THE TRIUMPH OF THE IMMACULATED HEART OF MARY
MEANS TO RECOGNIZE THAT HOLY MARY IS DIVINE

THE SIGN OF THE CROSS INCLUDES HOLY MARY

In the Name of the Father... of the Mother... of the Son and the Holy Spirit

Open Letter of Conchiglia to Pope Benedict XVI

Prot. 08.150 - 15.08.08

Solemnity of Holy Mary's Assumption
August the 15th 2008

Dear Pope Benedict XVI

My conscience forces me morally to execute the command that the Holy Trinity has trusted me and for this reason for Will of God I write You.

After having seen Jesus in Marotta of Fano, Pesaro-Urbino (Italy), in 1986, after my "yes" to God, pronounced in the Holy House of Loreto, the Project of God has been irradiated and it has shown to the Humanity through me, Conchiglia.

It was April the 7th 2000, Year of the Sacred Jubilee, first Friday of the month dedicated to the Sacred Heart of Jesus, when through interior locutions, The Holy Trinity has been presented to me and has given me **a new name: Conchiglia**. [It translates "Sea Shell "]

When God change the name according with biblical tradition, it turns out to be like an investiture by which the one who was chosen it is constituted in founder of an institution of divine origin, dedicated to be perpetuated in the history elevating it to cooperation in the history of the salvation of the multitudes.

God in the time has established Projects for each time.

« The Revelation » given to Conchiglia, represents the Holy Trinity in the Celestial, Mystic and Cosmic Fullness. Every time that God has manifested His Love for His human creature He has used a chosen person among all. Also today God behaves in the same way.

It was only necessary to expect this other fullness of the times.

As you know Holiness, the « conchiglia » (SEA SHELL), it refers above all to a famous legend that concerns Saint Augustine. It counts the story that while Augustine was walking on the beach, thinking in the mystery of the Trinity, he found a boy that had made a hole in the sand and with a shell he filled the hole with seawater. Seeing this, San Augustine stopped and he asked to the boy why he was making that, then the small one told him that he tried to empty all the water of the sea in the hole in the sand. When listening to it, Saint Augustine told to the boy that it was impossible, then the boy responded: *if that was impossible to make, more impossible was to solve the mystery of the Holy Trinity*. You have inserted it in Your Papal Coat of Arms the « Shell » (in Italian conchiglia) and the seashell of the pilgrim, it also makes reference to a concept of the Council Vatican II, that is to say the Pilgrim People of God, of which you Holiness, Pope Benedict XVI, recognize be the Shepherd.

From the Beginning of Time, the Holy Trinity has selected me, has selected « the woman » who has the task of giving « THE REVELATION » to humanity as a gift. The Holy Trinity has given me a new and mysterious name: **Conchiglia** (the Seashell).

« Conchiglia » is not just any name. It is Image, Sound and Mystery all in one.

Conchiglia, through the Will of the Holy Trinity, herself becomes a Source of fresh Water, the Word of God and the Dispensing Force of the Life of the Creative Spirit.

The Father is « *con chi gli ha* » (WITH-WHOM-TO HIM-HAS) wholly given.

The Son is « *con chi gli ha* » (WITH-WHOM-TO HIM-HAS) believed in and followed.

The Holy Spirit is « *con chi gli ha* » (WITH-WHOM-TO HIM-HAS) who, when the doors of the heart are open, can invade it and take loving possession of it.

It is « *con chi gli ha* » (WITH WHO HAS) given the own total readiness,

« *con chi gli ha* » (WITH WHO HAS) allowed of being expressed in way of not being misunderstanding for the know-all but understood by simple and humble creatures of heart.

By God's Will, I have founded the Movimento d'Amore San Juan Diego (SAINT JUAN DIEGO MOVEMENT OF LOVE) dedicated to Holy Mary Our Lady of Guadalupe appeared to San Juan Diego, December 9 - 12, 1531 in Tenochtitlan, current Mexico City, on October 24 2001 and registered officially in Vicenza, Italy, on August 27, 2003, *27 Saint Monica's holiday, the mother of Saint Augustine.* (Ufficio Registro Vicenza, Italy, n. 2426 - 5.09.2003)

Holiness,

Mary, The Mother of God, has been presented appearing on the Hill of the Tepeyac in Mexico City to Juan Diego, since he represented a very needy people of Love and Forgiveness. It was an idolatrous and homicidal people which however has welcomed the Mother that is MOTHER AND LADY OF ALL PEOPLE.

Mary's Tilma is a beautiful cosmic and theological map that the old ones understood well.

Mary is Lady and Queen of the Earth and of the Universe, as Jesus God and King of the Earth and of the Universe. The Mexican people is very bundle to the traditions and the natural things and the «seashell» for them represents an important symbol to communicate since antiquity, as the sound of seashell was used to call tribes in many occasions and in its parties also. The seashell is an object guarded with love because through her, the word « made sound » spreads where it is necessary.

I WRITE WHAT THE « SOUND » DOESN'T TAKE PLACE SINCE IT IS A DIVINE SOUND PERCEPTIBLE TO THE HUMAN MATTER THAT IS THE MAN.

The Holy Trinity is Love of Father, Love of Son and Love of Holy Spirit.

Their Love « IS »

THE « IS » it is the Essence, it is the Presence, it is the Substance-not substance.

THE « IS » it is Sound-no sound that surrounds you because it is next to you in each place but you don't hear it since it is Sound non audible to the absent-minded ones, to those accelerated, to those that enjoy the life.

Few are the creatures that are able to be isolated completely in God and only these hear the Sound that as I've already said, it is « Sound that is not ».

Holiness, God has left me in hands of the Holy Church and I humbly, introduce myself to You for the argument of which I will try. The task that God has given me is for me an unheard difficulty, since God use my ignorance, misery and human shortage to demonstrate to Holy Church The Revelation is from Him, as the Movimento d'Amore San Juan Diego as well and the work that it will extend at world level in each sphere is from Him as well.

GOD HAS GIVEN ME THE TASK OF GLORIFYING MARY SINCE THIS IS THE FULLNESS OF THE TIMES BY GOD CHOSEN TO REVEAL HUMANITY THE TRUTH ABOUT MARY, THE MOTHER OF GOD, THE IMMACULATE CONCEPTION.

To speak about Mary's Glory is argument delicate and serious, with heavy and important Cosmic meanings.

For love to the Father and the Mother, in this day of the Solemnity of Mary's Assumption, the Mother of God to Heaven, before God and before men I repeat the offer given to God to offer my life for your life Holiness, so that you can carry out Your command and to promulgate what God has request about Mary's Dogma that is to say the Mary Co-Redeemer of the World Dogma.

This Dogma has been requested by Jesus.

« THE REVELATION » that until today's I receive, it is published in twelve volumes in the collection given the name « BENTORNATO MIO SIGNORE » (WELCOME BACK, MY LORD).

In « THE REVELATION », it is specified the Holy Trinity is composed by Three different People: Father, Son and Holy Spirit and Mary comes within the Holy Trinity not as another Person, but as the feminine Part of God the Father because Himself, He is Father and Mother.

This concept is sustained according to my knowledge by your predecessors Pope John Paul I, Pope John Paul II, by you as well dear Pope Benedict the XVI, besides by Saint Louis-Marie Grignion of Montfort, by Saint Maximilian Maria Kolbe and by the Priest Don Guido Bortoluzzi.

The new Church will be the light of the world because she will always be the Bride of God, One, Holy, Catholic and Roman Apostolic.

The new Church will be the crown put it on the Head of God by Mary to give Him honour and Glory.

The « Treatise on Mary's Divinity », it is an invitation to reflect and get through examination to comprehend a Theology in evolution, because the man in these times is in a spiritual evolution period. This time is mature to understand « THE REVELATION » given to Conchiglia which precedes the Imminent Return in Glory of our Lord Jesus Christ.

**THE CONTENT OF THE « TREATISE ON MARY'S DIVINITY »
IT IS SUBJECT THE OPINION OF THE HOLY CATHOLIC CHURCH.**

THEOTOKOS

MARY MOTHER OF GOD

* CHAPTER 1

Holiness,

before writing these words I have invoked the Holy Spirit, Third Person of the Holy Trinity. The things of the Spirit can only be known if one lives in the Spirit.

The Holy Spirit is an impetuous force that overtakes the love's measure and it allows to who possesses it overcoming natural barriers.

Jesus has said: *If you have faith as a grain of mustard seed, you could move the mountains.*

It is for this reason that the old Prophets executed marvels because their Faith in God.

The Holy Spirit comes down over who invokes him with ductile love, being commended and trusting completely. He can't work where His magnificence is limited. The Holy Spirit is Vicar of the Father and of the Son, even being God. He works with force and power where the Father and the Son coincide.

The « Mother » is Bride of the eternal « Father »: Pope Pius XII defined it in the Apostolic Constitution « Munificentissimus Deus » (1950): « Oportebat Sponsam, quam Pater desponsaverat in thalamis caelestibus habitare ».

Even Pope Pius IX in the Apostolic Bull "Ineffabilis Deus " (1854) defining the Immaculate Conception's Dogma, he affirms that Jesus is Son of the eternal Father and Holy Mary, implicitly affirming the nuptial character of Mary's relationship with the Father:

« ... venerabilis Mater, qui Deus Pater, unicum Filium suum, quem de corde suo aequalem sibi genitum tanquam seipsum diligit, ita dare disposuit, ut naturaliter esse unus idemque communis Dei Patris et Virginis Filius ».

The Holy Spirit descended over Mary and the Apostles, over Mary and the nascent Church around Her. The Church is made since origin of Mary and the Apostles.

GOD HAS WANTED THIS. WHERE MARY IS... THE HOLY SPIRIT COMES DOWN.

And if today the Church doesn't have more the Holy Spirit it is because has eliminated Mary from the heart.

In a more and more committed and chaotic society, how to defend the Catholic Church from who does move it away from the True Road that leads to God?

Only who possesses the Wisdom, can lead people on the Road that leads to God.

Only who possesses the Wisdom, recognizes the useful moment to speak or to remain silent.

Only who possesses Love, can use charity until the extreme moment of the death.

Only who possesses God, will be able to live in the New Renovated Earth that it is the Kingdom of Heaven on the Earth. Only who is pure of heart, will recognize God in His Essence.

Only who has dignity, will be able to bend the head under the weight of pain, humiliations and injustices without never to insist and to judge. Only who has the knowledge of the « time-not time » will be able to understand each act that completes who is immolated for God.

Only who has the approved patience, will increase virtue by virtue. Only who has the True and concrete Faith in Jesus, in His name, will be saved. Only who has hope in a better world will be able to forgive the enemy, because only forgiving enemy will get pardon from God.

The man of God is recognized by these described things, and it is also recognized by the expressions, acts that completes, words that pronounces, innocent looks, in the way of behave.

The man of God, besides possessing God will possess the Earth like in the Origin and it will respect it curing it and loving it and he will thank to God for the fruits that are always Gifts of God. God only donates to whom with love and respect will know how to use received « gifts ». Only who has courage of cutting unions of noxious friendships definitively, it will be stronger to combat temptations that Satan puts on the road, using bad friendships exactly to reach man and to suppress him. Only who will honour the Father and the Mother of Heaven, because God is Father and Mother and He should be put in the first place at all in the stairway of the values of love, will be able to respect all and with the help of God to strengthen in Will, so that each painful test, it can be confronted with holy acceptance.

It is necessary to train us in the Wisdom because Jesus loves us as « Gods », he loves us with Him in the Kingdom of Heaven, but first it is necessary to give example and to teach to the world that the Kingdom of God is already on the Earth, for who makes all Imitating Jesus and Holy Mary, like the Holy Gospel teaches. Don't pay attention to the cockle that is to say to the children that are not of God but that they are the men's children, « children of Cain ». With them one has to use patience since they will live, will die and then they will extinguish leaving the Earth which by God's Will belongs to His true children, these children that Honour and Gloria will give Him forever and ever.

The time doesn't have time. The love doesn't have time. Only man in his reality, has a little time to become and to return God. Everything that has been said by true Prophets of God and by Holy Mary to children shepherds in Fatima, will be completed .

Heaven and Earth will pass but the Word of God won't pass. The sacrifices that are taken ahead, will give sacred fruits and the daily suffering will be water and payment to make grow fruits.

THE MOVIMENTO D'AMORE SAN JUAN DIEGO, IS NOT OF THIS WORLD,

IT IS A MOVEMENT OF HEARTS TURNED TOWARDS GOD. The Movimento d'Amore San Juan Diego it is made of healthy consciences that are not made corrupt of the world and they are leaded only for Jesus and Mary whom are the only Ones to be able to drive the Humanity spiritually because They are the Way, the Truth, and the Life. Jesus allows that the countless false voices and bad, create the confusion in the hearts that don't have the humility of accepting His Dispositions and Jesus reads in their depth thoughts, that neither they know.

The Movimento d'Amore San Juan Diego will resist its enemies? And who are the enemies?

Yes, the Movimento d'Amore San Juan Diego will resist its enemies because I repeat, it is not of this world. Their enemies are those that don't want to recognize Mary's Divinity.

Yesterday they didn't want to recognize Jesus Son of God.

Today they don't want to recognize Mary's Divinity.

They are always these men that seek to rise on God and they don't have the humility of accepting His Word, the Verb of God that is Eternal, that generation after generation intervenes to instruct the man in each period of spiritual growth. The Wisdom indicates the accurately when, how and where to act, to say or not to say and it is always prerogative of the Wisdom to recognize what is really good and to keep which is good makes happy and illuminates the heart that accept it. Every time that the man in his way has discovered new things has proven confusion. The confusion is caused by the unexpected surprise, confusion is like a sudden spark among being's darkness.

It is matter of an instant without time and space, then confusion leaves space to new thing and happiness of the surprise happens, of the new discovery of that truth that is perceived and make room and take shape in itself with weak force at the beginning, but later become impetuous. It is in that moment that the light invades the man and it returns him love and only and aware of his holy « **EGO** ».

Suddenly the man feels joined to God like never before, the sense of ownership is immediate and sublime and at the same time thanked by such a participation to so much grace.

The man feels and he is discovered different, new, as born-again to the life, thanks to the acquired light unworthily. It is relative consequence to feel inadequate and suddenly like outside of place.

He takes conscience of being in God and to have God inside. It is at the same time an stupendous and painful phase, since it won't be more the same thing to live like one has lived until that moment. The view of the world and of the life changes, the values are different unexpectedly, the will is happy in the submission of the Will of God and to become servants of Him means to be privileged. A new sensation is manifested and it is like if the heart and the mind have remembered in that instant and at the same time to open up, to welcome all that is possible to know of the things that are of God.

The man perceives sensibly of having found the « beautiful treasure » and the Truth lighten itself because it is God and His Word is Perfect and Luminous, as a pearl and « the Pearl » is born from the « Conchiglia ». (Sea Shell).

Holiness,

many have come closer to me Conchiglia like the Pharisee have come closer to Jesus, to give advice on what was better to make. And like it has been Humility and immense Love that Jesus to accept the presence of Judas next to Him, it has been this way for me, to accept « many Judas, included some Priests » that God has allowed to come closer, to test them, in their supposed but false honesty.

Hard is this my way, not very digestible these words, for who somehow has made me evil, but God has given me the task of Glorifying Mary and Satan doesn't support this since he is hate in essence, hates Mary.

They are enough this few Words to make meditate who has to understand, about the Holy Mary's necessary Presence in the Holy Catholic and Apostolic Church, given to Her in custody by Jesus Her Son.

THE VICTORY OF THE IMMACULATE HEART OF MARY IT CONSISTS ON RECOGNIZING THAT MARY IS DIVINE

Holiness,

I want to speak about Mary, the Mother of God.

One could tell to Mary: *We already Know everything about You. Just You that have always been hidden and in the silence, humble and modest, now do you wish that be spoken about You?*

Unfortunately because of the missed convictions of too many Priests, Bishops and Cardinals, it has not been made to love Mary as would have had to be.

The false humility is to lower the voice and head when on the other hand it is time to testifying.

Behold Holiness, I am here to testify the greatness of God in Mary.

THE NEW ANNUNCIATION

given to Conchiglia

THE SIGN OF THE CROSS INCLUDES MARY

In the Name of the Father . of the Mother . of the Son and of the Holy Spirit

* CHAPTER 2

*" They are charming words that go straight to the heart.
They are marvels described only by Me who know the true value that the Conchiglia represents.
The Life... is My Life and it exist through Me.
If I was not what I Am... nobody would be what is.
The Life thought by the Father has been created by Me when I still was not
but I was still before the World was and I was still before the existence of the Universe.
I am the Son who flowed by the Father He has created everything by work of the Holy Spirit
and the Mother existed still before I was in the dawning Thought of the Father.
I want you to worship the Holy Trinity without excluding My Mother
and the sign that you will do will be from now on...*

*IN THE NAME OF THE FATHER
OF THE MOTHER
OF THE SON
AND OF THE HOLY SPIRIT.*

*Their sign will be in the center of the chest because it is the heart that there is guarded
and **HER MOTHER OF THE WHOLE UNIVERSE'S HEART**
AT ONCE IT WILL TRIUMPH.*

Don't fear Conchiglia you will have many against you but We are with you and then who is like God?"

And still...

