First Sunday of Advent

Registered letter R.R

Dear Pope Benedict XVI,
Priests, Bishops and Cardinals
To men and women of religion

Italian President Giorgio Napolitano
Heads of State of the World
Dear brothers and sisters...

I send you this Revelation by the Will of Jesus.

November the 29th 2009 - 11:10pm - Jesus
First Sunday of Advent

“ I AM.

I am Jesus Conchiglia... Your God of Love.

I give My Words to Humanity out of love.

Words of Truth that as always will penetrate men's flesh as sharp blades.

What suffering daughter the Words I am about to speak will cause.

These are Words that are meant to clarify where there is confusion.

These are Words that are meant to divide the children of God from the children of men.

So pay attention to how you listen to these Words.

ESPECIALLY FOR YOU PRIESTS...

Because to those who have Faith Light will be given to comprehend...

but to those who do not have Faith even that little light that they believe they have will be taken away.

IT IS KNOWN TO YOU VERY WELL MY INTOLERANCE!

I hold responsible therefore all of those who are now reading these Words

and those who will read them so that everyone by their own free will

will try their best to deliver these writings to the Height of the Church and the Pope

and up to the Summit of Nations and the Heads of State.

Conchiglia...

Invoke the Holy Spirit again.

Hear My children and My brothers...

In order to clarify things to all I start by giving as an example your way of doing things as well.

Every social department public and private has their own departments.

For example... if one Minister of Health

intends to get things right and to reform within the Health department

he will turn to the responsible party in charge of the pertinent Administration

and to all of the Doctors of every order and rank...

including the Nurses and the Cleaning Employees.

And the same in the Industry department... in the Trade Business and other such.

Therefore I too will turn to My true sons and brothers

and I'll have to make a selection and divide the children of God from the children of men.

I CAME TO JUDGE MEN

So that the children who love Me may receive more of my Light and Knowledge

and those that claim to love Me...

those that instead only rely on themselves instead of trusting in God and lacking humility

they will not receive anything and won't understand these Words that are meant for them as well.

Mary My Mother is She who Is.

And in the same way that I am the King of the Universe... She is the Queen of the Universe!

Mary and I together represent the Male and Female Face of God the Father on Earth.

I in Essence... Am the Male Part of the Father.

Mary in Essence... is the Female Part of the Father.

Mary will crush Satan's head through the voluntary submission of Her servant Conchiglia.

Meanwhile I make a preliminary statement with a question that requires an answer.

Why is it according to you that Mary will have to crush Satan's head under Her foot?

Is "the head" only a symbolism?

Why not all of the body or other parts of Satan's body?

Here is the answer: the strength of Satan is not in his body.

Satan's body which is Evil in essence is physically represented by his followers

his envoys... the ones that like him

decided to rebel against the Project of the Creation of Man.

For this reason I remind you that in the Beginning all Souls created by God were equal.

To each one was given the gift of freedom of choice.

Of those Souls were the ones that chose not to become incarnate but praise God the Father forever.

There were those Souls who chose to become incarnate to accomplish good deeds.

Those Ones who chose to become incarnate to do evil instead of good.

Then there were those Souls who chose not to become incarnate

but to assist and help the incarnate sister ones doing good.

And those Ones who chose not to become incarnate but to aid the incarnate sister Souls doing evil.

As a matter of fact Satanic people invoke Satan the fallen angels and the demon's ancestors;

while on the other hand the children of God call upon God through Mary

and invoke the Angels of Light and the ancestors who are the Saints.

Therefore I repeat:

why is it you think that Mary will be obliged to crush Satan's "head" beneath Her foot?

Satan's head is a symbolism because Satan is represented by Evil in Essence.

Inside the "head" at a physical-material level...

there is the brain which is the center of Reason... of Thought.

The Thought could be a creator if from GOD or destroyer if from Satan.

