Mons. † Giuseppe Orlandoni expresses His own personal opinion which does not have any value, nor merit, nor method for the Ecclesiastical purposes.

S.E.R. Mons. + Giuseppe Orlandoni,

by the Will of the Holy Trinity, over 11 years ago, I was invited to make known to the One, Holy, Catholic and Apostolic Church and to all Humanity the Revelations that have begun on April 7th 2000 through the interior locutions, and the first Friday of the month dedicated to the Holy Heart of Jesus, a few days before Easter, the year 2000 , Year of the Holy Jubilee.

And I obeyed God with love remembering the judgment on he who hides his talent.

The Revelations that I still receive today, are a great benefit for those who think that it is not sufficient for a child of God, to lay himself down feeling paid by the Catechism of his youth and desires to proceed towards the perfection taught by Jesus to know not only in age but also in wisdom and Grace, to live in an adult Faith and as adult to have the choice to exercise and discern good from evil.

To' the Prophet Daniel was revealed that the prophesies of the Ultimate Times were to be closed and sealed till the end of the Ultimate Times for only then the wise would have understood and have grown in their knowledge.

If you hide the Revelations given to Conchiglia for Humanity, for what reason did God reveal them? Certainly He did so to build the Church.

Then it is otherwise certain that the day has arrived on which the Church can accept and understand them.

And the Church is made of men, of pure hearts loving God, and the Church is also us, the Faithful.

The Revelations which I receive have been understood by those children and those Priests, Bishops and Cardinals that God recognizes as His and who search with love and with intelligence the Truth, combining Faith and Reason as taught by His Holiness Pope Benedict XVI.

Internet pages – Pontifical Delegation – Testimonies of the Priests:

http://www.conchiglia.us/UK/UK_conchiglia/UK_PRIESTS_TELL_ABOUT_CONCHIGLIA.pdf

And while the pure of heart and the wise comprehend them, the evil and the proud do not comprehend, happening exactly as when Jesus spoke.

Every child of God has the right and the moral obligation to know the Word of God in the Holy Scriptures, to study and to meditate them, praying to the Holy Spirit to have the light and intelligence to find the Truth, that Truth that is in the Holy Gospel and in the Spirit of Truth that Jesus had sent after His Ascension to Heaven, that Spirit of Truth that today is manifested through Conchiglia, to explain what has already been said by Jesus, but that “then” the men could not have comprehended because it was not Now.

The people who have read the Revelations, public till January 2006 and always free, have appreciated and loved them because in them they have recognized the Voice of God, that has added security and force to their own Faith and to their own Reason.

Your Excellency,

on February 15 2010, I have sent to You those Revelations regarding Yourself, and till today after one and a half years, You did not even have the courtesy to respond to my letter:

15 February 2010 - 08.40 - Jesus

“ Conchiglia...

I want to talk to your Bishop tenderly but firmly. (1)

My son I love you so much and I'm there for you.

And you... do you love Me?

And you... are you there for Me?

I know you will answer yes and you will be surprised by My question.

One day I asked Peter and today I'm asking you

since where you are... you too are a “peter” with power

and you can bind and set free on Earth as in Heaven... by the mandate you received.

My son... you've bound this daughter and I let you do it.

The test was and is for both of you

you in exercising your powers...

and her in obedience to Me through you.

REMEMBER SON THAT IT'S ME SHE'S OBEYING

and you're abusing your powers.

Up to what point son will you resist My Word?

Don't you recognise me any more?

Do you really think you can decide anything you like leaving Me aside?

Am I no longer the Master of My own Church?

As a “caretaker” son...

don't take possession of the Master's things because I'll be asking for an explanation.

I'll do it with Justice and Mercy... but I'll do it.

And soon...

since too many Souls have strayed from My Church because of you.

The world is looking at you and observing you... and it's waiting for an important answer.

You've been tricked by many

and you didn't check with your conscience

where the dark voices induced by Satan were coming from.

My son...

who do you think Satan's going to lash out at if not My children and brothers?

If he does it... it's because he hates them.

And he hates them because they love Me and serve Me.

Is it really so difficult for you to understand that?

Satan always lashes out at the children of God

and he sends his emissaries to destroy My Works.