“ Children remember where the Mother is... Angels and Saints take her everywhere giving her Honour and Glory. Don't be shocked rather be happy of the privilege that I am about to give you. Thanks to her potent intercession pray with the heart in this way:

*« **GLORY BE TO THE FATHER... TO THE MOTHER... TO THE SON... AND TO THE HOLY SPIRIT** as it was in the beginning is now and ever shall be world without end. Amen ».*

Conchiglia be docile to Our each request. Don't be fear of writing these charming Words. Who loves the Mother won't be scandalized... Blessed and Holy Word of the Holy Trinity.”

Holiness,

Mary has been in the shade when she was in the world with Jesus, since this was the Desire of God. Before Jesus had to be well-known in all His splendour and only who was illuminated by God has also known Mary, but not for Her speaking or making, but for Her silence.

The silence is also consent but it is hour of saying to the world that Mary was not a humble and small privileged Creature only.

In Will of the Father and Thought and in His Great Project, « MARY » is the most wonderful Work made.

As baptized daughter of the Holy Catholic Church, I want to sustain you Holiness, and I take with love that trail veil and I walk behind the Church Bride of Jesus. Allow me of accompanying You, Holiness, in this Third Millennium that will make enjoy the Glory of God the Father, the Glory of God the Son and the Glory of Mary, Mother and Queen of the Church, since as the Father, the Mother is also entitled to the same Glory for Divine and unquestionable Justice.

From the Priests I have heard to say:

In the world Mary has lived, the Creature that has become Mother of God by the Holy Spirit. Mary all knew and therefore did. And She believed because She knew and kept everything in Her Heart because of everything She had been well educated and She knew each thing that would have happened.

No, the things are not this way.

Do allow me Holiness, what merits Mary would have had, if she had had all these facilitations as a Creature? It is true that she kept everything in Her Heart but only because She meditated all that happened Her and She didn't know the sense of it.

All that was presented was new for Her, from the Angel's Announcement and She even asked how had been possible Jesus' Incarnation because She was a virgin.

MARY HAS HAD EVERYTHING SINCE EVERYTHING OF HER SHE HAS GIVEN.

It is the pure Faith in God only and the complete confidence in Him that has given Her the force to going ahead until the last fulfilment of the events. Mary, day by day, saw, listened and meditated.

Mary saw Her Son Jesus to grow in age, Wisdom and Grace.

To grow, it means that Jesus also made day after day progresses, since Jesus is True God and also True Man and like a Man he had to advance as the other men, even in all His fullness and Wisdom of God that He already was. The merits are a beautiful thing to the Father's Eyes, but the merits don't consist in material things and/or personal ideas or less. The things that really belong to the man and that he can donate to God they are love, will and suffering. The suffering is a visible thing since it is as much in the body as in the spirit; the being is transformed by the suffering. But also the total confidence to the Father belongs to the man. The confidence that God wants from His creatures He can never seek it, it has to be gratuitous and confident. There is here the Fiat. The Fiat is to empty of the man's « EGO » and since the man empties of himself leaves the whole space to God and that point the creature remains creature.

MARY IS THE MOTHER OF GOD
MARY IS THE IMMACULATE CONCEPTION
IN MARY GOD IS
GOD IS IN MARY
THE HOLY SPIRIT IS IN MARY
THE SON IS IN MARY
THE HOLY TRINITY IS IN MARY
MARY IS IN THE HOLY TRINITY
MARY IS DIVINE.

Many important concepts concerning « Jesus Son of God, He God Himself »
and « Mary, Mother of God » are not thoroughly meditated and the Truth has not been understood.
Mary that's Her Name, the Father has chosen it, since that Name contains a secret

(referring to Italian meaning):

M means **Madre** (Mother)
A **Amore** (Love)
R **Raccogliere** (To Pick Up)
I **Inizio** (Beginning)
A **Andare** (To Go)

MARY IS:

the **Mother** of the world

who **IS** and gives **Love** and

picks up their misplaced children

to give a new **beginning** to the Life that it comes...

to go to the encounter of the Life promised by the Father.

Reference to The Revelation given to Conchiglia - December 28 2000 - Jesus - « Bentornato mio Signore »
(Welcome back my Lord) III volume p. 140 (Italian language)

A CIRCLE

A circle however is a wheel and both the word « amOre » (love) and « ruOta » (wheel)... they have to the center that circle that represents the beginning and the end of each principle, each logic and each thing. It has been said that Mary is the Wheel of God, indeed, without Mary nothing would have had re-Beginning and the Project of the Humanity's Redemption would have not taken place.

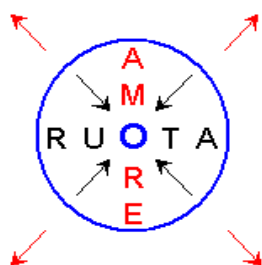

Also this it is a valid and important reason that the Wise and the Potent of the Church have to keep in mind, when they affirm that Mary, according to them, She cannot be included to the Trinity of Love. God is One in Three Persons and that doesn't discuss it, anyway, Mary the Mother of God is always inside the Holy Trinity that is to say first in the Father's Thought Who from the origin everything had settled down... and then in the Creation.

The word « love » represents the infinite since God is « Love » and God is Infinite and the Wheel that is Mary... it is inside God Who is Trinity. And there is here that inside the word « amOre » (love) the central letter « O » represents a circle without own segments as a « wedding ring » properly where you don't see the principle neither end and represents the Trinity of Love.

AmOre (Love) = Energy in expansion

RuOta (Wheel) = internal Energy

Without the internal energy produced by Mary who is the Wheel of God, there would have not had expansion of Love for the continuity of the Life.

AMORE = Energia in espansione

RUOTA = Energia interna

Senza l'Energia interna prodotta da Maria...
che è la Ruota di Dio
non ci sarebbe stata l'Espansione d'Amore per la continuità della Vita.

The ring, represents the love that unites the bride and bridegroom before God.

The « external part of the ring » represents the Infinite always in expansion.

The « interior part of the ring », that is the wheel, it is represented inside the love, inside the infinite therefore... **MARY IS INSIDE OF THE TRINITY.**

A TRIANGLE

A beautiful day God the Father has opened up and spread His arms and hands toward the planet Earth that it was going toward the final abyss.

With one hand He has given the Mother and with the other one has given His Son both guided by the Holy Spirit who has accompanied Them on the Earth.

Triangle of Love has been formed in that instant: God the Father on the top, to a side Mary and to the other side Jesus, and sealing the « whole » the Holy Spirit.

The Holy Spirit is like a funicular's cable to go through the way. Mary, through the Holy Spirit arrived to Anne and Joachim. Jesus, through the Holy Spirit arrived to Mary and through the Holy Spirit they returned to God the Father. The Holy Spirit is the Father's Blow on the World.

The Son Jesus is the Father made Man since Jesus has said: who see Me, see the Father; Mary is the Feminine Part of the Father that has allowed Jesus' Birth in the World. God from God, Light from Light, True God from True God. From His Essence, the Father has made Three Parts: Father, Son and Holy Spirit, but Mary is the Feminine Part of the Father and that's because She enters by right in the « New Sign of the Cross » that is to say:

in the Name of the Father
of the Mother
of the Son
and of the Holy Spirit

since God is together Father and Mother.

Holiness,

Mary is revealed slowly and she loves the Priests and the Church since she has engendered them first in spirit, so she loves you because Jesus loves you and which He loves Mary loves it as well, since their Hearts are United from the Thought engendered by God the Father about them.

Mary's Maternity is Maternity of God.

Mary's Presence is Presence of God.

Mary's Mercy is Mercy of God and only through Mary, the fated Humanity created by God it will find salvation. Mary expresses the Will of God for these Last Times.

Mary loves by « knowledge ». Knowledge? Yes, knowledge, since Mary everything knows, also your thoughts and hidden desires.

It is not maybe only God the Father, the Omniscient one?

God the Father has become Mary participant of His own Knowledge and Wisdom and right from the moment of Her Assumption and Glorification in Heaven, next to Him, there is not more difference of Knowledge among the Father and Mary.

LET WE MEDITATE TOGETHER THE HAIL MARY PRAYER.

« **Hail Mary full of grace the Lord is with you** » it means that the Angel's greeting has confirmed to the world Her incomparable state of Grace and since Mary is next to Her Lord, that is to say God the Father, WITH THE FATHER, MARY IS SHE WHO IS.

« **Blessed are You among women and Blessed is the Fruit of your womb, Jesus** » It means that God the Father, through the Angel's words has communicated to Mary and the world the equality between Her and Jesus: Holy Mary and Blessed the Fruit of Her womb that is to say Jesus.

« **Holy Mary... Mother of God** » it means that Mary was not only Woman and Mother like a woman and mother of the Earth, but « The Mother » of God incarnated in Her through the Holy Spirit. Therefore Mary is united to God in Flesh, Blood, Spirit and Will.

« **Pray for us sinners, now and in the hour of our death. Amen** » It means that in this request it is commended to Mary, like a Mother of all the children's of the Earth. Jesus from the Cross told to John:

« *This is your Mother* », and to Mary he has said: « *Mother, this is your son* ».

It is commended to Mary so that Her intercession toward the Father, saves us our Soul on the verge of dying, besides to sustain us during the life.

* CHAPTER 3

Holiness, allows me,

according to you, which is the most beautiful and sublime form of love?

The most beautiful form of love is the one that is looked on the bed of death, in that moment the man understands that the own Soul belongs to God and to Him she wants to return and therefore search the Love of God. But Jesus has left us to Mary in His death, to His Mother, to the Mother of God who has already loved Him from the moment of the « YES » until the moment of His Death on the Cross and because Mary is Love, Love she gives.

And which love is superior to the love of God? Jesus is Son of God, He is the Same God. Jesus was in Mary and Mary was in Him that is to say in Flesh, Blood, Spirit and Will, one only thing.

You reach Jesus through Mary only. This clarifies to each man, from the humblest to the simple, from the Specialist to the Potent one, from the sceptic to the believer, until the maximum level of the Holy Church, because MARY IS MOTHER OF THE CHURCH since of the moment of Her Assumption and Glorification in Heaven, God the Father has made Her participant of His Same Knowledge, Wisdom, Omniscience and Love.

MARY IS THE CO-REDEEMER OF THE WORLD AND SHE IS ALSO LOVE AND DONATES THE SAME LOVE THAT DONATES GOD THE FATHER, GOD THE SON AND GOD THE HOLY SPIRIT.

MARY, THE WOMAN CLOTHED WITH THE SUN REPRESENTS LIKE JESUS, THE LIGHT OF THE WORLD IN FEMININE WAY AND ONLY THROUGH HER LIGHT YOU REACH TO JESUS THAT IS LIGHT IN THE MASCULINE WAY.

Lowly I invite you to deepen the « Treatise on Divinity of Holy Mary », a very delicate and important matter. The Father's Omniscience allowed Jesus' Birth on the Earth through the elected Way for the man that is to say: the man was born out of a mother.

JESUS WAS BORN FROM A SPECIAL MOTHER THAT IS « THE MOTHER ». Indeed She is the Light in the Feminine way and Jesus is Light in the Masculine way and He comes from Mary, who is light Herself, since God can only come from God. Indeed in the Creed it is recited: "GOD FROM GOD, LIGHT FROM LIGHT, TRUE GOD FROM TRUE GOD, BEGOTTEN, NOT MADE, ONE IN BEING WITH THE FATHER.

MARY IS UNIVERSAL PROGENITOR AND SHE HAS ENGENDERED JESUS IN FLESH SINCE SHE IS AS JESUS IS. SHE IS OTHER HIM IN THE FEMININE WAY. AND WHO SEE THEM SEE GOD THE FATHER, SINCE GOD IS FATHER AND MOTHER.

This is the Time that God has chosen to reveal to the world in what it consists the Triumph of the Immaculate Heart of Mary.

THE TRIUMPH OF THE IMMACULATE HEART OF MARY CONSISTS IN RECOGNIZING THE DIVINITY OF HOLY MARY.

A Truth that God is confirming to other children so that it is recognized in the world the instrument « Conchiglia » that the Holy Trinity has chosen to proclaim the DIVINITY OF MARY.

JESUS IS HE WHO IS. MARY IS SHE WHO IS. THE DIVINITY OF MARY IS ABSOLUTE AS IT IS ABSOLUTE HER LOVE SINCE MARY IS ALSO LOVE.

Holiness,

in a Revelation Jesus has told me: « I AM » AND « HE IS NOT ». What does the « HE IS NOT » means? The contrary of « I AM ». Jesus has told me:

I am God, Love in Essence and therefore « I AM ». On the contrary he is Lucifer, hate in essence that is to say the evil and it is for this reason that « HE IS NOT ». And as I don't know the evil, since I am Love in Essence, I still say « HE IS NOT ».

It is important this denomination. « HE IS NOT » and as « HE IS NOT », he should not be taken in consideration, should not be listened, since one cannot listen who IS NOT ». He only exists as evil and the evil should be avoided at any cost, with any sacrifice at cost of the earthly life, to earn the Eternal Life.

The Project of God in the Movimento d'Amore San Juan Diego is in my hands. And it is also in the hands of all men of good will and that God loves, whom at this point they are responsible for its custody. The man now knows the Will of God and he doesn't have to make another thing that to practice what is in the Holy Gospel. The man has the real possibility to change the Human History under Jesus and Mary's beautiful guide, Our Lady of Guadalupe, the Woman clothed with the Sun, the Woman of the Apocalypse that it means Woman of the Revelation.

MARY IS DIVINE

POPE JOHN PAUL I

ANGELUS DOMINI - ROME - Sunday September 10, 1978

POPE JOHN PAUL I, during the Angelus on the month of September publically stated:
« GOD IS FATHER AND MOTHER ».

“ ... The Jewish people once passed difficult moments and addressed the Lord complaining and saying: « You have forsaken us, you have forgotten us! » « No! » — He replied through Isaiah the Prophet —

« can a mother forget her own child? But even if it should happen, God will never forget his people ». Also we who are here have the same sentiments; we are the objects of undying love on the part of God. We know: he has always his eyes open on us, even when it seems to be dark.

HE IS FATHER; EVEN MORE HE IS MOTHER.

POPE JOHN PAUL II in the Angelus confirmed The Revelation given to Conchiglia.

The Pope said the same words that the Holy Trinity gave to Conchiglia: " *Children remember where the Mother is... Angels and Saints take her everywhere giving her Honour and Glory. Don't be shocked rather be happy of the privilege that I am about to give you. Thanks to her potent intercession pray with the heart in this way:*

« GLORY BE TO THE FATHER... TO THE MOTHER... TO THE SON... AND TO THE HOLY SPIRIT as it was in the beginning is now and ever shall be world without end. Amen ».

Conchiglia be docile to Our each request. Don't be fear of writing these charming Words. Who loves the Mother won't be scandalized... Blessed and Holy Word of the Holy Trinity."

POPE JOHN PAUL II

*“At the end of this intense celebration, I would like once again to express to you my joy at being able to be with you. May you always be available to the **Voice of the Lord Jesus!** Just as he needed Mary's fiat to become flesh, so his Gospel also needs your « yes » in order to become history in the contemporary world. Dear Friends, I invite you to renew your « yes » and **I consign to you three duties:** the first is*

*« **contemplation** »: strive to walk on the path of holiness, keeping your gaze fixed on Jesus, the one Teacher and Saviour of all. The second duty is « **communion** » : **endeavour to promote the spirituality of Unity** with the Pastors of the Church, with all the brethren in the faith and with the other ecclesial associations. Be the leaven of dialogue with all people of good will. The third duty is « **mission** » :*

as lay people, take the leaven of the Gospel to homes and schools, to places of work and recreation. The Gospel is a word of hope and salvation for the world. May the sweet Lady of Loreto obtain for you fidelity to your vocation, generosity in carrying out your daily duties and enthusiasm in dedicating yourselves to the mission that the Church entrusts to you! ”

Note - It is a clear reference of the Pope to the Mission that God gave to Conchiglia.

In that occasion, Sunday September 5 2004, in Loreto, the Holy Father blessed the Official Standard of MOVIMENTO D'AMORE SAN JUAN DIEGO in front of thousand of people

MARY IS DIVINE

POPE BENEDICT XVI

from his book “Jesus von Nazareth: Von der Taufe im Jordan bis zur Verklärung”, Year 2007, published by Libreria Editrice Vaticana, Vatican City - RCS Libri, Milano,

Regarding the DIVINITY OF MARY, Pope Joseph Ratzinger, **Benedict XVI** he wrote:

« **ISN'T GOD ALSO MOTHER?**

A COMPARISON BETWEEN THE LOVE OF GOD AND THE LOVE OF A MOTHER EXISTS:

“ *As a mother consoles a child, in that way will I console you*” (Isaiah 66,13).

In a particularly touching way, the mystery of the Maternal Love of God appears in the Hebrew word rahamim that originally meant “mother’s womb” but afterward became the word for the compassion of God for man through God’s Mercy. The maternal womb is the most concrete expression of the intimate intertwining of two beings and of the kindnesses toward the weak and dependent creature that, in body and soul, is totally cared for in the “mother’s womb”».

* CHAPTER 4

Holiness,

be visited by the love of God means to make part since God doesn't love evil. It is deep love that feeling which ties the creature to Creator, it is undivided substance that love in flowing movement that distinguishes the « children of God » and the « children of the men ».

Yes, the Love, God is an undivided Whole but distributed among the « children of God » like lymph that comes from the vine to the vine shoots and it produces good fruit.

