Dear Pope Benedict XVI,
Priests, Bishops and Cardinals
Religious Men and Women

President of the Italian Republic Giorgio Napolitano
Leaders of the States of the World
Dear brothers and sisters...

by the Will of Jesus I am sending you this Revelation.

November 29, 2009 - 11.10pm - Jesus
First Sunday of Advent

"I AM.

I am Jesus Conchiglia... your God of Love

and for love I give to all of Humanity My Words.

Words of Truth that like sharp blades will enter as always into the flesh of men.

What pain will these Words that I am about to say will cause.

They are Words that intend to clarify there where there is confusion.

They are Words that intend to divide the children of God from the children of men.

Therefore pay attention on how to listen to these Words.

ABOVE ALL YOU PRIESTS...

because those who have Faith will be given the Light to comprehend

but to those who do not have Faith... will removed even that little light that they think to have.

AND IT IS WELL KNOWN TO YOU MY INTRANSIGENCE!

Therefore I make responsible all those who now read

and those who will read these Words

till everyone by their own spontaneous will do everything to make these Writings

reach the highest levels of the Church and to the Pope

and to the highest levels of the Nations and Leaders of every State.

Conchiglia...
 Invoke again the Holy Spirit.
 There My children and My brethren...
 I begin by taking examples even from your way of doing things to make things clear to everyone.
 Every public and private social sector has listeners in their own sectors.
 For example... if a Minister of Health
 intends to put order and innovate the sector of Health
 will refer to all the persons in charge of the relative Administration
 and to all of the Medical Doctors of every order and grade...
 to all of the Nurses and to all of the Personnel of cleaning.
 And so forth in the Industry... in Commerce and so on.
 Therefore I also refer to My true children and brethren
 and necessarily I will have to make a selection and divide the children of God from the children of men.
I HAVE COME TO JUDGE MEN
 till when the children who love Me receive from Me more Light and knowledge
 and till when those who say they love Me...
 but who instead trust only themselves and not God and are therefore not humble
 will receive nothing and will not understand these Words that regard also them.
 Mary My Mother is She who IS.
 And as I AM KING of the Universe... She Is the Queen of the Universe!
 I and Mary to represent the Masculine and Feminine Face of the Father on Earth.
 I in Essence... the Masculine part of the Father
 Mary in Essence... the Feminine part of the Father.
 Mary will crush the head of Satan
 through the voluntary submission of Her maid Conchiglia.
 Meanwhile a preamble that a question requires an answer.
 According to you why should Mary crush under Her foot the head of Satan?
 Is the « head » only a symbol?
 And why not all of the body or other parts of the body of Satan?
 Here is the answer: the force of Satan is not in his body.
 The body of Satan that is Evil in essence is materially represented by his followers
 by his representatives... those who have decided like him
 to rebel against the Project of the Creation of Man.
 For this I remind you that the Souls created by God in the Beginning were all equal.
 To everyone has been given the gift of free will.
 Of these Souls there are those who have chosen to not incarnate themselves
 and to perpetually praise the Father.
 There are those who have chosen to incarnate themselves to do work of goodwill.
 There are those who have chosen to incarnate themselves to contrast the work of goodwill doing evil.
 There are those who have chosen not to incarnate themselves to run and help the sister Souls in good.
 And there are those who have chosen not to incarnate themselves to run and help the sister Souls in evil.
 In fact the satanists invoke the devil and the rebel angels and the damned ancestors
 while instead the children of God invoke God through Mary
 and invoke the Angels of the Light and the Holy ancestors.
 Therefore I repeat:
 according to you why should Mary crush under Her foot « the head » of Satan?
 The head in Satan is a symbolism because Satan represents Evil in Essence.
 In the « head » at the material-body level...
 is the brain that is the site of Reason... of thought.
 The Thought can be either creator because it comes from God or destructor because it comes from Satan.

