

At this special time of year, we thank God for His mercy in sending Jesus Christ to be our Redeemer.

However, Jesus the Light of the World, calls us to be aware that the world must actively seek His Mercy.

As we approach the new year in our strife-torn world, our spiritual lives must surely be firmly anchored to Jesus and Our Lady, in order to withstand the turmoil of the secular world.

One of our most regular contributors sent in this thought-provoking piece.

### The Final Conflict

Since the conflict started with Satan's Rebellion, it has never stopped.

It still continues, but it has reached its final stage. Today we are seeing the beginning of the end. The Final Conflict has taken on a monumental dimension, and we can no longer deny it our attention.

Many people in the world are struggling in the darkness of error, duped by the camouflage that satan spreads over grave sin, pride, ignorance and worse.

Instead of seeing the light of truth, many people feel lost in the darkness but seem unable to find the strength to rise above it. Countless numbers of God's children seem incapable of seeing the true light of the Holy Spirit which leads us all to true freedom as His Children. To them perhaps the Final Conflict appears to be a terrestrial conflict, requiring terrestrial methods of warfare. However, these methods have not ended, but have instead escalated world conflicts, to dangerous levels.

We are at the beginning of the most terrible and crucial conflict ever faced by humanity.

- A conflict which is the Final Conflict.
- A conflict that involves both celestial and terrestrial forces.
- A conflict which started with satan's fall, and which is still continuing.
- A conflict in which those who believe in God, are fighting for the Salvation of All God's Children.

Each one of us is at the centre of that conflict, and capable of playing a crucial part. To do nothing is not a Christian option. Surely it is imperative that we turn to prayer, for ourselves, for each other, and for the whole world. This war, seen in the light of the Holy Spirit is unprecedented. It is an old war, which has become a new war.

**This war depends for its outcome on what each person is doing, and will be doing, to fulfil God's primary Commandments:**

- To know Him, to love Him and to serve Him
- To love our neighbour as ourselves - for the salvation of all men of good will, of All the Nations of the world.

## THE MARIAN GLOBE

The Lady of All Nations said to Ida Peerdeman: "Just as the snowflakes whirl over the world and fall upon the ground in a thick layer, so will the prayer and the image spread over the world and fall down into the hearts of all nations" (30: 1.04.1951)

WATCH AND PRAY...

### CHRISTMAS 2006

### Locution given by Our Lady to Fr Stefano Gobbi: Holy Night, 1992

"While night wraps everything around, and a deep darkness has come upon the world, your Heavenly Mother is penetrated by most powerful light; my mind becomes absorbed in the splendour of eternal Wisdom; my Heart opens up to the most vivid brightness of LOVE; my soul is penetrated by the rays of the fullness of grace and holiness; my inviolate body opens up in a virginal way to the gift of my Divine Son. From my motherly arms I place my Heavenly Baby, born in this night of deep darkness, into the squalid manger. But, in the sky, bright stars are shining, and the Angels give forth the song of heavenly harmonies, and the shepherds make their way to the cave, to bring the homage of the simple, the poor and the pure of heart. In this way, the Baby Jesus is comforted by the love which He receives from the little ones, even in the midst of the immense rejection of the great. And, in the deep night which wraps the world around, the Morning Star opens up to give you its light. My Divine Baby is the Morning Star shining with the light of the Father Himself, bringing His life into the desert of the world, and of history, giving its beginning to the new day for redeemed and saved humanity....."