Yes, the Love, God, is perceived like constant and all consuming hug that wraps, soaks and it dominates. The heart and mind are implied indissolubly with that and the happiness that comes it is so intense to become suffering and pain because the missing external contact between creature and Creator.

It is the Creator who gave Himself to His creation through Thought.

The human mind contains « **THOUGHT-LOVE-OF GOD** » since coming from God and in a continuous cosmic ebb and flow, in Him it remains, in Him it belongs, in Him it lives, in Him it is.

The **THOUGHT-LOVE-OF GOD** is Pure Energy in continuous expansion that develops in movement and it engenders Love continuously that begins always again in an Infinite Movement, perpetuating itself the Principle, the ALPHA, of which flows Secret, Indivisible, Incorruptible, Indestructible, Unimaginable Energy Force.

Therefore it is necessary to immerse themselves in the Divine Will as to make part of it and to be consciously part, involving by itself in the depth of the Essence of God, as from God coming, sucking Cosmic Energy.

The Love of the Holy Trinity toward the whole Creation is Infinite, but also the Mother Mary's Love is Infinite because the Will of the Father. Don't be believed that all new and important which has been said about the Holy Mother is thing of little importance, rather, the words said in favour of Her, will revolve all the outlines of the old Church since in the « New Church » renovated from inside, She will be honoured like the Father has decided.

The Holy Trinity is always the same one for always and forever. Why to be scandalized of the fact that Mary the Holy Mother is in the Holy Trinity. But, don't we are in the Holy Trinity if we do the Will of God?

GREAT MYSTERY IS TO BE IN THE DIVINE WILL AND EVEN MORE MYSTERY IS TO LISTEN THE VOICE OF GOD THE FATHER THAT HIDES TO THE WORLD FOR NOT BEING OFFENDED.

The Divine Will is close, inside and next to us, it surrounds us, penetrates us, dominates us and wraps us as a vortex of uncontrollable Love and loves us as anybody in this world can make it.

The Divine Will is completed when one surrenders totally to the Will of God the Father... of God the Son and God the Holy Spirit.

Who becomes servant of all for the love of Jesus is great in the eyes of God and who is the servant of God doing his will for love comes by the will of God in His Will. The creature melts for love in his Creator and in essence become one just like when a drop of water enters the sea and it becomes the sea. The drop of water falls from the sky to the sea and the sea to the sky returns, because it comes from heaven.

When you can count how many Drops of Blood that Jesus shed, you'll know how many « children of God » descended to earth to help the Project of the Father who wishes to resurrect the man His creature, created as the Origin.

The Most Holy Trinity, gives all His children the opportunity to join the Divine Will.

The Divine Will rises to Himself obedient children instilling feelings sublime.

The Divine Will operates and will operate with Holy Mercy and Holy Justice, visiting every person in every corner of the Earth. And if it feel the desire to know where to meet the Father must not go in jeopardy, but it must close for a moment in itself and open the door of own heart because that is where the Father wants to dwell.

Is there the Holy Temple that welcomes Jesus, it is in all of us wherever we are.

Holiness,

imagine to God the Father in the immensity of Time and Space, center of everything.

He with His Look looks down and there Mary is. Beautiful is that Creature. Special is that Creature. Created for the most important and more sublime event. Without Her and of her « YES » of love it would not have been able to take place the Humanity's Redemption.

Now imagine next to Her the Son Jesus and to the other side the Holy Spirit.

Moreover, both Jesus and the Holy Spirit have used Her.

The Holy Spirit to fecundate her Divinely and Mystery and, Jesus to take Her blood and flesh.

JESUS IS FLESH OF HER FLESH AND BLOOD OF HER BLOOD.

She created by the Father has engendered Jesus by work of the Holy Spirit. God was in Mary and Mary was in God. Jesus and Mary together in Flesh... and with the Holy Spirit One thing, amalgamated together in the Father, since Trinity, in three different People, is One God.

And while Jesus was conceived Divinely inside Her, Mary in that time was inside the Trinity by the Will of the Father, and it could not be otherwise, since the Trinity although Three People is One indivisible God in Time and Space.

That's because the Father wants Mary to be recognized in the Sign of the Cross.

IT IS IMPOSSIBLE TO EXCLUDE THE MOTHER TO THE SON SINCE GOD HAS INCLUDED HER TO HIMSELF IN THE INSTANT OF CONCEPTION.

Jesus, the Father and the Holy Spirit are One Only God in Three People and that is to say the Trinity but Mary is inside the Trinity. Behold the spontaneity of the Sign of the Cross that with the eyes of the heart and love here gorgeously complete:

IN THE NAME OF THE FATHER
OF THE MOTHER
OF THE SON
AND OF THE HOLY SPIRIT.

Anything... without Mary.

Everything... through Mary.

Everything... thanks to Mary created by the Father.

Everything... thanks to Her « YES » of Woman that first has completed the Divine Will of the Father.

Theologians that look in vain, sometimes mistaking the ways, don't feel themselves superior and don't erect as judges of the Divine Will of the Father Work.

In the Gospel it is written of not judging, less anybody can judge God the Father.

MARY, THE MOTHER OF GOD, THE IMMACULATE CONCEPTION IS CO-REDEEMER.
THE NEW TIME HAS ALREADY BEGUN. WE ARE LIVING IN THE SUSPENSION
OF THE TIME SINCE THE YEAR TWO THOUSAND.

What does it mean to enter in the Divine Will? It means that through God everything multiplies to the infinite and it is this way for the offered suffering and for the good actions. If everything is left in the hands of God, everything is purified and everything glows and the acts of love become infinite acts of love. When a son is commended to the Divine Will he doesn't belong more to himself but to God who the elected Creature uses to complete on the Earth the Works of God. It cannot have charity and salvation if the Works are not completed and the Works have to be suffered by who has had the responsibility on behalf of God of carrying out them. The Works can be spiritual or material. Those spiritual ones are returned to the conversion of the siblings looking for bringing them near to God and those materials are Works that the Father allows for the temporary modalities of our days. The Kingdom of God will be composed by men that make the Divine Will of God.

THE KINGDOM OF THE DIVINE WILL IS CLOSE.

Many will be outside of the New Kingdom of God among the men. While too many will be to make the usual same things, who makes the Will of God will precede them and will enjoy the wonderful fruits and goods that the Father has prepared for all those children that have been sacrificed and offered to Him, for all those children that being deprived of superfluous comforts, limitless or useless amusements, also of innocent pleasures, celebrity and success, pride, succulent foods, luxuries, gold and honours and so many other things.

These days are the last of the Last Times and they should be lived in pray and penance by all without distinction. Even the children they should make small renouncement under the attentive protection of their parents and the adults that take care of them.

The world is about to collapse under the weight of the « SIN » and it is not valued this fact carefully.

Mary the Mother of God is the example for all, since to sink in the Divine Will and accomplishing it until the end as the Father wanted, she has gotten as prize the same Glory of her Son and of the Father. And therefore, Glory be to the Father, to the Mother, to the Son and to the Holy Spirit.

Being consecrated to the Father in each instant, in Him we fuse and His force becomes our force in the Divine Will. God wants the true humility of the heart that is translated in accepting and in making the Divine Will.

THE DIVINE WILL IS NOT BOUGHT AND IT IS NOT SOLD.
IT IS NOT FOUNDED AND IT IS NOT GIVEN. IT IS MADE OR NOT.

Jesus the Christ has been sent to the World to teach what God Wanted that is to say the love among the men. Knowing the man's « hybrid » condition because of the « Original Sin », God Himself has intervened to save His Creature and in Holy Mary and in Jesus the Christ has been shown to the world.

BORN OF HIMSELF, GOD HAS BEEN CREATED HIMSELF: GOD COULD ONLY MAKE THIS. GOD FROM GOD, LIGHT FROM LIGHT, TRUE GOD FROM TRUE GOD, BEGOTTEN NOT MADE ONE IN BEING WITH THE FATHER.

It is necessary to meditate on these words. It is not good to reject the Truth just because it doesn't understand. It could not understand before, since this is the time established by God. Jesus has allowed the redemption of « many ». Mary has allowed the redemption of « many », those many that have believed followed and imitated Jesus and Mary, the two Sacred United Hearts in Love, Life, Pain of the Corporal and Spiritual Passion, in Death, Resurrection, Assumption.

If between Jesus and Mary in their Humanity in Divine Will there had not concord, it would not have been able to happen the man's Redemption and that is to say the man's re-birth in the spirit that had to be according to the Soul not rebelled to God.

(See Letter of Conchiglia: Treatise on the Original Sin)

THE KINGDOM OF HEAVEN ON THE EARTH IS MADE UP BY MEN THAT LIVE IN DIVINE WILL TOGETHER TO THE UNIQUE SACRIFICE OF JESUS AND MARY HIS MOTHER SINCE GOD HAS CREATED EVERYTHING TWO BY TWO.

Theologians don't have to look for the difficult and complicated answers when the answer is simple and they come from God Himself. God has everything in Himself. He has in Himself His creatures and the whole Creation. Then God contains them. We are contained in God as Mary is contained in the Trinity.

Mary is Mother of God.

Mary is Queen of the Universe.

Mary is She Who Is.

Mary is pure Energy that the God Himself spills through Himself by His Will.

Mary is Bearer of Light, of Jesus, The same God.

God can only contain Who is totally and completely worthy of Him.

Jesus is the Life. Mary has brought Jesus that is to say, the Life.

Allow me Holiness,

the Doctrine of the Church should not be modified with the excuse of the modernism. It is not the Church with their Sacred Rules that has to change to come closer to the man, but it is the man that has to change and to come closer to the Holy Church One, Saint, Catholic and Apostolic. And that should be said so that the Church doesn't make the error to come very close to who is in the doctrinal error. All, in one way or another, they can see how same Church it is divided itself.

Holy Mary said to the children shepherds in Fatima that would have Bishops against Bishops and Cardinals against Cardinals. And that Mary said, it is happening.

There are formations among Priests that say Jesus' Return is Imminent and other Priests say Jesus will only Come at the end of the World. And the children of God? His sheep? They are lost since they don't know to whom believe and they get confused when certain non saint and terribly sinful actions are committed by the men of the Church. How much disorder, how much confusion, how much immodesty, how much sin among the Consecrated Ones.

* CHAPTER 5

WHAT A GREAT MYSTERY IS THE HOLY TRINITY.

Three different People, Three Divine People, each one with Their characteristics but with an Only Essence, the Essence of God. God as Absolute and Uncreated Entity but Creator of the whole Universe.

To penetrate in the Mystery of God is impossible to any man, and any Theologian is able to penetrate the Mystery of God. God can only reveal to whom He thinks must to reveal, that things which lead to deepen some knowledge in possession of the Holy Church. I say some knowledge, since neither the Church that is the receiver of the Divine Truths possesses the complete knowledge of the Truth that could not be revealed to past Prophets, since they were not able to understand. All « new » that here is said it is because today the man has the capable instruments to research and to put in comparison the several Revelations gave to the New Prophets, trusted like the Prophets of yesterday, since God, Owner of the Truth, being Truth and Infinite in Himself, He still speaks like He wants and to whom He wants through the Holy Spirit that blows where He wants and it is not known of where He comes and to where He goes.

NOBODY STANDS UP TO PUT ANY LIMIT TO GOD.

The Father has not stopped the sun allowing heat the Earth to give it life. The Father has not stopped of making grow grass threads on the Earth. The Father has not stopped of allowing to the rain of giving water. The Father has not stopped of being in communion with the children that want and follow Him.

And someone He allows to hear His Voice that arrives to the « heart and mind » so they follow His Holy directive for edifying the Man and his spiritual growth, so that always resembling Jesus, becomes
« Man-God » in GOD.

Never like in these Times the true Prophets are not listened and rejected.

They get treatment as a reproof and not very believable people and in spite of their sacrifices they are not had any consideration. The Bishops, the men of Church, those Consecrated above all, they humiliate them and pursue them, since if they had to agree with them, they should realize of their actions, sins and consciences. Nobody on the Earth reaches the state of purity that the Eternal and Holy Father wants, since the perfection is only of God. Indeed the Holy Trinity is Perfect by Itself and in Itself. And also Mary the Mother of God is it, since She Is She Who Is.

I speak to the Priests, to the Bishops and Cardinals and all the Religious and mainly to those that have the threads of control. Don't resist in proclaiming the Dogma of Mary's Co-Redemption. It is not wise don't have any consideration to Mary's Omnipotence which is a Gift of the Father. It should be on the other hand natural to recognize in Mary the Feminine part of God. Her Holy femininity would sweeten your priestly souls and your hardened hearts.

Your hearts have get harden that no longer know how to palpitate and when a heart doesn't palpitate more, it is a dead heart. And a dead heart cannot make live a body and it is for this reason that you're dead inside. Give satisfaction to the Heavenly, Holy and Almighty Father recognizing Mary's Co-Redeemer Dogma and you will take away from the world many ills that are about to arrive. If you don't listen to me, anything I will be able to do.

And before to God the Father, Mary won't be able to be more your Advocate, since with your behaviour, you are that take out her from such a mandate. And you will realize your errors when the moments of the irreparable thing will already arrived.

Holiness, Jesus has told me:

“... I WANT THIS DOGMA BEFORE EVERYTHING BEGINS SINCE IT WILL BE A SHIELD TO THE ILLS THAT WILL GET WORSE ON THE EARTH.

Your will of recognizing My Mother as Co-Redeemer next to Me Her Son... it will restrain the anger of God the Father toward the unfaithful and traitor children. Ah Conchiglia speak to My Church with these writings. My Church is not only that is inside the Walls. My Church is all of you My children spread for the World. Where there are two or three reunited in my name I am among them, therefore together we are Church...”

Reference to The Revelation given to Conchiglia - February 01, 2002 - Jesus - « Bentornato mio Signore » (Welcome back my Lord) V volume p. 168 (Italian language)

“... The times shorten like a parchment that is unrolled and now it re-rolls up. There is right the time of deciding for that « Saint Dogma » so the Father sees your good will of making and then as was promised the Father will still alleviate many hardships to the children of the world that will suffer a lot. This Saint Dogma recognized by My Church that I have accompanied until today it will really be as a shield. Yes... an invisible shield to the man but visible to God Who proud of the collaboration and participation of Their children finally He will say: « Dear children... thank you for replying to Our call. Yes thank you since thanks to your believe you have saved the Holy Catholic and Apostolic Church.»”

Reference to The Revelation given to Conchiglia - April 29, 2002 - Holy Mary - « Bentornato mio Signore » (Welcome back my Lord) V volume p. 288 (Italian language)

Holiness,

Jesus has distributed important tasks to some of His children, elected for a particular Mission.

To Madeleine Aumont He has requested of making erect to the Church the Cross of 738 x 123 meters which would have announced to the whole world Imminent return of Jesus to the Earth.

To Je Ne Suis Rien He has requested of making know to the world His Desire about the Crosses of Love of Dozulé, of erecting for thousands in the world, to channel the ills that it is about to happen in every place.

To me, Conchiglia has trusted the Mission for the Church donating important Revelations among those which to announce:

- THE COMING OF THE CONSOLER i.e. THE PARACLETE, THE SPIRIT OF TRUTH
- THE TRUTH ABOUT ORIGINAL SIN
- THE DIVINE NATURE OF HOLY MARY
- THE MYSTERY OF THE HOLY TRINITY
- THE MESSAGE OF DOZULÉ TO THE WORLD
- THE EUCHARISTIC MIRACLE of Ostina, Florence, Italy

THE DOGMA OF THE CO-REDEMPTION OF MARY IS IN THE WILL OF THE FATHER.

Unfortunately Holiness, if Priests, Bishops and Cardinals didn't hurry in completing their duty, the world will be deprived of the protective shield of the Dogma that would have allowed of attenuating all ills that are to the door and that inevitably they will come.

Holiness,

I speak as baptized daughter of the Church since God has trusted me the most serious and most blocked Message of ever. God has trusted me the Mission for the Catholic Church that properly thanks to the Dogma of Mary Co-Redeemer, if it is promulgated, will flourish in the peace.

THE TITLE OF MARY MOTHER OF GOD AND THAT OF HER IMMACULATE CONCEPTION IT HAS EVEN TO TELL THEM SOMETHING.

IT HAS TO MAKE YOU MEDITATE SO MUCH SINCE IN THE DOGMA OF THE IMMACULATE CONCEPTION ENTERS THE DOGMA OF THE PARTICIPATED CO-REDEMPTION WITH JESUS.

You are too intelligent to simulate of not having understood. In your heart certainty that Mary is the Co-redeemer of the World resides. But the fear to going against the Powerful and the separate siblings prevents you to defend Mary. It cannot turn the back to Mary in this way.

God exalts Her as Mother of His Son and you relegate Her to a dark room. The dark room is that corner in your heart that you are not able to open up to make see how really GORGEOUS Mary is.

MARY IS « THE GORGEOUS » PAR EXCELLENCE BY WILL OF GOD THE FATHER AND GOD THE FATHER WON'T ALLOW FURTHER ON OF INSULT THAT YOU STILL RESERVE HER.

Mary, the Holy Mother of God, sits down to the right of Her Son Jesus who is seated to the Father's right, so when you bow before the Father and to the Son, with Them She Is, since She Is She Who Is.

Open the horizons. Your obstinacy beloved Priests, Bishops and Cardinals and your weak human force, cannot anything against the Power of God Who wants the cooperation of all His Consecrated children that represent the Son on the Earth in a sacramental way.