*Every good or bad Thought originates from the interior of man... from his Soul
 according to the primordial choice of every Soul before incarnating themselves on Earth.
 Satan acts through the Thought
 then the Thought commands the actions of doing... to the body
 till when certain actions materially do evil.
 The brain is like the motor of an automobile.
 Without the motor the automobile will not move.
 According to the driver the automobile will follow its trajectory
 either to reach at a specific point with the acquired attention and prudence
 or will veer and will end up disastrously in ditch.
 Therefore Mary will not use by humbleness towards God the Father and for love towards man
 any type of force or constriction.
 Mary will use the explanation through the Word and holy examples.
 Mary will crush the head of Satan by making her children reason
 that it cost her the price of the sufferance of the Death of the Son Who I am.
 Mary instant after instant through Her life and Her examples
 intends to instruct you as she has instructed Me Her Son on Earth.
 The Greatness of Mary you can not imagine!
 Without the YES of Mary I could not have incarnated Me on Earth.
 Without the YES of Her maid Conchiglia...
 I could not have instructed you through these Words... through the Holy Spirit Who is GOD.
 The Holy Spirit is the Manifestation of God in the Invisible that transforms itself into the visible
 in these written lines and that can be heard when you read out loud pronouncing these Words
 that are the trumpet of GOD... the voice of GOD that intends to gather all of His true children.
 Through these Writings that represent THE GREAT BOOK OF LIFE
 GOD through Me and Mary...
 intend to dismantle point by point the evil teachings of Satan
 to unmask him for what he really is: aspiring destructor of all Humanity
 and every being created by God in every point of the Universe.
 In fact you are not alone in the Universe!
 But there are those who have obeyed the loving directives of GOD
 and there are those who have rebelled... who has committed the Original Sin
 causing disorder and death on the Planet Earth.
 In the word « disorder » it is necessary to see also the word « order ».
 The word « disorder » must be broken down to « dis-order ».
 The disorder is evidenced when the things that have been order... are out of place...
 thrown where they should not be... piled in confusion.
 There then that I Jesus and Mary... in the Times established by the Father...
 have come to take back Our children who live in error...
 in the non-conscience of the Truth due to the Original Sin
 committed by the First Man.
 Earth therefore results to be as has been already said a long time ago to Conchiglia...
 the lost sheep of the Universe and because It is lost
 to help and guide towards the « Universal Flock ».
 Now to the word « Uni-verse » that represents the « Flock of GOD » His Creation...
 I add another word: « Multi-verse ».
 In « Multi-verse » here exists:
 other dimensions... other spaces... other Creations... other realities.
 And yet the « Multi-verse » is contained in GOD.
 Try a little to force yourselves to understand as best possible that which I have said.
 I know that it is not easy but it is a start.*

*Everything is apprehended from a start...
as when you were small you began to learn the alphabet... alpha = start.
You should all recognise yourselves as babies and not boast
because as you can well see you know nothing of the Truth of GOD.
Some of you are already rising to say that they know many things.
But children... not even in front of the evidence do you give up?
Your proud is unlimited!
You say to know many things...
yet you have reached a level of immorality that is unheard of.
From My Ascension... in two thousand years...
what have you done that is good for your Soul and for Earth?
I hear you say:
look at how many wonderful works Lord...
look at the parks... the constructions... the work of art... the inventions
the books... the science... the beauty of the cured bodies.
Now let's start...
from the **parks**
what have you done that is good? The parks are of GOD... His Creation.
You are not able to create even a small blade of grass
nor a grain of powder... from nothing.
You have just assembled some varieties plants already created by GOD.
The constructions:
without the prime materials that are necessary to make a brick you would have realised nothing.
In the end you have just placed one brick on top of another
and sooner or later all will crumple as has already crumbled and is still crumpling in all of the world.
The work of art:
beautiful! But they represent that which GOD has already created and that lives
while the works of art are without life... they are dead...
because the paintings and the statues do not move... they are idols.
The inventions:
that little that you have invented has created little benefit and a lot of disorder and injustice.
You have invented things that should have removed a little bit of work and fatigue
in order to give you more time to dedicate to the prayer...
o reflection... to give thanks to GOD.
Instead that advance time is used for in vain things and illicit enjoyments.
The books:
Good! Some should not even exist.
They describe atrocities... blasphemy... immorality... pornography and lies.
Others are good... they narrate the lives and examples of the children of God those you call Saints.
Even My Story and those of My ancestors on Earth.
But it is written only that which others have realised
with their lives and their work.
Nothing is yours!
Moreover that which is Mine and wanted by Me...
the Bishop that you impedes to publish the books.
To you the comments and the inherent conclusions.
The science:
what have you discovered?
Science is not a reality invented and realised.
Science is an open door to « MULTIVERSE »
so that by the Will of God you can glimpse at something and know something that exists since always.*

HAVE I SHUT YOUR MOUTH!

