Ave Domina . . .

Our Lady of Guadalupe !

THIS IS THE HOUR OF MARY

*Mary, Our lady of Guadalupe is the Empress of the World
and as Mother of God and Our Mother, She represents the
Worldly Identity of all the children who love Her.*

*Prot. 10.198 - January 1st, 2010
Solemnity of the Holy Mother of God*

The Virgin of Guadalupe of Tepeyac, in Mexico City, is on the symbolic plain, the homologous to the identity first Mexican and now Worldly, represents on the ideological plain:

the tension of many towards the Unity...

and the tension of the Unity towards the many.

(Alessandro Vigiani)

Mary, Our Lady of Guadalupe, was taken by the Will of God as the emblem of the Movimento d'Amore San Juan Diego (Saint Juan Diego Movement of Love), founded by Conchiglia by the Will of God on October 24 2001, in Italy. This is the Only Worldly Movement of Hearts turned towards God, that from Italy will guide all of the populations of the World towards the New Renovated Earth, that will contain the multitudes of cultures of all the Nations and of all the races ambitious to form the Unity to construct the ONE WORLDLY IDENTITY of which Mary, Our Lady of Guadalupe acts as the instrument.

This is the Hour, to legitimize Holy Mary, Our Lady of Guadalupe, Mother of God and Our Mother in all of the World, through a laical apostolate with the authentic participation as blessed children of the Catholic Church, to accept the mandate of Jesus Christ, which consists in the evangelization of all men on Earth.

Mary, Our Lady of Guadalupe is the Empress of the World and represents as Mother of God and as our Mother the Worldly Identity of all the children who love Her.

From the Holy Gospel according to Saint Mark 16,15-16

Jesus told them: « Go in all the places of the world and preach the Gospel to every creature.

Who will believe and baptized will be saved ,but who will not believe will be condemned.

It is through the intercession of Holy Mary, Our Lady of Guadalupe, that with filial love the Movimento d'Amore San Juan Diego intends to guide other children of Jesus, to make Him known, to love and imitate to pass through Him as the Door to pass through to arrive to God the Father.

From the Holy Gospel according to Saint John 10,1-7

«In truth I say to you: who does not enter in the sheep cote by the door, but enters by another way, is a thief or a bandit. Who instead enters by the door, is the Pastor of the sheep. The guardian opens the door for Him and the sheep listen to His voice: He calls His sheep one by one and leads them out. And when He has lead all of the sheep out, He walks among them and the sheep follow Him because they know His voice. A foreigner instead they will not follow him but they will run away from himbecause they do not know the voice of the foreigner». This similitude says to them Jesus: but they will not understand what that which He was saying to them meant. So then Jesus told to them again:

« In truth I say to you: **I Am the Door for the sheep.** »

There is a common motive, which supports this choice to the actual Guadalupian symbol, or truly the right to be considered by the Will of Jesus all the children of Mary, His Mother and Our Mother.

From all of this descends that the Virgin of Guadalupe of Tepeyac is on the symbolic plain, the homologous to the identity FIST MEXICANAND THEN WORLDLY, represents on the ideological plain:

the tension of many towards the Unity...

and the tension of the Unity towards the many.