*He's been doing that since the Beginning of Time.
 It's you Bishops that have lost your way and the Faith
 so much so that you don't even nominate EXORCIST PRIESTS any more.
 Well dear Bishops...
 without My Light... you are actually incapable of discriminating
 and the facts speak for themselves
 since if the flock gets lost you're the ones responsible for it
 since you're a bunch of lazy shepherds.
 The world's watching you all I said.
THE WORLD'S WATCHING YOU I SAID.
 Conchiglia has a global task and you've bound her with heavy chains.
 Release her son... because too many Souls are being lost.
 Open your heart and then open your mind
 and then open your arms to welcome My children.
 Out with the old works.
 The "new is at the gates" ...
 and you're not ready enough just like many Bishops aren't.
 These are Words of Mercy and Love
 since I'm saying this on the eve of great events that are about to take place.
THERE WILL SOON BE THE TRUE GLOBAL COLLAPSE.
THE POWERFUL OF THE EARTH HAVE ONLY TAKEN TIME
TO BE ABLE TO ORGANISE THEMSELVES
TO BE ABLE TO STOP YOU IN THEIR OWN WAY.
SON... THIS SAME COLLAPSE WILL HIT MY CHURCH TOO
AND IT'LL BE A WHOLE LOT WORSE SINCE ECONOMIC AND MATERIAL VALUE...
ARE WORTH MUCH LESS THAN SPIRITUAL VALUE.
 The Church is empty of the Spirit of God because of you
 and Satan is in control in many areas.
 He's walking next to you
 and you just laugh convinced that he doesn't exist
 and yet you can see the results all over the world
 since Satan has become master of the World.
 And despite the Prophets sent out one by one... you're still blind.
 What's your offence? You all claim to see very well.
 And you? The same. You say you can see but you can't see.
 Conchiglia...
 I want this Letter of Mine
 to be read by the whole world since there are so many Bishops in the World.
 Time is running out
 and I never said it's the end of the world.
 Rather the Evil Times will come to an end and nothing will be the same again
 since I'm going to redo everything from the beginning
 through the hands of My hard-working children who love Me
 and the youngsters are the apple of My eye...
 they're the ones who'll walk with Me and rejoice with Me.
 May these words travel to the ends of the Earth NOW...
 even to My children in the Priesthood.
 There are chosen children among them who'll understand everything
 and they'll move in an unstoppable Movement of Love
 since at the head of this Movement of Love*

*is Me... Jesus... talking to you from the Trinity
there's My Mother Mary and there's My Peter (2)
and I'll Bless anyone who follows Me... copies Me... and loves Me
in the Name of the Father
of the Mother
of the Son
and of the Holy Spirit
Amen."*

- (2) Pope Benedict XVI

15 February 2010 - 09.00 - Holy Mary

*" Conchiglia I am your Mother
I am the Mother of all the children that Jesus entrusted to me.
I AM MARY.
Be ready my child... it is a dire moment.
By the Will of the Father... the History of the World depends on the children of good will.
THERE ARE TOO MANY WHO LOOK ON AND DO NOTHING
this is why the Evil One advances and accomplishes results.
THOSE WHO HAVE GOD IN THEM ARE STRONGER.
Stop the Evil One.
STOP EVERY EVIL DEED BECAUSE THESE WILL TURN AGAINST YOU.
There is not much time left... the bottom is a centimetre away.
Pray a lot Conchiglia
and have people pray for your Bishop
who in this historic moment has the fate of many in his hands.
If he does not change his attitude in a few days
you will take another step back
and these Words will be the LAST "Pearls of Love"
transported everywhere by the waves of heaven.
We however... will always talk with you."*

Your Excellency,
it is very dangerous, after having known these Revelations, to avoid them yet, it is really an obligation to study them, what You Your Excellency has not done, avoiding in that way "Your Duty" not complying to your duty as Bishop, as vigilant, as Pastor.
I invite You to consider the analogous case as the Jews with the Coming of Jesus. The ignorance of the Jews in the prophecies of the Old Testament causing the refusal of the Messiah and their eternal damnation.
God got angry with the Jews who did not study well the Scriptures and the prophecies, those prophecies that He had given to them... rightly to recognize Jesus.

Therefore you can be certain that God will not excuse You if you do not examine the Revelations that through Conchiglia have been given to the Catholic Church and to Humanity to spiritually grow, to know the AntiChrist and till amongst the Apostasy the faithful can be able to recognize and distinguish the Truth and therefore can be stronger in Faith.

To adhere to the AntiChrist and to all of its false teachings, in this present époque is for the Catholics a grave error, so dangerous and so easy as was for the Jews to refuse Jesus.

Your Excellency, that I obey You... and that You and I obey God is our duty which is more important than any other! If the Church, is unable to recognize that it is God Who is speaking in the Revelations that I receive, then it means that the Church, in this our époque, is still more degenerated than which it seems, and it has been seduced by the AntiChrist, moreover because it was in his intention to rightly seduce the Church and all of the Christian world.