The beauty of the bodies:

*do not cheat yourselves believing that if you have beautifully cured bodies
you have reached the top of the beauty created by GOD.*

The bodies to be beautiful in their complexity must reflect the Soul.

*If they do not reflect the beauty of the Soul the body is ephemeral
and after a short time you well know that the bodies age... become ugly and die.*

*Even My Mother Mary has reached a considerable age on Earth
and though always beautiful she was not as when she was young of age.*

Therefore summing-up... how do you classify yourselves today... by yourselves?

Do you want to talk about your vices now?

I will speak to everyone but I principally refer to the Catholic Church.

**YOU HEAD OF THE CHURCH YOU ARE THE MIRROR OF THE WORLDLY SOCIETY.
IF THE HUMANITY THAT I HAVE LEFT YOU IN CUSODY HAS REACHED THIS STATE
OF MORAL DECAY YOU ARE VERY RESPONSIBLE.**

*Who should have followed and put into practice that which unfortunately...
even with the violence and the abuse of power and cheating your teachings have spread
they have done so in your imitation:*

with false testimony... with avarice... with lust... with greed

with homicide... with pride and sloth.

All the Priests that have become so

not by My Call but by their interests and goals... live in these capital vices.

**HE PRIESTS THAT I HAVE CALLED AND BELONG TO ME
ARE YOUR SACRIFICIAL VICTIMS AND MY SINCERE AND BELOVED SERVANTS
AND I LOVE THEM AND I CUSTODY THEM... AND I RAISE THEM TO MY FATHER
BECAUSE THEY RESEMBLE ME IN LOVE... IN THE WORKS AND IN THE CHARITY.**

I have shown to this child My Conchiglia...

all that you have done since My Ascension till today and I have told her: WRITE EVERYTHING.

But she got down on her knees with her heart and told Me:

« *I can not Jesus. I love the Priests to much. If I write everything my brothers and sisters who will
read... will vomit for the ugliness on these pages that I am writing between many sufferance and pain
both of the body and of the heart. Please Jesus accept my request that desires to protect and build
Your True Church because the small and simple people will be too scandalised. Already the multitude
of Your children and brethren do not enter anymore in the church Jesus... and look with suspicion
even to the few Priests who love You and who are faithful to You. I ask You my Jesus to have again
Mercy and not to enter into particularities because they are too obscene... foul and dishonest... and
painful. I am certain Oh my Jesus that Your children... those who You love well comprehend and at
the same time Evil will not be published freely. Oh my Jesus I put everything into Your Holy Hands
and into Your Will the Holy and righteous Justice in the Glory of GOD.»*

*Well you should know that I have accepted her intercession of love for all of you Priests
and I will not constringe her to write all of your evil doings that now... she well knows!*

Many are the Illustrious Names to whom I refer to without her writing them.

The Church has My protection and Satan will not prevail on Her.

BUT YOU... FROM NOW YOU WILL NOT HAVE MY PROTECTION!

TODAY I DENOUNCE YOU TO MY FATHER

AND TO HIM I WILL SAY YOUR NAMES ONE BY ONE.

Now He will do Justice because here can not be peace and agreement where there is not Justice.

Therefore I demand...

*THAT ALL OF THE PRIESTS PAEDOPHILES
AND THOSE WHO HAVE JUSTIFIED AND PROTECTED THEM...
GO OUT OF THE CHURCH OF GOD. YOU ARE NOT WORTHY!
ALL OF THE STEALERS AND MEDDLERS... OUT!
THE HOMOSEXUALS... OUT!
THEY MUST NOT TOUCH ME AFTER THEY HAVE TOUCHED SOMETHING ELSE.
THE KILLERS AND THE SENDERS OF THE KILLERS... OUT!
THE MERCHANTS OF THE TEMPLE...
THOSE WHO USE THE RICHES OF THE ANCIENT CHURCH
FOR PROFIT... OUT!
THE EMPLOYEES OF THE DEVIL... OUT!
THE DISOBEDIENT OF THE GOSPELS... OUT!
YOU DO NOT REPRESENT ME
AND YOU DO NOT EVEN RESPECT THE MINIMUM HUMAN RIGHT...
TOWARDS THE POOR AND THE INDIGENT.
You should sell every thing to feed every little child of Mine
who dies of hunger... of cold and privation.
YOU SHOULD BE ASHAMED.
I DO NOT KNOW YOU! ”*