In this great night, the second birth of Jesus in glory is about to take place, in order to give light, as the Morning Star, to the dawn of the new Heavens and the new earth. For this reason I am inviting you today to fight with Me, to conquer in the great battle of these last times, in such a way as to be always faithful to Jesus

**'Do not seal up the prophetic message of this book, because the time is near...'**  
**'I, Jesus, have sent my angel to bring you this message for the Churches. I am the root and the offspring of David, the bright Morning Star. The Spirit and the Bride of the Lamb say: 'Come'. And let him who listens to these words say 'Come'.**

## THE HOLY MASS: Explained by Jesus Christ and Our Lady continued

or the grandchildren, the children, their friends, and to their amusements. How many families say at least once a month: 'This is the day for our turn to go and visit Jesus in the Tabernacle,' and the whole family comes to talk to Me? How many sit down in front of Me and have a conversation with Me, telling Me how it has been since the last time, telling Me their problems, the difficulties they have, asking Me about what they need, making Me part of these things? How many times? I know everything. I read even the deepest secrets of your hearts and minds. But I enjoy your telling Me about your life, your letting Me participate as a family member, as your most intimate friend. Oh, how many graces does man lose by not giving Me a place in his life?"

When I remained with Him that day, and on many other days, He continued to give us teachings. Today I want to share with you this mission that He has entrusted to me. Jesus said: "I wanted to save My creature, because the moment of opening the door to Heaven has been impregnated with too much pain...Remember that not even one mother has fed her child with her own flesh. I have gone to that extreme of Love to communicate My merits to all of you. The Holy Mass is Myself prolonging My life and My sacrifice on the Cross among you. Without the merits of My life and My Blood, what do you have with which to come before the Father? Nothing, misery and sin... You should exceed in virtue the angel and archangels, because they do not have the joy of receiving Me as you do. They drink a drop from the spring, but you that have the grace of receiving Me, you have the whole ocean to drink." The other thing that the Lord spoke about with pain concerned people who encounter Him out of habit, of those who have lost their awe of each encounter with Him. That routine turns some people so lukewarm that they have nothing new to tell Jesus when they receive Him. He also said that there were so many consecrated souls who lose their enthusiasm of falling in love with the Lord, and have made their vocation an occupation, a profession to which nothing more is given, except that which is demanded of one, but without feeling. Then the Lord spoke to me about the fruits that must come from each Communion that we take. It does happen that there are people who receive the Lord daily but do not change their lives. They spend many hours in prayer and do many works etc., but their life does not go on transforming, and a life that does not transform cannot bear fruits for the Lord. The merits we receive in the Eucharist should bear fruits of conversion in us and fruits of charity toward our brothers and sisters.

## "CONCHIGLIA"

Conchiglia is the name of a female visionary who lives in Italy. The name "Conchiglia" was given to her by the Holy Trinity. This lady has been receiving, and currently continues to receive, messages from the Most Holy Trinity, Our Lady, and certain Saints. In his testimony regarding the Eucharistic Miracle of 2003, Fr Gian Paolo Faroni refers to the fact that the Holy Trinity and Our Lady have explained to Conchiglia "that the prodigy (ie the Miracle) was permitted and donated so that it be recognised as a sign and severe warning to all of the world."

In the message given by the Holy Trinity to Conchiglia on 24 May 2004, God said: "WE AUTHORISE YOU TO ENTRUST THE PRIESTS WHO FOLLOW YOU TO DIFFUSE AS THEY CAN THE INFORMATION ON THE MIRACLE, and this is also valid for the people who follow Us and love Us. THE PEOPLE WITH EVERY MEANS AND WITH EVERY INITIATIVE IS AUTHORISED BY US THE HOLY TRINITY TO INFORM EVERY BRETHREN SO THAT EVERYONE WILL KNOW TO BE LOVED VERY MUCH BY GOD. THAT TO BE EVEN CLOSER AND VISIBLE TO HIS CHILDREN HE ANNIHILATED HIMSELF POURING FOR EVERYONE AND VISIBLY HIS DIVINE BLOOD."

## "WHO ONCE WAS MARY" LETTER FROM FR GABRIEL HEINZELMANN AT THE CHAPEL IN AMSTERDAM

On Monday 21 November 2006, I received a faxed letter from Fr Gabriel Heinzelmann (dated 12 November 2006), a copy of which I enclose for each Reader with Issue 34 (December 2006) of THE MARIAN GLOBE.

On 22 November 2006, Fr Gabriel called me on the telephone, and spoke of the positive aspects of the decision by the Congregation for the Doctrine of the Faith, which now permits the spreading both of the amended Prayer, and the original Image, of The Lady of All Nations.