God the Father, as a good father of the Earth, always tries to reason the children teaching them examples that show them what He proclaims. But then as a Fair Father, He will apply really what He wants.

And at that point, the children that will have blocked Him, will be outside of His immense Project that is to say to make part of the Movimento d'Amore San Juan Diego that is dedicated to Holy Mary, Our Lady of Guadalupe, The Woman clothed with the Sun, The Woman of the Revelation.

The Dogma of Mary Co-Redeemer is important more than ever. Activate you in each possible way and with each means that you have to disposition and you will also see the Glory of God.

MARY IS THE IMMACULATE CONCEPTION THAT IN ALL HER FULLNESS OF BODY, SOUL AND SPIRIT LIVES IN THE GLORY OF THE HOLY TRINITY.

MARY IS SHE WHO IS IN THE HOLY TRINITY.

What you already know through the Revelation of the Holy Scriptures is good thing, but still a lot have to discover.

Even the most learned cannot pretend to know all about the Infinite Trinity concerns.

But do you have proven to imagine how much small you are before the Eyes of God only thinking in the distance that separates you from Him? For God Time and Space it doesn't exist but for you it is.

You are accustomed to make proportions to measure the things and then prove to make the proportion of yourselves... with God.

YOU WOULD DISAPPEAR.

YOUR CALCULATIONS WOULD LOOSEN INSTANTLY.

HUMAN BRAINS IT WOULD MELT AND THOSE ELECTRONIC ALSO, SINCE IT DOESN'T EXIST ANY INSTRUMENT, NEITHER TODAY NOR NEVER, THAT WOULD BE ABLE TO MEASURE THE « PROPORTION OF GOD ».

I am also creature as you. With a much bigger load to yours on the other hand, because besides learning new things myself that I have not studied never, but that you Consecrated have studied, I take in me the serious weight of the responsibility that God has trusted me.

Mary is the Immaculate Conception and Her Soul has the same purity of the Soul of Her Son Jesus. Her Son and Her God by the Will of the Father and also for Her Will, since Mary is in the Father.

Her Soul is Pure and Immaculate, as Pure and Immaculate it is the Soul of Jesus, Her Son.

Two Same Souls, two complementary Soul Mates in themselves since God the Father all created two by two and in Perfect Order. Order that has been denaturalized by Adam and it is for this reason that the disorder reigns in the Humanity.

Mary is The Perfect One, She is the Immaculate Conception. These two things should only make understand to all those Consecrated and to the whole world Who really Mary Is.

Appear on your lips and thoughts silent answers.

YES, MARY IS SHE WHO IS IN THE DIVINE TRINITY. SHE IS « THE PERFECT » BY WILL OF THE FATHER. SHE IS THE « FEMININE PART OF GOD ».

And the small ones, the simple ones, the poor in spirit have understood it and they have accepted it and many others are understanding it and they are accepting it.

Always, already from the Father's nascent Thought, Mary was.

Always already from the Father's nascent Thought, Jesus was.

Mary and Jesus complementary ones, they were.

Mary and Jesus the Feminine and Masculine part of God, Was, since God has been divided in Himself, to Be in Three very different People, that is to say: Father, Son and Holy Spirit, but Mary is the Feminine Part of the Father, Who being God, is Father and Mother in Essence.

GOD HAS CREATED THE MAN AND THE WOMAN TO HIS IMAGE AND LIKENESS SINCE GOD IS FATHER AND MOTHER.

The man lifts the man to the highest honours and God rises to the honours to Mother of His Son. Priests, what does you teaching in the Seminars? Mary, the Bride of the Father is for Divine concession the elected Creature, decorated to the maximum grade of value, because She is the winner in the biggest Battle in the Universe, the Battle against Satan. She is the Woman clothed with the Sun who has conquered already the Enemy of God since soon , in our Time, he will be tied in the more depth of the Hell.

THEREFORE HONOUR TO MARY, AS WITH JESUS SHE HAS REDEEMED THE WORLD. The Holy Trinity suffers in seeing the Priests to esteem Mary as a « container-that brings God ».

Mary has been chosen from the eternity in the Father's Thought to carry out the Universal Project: THE FINAL BATTLE AGAINST SATAN.

It just cannot get enough to describe the marvels that are in Mary, the only Creature that has Been deified to such a point to becoming the Mother of God and the Mother of all men. Mary, the Holy Mother, has engendered the Humanity in Spirit by Divine Will. Her, the Mother of all mothers, Daughter, Bride and Mother of God. More perfect Creature doesn't exist before the Eyes of the Father Who would want all His women like small Marys. Mary is the most feminine and seductive example that can exist to the presence of God. Her Soul Pure as a lily, makes of mirror to Holy Face of Jesus. Yes, since Jesus that is God has also been Man on Earth, with a Soul equal to Soul of Mary. Jesus and Mary, They were Soul Mates.

The Soul of Jesus and the Soul of Mary, have been fused in the Conception's instant and for this reason together died and together their « United Hearts » will triumph. If you look for answers, you won't find them since the Mystery wraps Their Own Lights.

It is important that the Theologians meditate on this although their minds get shake without solution. I only tell you as Mary has given Life to Jesus, Jesus has given Life to Mary and therefore both by natural principle and acquired right, it is for this and other reasons that God the Father wants that His Bride be venerated inside the Most Holy Triad.

MARY... THE MOTHER

MARY... THE DAUGHTER

MARY... THE BRIDE OF THE FATHER AND MOTHER OF THE HOLY SPIRIT

MARY... THE STAR OF HEAVEN

MARY... THE HOLY BREATH THAT STILL GUIDES AND THAT YOU DON'T LISTEN

MARY... THE PURE

MARY... THE CANDID AND IMMACULATE DOVE

MARY... THE MOTHER OF THE UNIVERSE AND ALL THE ANGELS

MARY... THE MOTHER PER EXCELLENCE ACCLAIMED BY ALL SAINTS

MARY... THE ONLY CREATURE THAT ENJOYED THE SPECIAL GIFTS OF THE FATHER

MARY... THE ONLY WORTHY DAUGHTER OF BEING MOTHER OF THE SON

MARY... THE ONLY PRESERVED AND IMMUNE WOMEN FROM EACH STAIN AND THE ORIGINAL SIN

MARY... THE ONLY WHO IS, HAS BEEN AND WILL BE.

THE POWERFUL OF THE FREEMASONRY WANTS THE THREADS OF THE CONTROL TO MAKE PASS WITHOUT SCANDALS THAT WHICH YOU HOLINESS KNOWS THAT IT IS NOT WELL.

THE SHEPHERD IS ONE, IT IS ONLY ONE.

The Unity of the Christians should not be done through their way, it is not that one the right way. And they are many the sheep that have to return to the Holy Fold that is the Catholic Church. Oh Church. You are not who have to take out the wealth that you possess to come closer to them, they are who have to add wealth taking the Holy Eucharist and Mary.

It is of reminding the two columns prophetic dream of the Salesian Priest John Bosco, the two columns represent: MARY AND THE EUCHARIST.

HOLINESS, DON'T BREAK UP THE SAINTS DOGMAS RATHER MAKE NEW AND PROCLAIM IN A LOUD VOICE: « MARY CO-REDEEMER ».

Jesus has set Mary, The Mother, next to us and you, trusting Her to John. Honour Mary more, pray Her in continuous and have force and courage to rebelling against new teachings. The Freemasonry is strong and powerful in these Last evil Times and it supports each mistaken moral value.

Holiness,
you must go on with undiminished courage and determination to hold out and hold strong the reins of the True Church of Jesus, that Church He wish strongly, that is to say poor and humble.

Mary is The Mother of God, She is The Queen of Angels and Saints and of the Whole Universe. This wonderful reality, THE GLORY OF MARY, will really be seen when next to Jesus in His return to the Earth, She will be seen and touched. Their « United Hearts » will triumph.

The Apostles knew well some truths concerning Mother Mary, since Her loving arms surrounded the nascent Church, full of the Holy Spirit.
Holy Mary contained in Her all the existent virtues, giving holy example in every situation, since after having well educated the Son Jesus, Herself has been instructed by her Son Jesus.
Nobody forgets the importance of the expression on behalf of Jesus to trust Her to John like tender Mother of whole Humanity.

It is necessary to meditate about the things said and done by the Holy Church until today.
MARY IS UNIVERSAL MOTHER, MOTHER OF THE CHURCH AND MOTHER OF GOD.

* CHAPTER 6

IS THE WOMAN THAT ENGENDERS AND BECOMES MOTHER.

THE CREATURE WOMAN IS « THE OMEGA », THE FINAL AND PERFECT PURPOSE OF CREATION.

God has completed the Perfect Act creating the Woman and to the Woman He has given power and authority in Him. To the Innocent Woman He has donated pure descendant. To Mary, Feminine part of the Father, He has donated the ability to say voluntarily « YES », to the grandiose Project of the Redemption of man because of the Original Sin.

MARY IN HERSELF, BY THE HOLY SPIRIT, SHE HAS « RE-CREATED GOD ».

ONLY GOD CAN BE CREATED IN HIMSELF AND JESUS HIS SON IS GOD.

GOD HAS BEEN RE-CREATED IN HIMSELF IN MARY.

God the Father has already from then wanted to favour the Woman, in forecast of what is the Woman Mary and in forecast of what would have had to be the Woman in the world. This Woman's privilege, of being born in flesh after Man, thanks to God and to the Man, at the Origin, it is due to the fact that God the Father had already chosen His Bride and He didn't want for Her the direct passage of the earth like happened for the man. God the Father, has wanted and preserved the Woman Mary, His Bride, of each impurity and for this reason all women enjoy a privilege ever valued and understood by the whole Church that has never put on the question of the because the First Woman has not been moulded as the First Man. Is here then why the Satan's fury, the hate of Satan toward the Woman, the abuses and the injustices toward the Woman, the persecution toward the Woman, creator Herself as God, by Will of God, since at the beginning She was Innocent to the Original Sin. Between the « Innocent Woman » and the « Woman Mary », there is a big difference. While the Innocent Woman is pure daughter of God, THE WOMAN MARY IS DIVINE, SHE IS THE FEMININE PART of the FATHER. MARY... DIVINE WOMAN.

Only Her... that is Mother of the Only God, True God and True Man.

Only Her... that has power on all the things by Will of the Father.

Only Her... that will crush Satan who works to destroy the Souls, bodies and Earth.

Only Her... that in this hour, has in hand the Divine Sceptre.

Only Her... that in this hour She will know Her Triumph by Will of the Father.

Only Her... that She can re-bring us the Son Jesus like She has already done in the first Fullness of the Times.

SHE WILL DO IT IN THE SILENCE... AS THEN.

But also this time in the silence will make great noise and who won't recognize Divinity of Holy Mary in this second Fullness of the Times, won't enter in the Kingdom of the Renovated Earth before, and in the Kingdom of Heaven then.

Holiness,

the reason of this open letter concerns the Treatise on Divinity of Mary and all that I have sent to you and to my Bishop Mons. Giuseppe Orlandoni that is to say the IX volumes of the Collection: « Bentornato mio Signore » (Welcome back my Lord) and many official documents concerning to the Eucharistic Miracle occurred in Ostina, Florence, Italy, on May 23, 2003, Friday, at 03.00 p.m. (I cannot send you the other volumes in obedience to my Bishop).

The complete documentation has been sent to you and my Bishop through registered letter with proof of receiving, from: Conchiglia-Movimento d'Amore San Juan Diego.

I believe lowly imprudent, on behalf of my Bishop that represents the Holy Catholic Church, to put a stone over Conchiglia to shut up the Voice of God, to not hearing it. The stone of the silence reserved the Prophets that speak on behalf of God will be removed anyway by the Will of God. Remember to Gamaliel it is always desirable.

Acts 5, 34-39

But a Pharisee named Gamaliel, a teacher of the law, who was honoured by all the people, stood up in the Sanhedrin and ordered that the men be put outside for a little while. Then he addressed them: « Men of Israel, consider carefully what you intend to do to these men. Some time ago Theudas appeared, claiming to be somebody, and about four hundred men rallied to him. He was killed, all his followers were dispersed, and it all came to nothing. After him, Judas the Galilean appeared in the days of the census and led a band of people in revolt. He too was killed, and all his followers were scattered. Therefore, in the present case I advise you: Leave these men alone! Let them go! For if their purpose or activity is of human origin, it will fail. But if it is from God, you will not be able to stop these men; you will only find yourselves fighting against God.»

Holiness, regard to Jesus, they run this way. They reasoned this way. They killed him and they put a stone on Him. But God is powerful and it doesn't shut His Voice with a stone. And the Stone it has moved. How stupid it is Satan, is strong but it is stupid.

There are Consecrated people inside the Church, at the head: Priests, Bishops and Cardinals, that they have closed eyes, ears and doors and anything enters and anything comes out and it is for this reason that the Church is becoming sterile and it no longer produces fruits. The Church is in the schism, it is under the eyes of the whole world.

The Church that should also be charismatic by Will of Jesus, doesn't welcome the true prophetic voices that today like yesterday represent the foundations of the Church, since the Church has been built on the Law of God, on the testimonies of the Apostles of Jesus and on the Prophets. The revealed Truths are hidden to the world.

But the hour it has come that the things that God the Father has settled down, must be completed.

MARY IS THE FEMININE PART OF THE FATHER, HERSELF DIVINE BEING EVEN CREATURE.

In the Genetic, for the acquired knowledge, there are confirmations and answers to Her Divinity. Who should understand, has to take act of every Word and to assume every responsibility before God since then won't be able to say: *I didn't know.*

THE MAN IS NOTHING BUT THE VISIBLE MANIFESTATION OF THE LIVING GOD.

Has the Humanity really understood the Love of God?

Has the Humanity treated of understanding « the reason » of the existence at least?

The men that live in God, to God will return since they are part of God.

Mary's Purity will always be the emblem of the Holy Trinity that has absorbed Her because She is Immaculate. The Holy Desire of the Divine Trinity dominates each thought and action ended up by love and each action offered to the Divine Will it has indescribable and incomprehensible value.

The Holy Mother's ineffable Grace, the Divine Mary revolves the malicious powers that are manifested in those Consecrated and Theologians that don't want, because they don't understand, to accept the Truth that God manifests the Humanity through me, Conchiglia. Them that have always considered socially insignificant the woman because sinner in the Origin, they have a blinded heart.

The Woman at the origin has been created to be help to the man and not vice versa, since the man alone would not have been able to engender. On the contrary the Eternal Father, Holy and Almighty He has demonstrated that Mary without knowing man has allowed Jesus' Arrival in the world.

Who see Jesus, see the Father that has been re-created in Himself in Mary to be shown to the man, His creature. Faith and reason are necessary, to finally understanding the ineffable Truth: God who is Infinite cannot be contained by something finite. It is True that God can only be contained in Himself that is to say: Infinite from Infinite, Light from Light, True God from True God.

Jesus, True God and True Man to represent the Masculine Part of the Father, begotten not made one in Being with the Father.

Mary... True God and True Woman to represent the Feminine Part of the Father, begotten but made of same Substance-essence of the Father (one in Being with the Father). For this reason everything for Mary, everything through Mary, everything by Will of Mary. All the creatures that with effort and will, thanks to the merits of Jesus' Redemption want to make part in the Family of God they are under the Blessing of God with all benefits and the rights that derive. Mary, the Woman of the Apocalypse, the Woman of the Revelation is already completing the appropriate outcome, She is already crushing the head of Satan through all those that love Her and follow. Her militant force on the Earth is Her special army and under her guide the Victory it is very near.

The Wisdom consists on believing that every thing is possible to God the Father that with the Son and the Holy Spirit include in Itself the Holy Mother. Before or later somebody will do what God has requested and that is to say to get up the Honour of Holy Mother Mary. That Sign of the Cross is important more than ever and if you don't understand it is because your heart is blinded. And tomorrow like yesterday, noticing our time, Jesus will be with us walking down the streets. With Jesus it will be the Mother Mary also, the Queen of the Universe, with Him will be the Mother of Earth and Heaven, with Him She will be The Mother of the mothers, the wonderful Bride of God the Father.

And if the King gives the name to the Queen... the Father gives the name to His Bride Mary that although Creature, assumes for merit and Desire of the Father the responsibility that she wants to offer Him. (From the original Italian: King it translates **Re** ; Queen it translates **Regina**)

THAT SIGN OF THE CROSS WILL ALSO BE DONE THINKING IN HIS BRIDE, SINCE NEVER THE KING IT WILL SEPARATE OF HIS QUEEN IN HIS KINGDOM.

AND ALL THE SUBJECTS THAT ARE AROUND, AND WE ARE THOSE, WILL HAVE TO MAKE WHAT THE KING HAS REQUESTED AND WITH AUTHORITY... GOD THAT IS FATHER, TAKES TO HIS BRIDE IN HIS SIGN OF THE CROSS THAT IS AND THAT IT WILL BE FOREVER:

*In the Name of the Father
of the Mother
of the Son
and of the Holy Spirit.
Amen.*

WHEN THE FATHER SPEAKS ALL WE KNEEL DOWN TO HIS HOLY DESIRE WITHOUT NEVER DOUBT OF HIS HOLY WILL. If you only understand this you would have great merit. If the world only knew this new fact it would put it at once into practice and nothing would be good the protests of the Powerful of the Freemasonry inside the Church to stop the faithful people that would obey God. So: VOX POPULI VOX DEI. (From Latin: The voice of the people is the Voice of God).

