MAKE
WILL DAMAGE ALL OF THE WORLD
YOU WILL SEE WHAT WILL HAPPEN AND YOU WILL SEE A LOT OF DEATHS!”**

Taken from: « The Revelation » given to Conchiglia: BENTORNATO MIO SIGNORE, Jesus - Sept. 22 2000 - II vol. pag. 133

A dear friend, Dario M. who recently has been to Dozulé to pray for Conchiglia, for the Movement of Love Saint Juan Diego and for you also, has sent me this precious **video**.
Sometimes it is necessary to raise one's voice in order to be listened to... sometimes it is necessary to show that which happens... sometimes it is necessary to meditate on some facts, of which many of us, are responsible in front of God.

This is the text of the video:

JANE CLAYSON OF THE AMERICAN TELEVISION, HAS INTERVIEWED A GIRL, WHO REMAINED ORPHAN DUE TO THE TRAGEDY OF THE TWIN TOWERS :

Question: How could God permit that such a tragedy could happen?

Answer: I believe that God is very sad for this, just as we are, but for years we have told Him to go away from our schools, to leave our government, to go away from our lives.

Being that Gentleman that He is, I believe that calmly He has put Himself aside. How can we hope to see that God everyday gives us His blessing and His protection if we say to Him: “ leave us alone ”?

Considering the latest events, terrorist attacks in the schools... etc. I think that everything started 15 years ago, when Madeline Murray O'Hare had obtained that it was no longer consented to pray in our American schools and we said OK.

Then someone said: “ it is best not to read the Bible in the schools ” (the same Bible which tells: You do not kill, You do not steal, love your brethren as you love yourself)... and we said OK. Then, Dr. Benjamin Spock had said to us that we should not spank our children if they badly behave because their personality is deviated and we could damage their auto-ego, and we said “an expert knows what he is talking about”... and we said OK.

Then, someone said it will be opportune that the Teachers and the Principals do not punish our children when they badly behave... and we said OK.

Then some politicians have said: “It does not matter what we do in private just as long as we do our work” and agreeing with them... we said OK.

Then someone said: “the Holy Crib should not offend the minorities”, and so in the most famous wax museum of “Madame Tussauds” of London, in place of Mary and Joseph they have put the « Spice Girl » Victoria Adams and her husband the football player David Beckham... and we said OK.

And then someone had said: “Let’s publish magazines with photographs of naked ladies and let’s call all of this « a healthy appreciation of the beauty of the woman’s body »”... and we said OK.

Now we ask ourselves how come our children do not have a conscience and do not distinguish that which is right from that which is wrong.

Probably, if we think hard enough... WE HARVEST WHAT WE SEW.

* * *

Funny... how it’s so easy, for the people, to through God in the trash and wonder why the world is going to hell.

Funny... how we believe in that which the newspapers write, but we contest that which is written in the Bible.

Funny... how we all want to go to Paradise, but in the same time we do not to believe... to think... nor do nothing of that which is written in the Bible.

Funny... how we send thousands of jokes by e-mail, which spread, but when we send messages that regard the Lord, people think twice before sending them.

Funny... how everything that is indecent, scabrous vulgar and obscene freely circulates in the cyberspace, while the discussions published of God are suppressed in the schools and in the workplace.

Funny... as at Christmas, in the schools, the recital for the parents can no longer be the Nativity and in its place a fable of Walt Disney is proposed.

Funny... how we stay at home from work for a religious holidays... but we do not know what is the reoccurrence.

Funny... how someone can get so exited for Christ on Sunday, while he is in fact, an invisible Christian during the rest of the week.

Funny... how I can be more worried of what the people think of me rather than what God thinks of me.

Funny... when you send this message you do not give a copy to many of those who are in your address book because you are not sure of their believes or what they will think of you for having sent it.

LET'S PRAY FOR THE DEAD VICTIMS OF THE TRAGEDY OF SEPTEMBER 11 2001

*O Father... bless all of the dead children in those days and in those nights
O Mother... lovingly accept their souls and present them to the Father
O all You Angels... accept with praising hymns the new martyrs of yesterday and of today
and you mother Earth... accept their mortal remains
and preserve them for the « Great Day » that Jesus has promised
because on the Last Day... He will give them a body in Glory.
O all flowers and trees... ornate the earth that accepts those bodies
and do so... that a flowered and shaded garden
be a joy at least to the eyes...
those eyes which sadly look at the perpetrated slaughter of their dear ones.
O rain... wet my earth so that those flowers will never wither
O wind... move the leaves of the trees
so that their rustling will be music for all those dead people.
O sun... illuminate the Earth
so that who has remained in life well look at what has been done...
he has destroyed human lives precious to Jesus...
appropriating a right that belongs only to God the Father.
Amen.*

Dear brothers and sisters,
a lot needs to be meditated upon, the evil which has happened, that which happens and that which will happen.
Tomorrow, maybe, we may find ourselves in the same situation... and this in any place in the world.
More than ever, it is necessary to thoroughly study the Word of God, to convert ourselves and to put into practice the Holy Commandments, because today, with the Holy Gospel and with the means at our disposition, no one can or could say... I did not know.
God will ask every one of us what we have done with our talents, with the gifts, that He has given to us and how and if... we have made them fructify.

God bless you
and Holy Mary, Our Lady of Guadalupe protects you
in the Name of the Father
of the Mother
of the Son
and of the Holy Spirit.
Amen.

Conchiglia