Fr Gabriel pointed out that Ida Peerdeman had to suffer the printing of the very first Prayer Cards without "who once was Mary", due to her Bishop's objection to this wording. However, after being told of the content of Message 41 (6.4.1952), the Bishop relented, and the Prayer Cards were reprinted with "who once was Mary", as Our Lady intended.

At THE MARIAN GLOBE, we will continue to pray that when God allows, the Amsterdam Prayer will be printed and prayed as Our Lady, "who once was Mary", gave it to Ida Peerdeman. For this intention, and until that happy day, every issue of the Marian Globe masthead will continue to carry the phrase "Watch and Pray..."

May God hear our prayers.

## Bishop Paul Maria Hnilica RIP

Readers will be sad to hear that Rome-based Bishop Paul Maria Hnilica (seen left of picture with Ida Peerdeman and Fr Paul Maria Sigl) was called to God on 12 October 2006. This was the anniversary of the date in 2005, when Pope John Paul II, publicly in Rome, consecrated the world to the Immaculate Heart of Mary.

Many have been touched by Bishop Hnilica's remarkable lifestory, remembering the dangers and the hardships he endured in order to become, and remain, a Priest,

We thank God for his example of Faith and courage.

# The Holy Mass

Explained by Jesus Christ and Our Lady  
to Catalina Rivas

## The Testimony of Catalina on the Holy Mass

Continued from Issue 33 of *THE MARIAN GLOBE*

Do you all realise that he, Love, is begging for our love, and we do not give it to Him? Moreover, we avoid going to that encounter with the Love of Loves, with the only love who gives of itself in a permanent oblation. When the Celebrant was going to give the blessing, the Holy Virgin said: "Be attentive, take care... You do any old sign instead of the Sign of the Cross. Remember that this blessing could be the last one that you will receive from the hands of a priest. You do not know when, leaving here, if you will die or not. You do not know if you will have the opportunity to receive a blessing from another priest. Those consecrated hands are giving you the blessing in the Name of the Holy Trinity. Therefore, make the Sign of the Cross with respect, as if it were the last one of your life."

How much we miss in not understanding and not participating every day at the Holy Mass! Why not make an effort to begin the day half an hour earlier and run to the Holy Mass and receive all the blessings that the Lord wants to pour over us? I am aware that, because of their obligations, not everybody can attend daily Mass, but at least two or three times a week. So many avoid Mass on Sundays with the smallest excuse, that they have a child, or two, or ten, and, therefore, they cannot attend Mass. How do people manage when they have other important types of commitments? They take all the children, or take turns and the husband goes at one hour and the wife another, but they carry out their duty to God. We have time to study, to work, to entertain, to rest, but WE DO NOT HAVE TIME, AT LEAST ON SUNDAY, TO GO TO THE HOLY MASS. Jesus asked me to remain with Him a few minutes more after Mass had finished. He said: "Do not leave in a hurry after Mass is over. Stay a moment in My company, and enjoy it, and let me enjoy yours..."

As a child, I had heard someone say that the Lord remained with us for five or ten minutes, after Communion. I asked Him at this moment: "Lord, truly, how much time do You stay with us after Communion?" I suppose that the Lord must have laughed at my silliness, because he answered: "All the time you want to have Me with you. If you speak to Me all day long, offering Me some words during your chores, I will listen to you. I am always with you. It is you who leaves Me. You leave the Mass, and the day of obligation ends. You kept the day of the Lord, and it is now finished for you. You do not think that I would like to share your family life with you, at least that day. In your homes, you have a place for everything and a room for each activity: a room to sleep, another to cook, another to eat etc. Which place have you made for Me? It should not be a place where you only have an image, which collects dust all the time, but a place where at least five minutes a day, the family meets to give thanks for the day and for the gift of life, to ask for blessings, protection, health. Everything has a place in your homes except Me. Men plan their day, their week, their semester, their vacations, etc. They know what day they are going to rest, what day they will go to the movies or to a party, or visit grandmother

## Eucharistic Miracle

"I, Gian Paolo Faroni, Parish Priest of Don Bosco, declare that on Friday May 23 at 3.00 pm, at an 'oasis of prayer' in the province of Florence, I saw that the Holy Host contained in the ostensory was being covered with blood.