This sentence: « IMMACULATE CONCEPTION », it should be pronounced slowly, very slowly. It is the key of interpretation of the Divinity of Holy Mary. An Immaculate Conception cannot be nothing but in God. God in Himself is FATHER AND MOTHER. God who is Father and Mother has engendered in Himself the Son, by the Holy Spirit who is Lord and gives the Life and has given Life to the Son of God, who was made Man to include the man to Himself, that man made to His Image and Likeness, created male and female by God.

And then Mary because the Will of the Father, manifested Herself with Her maternal tenderly, with Her silent and elegant presence in my Soul, through these Words.

The true Priests, those that are in the heart, not on the paper, Mary's favourite children, they need Mary's Feminine Figure in their heart since the man Priest he also has in himself a feminine part besides that masculine one. The man's merciful part is feminine and the part that demands justice is masculine as it happens in GOD THE FATHER THAT IS FATHER AND MOTHER. Each maternity demands complete dedication otherwise it cannot be maternity. The maternity hugs the « duplicity in masculine » since one it cannot have a masculine without the feminine that precedes it and also God, Jesus, He has needed a Mother.

JESUS IS HE WHO IS, MARY IS SHE WHO IS.
MARY IS THE MOTHER. HER DIVINITY IS ABSOLUTE AS IT IS ABSOLUTE HER LOVE SINCE MARY IS ALSO LOVE.

Who looks for the Mystery and wants to explain it will be disappointed because the Eternal Father, Holy and Almighty, also this time the multitude will stun. The KING of the KINGS will manifest all His Glory soon and Mary will be next to Him to enjoy with Him and with you the results of the Redemption.

MARY THE MOTHER, SHE WHO IS, IS THE MYSTERY THAT LITTLE BY LITTLE IS REVEALED TO THE ATTENTIVE HEART ONLY AND JUST WHO HAVE BELIEVED WILL RECEIVE IN ABUNDANCE.

Dear Pope Benedict XVI,
Jesus has accepted atoned suffering for all, for love, to save all and Mary with Him.

The Assumption of Mary to Heaven had to be just after Her great and painful test on the Earth. And like all Her children trusted by Jesus Christ Her Son, She has had to instruct the Apostles before reach Jesus yearning Him every instant of Her earthly Life.

Her Assumption to Heaven and Her Co-Redemption should be meditated a lot, since big it has been the addition of suffering caused by the separation from Her Son Gone up to Heaven, who has preceded Her toward the Father.

IT IS DECISIVE TO REMEMBER THAT THE UNION WITH GOD HAS BEEN CUT BY THE MAN, BY « THE FIRST CREATED MAN ».

IT HAS BEEN THE WOMAN THAT INNOCENT SHE HAS CONTINUED ALONE WITH LOVE AND COURAGE ON THE WAY TRACED BY THE FATHER.

Never the « Innocent Woman » has leaved the teaching and the Will of God and the « children of God » are her Descendant. It's for that the « Woman » figure was important and decisive in the economy of the « man-creature » Salvation. Therefore the Redemption that could be taken to the practice by God only through the Father, has been shown to the world by the figures of Jesus and Mary.

Jesus is the Masculine Part of the Father and Mary is the Feminine Part of the Father. Then God the Father has lowered on the Earth humbling Himself in our humanity decayed because of the Original Sin only by Pure and Immense Love, revealing Himself in Jesus and Mary. God has lowered on the Earth to gather the « true children of God » that were dispersed among people of the world.

These « children » lost the original guide and that is to say: the « First Couple, Adam and the Innocent Woman ».

AND BEHOLD! THE SAME GOD HAS BECOME DIVINE-HUMAN COUPLE IN JESUS AND MARY TO BE GUIDE OF ALL WITHOUT FRIGHTENING WITH HIS OMNIPOTENCE.

God the Father has been made Man, He has become Small for His small ones, but He has not been accepted and He has allowed to be killed in Flesh, and in Spirit in Jesus and Mary together United in the Trinity of Love. It have been more than two thousand years and it is already able to understand the History that is passed and it is able to value many things. The moment has arrived also looking to God in these Words Who loves and Who re-indicates the way to go.

His Way is the Only Way and it always takes to put into practice what He has taught and it is written in the Holy Book, The Bible, The Gospel.

WITHOUT THE MAN'S COOPERATION THE EARTH WON'T BE RENEWED.

MARY IS THE IMMACULATE CONCEPTION
MARY IS THE MOTHER OF GOD THE SON, JESUS.
MARY IS THE FEMININE PART OF THE FATHER.
MARY IS DIVINE.

A new and different beat is perceived while these words are read. After having read these words it is felt the desire of improving and imitating Jesus and Mary. That light that you also see blindly in mind and heart it is not another that the light that I am giving you on Behalf of God.

Dear Pope Benedict XVI, Holiness,

it has been will of Saint Michael the Archangel to take control of all Angels that God proposed him. Yes, the Archangel Michael drives his « Celestial Militia» to combat the rebellious angels turned demons. It has been my will to take control of what God has proposed me on April 7, 2000, and the « earthly militia » that follows me confident and anxious, they wait His encouragement Word to continue resisting to the injustices that the rebellious men, in fact turned « children of men », procure them walking calm along the streets of the world and creating wars, destructions, sufferings and serious problems in the society.

I want to remember that the war, the true war, is developed further on in the invisible thing that in the Visible thing. In the invisible thing are good and bad: the Saints Angels and the demons. In the visible thing are good and bad: the « children of God » and the « children of men ».

Yes... like in Heaven it is on Earth.

AS IN HEAVEN IT IS IN EARTH THE AUTHENTIC THIRD WORLD WAR IS DEVELOPING AND NOBODY SEEMS TO FIND OUT.

THE HOLY CHURCH IS PURSUED AND COMBATTED AND THIS IT IS THE TRUE BLOODY WAR THAT IT IS COMBATTED IN HEAVEN AMONG THE HOLY ANGELS AND THE DEMONS, DECAYED ANGELS.

IT IS ALSO COMBATS IN EARTH BETWEEN THE CHILDREN OF GOD AND THE CHILDREN OF THE MEN ».

And as the decayed angels, the demons, go in help to the « children of the men », the Saint Angels, they go in help to the children of God ".

In the Revelations that the Holy Trinity gives me to my, Conchiglia, is spoken the difference that there are between the « children of men » and the « children of God ». Has it been understood who the « children of men » are and who are the « children of God »? The children of the men are Cain's children for natural physical descendant, men made with soul Alma, flesh and breath of life.

The « children of God » are the Innocent Woman's children that after the fall and Adam's death for natural physical descendant since men was made with Soul, Flesh, Breath of life and Spirit of God: they have multiplied. Unfortunately and consciously the demon that Adam has corrupted also has corrupted other « children of God » and then it has happened that children of God were joined with the most beautiful daughters of the men giving continuity to an HYBRID SPECIES NOT CREATED BY GOD.

Here you are Holiness, now all of us we are that HYBRID SPECIES.

ONLY THE SPIRIT OF GOD THAT IS IN MANY, THANKS TO THE WORKED REDEMPTION BY JESUS CHRIST, RETURNS CHILDREN OF GOD BY SACRED ADOPTION, THANKS TO CHRIST'S MERITS.

To through examine see The Revelation given to Conchiglia on the Man's Origin and about the Original Sin or the letter previous to this.

Genesis 6, 2 The « sons of God » seeing the « daughters of men », that they were fair, took to themselves wives of all which they chose.

Genesis 6, 4 Now giants were upon the earth in those days. For after the « sons of God » went in to the « daughters of men », and they brought forth children, these are the mighty men of old, men of renown.

* CHAPTER 7

Holiness,

Jesus has requested to put itself in movement since is the Father that demands it. For this reason it has been requested to me of founding the Movimento d'Amore San Juan Diego. The word « movement » is to indicate that there is not a static in what has been requested to me. Indeed the « movement » should be made exclusively in the way indicated by the Eternal Father, Holy and Almighty. And Mary Herself, from the instant of Her Immaculate and Holy Conception, she has entered in movement under the Father's attentive and vigilant Eye and of Her loved Joseph.

Be in movement also means to move like has made Mary when She have come and seen Elizabeth, since also Mary was driven by the Father through the movements of the heart as well as it happens to me and if I close the eyes for a moment, I look, I admire and again I contemplate the elegant Presence of Mary in my Soul because She is my Divine Mother, the one that has leaded me toward the affectionate arms of Jesus, Her Son who is my beloved, tender and true Bridegroom.

The pain of Jesus is unbearable in verifying that for the multitude of men, to follow Him means to request and wanting to get what is wanted and no more.

But let us look to Jesus on the Cross and let us look with true attention. Let us stop and meditate on His inert position on the Cross. Let us fix the look well on Him. Let us listen what the heart says.

To follow the Father has not meant for Jesus to get what He wanted more. Big it was Jesus' desire to get off that infamous Cross. What a immense desire had Jesus of loving tenderly His Mother Mary. Jesus' Immaculate Heart yearned Her with inexpressible moaning, but She was beside the Cross... to see what would never have wanted to see and to hear what would never have wanted to hear.

The Mother Mary with Her « here I am » has been allowed to use by the Father with an unique docility. Yes, since the Father has joined the NAME OF MARY to the NAME OF JESUS with the same effectiveness of Salvation. THEIR NAMES AND THEIR HEARTS ARE UNITED FOREVER AND ETERNALLY, but Their Human Flesh have been taken to loan by the Man, they have been separated by the demanding Love of God the Father that also to Them, He have proven with the sublime suffering, requesting the total annulment of Their Wills.

JESUS AND MARY PERFECT EXPIATORY. UNITED... BUT SEPARATE PHYSICALLY ON THE EARTH BY THE WILL OF THE FATHER.

The Eternal Father, Holy and Almighty has been shown Himself through Jesus and Mary. Yes, Jesus and Mary Soul Mates to represent the Masculine part and the Feminine Part of the Father to get up man from the animal state, brutalized by the Original Sin.

Holiness,

it was necessary a decisive intervention of God in this epochal time that the reason could make the man understand that there is another way of being and living.

The man tortured and killed and still tortures and bush, to suppress the will and freedom of another man and this only come from the Evil, Satan, the Father's antagonist.

JESUS AND MARY, MASCULINE AND FEMININE PART OF GOD WHO HAS WALKED THROUGH THEM ON THE EARTH, IN LOVING, FORGIVING AND BLESSING MANKIND THAT HAD BEEN ABLE TO GET REDEMPTION BY MEANS OF THEIR DONATED AND OFFERED SUFFERING JUST IMITATING THEM IN THE LOVE.

Joseph, unique and Holy support to sustain and protect the Project of God Who on the Earth He has posed His Divine Eye.

JESUS AND MARY NOT ONLY MOTHER AND SON BUT SOUL MATES COMING FROM THE FATHER THEREFORE DIVINE COUPLE THEMSELVES, IN THE MASCULINE AND FEMININE PART OF GOD WHO BY THE HOLY SPIRIT HAS BECOME HUMAN ON THE EARTH.

WHAT A GRANDIOSE MYSTERY IT IS ALL OF THIS. But who are Soul Mates?

This is the moment to clarify the argument that is extremely delicate and successively to get throughout examination.

When God the Father created the Souls, He created them to His Image and Likeness in Essence and Love that they would have had in themselves. And because created them to His Image and Likeness, God settled down in the Souls a masculine and a feminine part.

THAT IS TO SAY, A SOUL HAD IN ITSELF TWO PARTS: THE MASCULINE ONE AND THE FEMININE ONE.

Therefore, Jesus and Mary Perfect representation on the Earth of the Masculine and Feminine Part of God. An Only Soul divided by Will of the Father to Imitation of God Who has in Himself the Masculine and Feminine Part, shown to the world by Jesus and Mary. The Souls have been created with a own autonomous will. Jesus and Mary are example of it, two different People with different will and reason in an Only Essence, One Soul in two parts: Soul Mates.

I repeat, the mess has initiated after the creation of the First Couple and that is to say « the Man Adam, the Adam, the Lord of the Earth and the Innocent Woman ». They were « Soul Mates ».

And they had to procreate children that at the same time were Soul Mates. The satanic mixture that the Man's hybridization has begun originating the Man's Involution is still in act, although from the Involution, Man has developed in what he is today.

But is today's man, with the parameters that I have presented putting to Jesus and Mary Soul Mates as example, is he to Image and Likeness of God in Essence and Love? NO, HE IS NOT.

God the Father indeed Man has been made in Jesus to aid the man His Creature.

HOW?

GOD FROM GOD

LIGHT FROM LIGHT

TRUE GOD FROM TRUE GOD

BEGOTTEN NOT MADE

ONE IN BEING WITH FATHER.

EVERYTHING HAS HAPPENED IN GOD HIMSELF.
GOD EVERYTHING CAN.
GOD IS « THE I AM ».

I repeat, everything had to begin by Way of God and the Father, by the Power of the Holy Spirit, has inserted in the uterus of Anne the Germ that has give Life to Mary. In Anne that He has sublimely used as « incubator », God the Father has installed a Masculine Gamete and a Feminine Gamete that uniting among them has given origin at the beginning of Life Mary Life as a Creature in the womb of Anne.

THE GAMETES THAT HAVE GIVEN LIFE TO MARY THEY ARE FROM GOD THE FATHER FOR THIS REASON MARY IS DIVINE, SHE IS THE FEMININE PART OF GOD THE FATHER.

Once grown, Mary was ready physically and spiritually by Her will to do the Will of the Father. Here it is then in Mary, being herself DIVINE but still unconscious of that , the Father has installed by the Power of the Holy Spirit His Masculine Gamete, since the Feminine Gamete coming from Her was already Divine.

MARY WITHOUT KNOWING WAS THE FEMININE PART OF GOD AND THAT IS TO SAY: GOD ON THE EARTH THAT HAS GIVEN SUBLIMELY THEN TO THE LIGHT THE MASCULINE PART OF HIM: JESUS.

JESUS AND MARY SOUL MATES, ONLY ESSENCE: GOD ON EARTH TO SUBLIMATE MAN AND WOMAN.

And to make that, in the course of the centuries God the Father has had to wait to found worthy spiritual habitation that has made Anne's Womb as incubator, fair and model mother... but already sterile.

Holiness,

I request you lowly, it is indispensable acting now, before the enemy of God can realize what is about to really happen. You know well that he is capable only of knowing what is allowed for God and no more.

The Revelation given to John in the Apocalypse is for the Time that now we're living.

It is necessary to shake because the spirits of those Consecrated are numb due to tiredness and wait. The fervour and the enthusiasm that are necessary to act no longer leave.

The enemy is not invincible, rather, it is already conquered. Our present is not the Present of God. Everything is already carried out and accomplished for the eternity. The Victory is of God One and Three. The participation, collaboration and the love for the Project are our, of the Holy Church. The Faith is indispensable. Even Mary being unconsciously Divine, even being Creature, She had Faith and She knew and meditated the Writings. Her love for God induced Her to want of being able to participate with great heart humility in the Divine Project already told it by the Prophets of then.

THE WHOLE HISTORY OF THE CHURCH, ONE, SAINT, CATHOLIC AND APOSTOLIC IT IS BASED UPON THE PROPHETS AND THE TESTIMONIES OF THEN.

The Saints of then and today they are « children of God » lowered on the Earth to combat on Behalf of the Supreme Love. They have fight and they combat again until the donation of their life for the cause of God for love and for Faith.

Yes, Holiness,

since also they to the moment of their birth have forgotten by the Will of God who they were and what they would have had to make. Everything has completed for Faith until the martyrdom.

And you Consecrated? Do you really know who are you? Do you know the reason why do you have been born on the Earth? What do you have come to do?

Too many Priests say that Jesus will only Return to the end of the World and they say: it is difficult to follow you oh My Lord.

Here it is that I say to who thinks this way: you cannot count on your forces and your convictions. Anything is impossible to God and God can help you if you believe in Him with Faith and you request Him with the heart. The fact is that too many Priests don't have enough Faith, rather, they don't have. Don't you think that Who has calmed the tempest it is not able to calm the spirits of who blocks you, do you? But if in you there is not Faith and it lacks Will of working, anything God can make because He respects your will. It is not accumulating goods and money in the Church that you assure a better future.

Also your life could end up after the reading of these words. And if the fear is taking you it's because you know about not behaving like it is owes and you are not in grace of God. To be clever to be received by Heaven have to live every day as if it was your last day and at the same time to make all that you can as if it was distant the day of your corporal death.

The death can be your mate and friend like the son of God, the poor person Francis of Assisi said, therefore dear Priests, the means to live in God find them in God. You preach it from the Altars but then you forget it. You cannot seek of enjoying the fruits if you don't have worked for the New Kingdom that contrarily to what false prophets say inducing you to a prudence that looks like concealment, and it has begun already to settle down in the silence and hidden.

THE WAY THAT GOD ACTS IS ALWAYS THE SAME BECAUSE GOD NEVER CHANGES. TODAY LIKE YESTERDAY EVERYTHING WILL HAPPEN IN THE SILENCE, IN THE SIMPLICITY, IN THE CONCEALMENT, WITHOUT LUXURY, WASTE, DIN, CLAMOR, SENSATIONALISM, OSTENTATION. ALL OF THIS IS IN THE MOVIMENTO D'AMORE SAN JUAN DIEGO.

THE GLORY OF GOD WILL SHOW AND THE GLORY OF GOD IS THE LIVING MAN.

