

## MARY IS THE IMMACULATE CONCEPTION AND THEREFORE IS DIVINE

SHE HAS BEEN THE FIRST NEW MESSENGER OF GOD  
WHO BELIEVED IN HIM

Letter of Conchiglia

Prot. 08.165 - 08.12.08

Dear brothers and dear sisters,  
I am here to show Humanity the moment of the beginning of the True New Era.  
The New Era started with Holy Mary.

MARY, THE IMMACULATE CONCEPTION, AND THEREFORE DIVINE, HAS BEEN THE FIRST NEW MESSENGER OF GOD WHO BELIEVED IN HIS WORD AND GAVE IT TO HUMANITY IN BODY, BLOOD, SOUL AND DIVINITY THROUGH HER SON JESUS, FOR THE SALVATION OF THOSE CHILDREN THAT WOULD HAVE LOVED, WITNESSED AND SERVED HIM, AND ONLY FOR THEM!

Do not keep cutting the heads of the Messengers of God, to silence them so that they cannot be heard. Their voice is the Voice of God and therefore you cannot bear it, since it reveals and submits your Souls to Judgment of God. Sadness will be the fate of Messengers of God. They have been called to serve God and they will be scorned by the world. They will be derided, humiliated and not listened to. Yet meeting them could change your fate, from sinners to reformed children, to return to the Communion of love with Our Father.

God's Messengers shout through the deserts of the world, to prepare the way for Jesus, since he Returns in Glory. God's Messengers are Priestly Souls, that the world will make Martyrs without blood loss. Their blood is invisible, it flows from their torn heart through your wickedness and your betrayals. You lay them traps, you beat their souls, you provoke them, you insult them, you humiliate them because you do not love Jesus and His Word, which is offered through them.

**YOUR BEHAVIOUR TOWARDS JESUS IS THE SAME AS YESTERDAY AND YOU ARE FORCING THE MESSENGERS OF GOD TO A PAINFUL CALVARY.**

You are such hypocrites to put on their heads crowns of fake praise and mock honour. And your greater desire is to see them succumb so that you do not have to recognize your own sins and your moral failures. But do you know that they are Missionaries in a foreign country? Do you know that their spiritual strength overcome you for Divine Will? I underline their spiritual strength, since it is that which sustains them and lets them continue on their path, with enormous suffering with the total devotion of their lives.

Their will is not ordinary.

It is a strength that originates from their internal self where God resides as True King, since there is God in the inner self, the I Am, since the I Am is in every heart that welcomes Him and loves Him.

The Souls of the Messengers of God, are whipped to blood among thousands of torments every day and every night by Satan, who tries to persuade them in all ways to remove God from their heart so that they surrender to the sufferings caused by his servants. In this way God's Messengers cannot complete the Mission given to them by God and consequently you will not believe and will not be able to save your souls.

Well, I tell you that also Satan is a servant of God.

And very, very much against his wish, he is forced to participate in the Divine Project.

**AND I TELL YOU THAT THOSE WHO ARE ARROGANT AND PROUD ARE NOT GOING TO BE SAVED.**

Dear brothers and dear sisters in Jesus and Mary,  
God bless you  
and the Divine Mary, Our Lady of Guadalupe protects you  
in the Name of the Father 🌹  
of the Mather 🌹  
of the Son 🌹  
and of the Holy Spirit. 🌹  
Amen.