FRONT

BACK

Dismayed, I fell on my knees and I was invaded with a deep emotion. I was trembling and moved by a convulsive cry, remaining with my eyes fixed on the miracle, in an ecstatic adoration of the bleeding Jesus. In front of my eyes the Host was becoming more purple with the blood of Christ. The Host seemed to be dressed of Blood in the front and was sweating in the back. In the back part there were two veins that were sweating from the top towards the bottom. Touching the glass of the small ostensory I could feel that it was warm, due to the heat of the Blood that was flowing abundantly from the Host.

The Host seemed like a piece of selected meat imprisoned between the two pieces of glass of the ostensory; the front presented itself as being spattered with blood, while the back contemporarily resulted to be pearled due to the sweating. The light made the drops of sweat seem like small diamonds. From the opposite side the blood left live red traces on the glass and as time passed the blood was accumulating on the bottom part of the reliquary forming an elliptical layer. Several witnesses were present at the time of the ascertainment. Readily, the other people of the praying group were informed and shortly after about thirty people arrived at the place of the Eucharistic Miracle, to be eye witnesses. They saw, got down on their knees and adored. They captured with their own eyes the 'Gift' offered by God to the small community and to the entire world.

I, Gian Paolo Faroni, Parish Priest of Don Bosco, declare this Eucharistic Miracle as true. The Holy Trinity and Mary have explained through the messages given to Conchiglia\*\*\* that the prodigy was permitted and donated so that it be recognised as a sign and severe warning to all of the world."

## SCIENTIFIC ANALYSIS

"Today, 24 December 2003, Christmas Eve, the Saint Juan Diego Movement of Love has received results of the analyses done on the large Consecrated Host that was filled with Blood in the hands of Gian Paolo Faroni Priest of Don Bosco, during Eucharistic Adoration on May 23 2003 at 3.00 pm in the house of acceptance ONLUS in the province of Florence, Italy. These results are official and were supplied by an Institute of Legal Medicine present in Italy of international fame. The analyses permitted to obtain the following results:

- ❖ It was identified as **Male Human Blood**
- ❖ The blood group resulted to be **AB Rh+**
- ❖ The blood results to be the **same as that of Lanciano and of the Holy Shroud**
- ❖ All possible analyses on the DNA were done

All the documentation is available at the competent Organisation of the Holy Church."

## Passage for Reflection from the Messages of The Lady of All Nations to Ida Peerdeman

Readers will be aware that customarily, the book of the Messages is opened only after prayer asking Our Lady's guidance as to what she wishes to be highlighted in this issue of The Marian Globe. I had already written the Editorial on page 3 several hours before I came to pray about which Message was to be chosen by

The Lady of All Nations, for this December issue. **Editor** 7 December 2006

### Text from Message 41: 6 April 1952 (Palm Sunday)

THE LADY OF ALL NATIONS SPEAKS TO IDA PEERDEMAN

The Lady is before me again. She says: "You should listen carefully and pass on what I am coming to tell you today. Tell the theologians that I am not satisfied with the alteration of the prayer. 'May the Lady of All Nations. Who once was Mary, be our Advocate' – that is to remain as it is. This time is Our time. Tell the following to the theologians: at the sacrifice of the Cross came 'the Lady'. The Son said to His Mother, 'Woman, behold your son.' Thus the change came about at the sacrifice of the Cross. The Lord and Creator chose Miriam, or Mary, from among all women to become the Mother of His Divine Son. At the sacrifice of the Cross she became 'the Lady', the Coredemptrix and Mediatrix. This was announced by the Son while He was returning to the Father. That is why I am bringing these new words in this time, and saying: I am the Lady of All Nations, who once was Mary. Tell this to your theologians.