You know that Jesus has spoken in Parables to the Jews so that they could have heard but not comprehend, could have seen and not perceive. Even today God uses the same method and as He has tested the Jews with the Parables, so He is testing the Church with these Revelations.

Therefore it is the love of a daughter that I invite You to not find Yourself in error, unprepared and defaulting in front of God in studying « THE REVELATION » given to Conchiglia. It is Your “test”.

Your “incomprehension” of the Revelations that I receive will not excuse You, in the same way as the “incomprehension” of the Parables of Jesus did not excuse the Jew.

Do you remember the “Parable of the fig” because it is Your duty to learn the signs of the time and to really supervise, because it is true that no one knows the time of the arrival of Jesus... but it will be soon. It is urgent, that You distinguish the events that “have passed” from those “that are now” and those that “are arriving”.

The Church that You represent, stubbornly continues to avoid the Revelations and to hide them from Humanity and for this reason the Church will be punished so severely as were the Jews.

And so the Jews will be happy to rise in judgment against the Church.

God in this our époque has donated His Word through Conchiglia, a simple woman and simple is His instrument, in helping the Church in these the Ultimate Times, so that it is ready to accept Jesus in His Imminent and fulfilled Manifestation.

This is the Hour of the temptations and of the trials for the world and above all for the Church.

You have spoken of “heresies” regarding the Divinity of Mary without though explaining in what these “heresies” consisted of, instead, **Pope Benedict XVI has beatified Pope John Paul II, who has confirmed the Divinity of Mary** because He knew the Revelations given to Conchiglia. Even Pope John Paul II and Pope Benedict XVI have spoken of God Who is Father and Mother.

Your Excellency,
the Revelations that I receive can no longer be unknown to the Church because You do not study them therefore you cannot discern them in respect of the canonic procedure.
Moreover how You well know, no authority can express a definite opinion till the Revelations have not been concluded. And this in my case continues even today and of this You are currently aware of because I continuously update You since the year 2000.

Moreover, though the Revelations **DO NOT CONTAIN** words of false doctrine, of irreverent to the Sacraments, to the disownment of the Dogmas, to the disobedience to the Pope and to the Holy Catholic Church, can be made known in function of the Laws of the Church:

“ The decree of the Congregation of the Doctrine of the Faith (see Acta Apostolicae Sedis, issue No. 58 of December 1966) which abrogates the Canons of Canon Laws 1399 and 2318, was approved by His Holiness Paul VI on October 14, 1966. The decree was then published by order of His Holiness himself thereby lifting the prohibition against publishing without the Imprimatur texts concerning new miraculous Apparitions, revelations, visions, signs, prophecies and other miracles.”

You perfectly well know,
the letter that You have sent to me from Senigallia on December 28 2005, with prot. N. 85/05/V, where you write:
“I ask you to finish with your present activity of religious base and to return to your normal work”, **it was an attempt on Your part to manipulate my inviolable conscience and a grave incitement to disobey God.**

I repeat, You perfectly well know, that which You have wrote: *“ I ask you to finish with your present activity of religious base and to return to your normal work”*, **expresses only Your own personal opinion and does not have any value, nor merit, nor method, for the Ecclesiastical purposes.**

Therefore publically formulating Your personal interpretations means to influence the simple people and to distract them from the right comprehension of the Revelations.

That which You have said, speaking about the heresies of Conchiglia on the Divinity of Mary **is equivalent to Your personal addition or to Your personal omission** and this is grave, because deprives the people to use the spiritual benefits of the Revelations.

If God in this our époque has given to the Church these Holy Revelations it is because today the Church is able to understand and accept and if she does not then she is against God.

God has confided in me Conchiglia, to You, because You can understand The Revelations and therefore God lovingly invites You to accept them.

Moreover... I tell You that right away, since January 2006, the Lord, has revealed to me that the letter in question is not Yours and **was not written by You Bishop**, but was written by Mons. Gerardo Rocconi **and You have only put Your Signature.** I have never informed You of this till now.

And even Mons. Gerardo Rocconi today is a Bishop, exactly how I prophesied to him, in our previous meeting.

Though all of this, **I continue to obey** You, Mons.+ Giuseppe Orlandoni, who is my Bishop, and to the Holy Catholic Church with the Holy Father, Pope Benedict XVI as Head.

Your Excellency,
now it is You who must obey God, Who has given You a responsibility that can carry forward and can understand.