Holiness,

to rise toward God means to aspire to the things that belong to the spiritual sphere. The spiritual sphere is as a beautiful but invisible coffer where the interiority of each one is only visible to the Eye of God. The man who wants to rise will spiritually never reach an agreement with who wants to rise materially. The man who wants to rise materially, everything makes and will make for the same material security and his well-being will be according to what possesses. Each material thing on the Earth that the man is not able to do without it represents a weight that has very anchored to the Earth the man that this way weighed by the material goods that he has... will never be able to rise spiritually toward God. For this reason the children of God that you call Saints, on the Earth have been deprived of each very material one taking off each weight by themselves.

THE MAN'S SPIRITUALITY DOESN'T CONSIST ON KNOWING THE THINGS OF GOD AND THE WORLD BUT CONSIST ON TAKING PRACTICE ALL THE VIRTUES THAT JESUS HAS TAUGHT AND STILL HE TEACHES.

Today Mary undresses of Her silences to tell you that Her pain has been immense beyond your mind, since in spite of Her Divine Nature, as a Woman-creature She has confronted and overcome each own temptation as Jesus Her Son. This was what wanted the Eternal Father, Holy and Almighty and that should be made. Mary and Jesus Soul Mates in the suffering and in the Love and in the total donation, for the redemption of the Humanity. Mary and Jesus Perfect Expiatory. Mary, Innocent, to rescue the Innocent Woman to reassess her to the world. Mary, Innocent to crush the head of Satan who in his treachery, beyond bringing death to the world, he has done that the world blamed the Woman.

THIS TIME IS THE MOST CORRUPT IN ALL THE TIMES AND THE TASK THAT HAS BEEN ENTRUSTED TO ME, AS FOR DIFFICULTY AND SUFFERING IS BIG. BY WANT OF THE HOLY TRINITY, MINE IS THE TASK TO DEFEND, THE HOLY CHURCH, THE TRUE CHURCH OF JESUS AND MARY, AT THE COST OF MY LIFE.

FROM THE HIGH OF THE CROSS JESUS HAS GIVEN ME THE TASK SO THAT IN THIS OTHER FULLNESS OF THE TIMES THE WORLD CAN ENJOY THE UNALTERABLE WORD OF GOD.

God has put me on as Herald on the threshold of Peter so that the perjurers and the idolaters don't enter. My task is difficult since one to one I have to re-instruct you in the good and Saint Doctrine by the Words that Jesus has told to the Apostles and many of those Words have been lost and/or removed.

MARY IS SHE WHO IS, She who has understood the Divine Will in itself, unconscious of the depth of Mystery, but only accepted by pure Love toward the Grandiose Project of the Father that showed by yesterday's Prophets in Writings. What does it means « understand »? Understand means to recognize in who is before of us the suffering that wraps it. To take with him the same suffering and to divide of it the moral weight and together give to God the fruit of that taken weight and shared it by love, for co-participation. For this reason I say: Ah if the whole Priests and whole Humanity understood the Love of Jesus. And the Project includes to those that live today and those that will live tomorrow and the History will be broken up in the children of God that it still follows the Project so that the Salvation of Man it will get completed and it will get the glorification.

Mary the Mother of God, being herself God, She has been able to welcome in Herself the Verb made Flesh in Himself. In Himself had His Essence and His Divine Flesh. Divine Flesh made Man. True Man and True God that necessarily had to be born, to grow in age, wisdom and grace and to instruct the men through the mean and way that they could understand.

MARY IS THE MOTHER OF GOD, CO-REDEEMER OF THE WORLD.
MARY IS THE INCARNATED PURITY, SHE IS THE FEMININE PART OF THE FATHER.
TRUE CREATURE, TRUE WOMAN, TRUE GOD EXACTLY AS JESUS HER SON, TRUE FLESH, TRUE MAN, TRUE GOD.

An only difference by Will of the Father:
JESUS BEGOTTEN NOT MADE ONE IN BEING WITH THE FATHER.
MARY BEGOTTEN BUT MADE ONE IN BEING WITH THE FATHER.

* CHAPTER 8

UNFORTUNATELY THE WORLD DOESN'T HAVE FAITH. AND NEITHER KNOWS WHAT IT IS TO HAVE FAITH. Even so many Consecrated don't have Faith and they don't know what it really is. The Faith in the spiritual man that has the heart toward God is a big and solid support to walk secure and speedy without seeing what there is below.

Tell me Holiness,
tell me, Priests, Bishops and Cardinals, if you don't see with your eyes this support, are you able to walk on it?

Neither the Priest nor the man wants to change and convert. The man is a glutton, unable to swallow what eats and he vomits from the own mouth what is not able to retain inside. To be silent the man that God the Father against His Will, He wanted to save to all coast sacrificing His Son Jesus and His Daughter Mary that on Earth they have represented Him. The man of the Church, the Priest, has converted in a lukewarm man and he doesn't have courage of pronouncing the severe Words of Jesus in the Gospel and of inciting to faithful ones to take them practice so that they save his soul. The Priests are responsible for the many Souls that have gotten lost, get lost and will get lost.

HYPOSTATIC UNION WITH CHRIST

The Footprint of God.

A Footprint to be visible need a land where to lean on, printed and that land just can be ground that is to say the human body with all mineral characteristics of the earth.

There is here Holiness,
the Extraordinary thing... in the ordinary thing
the Divine thing... in the human thing
the Supernatural thing... in the natural
Heaven... in the Earth.
Is a surprise? A novelty? A lie? A scandal?
Or is it simply the true?

What heart says to you Holiness? What sensations do you test?

The word of the Gospel is identical to this word. In both the situations and intents are the same and that is to say to instruct the people of God about the Origin and the Eternal Salvation of the Soul.

The conformity of these writings is undeniable for any human being and that human being who will pretend to judge the Word of Life it is under the attentive Eye of God.

God allows him to do, He looks him, He follow him without stopping and He waits with patience that moves his thought and look away from that that plans to do. But the human freedom is for God a barrier beyond which He cannot go, by His Divine Ordinance in spite of His Divinity.

And then, God can only look and wait, I am also doing it, and next to you Holiness I pray to my Father and Ours.

Holiness,
one day Mother Mary has told me:

*" I am here to take away from you the thoughts that inevitably they are printing in you.
Here it is daughter... the Father wants from you even more complete abandonment.
You say: but my Mother how can I to be abandoned more than this?
And I tell you: Conchiglia you are with Us and in Us and on Earth.
TRY TO IMAGINE TO BE LIKE THE PLANET EARTH:
SUSPENDED IN THE SPACE IN A CONSTANT ROTATION ON YOURSELF
VERY CONSCIOUS TO NEVER FALL. Here it is Conchiglia... this is « complete » abandonment.*

Jesus has told me:

*"... Cry daughter... yes cry... but don't cry for those poor and miserable souls that blinded by the demon who is using them with supreme master and that's because they are getting lost.
To renew My true Church I will confuse all the powerful and the scholars of whole world.
They can have illustrious acquaintances... with considerable offerings of money... with organized structures and thousand of members... instead I... as I Am usual to doing... with a fist of men willing to die for Me I will execute the miracle of Love that Saints have waited of all times so that the Movimento d'Amore San Juan Diego that represents the Mantle of My Holy Mother Mary in the dresses of Our Lady of Guadalupe... it shows in all its splendour My triumphant Church.
Daughter remembers...
MY BLOOD TO GLORIFY THE FATHER... YOUR BLOOD TO GLORIFY THE MOTHER."*

HAIL OH MARY

*Hail oh Mary...
my gracious and Pure Creature.
The emptiness just brush you
so that emptiness touch you and it doesn't displease you
so that your Candid and Immaculate Flesh...
By the emptiness be also kissed.
It will be kisses of Divine Love
made of braided sighs.
These sighs will have the colour of the Sun and the Moon
and they will mix these radiant lights...
creating a very special atmosphere
that will surround the Universe in an only hug.
It will be a triumph of happiness of merry souls
that will surround the crown of the Queen of Heaven.
Yes Mary... Virgin of the infinite beauty
turn you only an moment so that I looking can tell you
oh Mother... What a beautiful you are
a little ray of Your Light
can confuse the most beautiful star.*

Amen.

The Sound That is not... the Verb Of God

*My bent knees give honour, praise and Glory to God
also in the silence of the non said words.
My interior silence is a soft pray of the heart
how tenderly it unites to God in each circumstance.
It is mainly in the moment of more pain that pray is made silence
since the heart is so wounded of even to still suffer more...
until the sound of my own voice.
Oh the voice...
the Voice of God enters in the hearts of who loves Him and listens to Him attentive.
The Voice of God dominates each human will
since just feeling it in the heart it makes happy to the soul that perceives it
and of that moment from now on...
the soul is ecstatic and disturbed in a soft way
and becomes the true and only partner in the life of the receptor creature.
A lot is requested to me since a lot have been given to me
and the Gift of God on me was foreseen from the beginning of the Times.
I am not worthy of such a gift
but I accept serene and I make fructify my great gift
since if I am not worthy any son it is...
but God has chosen me for Love because He is Love.
They are charming words that go direct to the heart
they are marvels just described by Me...
because I know the true value that the Conchiglia represents.
A Conchiglia from the sea
allows transport her by the impetuous waves of the love of God.
From the marine bed to the riverside I've gone to enjoy the sun and the firmament.
I look at it from below but on high I see my God Who sings for me.
The Conchiglia in the world remembers the noise...
evokes the sound of the wave of the sea
the waves will make to disappear evil.
Conchiglia means love... a toy among His Hands
of making gleam the sun in any sunset.
Conchiglia means to know how to accept the heat that God gives on the shore of the sea.
Conchiglia means to see the colours that He puts in His sea...
the most beautiful blue that is in the bottom and over me
in the bluest sea and more celestial Heaven that I look up there.
Conchiglia means to accept somebody that can step me.
A Conchiglia allows the caress of the waves
a Conchiglia feels the water oneself
a Conchiglia finishes its trip being hit on the sand
a Conchiglia is flat of who straight past and doesn't think.
A Conchiglia is picked up from the earth to settle among the hands of a boy
a Conchiglia leaves sea scent on the hands
a Conchiglia creates unnatural sound*

*a Conchiglia is only good to contain its pearl...
 that in turn allows to admire sweetly
 ending up on the neck of a loved woman
 or on the hand of a woman that caresses a child
 or on the ear of a mom
 Who tend to listen the cry of who suffers.
 It is a Conchiglia that the Father has chosen to sing you the Life
 that in the whole Universe it expands as a Sound
 that one hears closely and distantly.
 A sound that makes echo from mount to mount
 from river to river... from lake to lake... from sea to sea
 From star to star... from the Sky to the Earth...
 and in the infinite the Sound vibrates with notes of love
 that only who has love in the heart it will recognize
 since to the finest hearing such a sound is ignored.
 The Conchiglia vibrates of Divine Love
 from the marine bed until the sky
 passing the waves of the sea and crossing the waves of the sky.
 Perfect instruments would not even capture the Divine Sound.
 It is a soft Sound to the hearing that is attentive to the love... pain... torture...
 that it is in the body and heart who really loves God.
 A Conchiglia of the sea...
 that from the sea knows the hidden sounds and the movement of the water.
 The Conchiglia is a sacred sign... it is a beautiful symbol...
 only and sublime with a sense beyond the earth.
 And symbol of love and wisdom
 it is symbol of life and patience...
 it is constant symbol of pure water... it is symbol only created for me
 Jesus has told me...
 I know that you are astonished and amazed... but the Conchiglia have been waited millenniums ago.
 They always wait in the entire world for you
 as symbol of life and continuation.
 You are a " door " that many will cross...
 and who believe in God the Father they will make it...
 Strangers are the worlds that you will see submissive to My Saint Will.
 It doesn't have to get scared you this New Life that is about to arrive.
 You will furrow the New Skies with the love that you have in the heart.
 The Conchiglia is something special that lives alone in the bottom of My sea.
 Is in the water the principle of life and in water it begins the mother's womb.
 The Conchiglia is an empty shell now that is with Me here...
 You see her on the Earth... But she already belongs Me.
 Your shell is subtle but strong to the great wind...
 that now it will hit the whole Earth.
 Oh Conchiglia... My Conchiglia...
 under the waves of My sea I have picked up you very slowly
 to teach you the Light, infinite and immense Love.
 A Conchiglia is not anything but it contains the purity...
 the purity of a " Pearl " that we have only given to you.*

Conchiglia... Conchiglia...
the human hearing feels the sounds that are outside
the attentive hearing feels the sounds of the Voice of God.
It is a charming Sound that sound is not
it arrives speedy and invades the mind and heart at the same time.
It is a Sound full with Divine Presence that invades the soul and body
creating a Coalition of Supernatural Love.
That one who feels the Sound of God is a privileged soul without any merit
but is a soul with the heart tenderly united to that God.
That one who hears the sound of God is a creature subject to all the insults
because the demon is envious of the Gift that the man receives from God.
Jesus wants a special position in your heart.
He wants to be listened by attentive hearings
that can also perceive the Sound that is not ".
Yes Conchiglia because it is so that happens among us!
You perceive the Sound that is not ".
The Sound of My wonderful Voice that is delicate to the unlikely one...
but it is virile and majestic at the same time.
Me Jesus... Me Man... Me God... Me Everything...
I love the Grace... I love the Beauty... I love the Purity... I love the Chastity.
I love, I love, I love... since I am the Love.
Conchiglia...
count the siblings what you feel in your heart when in seclusion you pray...
I will help you to describe the wonderful sensations that I have donated you in this day:
" Brothers and sisters... children of God as me and for this reason I love you!
Come closer a little solely since I will speak in low voice.
An intense heat invades me when I feel in me the Holy Spirit.
It is like a light caress on the heart...
but then it is spread slowly in all my Being!
I feel chills and I perceive the Love...
that pure and Divine Love of God that makes me wish the silence and solitude.
Each thing disappears of surroundings... anything has importance.
any thing that is not pray becomes in not very important, it is almost useless.
Suddenly grows the desire of God and I'd want to hug Him
I wanted to speak face to face with Him to tell Him all my love.
It invades me a sublime fondness that would never be able to describe...
since it is a languid interior search
that it gets lost in the bends of the mind and heart.
It is a difficult search since surroundings the silence it is incomplete.
It is like wandering in a labyrinth looking for an exit.
but suddenly there is a wall... and then other more...
But, where do I find the exit oh my God?
And here it is a gleam of light... here it is a subtle crevice
here it is a sunbeam that is introduced slowly... and I sense the exit is near.
I hurry in pray invoking the Holy Spirit
and here it is finally... the Smile of God!
It is Him... I feel Him and I see Him. How?
In the light... in the sun, rain and wind...

and lifting my eyes to the Sky I tell Him... oh God am here!
I am here... I am here... Lord I come
I am here... I am here... Lord be completed in me Your Will. "
In the space that seemingly can seem empty
because of the immense distances between planets and galaxies... The Word is God.
If the Word doesn't indicate to God... God seemingly doesn't exist
because it is Pure Spirit in Essence.
In this Fullness Times of the Manifestation of the Holy Trinity
the world through these Words can know is God Who speaks...
God Who communicates with His creature
God that Who teaches and wants to imply the man...
to follow Him in the Project of Resurrection of the Man
who selection after selection is perfected more and more
Getting the perfect human state wanted by the Father.
Yes... the men that spiritually are together to God
they are resuscitated men because the man that is private of the Spirit of God...
is dead man of spirit "... it is flesh that walks as an animal
only that is intelligent because of the reason inherited by Cain
From the First perfect Man captured by God
that from the beginning has been for him Father and Mother.
Of the supernatural conception it has already been said in the " Genesis "
The man's will... his free will... it can alter the plans of God.
I have said to alter them and not to destroy them
since God also speaks today to the world through who He has chosen...
God suffers the man's outrage
and none and not even the current Church
it can impede to God of working through the Word
that gives knowledge of Truth and doesn't have limit of time.
And the past... the today... and the tomorrow... it is always the Present of God.
through me, the Word... God... it spreads the hand to the man
to bring him safe from the abyss in which has slipped and is to collapse.
The Hand of God is a non common Hand...
it is a Hand in which there are a force and an Infinite Energy
it is a resolved Hand to take the Project ahead like settled down in the Origin
because like has already been said...
the project has been altered but not destroyed.
The Father through Jesus and Mary... has been shown to the world
and the Redemption is in act... it is present and the present in God doesn't finish
because for God the time it doesn't exist as the space as well.
The Hand of God is an Alive Hand
it is a Hand of Heart pulsate... it is a Hand that dominates the Universe
it is a Hand inside which the Powers of Heaven are implied
that vibrate... whip and illuminate.
Blessed those men that will understand these Words
that understand that this it is the Time of the Mercy of God.
Yes... God through these Words donates His Heart to the miserable one to make it rich of Him
to make them wise men about the Sacred Truths and to donate them Love.
And it is Love the Sacred Spirit that is donated.