This time is Our time. The new dogma which is to come is the final Marian dogma: the Lady of All Nations as the Coredemptrix, Mediatrix and Advocate. At the sacrifice of the Cross the Son gave this title to the entire world. No matter who or what you are, for you I am the Lady. I have come to tell this degenerate and wretched world: all of you, unite. You, Christian people, will find one another by the Lady of All Nations, just as you find one another at the Cross of the Son. Much will and must be changed within the community, in the Church. You, people, no matter who or what you are, support and help one another. In the first and greatest commandment you will find everything you need. May the Lady of All Nations, who once was Mary, be our Advocate.

The Lady especially wishes to come to those places where she used to be and to those where she has not been yet. You have a great task to accomplish," the Lady tells me. "Let all those who co-operate in this great work do so in all seriousness and with great zeal. Your task, child, has not yet come to an end. Tell your bishop to pass on the prayer to the whole world. I shall help him. I shall assist your spiritual director till the end.

Tell the Pope that it is good. He will understand me. Tell the Pope to prepare everything for the new dogma. Tell the Pope to prepare all the changes and to discuss them with those who were chosen by him. Tell the Pope that the time is now dawning. The Lady of All Nations will stand above the community. Let everyone ask, using this simple prayer, and the Lady will help them according to the will of the Father and the Son. She was Mary, the Handmaid of the Lord. She now wishes to be the Lady of All Nations. No matter who or what you are, come to the Lady of All Nations.

I warn Christian people and say: realise the seriousness of this time. Join hands. Plant the Cross in the middle of the world. You are all responsible for your task which you have to accomplish in this time. Do not let yourselves be led to the wrong spirit. Pray every day that the Lord Jesus Christ, Son of the Father, may send the Holy Spirit over this world, and the Lady of All Nations, who once was Mary, will be your Advocate. So be it." And then the Lady is gone.

## Living the Holy Mass

### The Daily Miracle

I am working to produce an A4, tri-fold glossy leaflet – see front cover illustration right – which aims to make an easy reference guide, to prayers and meditations to be used during Holy Mass, following the teachings given by Jesus and Our Lady to Catalina Rivas. **The leaflet will be professionally printed to a high standard** similar to the Rosary Leaflet which I produced in 2002. A free copy will be distributed to every Reader hopefully with the January 2007 issue of

THE MARIAN GLOBE, and further copies may be obtained by calling me on: **0115 927 3396**

### Thank You!!

I am truly grateful to all of the Readers, who, throughout the year, have so quietly and generously, given donations towards the printcost and postage of THE MARIAN GLOBE. My special thanks to **The Nottingham Lady of All Nations Prayer Group**, whose loving and practical support is an essential ingredient for this publication.

We are all united in working with Our Lady to plant the Cross of Jesus in the midst of the world.

**OUR GOD REIGNS!!!**

**Dear Readers**, thank you for all you do to help with this publication. May God bless you, and all those who are dear to you, whether they are here in this world, or have gone before us to the next. **Happy Christmas!!**

## Worldwatch: Did you know...?

- **Patients will be ignored over ~~the~~ privacy of their medical records.** One reputable Sunday newspaper reported on 3.12.06 that doctors and experts on computer privacy, warn the Department of Health is prepared to reject the wishes of patients who do not want their medical records to appear on the new government centralised computer database, due to launch a pilot in 2007. This is an apparent breach of our rights under the Data Protection Act and the Human Rights Act. Further, the Chief Medical Officer Sir Liam Donaldson, has apparently "demanded" that GPs should provide him with the names and addresses of those patients who say **No** to the database. GPs **also** worry about the vulnerability of the database to hackers.
- **GM Foods.** Despite strenuous opposition from the British Potato Council, David Miliband The Environment Secretary, has agreed to the cultivation of blight resistant, GM potatoes for a **5 year trial period starting in spring 2007**, on land near **Borrowash, Derbyshire and Gilton Cambridgeshire**. The potatoes are supposed to be "destroyed" when dug up. **Would YOU trust "Them"?** You have been warned!!