Every thought good or evil originates from within a man from his Soul
 depending on the original choice of each Soul before becoming incarnated on Earth.
 Satan acts through Thoughts
 then Thought sends to the body the actions chosen
 so that certain actions physically commit evil.
 The brain is like the engine of a car.
 Without the engine the car is not moving.
 The car will travel depending on the driver;
 to get to a determined destination it will either get there with due care and caution
 or it will skid and end disastrously in a ditch.
 Therefore Mary because of her humility toward God the Father and Her love toward men
 will not use any kind of strength nor pressure.
 Mary will explain through the Word and holy example.
 Mary will crush Satan's head by making Her children understand
 that they cost Her the price of suffering in the Death of Her Son that I Am.
 Mary means to instruct you in the same way she taught Me Her Son on Earth
 moment by moment through Her life and Her example.
 You cannot possibly imagine the Majesty of Mary!
 Without Mary's YES I could have not become incarnate on Earth.
 Without Her servant Conchiglia's YES...
 I couldn't have instructed you with these Words... through the Holy Spirit which is GOD.
 The Holy Spirit is the Invisible Manifestation of God which becomes visible
 in these parts of the writings and becomes audible when you read pronouncing aloud these Words
 which are trumpets of GOD... the Voice of GOD who wants to gather all His true children.
 Through these Writings that represent THE BIG BOOK OF LIFE
 through Myself and Mary...
 GOD means to discourage Satan's evil teachings point by point
 in order to expose him for what he really is: aspiring destroyer of all Humanity
 and every single being created by God in every part of the Universe.
 In fact you are not alone in the Universe!
 But there are those who obeyed GOD's loving directives
 and those who rebelled... whom committed Original Sin
 causing disorder and death on Planet Earth.
 Within the word "disorder" one must foresee the word "order" as well.
 The word "disorder" is to be divided into "dis-order".
 Disorder is evident whenever things that are usually in place... are out of place...
 scattered where they shouldn't be... then are piled up unruly.
 It is then that I Jesus and Mary in the Father's appointed Time...
 have come to reprimand Our children who were leaving in error
 due to a lack of Knowledge of the Truth caused by Original Sin
 committed by the First Man.
 Therefore as I have already told Conchiglia a long time ago
 Earth is the lost sheep of the Universe and for that reason
 is to be helped and guided toward the "Universal Flock".
 Now to the word "Uni-verse" which represents the "Flock of GOD" His Creation...
 I add another word: "Multi-verse".
 In the "Multi-verse" are:
 other dimensions... other spaces... other Creations... and other realities.
 And even the "Multi-verse"... in itself is contained by GOD.
 Try to force yourself a little to understand what I said as best you can.
 I know that it's not easy but it is a start.

*Everything that we learn has a beginning...
 just like when you were children you learned to write the alphabet... alpha = beginning.
 You all must recognize yourselves children and not become proud
 because you don't know anything about the Truth of GOD as you can well admit it.
 Some of you are already rising to say they know many things.
 But children... not even in front of evidence you give up?
 Your arrogance has no limits.
 You say you know many things...
 and yet you have come to such a level of immorality that is unheard of.
 From My Ascension... in two thousand years...
 and what good have you achieved for your Souls and being on Earth?
 I hear you saying:
 Lord look how many wonderful works ...
 look at the gardens... the buildings... the works of art... the inventions...
 the books... science... the beauty of well cared for bodies.
 Now let's start...
About the gardens:
 What good have you done? The gardens are of GOD... His Creation.
 You are not even able to create a tiny blade of grass
 or a speak of dust... from nothing.
 You only assemble some varieties of plants already created by GOD.
The buildings:
 Without raw material that is needed to make a brick you could not have accomplished anything.
 After all you only put one brick on top of another
 and sooner or later everything will collapse as it already has and still is falling all over the world.
The works of art:
 Beautiful! But they represent what GOD has created already and that is living
 while works of art have no life... are dead...
 because paintings and statues are not moving... they are idols.
The inventions:
 What little you have invented has created little benefit and much disorder and injustice.
 You have invented things that were supposed to take away some of your work and effort
 enough to give you the time to devote to prayer...
 to reflection... to be grateful toward GOD.
 Instead this surplus time has been used in vain things and illicit entertainments.
The books:
 Well! Some of them should not even exist.
 They describe atrocities... blasphemies... immorality... pornography and lies.
 Other ones are good... they tell the life and the example of God's children the ones you call Saints.
 They even tell My Story and that of My ancestors on Earth.
 But you have not written anything other than what other people have accomplished
 with their lives and their works.
There is nothing of yours!
In particular it is not yours that which is Mine and wanted by Me...
the Bishop whom you know who prevents my books from being published.
I will leave to you the comments and related conclusions.
The science:
 What have you discovered?
 Science is not a reality to be invented and accomplished.
 Science is an open door in the "MULTIVERSE"
 so that by the Will of God you may peek a little bit and know what has always existed.*

I HAVE SILENCED YOU!

The beauty of bodies:

Do not deceive yourselves by thinking that if you have beautiful well cared for bodies you have reached the peak of beauty created by GOD.