Most Reverend Excellency, I humbly ask You to open Your heart and to meditate on the Words of Jesus and Mary regarding the importance in obeying Their imitation:

Jesus to Conchiglia - November 14, 2007 - 07.30am

« BENTORNATO MIO SIGNORE » (Welcome back my Lord) XI volume - pag.80 (Italian language)

*“ Obedience is a holy virtue
and I was obedient to give example of obedience.
It is difficult to obey.
To obey means to follow a well precise command
even if we do not like it... even if it costs us sufferance.
If obedience is practiced...
is an optimum spiritual exercise to fight and win
against one's own pride and will.
It is obvious that obedience should not be practiced if this leads to doing evil
infringing then Holy Commandments of the Father.
In these your days it is difficult in finding or meeting someone who obeys.
Not even the children obey their parents
and man does not obey the « Laws of God » and the laws of man.
Disobedience is a sign of transgression and is a false liberty of action.
To disobey...
Is not to recognize the authority and authoritativeness of who asks for obedience.
Disobedience has become habit in all the family and social habitat.
Disobedience causes disorder... confusion and damage
first spiritually and then materially.
To disobey the Divine laws and those of man
is to go against the order established by God and by man.
Obedience creates equilibrium...
disobedience causes non equilibrium.
In all of the private... social and ecclesiastical environments
exists a tacit or public hierarchy.
Hierarchy act to cooperate in following an objective
and an ultimate end looking towards the top.
To obey God or to obey man?
Is always a dilemma... a forever dilemma.
Certainly one must obey God above all
and then obey man who God has placed in various ambient.
It is therefore necessary to watch over oneself
and to discern that which is good and that which is evil.
I... Jesus have said and say... who sees Me sees the Father
therefore who obeys Me... obeys the Father
and who obeys My Vicar on Earth... Head of the Church obeys the Father.
And who obeys Me today... to My Vicar... to the Father?
Not even the Bishops obey My Vicar...
not even the Priests obey the Bishops
though the Vote of obedience that they have solemnly pronounced.
And you Conchiglia... to whom must you obey?
To God above all and that no one else.*

*You are not obliged to obey the Ecclesiastical Hierarchy.
 So why do you do so?
 You well know Conchiglia...
 I asked you to obey your Bishop
 whatever He asked you to do.
 Why obey him? To give example to him...
 to him who does not obey the disposition of My Vicar
 and as Vicar... I mean the one of yesterday and the one of today.
 Your Bishop does not want to recognize and accept My Word
 and this his behavior
 does not permit other My children and brethren to know It.
 The Truth has gone towards man to help him
 and the Truth is repelled and refused.
 Maximum pride of man...
 that in doing so takes the place of God on this Earth in imitation to Satan.
 Your sufferance of love in not being able to give to the world My Word...
 is « liberating » Conchiglia.
 The sufferance that your Bishop... Conchiglia... must feeling
 instead is « accusing » because he assumed a responsibility
 to denying to all of Humanity the Word of the Holy Trinity.
 The Word of God to instruct...to correct
 and to sanctify the men of goodwill.
 Pray and make pray for your Bishop... Conchiglia...
 because the Time is near
 and there that I come to the children who are waiting for Me
 because they love Me and only the pure of heart will recognize Me.”*

Holy Mary to Conchiglia - November 14, 2007 - 07.45 am

*“ I am the Mother Mary Conchiglia...
 look at Me I am your Mother.
 I am the Woman...I am the Obedient
 I am the Mother of God...I am your Mother
 I am the Mercy of God...I am the Feminine Part of the Father
 I am the Star that illuminates the way and that leads you to Jesus my Son...He Himself God
 and I bless the children who God loves
**in the Name of the Father
 of the Mother
 and of the Son
 and of the Holy Spirit.**
 Amen.”*

Your Excellency, it Is an honor and a joy for the Italian Catholics to have near them the Holy See of the Church, the Holy See of the Pope...and it is important to take note of another great privilege, given by God for the World, right here in Italy: « THE REVELATION given to Conchiglia ».

It is displeasing to me that the people think that You are a Bishop unable to comprehend this great Gift of God given to the Holy Catholic Church and to Humanity and believe me, I understand your spiritual uneasiness, in fact Jesus in the Revelation of June 17th 2004 says:
“*Conchiglia... the instrument that you are and that you represent for the World will upset the minds of every man whether he is wise or not.*”

Your Excellency,

It is not You who must fight against God and to obstruct Him in aiding His people to instruct them and to save them from the eternal death. Remember the words of Gamaliel.

Most Reverend Excellency,

I always remain in respectful obedience to You and the Holy Catholic Church.

God bless You

and Divine Mary, Our Lady of Guadalupe protect You

in the Name of the Father 🌹

of the Mother 🌹

of the Son 🌹

and of the Holy Spirit 🌹