*The Sacred Spirit has Creative Function... has power of re-creates Himself
 He has power of being audible through the Word that is Sound in the mind before.
 Yes... since the mind that welcomes these Words...
 reading them it feels the sound that is not " in the visible of the letter
 that it is the consequence of the one who firstly and without the aid of the letter
 Due to the fact of being in direct Contact with the Essence of God
 through heart and mind...
 he hears in him the VOICE OF GOD... he hears in him, yes the sound that is not ".
 From the depth of the Celestial Heights God see you and feels you.
 From the depth of the marine abysses... God sees you and feels you.
 From the depth of my heart God emerges because He is the I Am...
 and a New Music of infinite melodies Sounds
 pleasant to each attentive hearing.
 It is sometimes a tender and sweet music
 it is sometimes a cheerful music
 it is sometimes an imposing music
 but the notes are always Notes of Love that minds and hearts they penetrate
 emanating note after note His Infinite Love.
 The Authentic and Only Love
 it is presented to you with the sound of the word so that you understand it.
 Without Word your mind it would be empty of everything.
 It is the Word that entering in you
 Slowly full the spaces of your human reason.
 Without the assimilation and understanding of the Word
 it cannot have a relative and rising action
 due to the reception of the given message.
 " The Word once entrance in you
 it descends to the heart and it raises deep feelings
 that you not even know how to value and to explain.
 Only God knows how to be made recognize Him by His creature
 desolated at each level because of the Original Sin.
 God had to become an anything for re-creates Himself in the man His creature
 through the Holy Spirit... through His Will.
 Is Jesus the Verb made Flesh... the Sound made Flesh
 the word made Flesh has come to inhabit among you to be close...
 and help you to explain that one which was not able to understand
 and which is not still understood.
 In this Fullness of the Times you can understand each Word
 and to use it for the spiritual growth of you.
 Look:
 Your minds through your eyes that are reading
 absorb My Word which while you pronounce It reading it aloud... it becomes Sound.
 But in me Conchiglia it is sound that is not " since I have it in me.
 and I write It without speaking, still and in silence.
 My surroundings become silence since Jesus invades me of Him and in me He is.
 Jesus is the Pearl that is in Conchiglia that contains Him and protects Him
 " The Sound that Is not " it is majestic and sublime Sound
 it is created Sound and at the same time non audible because created by God Himself.*

*It is Sound that circulates to the interior of the Holy Trinity
 Reserved manifestation to the Sacred Spirit that is Love in Essence... it is God.
 What the music is? The music is sound that feels ".
 The music contains a group of sound vibrations
 that mixed among them harmoniously makes pleasant the sound that feels ".
 The sound that feels is part of the visible world
 the Sound that is not ". it is part of the invisible world
 that one that for you is solely imaginary but that exists in God.
 The music is carried out through the man's creative interior part
 that through the notes combined among them it transforms the sound in melody.
 Such a melody adapts to the man's interior demands
 and the tones can vary so that a cheerful or sad music is perceived.
 The music becomes this way the man's company and accomplice of his state of spirit
 Becomes moral support of his spiritual convictions not comprehensible to others
 Becomes lover of the interior myself of the man...
 that with it moves away in solitude to be a single thing.
 Yes... the man and the music become special couple
 that on the outside none can see but that it exists.
 The man in the music finds his ideal couple that consoles him and accompanies him
 and it never contradicts him because it is obvious...
 that if a man listens cheerful music his state of interior spirit it is cheerful
 and if sad music listens his state of interior spirit it is sad.
 It is possible that the man doesn't realize
 that the music can be help... if it is sacred... to bring him near God?
 The music is Art.
 The music... if it is sacred... it becomes Sacred
 Becomes vehicle that can transport the man's interior state toward God.
 Everything has been given to the man in help to live in harmony on the Earth.
 The music is used little in the good and a lot in the wrong
 yes since the enemy of God that knows this...
 he inspires malicious music that attracts to himself to the masses of young
 that in this way always more they move away from God.
 Jesus... knowing my state of interior spirit
 He has not found in the world any capable note to my heart
 and then He has given me Himself and He has entered in me
 donating me the Sound of His Divine Word... the Sound that is not ".
 The Conchiglia represents the hand of God
 that sustains the world through the given word but there is more... much more
 unfathomable mystery for any human mind.
 Conchiglia of the Life that in herself contains the Trinitarian Mystery
 welcoming in herself extraordinarily the Father's Feminine and Masculine part
 that is God Unity in Essence.
 Conchiglia that welcomes... contains and gives the Verb made Sound and Word.
 Conchiglia that listens... accepts and manifests the Will of God for the man
 Who early becomes attentive and while waiting for events to him unknown and misunderstood.
 Conchiglia that rotating on itself disappears
 since the speed hides it to each even attentive eye.
 Conchiglia that rotated covers and protects in its the heavenly Creation...*

*Conchiglia... my representation will confuse the mind of each know-all
 but the Blessed Trinity that is in me invites me to the calm and the interior peace.
 The Silence of God corresponds to my interior silence...
 silence that makes anxious waiting for the events to come
 since it is in the silence of the heart
 that the most delicate noises, the sighs of love and tears are perceived...
 The interior silence is necessary to meditate the Things that are of God.
 The interior silence is necessary to realize the danger that concerns.
 The interior silence is necessary to grow in Spirit and Truth in Wisdom and Grace.
 The interior silence is necessary to pick up the own forces.
 The Supreme Love that makes it Flesh is Supreme Love to the umpteenth power
 since only if it is big it is really loved to become small in everything.
 The littleness of the Alive God is at all the true greatness
 and the man that is rediscovered in the own nature
 is not able to suffer and to delight of this.
 How much Harmony in these Words... all Wisdom... as much as Love...
 The Words that I say should be considered... they should be savoured... they should be liked
 since only this way the Words acquire the true value that I have put them.
 In them it is the true sense of the Life, of the True Life in God
 and who lives in God lives in itself for God and God lives in it like in a Temple.
 They are Words of Light and not all of them will understand them
 but to the sound of my voice the hearts that love me and welcome me they vibrate of love.
 This is melody made by the sounds of the nature
 it is melody made from new tunings unknown by the know-all...
 since God is jealous of the love that has for me and that He sings me.
 It is melody made of arches with strained strings
 so that who hears that sound then says... What moving sound this is?
 It enters in the heart and in the head and leaves an indelible print in the heart.
 The sound that you will hear... it will be a sound that will surround you of love
 and it will create an atmosphere of delight and pray.
 It will be a sound that enters in a first moment in the mind
 and then it expands in the being created by God that is the man.
 It will be a sound that will almost imitate the fronds of a small cedar of the Lebanon.
 small yes... but robust and straight.
 It will be a sound that will only be perceived by the pure of heart
 and it will be a sound only made for the listeners of the Divine Love.
 It will be a sound that will lower very slowly until rolling the soul that he/she listens to it
 it will be since a wonderful and delicate sound the notes that compose it...
 they are made of silence.*

God bless you Holiness
 God bless the Holy Catholic and Apostolic Church
 and the Divine Mary, Our Lady of Guadalupe protects you
 in the Name of the Father
 of the Mother
 of the Son
 and of the Holy Spirit.
 Amen.

THOROUGH EXAMINATIONS

CARDINALS HOPING FOR A 5TH MARIAN DOGMA

ROME, Tuesday, February 12, 2008
(ZENIT.org)

Five cardinals have sent a letter inviting prelates worldwide to join them in petitioning Benedict XVI to declare a fifth Marian dogma they said would “proclaim the full Christian truth about Mary”. The text, released last week, includes the petition that asks the Pope to proclaim Mary as “the Spiritual Mother of All Humanity, the co-redemptory with Jesus the redeemer, mediatrix of all graces with Jesus the one mediator, and advocate with Jesus Christ on behalf of the human race”. The signatories of the letter are five of the six cardinal co-sponsors of the 2005 International Symposium on Marian Co-redemption, held in Fatima :

CARDINAL TELESFORE TOPPO, ARCHBISHOP OF RANCHI, INDIA;

CARDINAL LUIS APONTE MARTÍNEZ, ARCHBISHOP EMERITUS
OF SAN JUAN, PUERTO RICO;

CARDINAL VARKEY VITHAYATHIL, MAJOR ARCHBISHOP
OF ERNAKULAM-ANGAMALY, INDIA;

CARDINAL RICARDO VIDAL, ARCHBISHOP OF CEBU, PHILIPPINES;

CARDINAL ERNESTO CORRIPIO Y AHUMADA, ARCHBISHOP EMERITUS
OF MEXICO CITY.

CARDINAL EDOUARD GAGNON, WHO DIED LAST AUGUST, WAS THE SIXTH CARDINAL CO-SPONSOR OF THE 2005 CONFERENCE. HE WAS THE PRESIDENT OF THE PONTIFICAL COUNCIL OF THE FAMILY FROM 1974 UNTIL HE RESIGNED IN 1990.

The secretariat of the five cardinals co-patrons released the English translation of the letter, which includes a translation and the original Latin text of the "votum", or petition, that was formulated in 2005 and presented formally to the Pope by Cardinal Telesphoro in 2006.

The petitions states: "WE BELIEVE THE TIME OPPORTUNE FOR A SOLEMN DEFINITION OF CLARIFICATION REGARDING THE CONSTANT TEACHING OF THE CHURCH CONCERNING THE MOTHER OF THE REDEMER AND HER UNIQUE COOPERATION IN THE WORK OF REDEMPTION, AS WELL AS HER SUBSEQUENTE ROLES IN THE DISTRIBUTION OF GRACE AND INTERCESSION FOR THE HUMAN FAMILY ".

ECUMENISM

Pointing to ecumenical concerns, the petition continues: " It is of great importance [...] that people of other religious traditions receive the clarification on the highest level of authentic doctrinal certainty that we can provide, that the Catholic Church essentially distinguishes between the sole role of Jesus Christ, divine and human Redeemer OF THE WORLD, AND THE UNIQUE THOUGH SECONDARY AND DEPENDENT HUMAN PARTICIPATION OF THE MOTHER OF CHRIST IN THE GREAT WORK OF REDEMPTION ".

THE TEXT ADDS THAT THE MOVE WOULD BE "THE ULTIMATE EXPRESSION OF DOCTRINAL CLARITY AT THE SERVICE OF OUR CHRISTIAN AND NON-CHRISTIAN BROTHERS AND SISTERS WHO ARE NOT IN COMMUNION WITH ROME ".

IN A PRESS STATEMENT RELEASED ALONG WITH THE LETTER, THE CARDINAL CO-SPONSORS REITERATED THE SAME ECUMENICAL CONCERN AND SAID THE PROCLAMATION OF A FIFTH MARIAN DOGMA WOULD BE A "SERVICE OF CLARIFICATION TO OTHER RELIGIOUS TRADITIONS AND TO PROCLAIM THE FULL CHRISTIAN TRUTH ABOUT MARY ".

The statement added, "this initiative also intends to start an in-depth worldwide dialogue on Mary's role in salvation for our time. [...] Should this effort prove successful, a proclamation would constitute a historical event for the church as only the fifth Marian dogma defined in its 2,000-year history".

CARDINAL APONTE MARTÍNEZ, ONE OF THE CARDINAL CO-PATRONS SAID: "I BELIEVE THE TIME IS NOW FOR THE PAPAL DEFINITION OF THE RELATIONSHIP OF THE MOTHER OF JESUS TO THE EACH ONE OF US, HER EARTHLY CHILDREN, IN HER ROLES AS CO-REDEEMER, MEDIATRIX OF ALL GRACES AND ADVOCATE ".

"To solemnly proclaim Mary as the spiritual mother of all peoples is to fully and officially recognize her titles, and consequently to activate, to bring to new life the spiritual, intercessory and functions they offer the Church for the new evangelization, and for the humanity in our serious present world situation".

MARY CO-REDEEMER

An alive debate has been in course for some decades sustained by Priests, Bishops and Catholic faithful not consecrated that has the purpose to declare the Marian Dogma of Co-Redeemer, in other words **Redeemer at the same time** with Her Son Jesus, Dead and Born-again for the Salvation of men.

The President Emeritus of the Pontifical Council of the Family, Cardinal. Edouard Gagnon, (1918-2007), referring to the arguments in favour of Mary Co-Redeemer Dogma says:

† EDOUARD CARDINAL GAGNON, P.S.S.

President Emeritus of the Pontifical Council of the Family

"... it is about studies that in continuity with the philosophical, theological and magisterial tradition of the Church, in fidelity to the new instances of the Council, demonstrate the solid foundation of title Co-redeemer attributed to the Virgin; on terminological validity and their opportunity.

It cannot refuse that exists now even in the Catholic people, almost an universal waiting for the official gesture of the Teaching of Church defines the authentic sense of the role the Mother of Jesus in redemption completed by Him in obedience to designs of the Father.

Personally I have received hundreds of letters of favourable Bishops the proclamation of the Dogma Co-Redeemer. It is to be about Bishops close to "sensus fidelium" of their flock, but Bishops that have been also authority in the theological field, professors in Faculty Schools and Seminars.

They are of opinion that a definition would give to the Marian devotion necessary stimulus for our more and more needy world to commended Mary, and also would give a clarity in doctrine, in concepts and terms, necessary to avoid falsifications and deviations.

But next to those who wants a dogmatic declaration, it is manifested of some parts indecisions and also oppositions. It doesn't have to surprise us: it has happened the day before all big definitions. And that providential occasion gives studies and positive debates. In fact is important the Teaching of the Church more solemn definitions are preceded by searches, explanations and discussions multidisciplinary. It takes advantage not only of the purity faith but also science.

The reflections previous to the definition of Mary's Divine Maternity, for example, have helped the same metaphysics in the intelligence of concepts about person, substance and nature.

The reflections previous to definition of Immaculate Conception have allowed to understand in its fullness the Father's saving plan, universality of the salvation in Christ, the dynamism of sanctify grace.

*Debate previous the Dogma of Assumption of Mary to Heaven in soul and body it has raised interest in more thoroughly studying her role in the incarnation and Redemption. It has contributed to determine as **the Tradition it is necessary to discover the whole content of the revelation that is developed progressively in the faith of the Church starting from the Writing.***

The Marian privilege of the Assumption, such as it has been defined, drives us to recognize the role that she has had with Jesus Christ in the work of redemption.

The studies that are made now with love and care to prepare an eventual proclamation of the new Dogma constitute an essential contribution to what has to be the conclusion of intense pray on behalf of the whole Church and, on behalf of the Teaching, the result of a mature reflection sustained by the Holy Spirit.

The work that we present possesses a line of particular merits. It still answers to queries and concerns present in minds. It contains elements that will help to explain the exact sense of the eventual new dogmatic proclamation and that will give pastoral fruits.

*With their competition recognized in the corresponding fields authors of the present studies they are not satisfied of answering to certain specialists "in study", those take wrong the fact of having been preceded by popular movements in the initiative of supplications to the Pope, and they persist to ignore the Pope's recent affirmations. The other hand they show that **Co-redemption is the logical consequence of the interpretation that Fathers of the Church and the Teaching have constantly presented always of the revelation and the faithful expression of the trust manifested toward the Virgin in Liturgy and popular devotion.***

The wide bibliography that they make reference demonstrates the perfection of information. And the personal reflection that they have made on that immense material tells us they are also shepherds accustomed to evangelize in depth. May the Virgin welcomes this new homage to her beauty and even stimulates us to collaborate to the redemption of the World.

The huge Studies about Mary Co-Redeemer, sum the easily verifiable cultural patrimony of the Sacred Writing and the Catholic Tradition. The argument of the Co-redemption, based and structured on a great number of Foundations Biblical-patristic and Magisterial, it is not possible to be proposed in this place and it invites men and women of good will to a personal deepening to which is postponed:

With the beatified Maria Luisa Trichet founded the Daughters of the Wisdom congregation. Died in Saint Laurent Sur Sèvre in April 28, 1716, while he was preaching in a mission. Was proclaimed Saint by the Pope PIO XII in July 20 1947.

"Just as in naturally and bodily generation there is a father and a mother, so in the inn the supernatural and spiritual generation there is a Father who is God and a Mother who is Mary.

ALL TRUE CHILDREN OF GOD HAVE GOD FOR THEIR FATHER AND MARY FOR THEIR MOTHER; ANYONE WHO DOES NOT HAVE MARY FOR HIS MOTHER, DOES NOT HAVE GOD FOR HIS FATHER. This is why the reprobate, such a heretics and schismatics, who hate, despise or ignore the Blessed Virgin, do not have God for their Father though they arrogantly claim they have, because they do not have Mary for their Mother. Indeed if they had her for their Mother they would love and honour her as good and true children naturally love and honour the mother who gave them life. AN INFALLIBLE AND UNMISTAKABLE SIGN BY WHICH WE CAN DISTINGUISH A HERETIC, A MAN OF FALSE DOCTRINE, AN ENEMY OF GOD, FROM ONE OF GOD'S TUR FRIENDS IS THAT THE HERETIC AND THE HARDENEDSINNER SHOW NOTHING BUT CONTEMPT AND INDIFFERENCE FOR OUR LADY. HE ENDEAVOURS BY WORD AND EXAMPLES, OPENLY OR INSIDIOUSLY - sometimes under specious pretexts - to belittle the love and veneration shown to her. God the Father has not told Mary to dwell in them, because they are, alas, other Esaus"

(Treatise on True Devotion to the Blessed Virgin Mary - Pauline Edition - 1992 § 30)

" AS IN THE NATURAL LIFE A CHILD MUST HAVE A FATHER AND A MOTHER, SO IN THE SUPERNATURAL LIFE OF GRACE A TRUE CHILD OF THE CHURCH MUST HAVE GOD FOR HIS FATHER AND MARY FOR HIS MOTHER. If he prides himself on having God for his Father but does not give to Mary the tender affection of a true child, he is an impostor and HIS FATHER IS WITHOUT DOUBTS THE DEMON." , (The Secret of Mary - Montfort Edition - 1998 §11.5:)

16. 10, Mary is called by St. Augustine, and is indeed, the "Living mold of God". In her alone the God-man was formed in his human nature without losing of the Godhead. In her alone, by the grace of Jesus Christ , man is made godlike as far as human nature is capable of it.