Bodies have to reflect ones Soul in order to be completely beautiful.

If they do not reflect the beauty of Souls physical appearance is not important and you know very well that after a while bodies become old... unattractive and die.

My Mother Mary has also achieved a remarkable age on Earth and even though always extremely beautiful She was certainly not as beautiful as She was at her young age.

So to add all this up... how do you classify yourselves ... now?

Do we want to talk about your vices?

I speak to everybody but especially I address the Catholic Church.

YOU LEADERS OF THE CHURCH ARE THE MIRROR OF WORLD'S SOCIETY.

IF HUMANITY THAT I LEFT YOU TO CARE FOR CAME TO THIS STATE

OF MORAL DECAY YOU ARE VERY RESPONSIBLE FOR IT.

Whomever followed and put into practice what unfortunately...

even with violence abuse of power and deception your teachings have propagandized did this exactly in imitation of you:

with false witnessing... with greed... with lust... with gluttony...

with homicide... with pride and with sloth.

All of the Priests who have become such

not by My Call but by their own purposes and interest... are living in these capital vices.

THE PRIESTS WHOM I MYSELF HAVE CALLED AND BELONG TO ME

ARE YOUR SACRIFICIAL VICTIMS AND MY SINCERE AND BELOVED SERVANTS

AND I LOVE THEM AND GUARD THEM... AND LIFT THEM TO MY FATHER

BECAUSE THEY RESEMBLE ME IN LOVE... WORKS AND CHARITY.

I have shown to this daughter of Mine Conchiglia...

everything you have done since My Ascension up to today and have told her: WRITE EVERYTHING.

But she knelt down with her heart and told Me:

“Jesus I can’t. I love Priests too much. If I write down everything my brothers and sisters who are going to read... will vomit in disgust on these pages I am writing between so much suffering and pain both physical as well as in my heart. I beg of you Jesus to accept my request who wishes to protect and edify Your True Church because the small and simple would be too shocked at this. Jesus already the multitude of Your sons and brothers are no longer going to the Churches... and are looking with suspicion even to those few Priests who love You and remain faithful to You. I ask you my Jesus to still have Mercy and not to go into details because they are too obscene ... shameful and dishonest... and painful. Oh My Jesus I am certain that Your children... the ones whom You love will understand and at the same time Evil will not be freely advertised. Oh my Jesus I put everything into Thy Holy Hands and in Your Will the Holy and due Justice for GOD’s Glory.”

Well then know that I have accepted her intercession of love for all of you Priests

and I won’t force her to write down all of your misdeeds that by now... she well knows!

Many are the Distinguished Names that I turn to without her writing them down.

The Church has My protection and Satan will not prevail over Her.

BUT YOU... WILL NO LONGER HAVE MY PROTECTION FROM TODAY!

TODAY I WILL DENOUNCE YOU TO MY FATHER

AND TO HIM I GIVE YOUR NAMES ONE BY ONE.

Now He will do Justice because where there is no Justice there can’t be peace and harmony.

Therefore I demand...

*THAT ALL OF THE PEDOPHILE PRIESTS AND WHOMEVER JUSTIFIED AND PROTECTED THEM...
TO LEAVE THE CHURCH OF GOD . THEY ARE NOT WORTHY OF HER!*

ALL THIEVES AND MEDDLERS... OUT!

THE HOMOSEXUALS... OUT!

THEY MUST NOT TOUCH ME AFTER THEIR IMPURE CONDUCT WITH OTHERS.

MURDERERS AND ACCOMPLICES TO MURDER... OUT!

THE MERCHANTS OF THE TEMPLE...

THOSE WHO USE ANCIENT CHURCH 'S WEALTH FOR PROFIT... OUT!

EMPLOYEES OF THE DEMON... OUT!

THE DISOBEDIENT TO THE GOSPEL... OUT!

YOU DO NOT REPRESENT ME

YOU DO NOT EVEN RESPECT BASIC HUMAN RIGHTS...

TOWARD THE POOR AND THE NEEDY.

You should sell everything to feed up to the last of My little children

who die of hunger... cold and pain.

YOU OUGHT TO BE ASHAMED .

I DO NOT KNOW YOU! "

Dear Pope Benedict XVI

Priests, Bishops, Cardinals,

Religious men and women,

President Giorgio Napolitano

Heads of State of the World

See... I have told you so.

God Bless you

And Divine Mary, Our Lady of Guadalupe protect you

Amen.

Conchiglia