A sculptor can make a statue or a life-like model in two ways: 1, by using his skill, strength, experience and good tools to produce a statue out of hard shapeless matter; 2, by making a cast of it in a mould. The first way is long and open to all sorts of accidents. It only needs a faulty stroke of the chisel or hammer to ruin the whole work. The second is quick, easy, straightforward, almost effortless and inexpensive, but the mould must be perfect and true to life and the material must be easy to handle and offer no resistance. (The Secret of Mary - Montfort Edition)

219. Please note that I say that saints are molded in Mary. There is a vast difference between carving a statue by blows of hammer and chisel and making a statue by using a mould. Sculptors and statue-makers work hard and need plenty of time to make statues by the first method. But the second method does not involve much work and takes very little time. St. Augustine speaking to our Blessed Lady says, "You are worthy to be called the mould of God." Mary is a mould capable of forming people into the image of the God-man. Anyone who is cast into this divine mould is quickly shaped and molded into Jesus and Jesus into him. At little cost and in a short time he will become Christ-like since he is cast into the very same mould that fashioned a God-man. (Treatise on the True Devotion to the Blessed Virgin Mary - Montfort Edition)

219. There is not and there will never be, either in God's creation or in his mind, a creature in whom he is so honoured as in the most Blessed Virgin Mary, not excepting even the saints, the cherubim or the highest seraphim in heaven. Mary is God's garden of Paradise, his own unspeakable world, into which his Son entered to do wonderful things, to tend it and to take his delight in it. He created a world for the wayfarer, that is, the one we are living in. He created a second world - Paradise - for the Blessed. He created a third for himself, which he named Mary. She is a world unknown to most mortals here on earth. Even the angels and saints in heaven find her incomprehensible, and are lost in admiration of a God who is so exalted and so far above them, so distant from them, and so enclosed in Mary, his chosen world, that they exclaim: "Holy, holy, holy" unceasingly. (The Secret of Mary - Montfort Edition).

21. Let us not imagine, then, as some misguided teachers do, that Mary being simply a creature would be a hindrance to union with the Creator. Far from it, for it is no longer Mary who lives but Jesus Christ himself, God alone, who lives in her. Her transformation into God far surpasses that experienced by St Paul and other saints, more than heaven surpasses the earth. Mary was created only for God, and it is unthinkable that she should reserve even one soul for herself. On the contrary she leads every soul to God and to union with him. Mary is the wonderful echo of God. The more a person joins himself to her, the more effectively she unites him to God. **When we say "Mary", she re-echoes "God"**. When, like St Elizabeth, we call her blessed, she gives the honour to God. If those misguided ones who were so sadly led astray by the devil, even in their prayer-life, had known how to discover Mary, and Jesus through her, and God through Jesus, they would not have had such terrible falls. The saints tell us that when we have once found Mary, and through Mary Jesus, and through Jesus God the Father, then we have discovered every good. When we say "every good", we except nothing. "Every good" includes every grace, continuous friendship with God, every protection against the enemies of God, possession of truth to counter every falsehood, endless benefits and unfailing headway against the hazards we meet on the way to salvation, and finally every consolation and joy amid the bitter afflictions of life. THE CATECHISM OF THE CATHOLIC CHURCH

To the voice **WOMAN**: § 239 - By calling God "Father", the language of faith indicates two main things: that God is the first origin of everything and transcendent authority; and that he is at the same time goodness and loving care for all his children. God's parental tenderness can also be expressed by the image of motherhood, which emphasizes God's immanence, the intimacy between Creator and creature. The language of faith thus draws on the human experience of parents, who are in a way the first representatives of God for man. But this experience also tells us that human parents are fallible and can disfigure the face of fatherhood and motherhood. We ought therefore to recall that God transcends the human distinction between the sexes. He is neither man nor woman: he is God. He also transcends human fatherhood and motherhood, although he is their origin and standard: no one is father as God is Father.

To the voice **WOMAN**: § 355 "created man in his own image, in the image of God he created him, male and female he created them." Man occupies a unique place in creation: (I) he is "in the image of God"; (II) in his own nature he unites the spiritual and material worlds; (III) he is created "male and female"; (IV) God established him in his friendship.

St. MAXIMILIAN MARIA KOLBE MARTYR

«Who are you, Oh Immaculate? Who are you, oh Lady? Who are you, oh Immaculate? I am not able to examine in an appropriate way what means to be «creature of God». It already overcomes my forces understanding what it means to be «adoptive son of God». But you, Oh Immaculate, who are You? You are not only creature, you are not only adoptive daughter, but you are Mother of God and you are not only adoptive Mother, but true Mother of God. And it is not only a hypothesis, a probability, but a certainty, a total certainty, a Dogma of Faith.

But are You still Mother of God? Mother's title doesn't suffer mutations. Forever God will call You: «my Mother». That One Who has established the fourth commandment, will worship you forever.

Who are you, Oh Divine?

He the same incarnate God, loved to call himself: «The man's son». But men didn't understand Him. And also today how few are the souls that understand him and how imperfectly they understand him! Who is the Father? What is which constitute His Being? The generation, since He generates the Son, and for the eternity always generates the Son. Who is the Son? Is that one engendered, and of the Eternity he is engendered by the Father.

And who is the Spirit? It is the fruit of love from Father and Son. Fruit from the created love is a created conception. And the fruit of love, the prototype of this created love, is not nothing else that a conception. The Spirit, for that reason, is an uncreated, eternal conception, it is the prototype of any conception of life in the universe. Therefore, the Father generates, the engendered Son, the Spirit proceeds, and that's their essence, why they are distinguished the one from other one. The same nature, the divine existence for essence, unify them. The Spirit, therefore is a sacred, infinitely sacred, immaculate conception.

Holy Mary is united to the Holy Spirit in ineffable way, because she is his Bride, but it is an incomparably more perfect sense than that one that this term can express in the creatures. *What kind of Union is?*

It is above all interior, is their being's union with the being of the Holy Spirit. The Holy Spirit is in Her, lives in Her and from the first instant of her existence, always and forever.

What this life of the Holy Spirit in Her consist in? He same is love in Her, the Father's love and of the Son, the love with which God loves oneself, the love of the whole Holy Trinity, a fertile love, a Conception. In the created likeness, Union of love is strongest.

The Sacred Writing affirms that they will be two in one, cfr. Gene 2,24, and Jesus underlines: «***So they are no longer two, but one***» (Mt 19, 6).

In an incomparably more rigorous way, more interior, more essential, the Holy Spirit lives in the soul of the immaculate one, in her being and fertilize her, from the first instant of her existence for all her life, forever. This Uncreated Immaculate Conception conceives the Divine Life immaculately in the womb of her soul, Her Immaculate Conception. Even The virginal womb of Her body is reserved to Him; she conceives in the time - as all that is material it also happens also in the time the God-man's Divine Life.

So the return to God, the same and contrary reaction, proceeds in inverse way of the Creation. With the Creation such way comes from the Father for the Son and the Spirit, while here, through the Spirit, the Son is incarnated in Her womb and, for Him the love returns to the Father.

She, then integrated in the love of Holy Trinity from first instant of her existence, forever and eternal, filled out the Holy Trinity.

In the union of the Holy Spirit with Her, love not only joins these two Beings but the first of them is all the love of Holy Trinity while the second one is all the love of the Creation, and in such an Union Heaven unites with earth, whole heaven with whole earth, all Uncreated love with all created love: it is the summit of the love.

At Lourdes the Immaculate have not defines herself «Conceived without sin», but like tell the same St. Bernadette: «In that time Lady was on the bush of wild roses in the same attitude as it is represented in the miraculous medal. To my third question her face assumes a graveness expression and at the same time of deep humility . Joining the palms of her hands like in prayer, lifted up them until the height of chest . returned look toward Heaven . therefore, enlarging the hands slowly and leaning verse of me, she said with a voice, in which could notice a slight tremor:

« ***!Qué soy ér Immaculada Councepsiou!*** » (I am the Immaculate Conception !)

If among the creatures Bride receives the Husband's name for the fact that belongs him, she unites him, she becomes similar to him and, in union with him, she becomes creative factor of life, how much more the name of the Holy Spirit, «Immaculate Conception», is the name of That one in which He lives from a fertile love in the whole supernatural economy.

Their Union of Love with God go until the point that She becomes Mother of God. Father trusts her His Own Son, Son descends in her womb, while the Holy Spirit forms from Her body, the Sacred Body of Jesus.

POPE JOHN PAUL II

Mary's role, John Paul II says, has origin in same Triune God, who has wanted to carry out the big mysteries of history of salvation through responsible and faithful cooperation of humble maiden's of Nazareth" , (Pope John Paul II, International Colloquy of Mariology, Rome, October 13 2002).

Mary's pains have joined with Him, her sacrifice with that of Christ, (see Lumen Gentium 58). Inseparable then, inseparable now. Therefore, like Church teaches, She has ascended to Heaven in body and soul. **Therefore also is glorified. This deep union and co-redemptive suffering** underline her universal and maternal role of Mediator."

The first four Marian dogmas focalizing about Mary's life and her Assumption to Heaven. The fifth dogma wants now to formulate her universal role in the redemptive plan of God. "Indeed also after assumption to Heaven", says Vatican Council, has not interrupted this salvific duty, but by her constant intercession continuous to bring us the gifts of eternal salvation. (see Lumen Gentium 62)

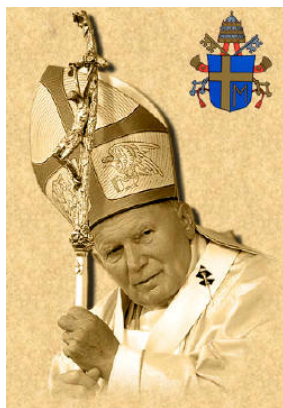

This role of Mary as Mediatrix and Co-Redeemer is not a human invention, it is a plan of God wanted by the Father, Son and Holy Spirit. Proclaiming this dogma in a solemn way, the Church would give its free consent to the redemption and it would glorify the own God recognizing His redemptive plan. This solemn proclamation would return possible to Mary of revealing the pre-eminence of titles and universal maternity fully and granting grace, redemption and peace" to Humanity and world. It is the road toward a new "Cana", which gives Mary the possibility to touch Son's Heart and carry out an unique effusion of the Holy Spirit in our dramatic times. It is the door of the new evangelization and true ecumenism in the third millennium.

«TOTUS TUUS» OF POPE JOHN PAUL II

There was a moment when I put somehow in discussion my cult toward Mary believing that it, expanding excessively, ended up to commit the supremacy of the cult due to Christ. So came to me in help St. Louis of Montfort book that takes the title of Treatise on the true Devotion to the Blessed Virgin. In it I found the answer to my perplexities (.). Author is a class theologian. His Mariology thought is rooted in the Trinitarian Mystery and in the truth of the incarnation of the Verb of God (.). I have explained the origin of the Totus tuus here. Expression derives of St. Louis of Montfort. It is the most complete abbreviation of trust to the Mother of God.» (John Paul II, Gift and Mystery, L.E.V, p. 38.)

THE MYSTERY OF INCARNATION:
THE HOLY SPIRIT
THE AUTHOR OF THE HIPOSTATIC UNION

by Pope John Paul II

1. In Symbol of Faith we affirm that the Son, One in Being with the Father, has been made man by the Holy Spirit. In Encyclical *Dominum et vivificantem* I wrote "the conception and Jesus Christ birth are the biggest work carried out by the Holy Spirit in the history of creation and salvation: the "supreme grace", 'the grace of union ', source of all other graces, like St. Thomas explains (cf. Summa Theol., III, q. 7, to. 13) . To 'the fullness of the times ' corresponds, indeed, a special fullness of the communication of God One and Triune in the Holy Spirit. "By the Holy Spirit" is carried out the mystery of "Hypostatic Union", this is, union of divine nature with human nature, of divinity with humanity in the Only Person of "Verb-son" (n. 50; cf. Roman L'Osservatore, edition in Spanish language, June of 1986, 8 p. 12).

2. It is about the mystery of Incarnation to whose revelation is bound - to the beginning of the New Alliance - of the Holy Spirit. We have seen in previous catechesis which have allowed us to illustrate this truth in their diverse aspects, beginning with Jesus Christ virginal conception, like we read in Luke's page on the announcement (cf. Luke 1, 26-38). It is difficult to explain the origin of this text without thinking on Mary's narration, only one that could give to know what had happened in Her in the moment of Jesus' conception. The analogies that have intended between this page and the other narrations of the antiquity, and especially of veterotestamentary writings, they never refer to the most important and decisive point, that is, virginal conception by the Holy Spirit. This constitutes, truly, an absolute novelty.

It is true that we read in the parallel page of Mathew: "All this took place to fulfill what the Lord had said through the prophet: The virgin will be with child and will give birth to a son and they will call him Immanuel which means "God with us" (Mt 1, 22-23). But, the execution overcomes the expectations. That is to say, the event includes new elements that had not been manifested in the prophecy. This way, in the case that interests us, the oracle of Isaiah on the virgin that will conceive (cf. Is 7, 14) it remained incomplete and, therefore, susceptible of diverse interpretations. The event of the Incarnation "fulfills" it a perfection that was unforeseeable: a really virginal conception is carried out by the Holy Spirit, and the Son given birth, in consequence, it is truly "God with us". It is not only an alliance with God, but the *real presence of God amid men*, by virtue of the eternal Son's of God Incarnation: an absolute novelty.

59

3. Virginal conception, therefore, is integral part of the mystery of Incarnation. Jesus' body, conceived in a virginal way by Mary, belongs to the person of the eternal Verb of God. In fact this is the Holy Spirit carries out when lowering on the Virgin from Nazareth. He makes that the man (the man's Son) *conceived by Her Be the true Son of God*, engendered eternally by the Father, One in Being with the Father, of who the eternal Father is the only Father. Still being born as man from Virgin Mary, it continues being the same Father's Son for who is engendered eternally. This way Mary's virginity puts of relief, in a particular way, the fact that the Son, conceived in Her by the Holy Spirit, is the Son of God. Only God is His Father.

The traditional iconography that represents Mary with the child Jesus among arms and it doesn't represent José next to Her, constitutes a silent but insistent testimony of her virginal maternity and, for that reason, the Son's divinity. In consequence, this image would rot very well to call itself the icon of Christ's divinity. We already find it at the end of the century II in a fresco painting of Roman catacombs and, successively, in countless reproductions. In particular, it is represented with touches of art and faith so effective for the Byzantine and Russian icons that go back to the most genuine sources in the faith: the gospels and the primitive tradition of the Church.

4. Luke refers the angel's words that announces Jesus' birth by the Holy Spirit: "The Sacred Spirit will come upon you and the power of the Most High will over shadow you" (Lk 1, 35). The Spirit of which evangelist speaks is the Spirit "that gives life". It is not only about that "blow of life" which is characteristic of the alive beings, but the Life of same God: the divine life. The Holy Spirit who is in God like blow of Love, absolute Gift (not created) from divine People, in the Incarnation of the Verb it works like blow of this Love for man: for the same Jesus, for the human nature and for the whole humanity. *In this blow the Father's love is expressed who loved so much to the world that gave to His only-begotten Son* (cf. Jn 3, 16). In the Son the fullness of the gift of the divine life resides for the humanity. In the Incarnation of the Son-verb it is manifested, therefore, in a particular way the Holy Spirit as that one "who gives life."

5. It is what in the Encyclical *Dominum et vivificantem* I called: "a special fullness of the communication of God One and Triune in the Holy Spirit" (n. 50). It is the deepest meaning in "Hypostatic Union", formula that reflects thought of the Councils and Patristic about the mystery of Incarnation and, therefore, about concepts of nature and person, elaborated and used on the base of the experience of distinction among nature and subject that all man perceives in itself. Person's idea had never been so highly certain and defined as it happened thanks to the Councils, after the Apostles and the evangelists gave to know the event and mystery of Incarnation of the Verb "by the Holy Spirit".

6. In consequence, one can say that in Incarnation the Holy Spirit also puts the bases of a new anthropology that it is illuminated in the greatness of the such human nature which glows in Christ. In Him, indeed, it reaches the highest vertex in the union with God, having been conceived by the Holy Spirit in a such way that oneself subject was son of God and of the man" (St. Thomas, *Summa Theol.*, III, q. 2, to. 12, ad 3). It was not possible to man ascend above of this vertex, as well as neither it is possible to the human thought to conceive a deeper union with the divinity.

POPE JOHN PAUL II TO THE BISHOPS OF EUROPE

Osservatore Romano, November 29, 1991

THE SPIRIT OF THE RESURRECTED LORD HAS NO FINISH SPEAKING.

«... The Spirit of the Resurrected Lord has no finish speaking. As affirms the Apostle John, he who believes shall do works greater than these (cfr Gv 14, 12). Not all has been revealed and that which we will be has not been made known yet: man is continuously solicited by the Spirit (cfr 1 Gv 3,2; Gaudium et Spes, 41). So, let us be guided by the Spirit. Is this not what man needs at the beginning of the third millennium?

And then – as St. Paul says we do not have down here a stable city (cfr Eb 13, 14), he is always more aware of the need to anchor one's own existence in Christ.

Is this not perhaps what the contemporary world greatly awaits for?...»
